Solectron Announces \$200 Million

Stock Repurchase Program

For Immediate Release: Sept. 17, 2001

MILPITAS, Calif. -- Solectron Corporation (NYSE: SLR), the leading global provider of electronics manufacturing and supply-chain management services, today said its board of directors has authorized a \$200 million stock repurchase program.

Under the program, the company may repurchase its common shares in the open market beginning when New York Stock Exchange trading resumes today, and from time to time thereafter. Repurchases will be funded by the company's cash resources. Solectron has 658.3 million shares of common stock outstanding.

"With this authorization, our board is demonstrating confidence in the financial markets and in the strength of Solectron," said Kiran Patel, executive vice president and chief financial officer for Solectron. "We believe this support is in the best interests of our shareholders."

Separately today, Solectron issued a news release reporting its fourth- quarter and fiscal 2001 financial results.

All monetary amounts are stated in U.S. dollars.

About Solectron

Solectron (www.solectron.com) provides a full range of global manufacturing and supply-chain management services to the world's premier high-tech electronics companies. Solectron's offerings include new-product design and introduction services, materials management, high-tech product manufacturing, and product warranty and end-of-life support. Solectron, the first two-time winner of the Malcolm Baldrige National Quality Award, has a full range of industry-leading capabilities on five continents. Its headquarters are in Milpitas, Calif.

Safe Harbor

This news release contains forward-looking statements regarding our outlook for the future, including expected margin improvement in the coming year, our position in the industry, and the expected timing of completion and impact of the acquisitions noted below. Our statements are based on current expectations, forecasts and assumptions involving risks and uncertainties that could cause actual outcomes and results to differ materially.

These risks and uncertainties include the length and severity of the current economic downturn and our ability to manage customer demand through the downturn, the ability to effectively integrate recently completed and currently pending acquisitions including Shinei International, MCC/Sequel and the recently announced pending acquisition of C-MAC Industries, the impact of events occurring on Sept. 11, 2001, risk of price fluctuation, reliance on major customers, the length and severity of the current economic slowdown in the electronics technology sector, fluctuations in operating results, changes in technology, competition, the ability to manage rapid growth, the ability to manage rapid declines in customer demand, the ability to manage business integration, risks associated with international sales and operations, interest rate risk, environmental regulations, market risk, segment risk, the ability to retain key personnel and intellectual property rights enforcement. For a further list and description of risks and uncertainties, see the reports filed by Solectron with the Securities and Exchange Commission, specifically forms 8-K, 10-Q, S-3, S-4 and 10-K. Solectron disclaims any intention or obligation to update or revise any forward-looking statements, whether as a result of new information, future events or otherwise.
