PART III NARRATIVE

State below in reasonable detail the reasons why Forms 10-K, 20-F, 11-K, 10-Q, 10-D, N-SAR, N-CSR, or the transition report or portion thereof, could not be filed within the prescribed period:

Cardiogenesis Corporation (the Company) is unable to file timely its quarterly report on Form 10-QSB for the quarter ended June 30, 2006 because the Company has not completed the preparation and review of its financial statements for such quarter and prior periods. As previously disclosed, the Company had delayed filing of certain of its periodic reports pending resolution of issues raised in a comment letter from the Securities and Exchange Commission (the Commission). Subsequent to resolution of such issues with the Commission, the Company has been working to complete the delinquent filings before filing the Form 10-QSB for the quarter in question.

The Company intends to file the report at the earliest practicable date and, although it is possible that such filing will be made within five calendar days of its due date, delays in filing delinquent periodic reports for prior periods may cause the Company to delay filing of the Form 10-QSB for the quarter ended June 30, 2006.
