Item 1.01 Entry Into a Material Definitive Agreement.

The information set forth below under Item 2.03 is hereby incorporated by reference into this Item 1.01.

Item 2.03 Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.

On February 26, 2016, Credit Acceptance Corporation (the “Company”, “Credit Acceptance”, “we”, “our”, or “us”) entered into a \$385.0 million asset-backed non-recourse secured financing (the “Financing”). The parties to the transaction are the Company, as originator, servicer and custodian, Credit Acceptance Funding LLC 2016-1, as borrower, Wells Fargo Bank, National Association, as deal agent, lender, backup servicer and collateral agent, Bank of Montreal, as lender, and the other lenders party from time to time thereto. Pursuant to the Financing, we contributed loans having a net book value of approximately \$481.4 million to a wholly-owned special purpose entity that pledged the loans to institutional lenders under a loan and security agreement.

The Financing will:

- bear interest at one-month LIBOR plus 195 basis points;
- revolve for 24 months after which it will amortize based upon the cash flows on the contributed loans; and
- be used by us to repay outstanding indebtedness and for general corporate purposes.

We will receive 6.0% of the cash flows related to the underlying consumer loans to cover servicing expenses. The remaining 94.0%, less amounts due to dealers for payments of dealer holdback, will be used to pay principal and interest to the institutional lenders as well as the ongoing costs of the Financing. The Financing is structured so as not to affect our contractual relationships with our dealers and to preserve the dealers’ rights to future payments of dealer holdback.

The Financing provides for certain events, referred to as “Termination Events”, including nonpayment, misrepresentation, breach of covenants, bankruptcy and failure to maintain certain financial ratios and results, including in respect of the performance of the pledged loans. It is also a Termination Event (i) if an event with a material adverse effect occurs, (ii) if we fail to make any required payment on debt for borrowed money having a principal amount in excess of \$15.0 million or default in the performance of any conditions, covenants or agreements under agreements relating to any such debt that results in such debt being (or permits such debt to be) accelerated or (iii) with respect to our role as servicer of the loans, if any “Servicer Termination Event” occurs. Upon the occurrence of any Termination Event, in addition to those described above, the creditors may, after the applicable grace period, declare the entire unpaid principal amount outstanding under the Financing and all accrued interest thereon to be immediately due and payable and exercise other remedies, including foreclosing on the collateral.

Bank of Montreal is a lender under the Company’s Sixth Amended and Restated Credit Agreement dated as of June 23, 2014, as amended. Wells Fargo Bank, National Association and/or its affiliates are lenders, agents or backup servicers under certain of our revolving secured warehouse facilities and are parties to certain of our asset-backed securities transactions.

The above summary of the terms and conditions of this transaction does not purport to be complete and is qualified in its entirety by the agreements attached as Exhibits 4.66 to 4.69 to this Form 8-K which agreements are incorporated herein by reference.

Item 8.01. Other Events.
