Items to be Included in this Report

Item 8.01 Other Events

Columbia Banking System, Inc. (the “Company”) is filing this Current Report on Form 8-K to update certain historical information included in its Annual Report on Form 10-K for the year ended December 31, 2007 filed with the Securities and Exchange Commission on March 7, 2008, (the “Form 10-K”). In particular, the Company is updating certain historical information to reflect the reorganization of its reportable segments.

As reported in its Quarterly Reports on Form 10-Q for the periods ended March 31 and June 30, 2008, effective April 1, 2008, the Bank of Astoria banking subsidiary (“Astoria”) was merged into the Columbia Bank banking subsidiary. This change in internal organizational structure changed the composition of the Company’s reportable segments. Previously, Astoria operating results were reported in the Astoria segment; however, as a result of the change in organizational structure, operating results for Astoria are now included in the Company’s Retail Banking reportable segment.

The following items of the Form 10-K are being recast to reflect the Company’s reorganization of its reportable segments:

- Business and Properties (Part I, Item 1 and 2)(filed as Exhibit 99.1 hereto and incorporated herein by reference)
- Financial Statements and Supplementary Data (Part II, Item 8)(filed as Exhibit 99.2 hereto and incorporated herein by reference)

This new presentation has no effect on the Company’s reported total net income for any reporting period. Other than as required to reflect the changes in segment presentation as described above, the information presented in the Exhibits referenced above does not reflect events occurring after the filing of the Form 10-K for the year ended December 31, 2007. This Current Report on Form 8-K should be read in conjunction with the Form 10-K (except for Part I, Items 1 and 2 and Part II, Item 8) and the Company’s other periodic reports on Form 10-Q and Form 8-K that have been filed with the Securities and Exchange Commission.
