NHI Raises First Quarter Dividend to 45 Cents Per Share

MURFREESBORO, Tenn. - National Health Investors, Inc., (NYSE: NHI) announced today that it will pay a first quarter dividend of 45 cents per common share to shareholders of record on March 31 and payable on May 10.

The 45 cent dividend is an increase of two and one half cents over last year's regular quarterly dividend. NHI President Andy Adams said the increase was appropriate given our continued progress in managing our portfolio and our expectation for taxable income for 2005.

NHI specializes in the financing of health care real estate by first mortgage and by purchase and leaseback transactions. The common stock of the company trades on the New York Stock Exchange with the symbol NHI.
