This Current Report on Form 8-K is being furnished to advise that beginning on September 1, 2010, Norfolk Southern Corporation will begin publishing the "AAR Weekly Carloading Mapping Key to NS Commodities" ("Carloading Mapping Key") on the Registrant's website at **www.nscorp.com** under the Investors tab. The Carloading Mapping Key is updated quarterly and provides the percentage of each NS commodity that is included in each commodity category published by the Association of American Railroads (AAR). This information, in conjunction with the Weekly Carload Reports that are currently published on the Registrant's website, will allow investors to more easily compare the Registrant's carload information to publicly furnished information from the AAR and others in the industry.

Such forward-looking statements are subject to risks and uncertainties which could cause actual results to differ. See the Registrant's Annual Report on Form 10-K for the fiscal year ended December 31, 2009 for discussions of certain of these risks and uncertainties.
