Item 2.05 Costs Associated with Exit or Disposal Activities.

We have determined to relocate our Europe Middle East & Africa ("EMEA")
operating headquarters from The Netherlands to Ireland. On September 17, 2004,
as part of this relocation, we finalized the social plan for our employees in
The Netherlands which sets forth the framework for the severance and relocation
benefits provided to impacted employees. In connection with this activity, we
expect to incur restructuring charges related to employee severance costs of
between \$2.5 million and \$3.5 million, all of which will result in cash
expenditures. The restructuring expense will be recorded primarily over the

fourth quarter of 2004 and the first quarter of 2005 as the employees provide transition services to the Company. The EMEA relocation is expected to be substantially complete by March 2005. The above range is subject to a number of assumptions (including assumptions regarding the number of employees relocating and/or accepting severance packages) and actual results may differ, perhaps materially.
