Attention: Howard B. Surloff, Secretary

Advance Notice of Nomination of Director and Proposals

Edgar Filing: BLACKROCK MUNICIPAL 2018 TERM TRUST - Form SC 13D

Dear Mr. Surloff:

Special Opportunities Fund, Inc. ("SPE") beneficially owns 100 shares of auction rate preferred stock (the "Shares"), of each of BlackRock California Municipal 2018 Term Trust and BlackRock Municipal 2018 Term Trust (each, a "Company" and collectively, the "Companies"). Brooklyn Capital Management LLC is the investment advisor to SPE. Cede & Co., the nominee of The Depository Trust Company ("Cede"), is the holder of record of the Shares. We have been informed that the Companies do not permit a beneficial holder like SPE to register the Shares in its own name.

SPE would like to assert its right to nominate a director and present proposals at each Company's 2011 annual meeting of shareholders (the "Annual Meeting"). Given the timing of the Companies' surprise announcement at 4:27 p.m. on Friday, February 4, 2011 of the annual shareholder meeting, it is not feasible for SPE to obtain and have delivered an advance notice letter from Cede by the required (very tight) deadline of February 14, 2011. Therefore, we request that the boards of the Companies waive that requirement and accept this letter as constituting adequate notice of SPEs intent to nominate a director and present proposals at the Annual Meeting. If the boards agree to do so we will be pleased to provide additional proof of SPEs beneficial ownership of the Shares (although we note they are already disclosed in SPE's latest Form N-Q).

As you know, Section 18(a)(2)(C) of the Investment Company Act of 1940 (the "ICA") entitles the holders of senior securities, voting as a class, to elect at least two directors of each Company at all times. That right is unqualified. Hence, any unreasonable impediment that the board of directors imposes on the right of holders of the Shares to nominate and elect a director of their choice, as a class, would be a violation of the law and a breach of fiduciary duty, especially since it is obvious to everyone, including the board, that the long suffering holders of the Shares are likely to elect a director that will endeavor to provide them with liquidity for their Shares. We note that each Company's Trust Agreement clearly adopts corporate fiduciary duties in Section 3.1 of its Trust Agreement ("The Trustees shall owe to the Trust and its Shareholders the same fiduciary duties as owed by directors of corporations to such corporations and their stockholders under the Delaware General Corporation Law."). In this regard, we cannot think of any reason for the board to deny our request that would not constitute a breach of fiduciary duty.

Assuming the board abides by its fiduciary duty and grants our request to waive the requirement that Cede provide the required advance notice, SPE hereby submits this notice to the Companies in accordance with the other requirements of Sections 6 and 7 of Article I of the Amended and Restated Bylaws of each Company, dated October 28, 2010.

SPE intends to appear at the Annual Meeting in person or by proxy to nominate the following person (the "Proposed Nominee") for election by the shareholders of auction rate preferred stock voting as a class to be a member of the board of directors of each Company at the Annual Meeting.

Walter S. Baer; Age: 73; Date of Birth: July 27, 1937; Business Address: Annenberg School for Communications and Journalism, University of Southern California, Los Angeles, California 90089-0281; Residence Address: 344 S. Canyon View Drive, Los Angeles, California 90049; Nationality: U.S. Citizen; Shares or derivative instruments ever owned by the Proposed Nominee or any "Proposed Nominee Associated Person": none; Professional Experience: Presently a private investor; University of Southern California,

Edgar Filing: BLACKROCK MUNICIPAL 2018 TERM TRUST - Form SC 13D

Annenberg School for Communications and Journalism, Senior Fellow;
RAND Corporation, Deputy Vice President and Professor of Policy Analysis,
1990-2004; Times Mirror Company, Director of Advanced Technology, 1981-1989;
Education: University of Wisconsin, Ph.D. (physics), 1964, Caltech,
BS (physics), 1959; Directorships/Other: KCRW Public Radio Foundation,
Director, Audit Committee Chair.

SPE believes all of information regarding the Proposed Nominee required by the Bylaws is set forth above and that (1) the Proposed Nominee meets the qualifications set forth in Section 1 of Article II, (2) is not an "interested person" as defined in Section 2(a)(19) of the ICA, and (3) there is no further affirmative information to report about the Proposed Nominee relating to Section 7(d)(i) of Article I or otherwise required by the Bylaws or in solicitations of proxies. The written consent of the Proposed Nominee to be nominated and to serve as a director of the Company is attached hereto.

SPE believes all of the information about SPE or any Shareholder Associated Person required by the Bylaws is set forth above and that there is no further affirmative information to report about SPE or any Shareholder Associated Person relating to Section 6(d)(ii) or Section 7(d)(ii) of Article I or otherwise required by the Bylaws or in solicitations of proxies.

SPE intends to present the following proposals at each Company's Annual Meeting:

1. The board of directors shall consider taking all steps necessary to cause the Company to redeem all outstanding auction rate preferred shares including but not limited to consideration of eliminating all leverage or replacing such shares with Municipal Term Preferred Securities (MTPS), Variable Rate Demand Preferred Securities (VRDPS), or Tender Option Bonds (TOBs), or using bank debt.
2. Notwithstanding anything to the contrary in any of the Company's organizing documents (i) each director shall promptly review the Company's bylaws with respect to measures that affect shareholder democracy, and (ii) any director that votes to adopt or does not vote to rescind any measure intended to make the election process prior to or at a shareholder meeting less than scrupulously fair or that confers or denies any advantage to any candidate or slate of candidates, shall resign as a director of the Company.
3. Any director of the Company who is elected as a result of a contested election and who was nominated by a shareholder shall be entitled to a fee of at least \$20,000 per annum for serving as a director.

The purpose of the first proposal is to address the need of shareholders of the Companies' auction rate preferred shares for liquidity. The purpose of the second proposal is to insure that all directors of the Company adhere to a fiduciary standard of scrupulous fairness in connection with shareholder meetings as established by Delaware case law. The purpose of the third proposal is to attract qualified opposition nominees for director of the Company.

Very truly yours,

/s/ Phillip Goldstein,
Chairman of the Board
