Item 1.01. Entry Into a Material Definitive Agreement

On November 28, 2005, BellSouth's Board of Directors approved the terms of a proposed agreement with W. Patrick Shannon, in connection with Mr. Shannon becoming the Company's Chief Financial Officer. On February 27, 2006, the Company entered into the agreement with Mr. Shannon. This agreement, which was subject to revocation until March 7, 2006, provides for the grant of 75,000 restricted stock units, of which 25,000 vest on each of January 2, 2009, 2010 and 2011. The agreement also provides for a separation payment of two times base pay plus two times his standard bonus for the year in which the separation occurs, if the Company initiates termination other than for cause, or if he initiates termination for good reason (a constructive discharge). The agreement contains provisions prohibiting competition with BellSouth and solicitation of BellSouth employees for a period of time following separation. The change in control executive severance agreement with Mr. Shannon, dated as of July 6, 2005, was not affected by this new agreement.

The foregoing description of the agreement does not purport to be complete and is qualified in its entirety by reference to the attached copy of the agreement.
