Item 8.01 Other Events

On March 14, 2019, L.B. Foster Company (the “Company”) issued a press release announcing that the Company and its subsidiary, CXT Incorporated (“CXT”) entered into a Settlement Agreement dated March 13, 2019 (the “Settlement Agreement”) with Union Pacific Railroad Company (“UPRR”) to resolve pending litigation in the matter of Union Pacific Railroad Company v. L.B. Foster Company and CXT Incorporated, Case No. CI 15-564, in the District Court for Douglas County, Nebraska. The lawsuit related to UPRR’s claims that the Company and CXT breached their express warranty, implied covenant of good faith and fair dealing, and anticipatorily repudiated their warranty obligations with respect to the manufacture and sale of pre-stressed concrete railroad ties to UPRR, and UPRR sought to recover damages in an amount to be determined at trial for the value of unfulfilled warranty replacement ties and ties likely to become warranty eligible, costs for cover for replacement ties, and various incidental and consequential damages. The Company denied liability to UPRR and asserted that UPRR’s conduct was wrongful and unjustified and asserted defenses and counterclaims.

Under the Settlement Agreement, the Company and CXT will pay to UPRR the aggregate amount of \$50 million without pre-judgment interest, beginning with a \$2 million immediate payment, and with the remaining \$48 million paid in installments over a six-year period commencing on the effective date of the Settlement Agreement through December 2024 pursuant to a Promissory Note. Additionally, commencing in January 2019 and through December 2024, UPRR has agreed to purchase from the Company and its subsidiaries and affiliates, a cumulative total amount of \$48 million of products and services, targeting \$8 million of annual purchases per year beginning in 2019 per letters of intent under the Settlement Agreement.

The Company has taken charges regarding this dispute that amount to \$30 million from 2012 through 2016, and currently has a reserve of \$7 million from these charges. The Company will take a \$43 million non-cash charge (\$50 million minus the \$7 million reserve) for the year ended December 31, 2018, establishing a liability for the cash payments to UPRR that will begin immediately and be paid in installments over the next six years.

The Settlement Agreement also includes a mutual release of all claims and liability regarding or relating to all CXT pre-stressed concrete railroad ties with no admission of liability and dismissal of the litigation with prejudice.
