LIFETIME HOAN REPORTS FOURTH QUARTER 2004 RESULTS

WESTBURY, N.Y., March 1, 2005 -- LIFETIME HOAN CORPORATION (NASDAQ NM: LCUT), a leading designer, marketer and distributor of housewares, today announced results for the fourth quarter and full year ended December 31, 2004.

For the fourth quarter of 2004, net sales totaled \$68.1 million compared to \$62.1 million for the same period of the prior year. The Company reported net income of \$5.3 million compared to \$5.4 million for the fourth quarter of 2003. On a diluted per share basis, net income was \$0.47 per share compared to \$0.49 per share in 2003.

Net sales for the twelve months ended December 31, 2004 totaled \$189.5 million compared to \$160.4 million for the same period in 2003, an increase of 18%. Net income for the period was \$8.5 million compared to \$8.4 million last year. On a diluted per share basis, net income was \$0.75 per share compared to \$0.78 per share in 2003.

Jeffrey Siegel, Chairman, President and Chief Executive Officer, commented, "In the fourth quarter, Lifetime's net sales rose by 10%, but our results were nonetheless below our expectations for the period. The shortfall was primarily the result of two factors. First, an important roll-out with a major customer of our new line of KitchenAid(R) cutlery extended into the first two weeks of January, rather than being completed in December 2004, as we had expected. In addition, sales of our new models of S'Mores Makers did not reach the levels we had anticipated. Our original model, introduced in 2003, was an extremely popular gift item during the holiday season and was a significant contributor to the 31% sales increase we achieved in the fourth quarter of 2003. Though our sales for the fourth quarter of 2004 increased 10%, our SG&A

Edgar Filing: LIFETIME HOAN CORP - Form 8-K

increased 28%, due primarily to augmenting several key areas of our Company in anticipation of growth in 2005, as well as an increase in personnel for the Excel tabletop division that we acquired in July 2004.

"Our outlook for 2005 is very positive. An important source of growth will be the expanded placement for our KitchenAid(R) products that we recently obtained with one of our major customers. Overall, demand for our KitchenAid(R) products, including the innovative lines of KitchenAid(R) cutlery we launched late last year, remains very strong and will be a primary growth driver in 2005.

"We also expect to realize significant revenue increases across all our product lines, including contributions from the new tabletop and cookware categories we added in July 2004 through our acquisition of Excel Importing Corp. New product introductions will continue to play a significant role in our growth initiatives, primarily in the second half of the year. We will be bringing to market new lines of Sabatier(R) branded cutlery, which, combined with our offerings under the KitchenAid(R) and Cuisinart(R) brands, should enable us to increase our presence in the upper-end of the cutlery market. We also expect to see growth from the exciting new line of bath accessories our new :USE division has developed, as we continue to expand our product line beyond the kitchen into other areas of the home.

"As a result of the wide-ranging growth we expect in our many product lines, we estimate that Lifetime's net sales will total approximately \$220 million to \$230 million in 2005. For the year, we expect earnings per share to total approximately \$0.95 to \$1.15."

Lifetime Hoan noted that fourth quarter 2004 sales attributable to the :USE(R) - Tools for Civilization(R), Gemco Ware and Excel businesses the Company recently acquired totaled \$5.7 million.

Lifetime Hoan has scheduled a conference call Tuesday, March 1, at 11:00 a.m. Eastern time to discuss fourth-quarter and full-year 2004 results and additional matters.
