Item 8.01 Other Events.

Following the resignation of Nelson Peltz from the Board of Directors of Legg Mason, Inc. (the “Company”), Trian Fund Management, L.P. (together with certain affiliates, associates, investment vehicles and funds, “Trian”) informed the Board of Directors of the Company that because Trian believed the Company’s shares were undervalued, it was interested in potentially acquiring additional shares of Company common stock but did not want to become subject to potential restrictions arising from such purchases under the Maryland Control Share Acquisition Act or the Maryland Business Combination Act. Following discussions with Trian, on December 19, 2014, the Board approved additional future purchases of Company common stock by Trian thereby extending certain existing waivers of the applicability to Trian of the Maryland Business Combination Act and Maryland Control Share Acquisition Act as long as the purchases do not result in Trian owning more than 13% of the outstanding Company common stock, although Trian’s percentage ownership may exceed 13% as a result of subsequent share repurchases and other similar activity by the Company.
