**Item 2.01 Completion of Acquisition or Disposition of Assets.**

On March 31, 2014 (the "Closing Date"), Magellan Petroleum Corporation (the "Company") and its subsidiaries Magellan Petroleum Australia Pty Ltd ("MPA"), Magellan Petroleum (N.T) Pty. Ltd. ("MPNT"), and Jarl Pty. Ltd. ("Jarl") completed the sale of the Company's interests in MPNT and other assets associated with MPA's interests in the Palm Valley and Dingo gas fields ("Palm Valley" and "Dingo," respectively) to Central Petroleum Limited and Central Petroleum PVD Pty. Ltd (collectively, "Central"), pursuant to the Share Sale and Purchase Deed (the "Sale Deed") that was previously reported in the Current Report on Form 8-K filed by the Company with the U.S. Securities and Exchange Commission on February 18, 2014 (the "Prior 8-K"). The Prior 8-K contains under Item 1.01 thereof a summary of the terms of the Sale Deed and the related Escrow Agency Deed (the "Transaction Documents") which is incorporated by reference herein, and the Transaction Documents were filed as exhibits to the Prior 8-K and are incorporated by reference in this report.

Pursuant to the terms of the Sale Deed, on the Closing Date MPA sold to Central (i) all of the outstanding shares of MPNT, the Company's wholly owned subsidiary through MPA that owns undivided interests in the production and retention licenses corresponding to the Palm Valley and Dingo gas fields; (ii) certain personal property associated with the Palm Valley and Dingo gas fields; and (iii) certain other business property, business equipment leases, and third-party contracts relevant to the operations at the Palm Valley and Dingo gas fields, including an office leasehold in Brisbane, Australia, which leases and contracts were assigned to and assumed by Central. In exchange, on the Closing Date Central (i) paid the Company a first installment of AUD \$15.0 million in cash; and (ii) issued to MPA 39.5 million shares of Central valued at approximately AUD \$20.7 million on the Closing Date and representing an approximate 11% ownership in Central's common stock. A second installment of AUD \$5.0 million in cash is due to the Company from Central on or before April 15, 2014, for which Central has provided partial security in the form of three deposit banker's undertakings in the total amount of AUD \$3.5 million.

In addition, the Company is entitled to receive bonus consideration of 25% of the revenues generated at the Palm Valley gas field from gas sales when the volume-weighted gas price realized at Palm Valley exceeds AUD \$5.00/Gigajoule ("GJ") and AUD \$6.00/GJ for the first ten years following the Closing Date and for the following five years, respectively, with such prices to be escalated in accordance with the Australian CPI. Between the third and fifth anniversaries of the Closing Date, inclusive, the Company may seek from Central a one-time payment (the "Bonus Discharge Amount") corresponding to the present value, assuming an annual discount rate of 10%, of any expected remaining bonus payments in exchange for foregoing future bonus payments. If the Company receives the Bonus Discharge Amount, bonus payments and the Bonus Discharge Amount shall not exceed AUD \$7.0 million. The Company is also entitled to be reimbursed by Central for all third-party expenditures the Company has incurred in the development of the Dingo gas field since October 1, 2013, less AUD \$485,000, when the determination of such reimbursable amounts is finalized.

See Item 9.01(b) below for pro forma financial information related to the transaction pursuant to the Sale Deed.

**Item 7.01 Regulation FD Disclosure.**
