ITEM 3. ISSUE, SALE, PLEDGE, GUARANTEE OR ASSUMPTION OF SYSTEM SECURITIES

During 2001, Dominion Transmission had a letter of credit outstanding to provide security to the Commonwealth of Pennsylvania for the Company's obligation to plug and reclaim gas wells as part of the process of abandonment of gas storage properties. One-half the cost of one letter of credit is shared by nonaffiliated pipeline companies. As of December 31, 2001, the balance outstanding on this letter of credit totaled \$1,500,000.

As of December 31, 2001, Dominion maintained two separate indemnity agreements with two separate surety companies. The indemnity agreements represented total outstanding obligations of approximately \$105 million.

CNG has issued guarantees to the states of Louisiana, Ohio, Pennsylvania and West Virginia to maintain worker's compensation self-insurance status for certain subsidiaries operating in those states.
