PROXY STATEMENT

Edgar Filing: RIMAGE CORP - Form DEF 14A

SOLICITATION OF PROXIES

The accompanying Proxy is solicited on behalf of the Board of Directors of Rimage Corporation (the "Company" or "Rimage") for use at the Annual Meeting of Shareholders to be held on May 21, 2003, at 3:30 p.m. at the Minneapolis Marriott Southwest, 5801 Opus Parkway, Minnetonka, Minnesota, and at any adjournments thereof. The cost of solicitation, including the cost of preparing and mailing the Notice of Annual Shareholders' Meeting and this Proxy Statement, will be paid by the Company. Representatives of the Company may, without cost to the Company, solicit proxies for the management of the Company by means of mail, telephone or personal calls.

Shares of the Company's common stock, \$.01 par value, represented by proxies in the form solicited, will be voted in the manner directed by a shareholder. If no direction is made, the proxy will be voted for the election of the nominees for director named in this Proxy Statement, for approval of the other proposals contained in this Proxy Statement and for any other matters properly brought before the meeting. Shares voted as a "withhold vote for" one or more directors will be counted as shares that are present and entitled to vote for purposes of determining the presence of a quorum at the meeting and as unvoted, although present and entitled to vote, for purposes of the election of the directors with respect to which the shareholder has abstained. If a broker submits a proxy that indicates the broker does not have discretionary authority to vote certain shares, those shares will be counted as shares that are present and entitled to vote for purposes of determining the presence of a quorum at the meeting, but will not be considered as present and entitled to vote with respect to the matters voted on at the meeting. Each proposal presented at this Annual Meeting will be approved by the affirmative vote of the holders of a majority of shares of common stock present at the Annual Meeting, either in person or by proxy, and entitled to vote.

Proxies may be revoked at any time before being exercised by delivery to the Secretary of the Company of a written notice of termination of the proxies' authority or a duly executed proxy bearing a later date.

Only holders of record of common stock at the close of business on April 8, 2003 will be entitled to receive notice of and to vote at the meeting. On April 8, 2003, the Company had 8,740,190 shares of common stock outstanding. Each outstanding share is entitled to one vote on all matters presented at the meeting.

So far as the management of the Company is aware, no matters other than those described in this Proxy Statement will be acted upon at the Annual Meeting. In the event that any other matters properly come before the Annual Meeting calling for a vote of shareholders, the persons named as proxies in the enclosed form of proxy will vote in accordance with their best judgment on such other matters.

A copy of the Company's Annual Report on Form 10-K for the year ended December 31, 2002, is being furnished to each shareholder with this Proxy Statement. This Proxy Statement is being mailed to shareholders on or about April 18, 2003.

PROPOSAL 1: ELECTION OF DIRECTORS

Pursuant to its bylaws, the Company has set the number of Directors at seven. Although the Company will continue to seek qualified individuals to fill the additional director position, only six directors will be elected at the Annual Meeting to serve until the next Annual Meeting of Shareholders or until their successors are elected. Messrs. McNamara and Fletcher, directors of the Company since 1987, are retiring from the Board of Directors and will not stand for re-election at this Annual Meeting. Proxies cannot be voted for a greater number of persons than the number of nominees named. The Board of Directors has nominated for election the six persons named below. Each nominee, other than Mr. Larry M. Beveniste, is currently a director of the Company.

All nominees elected at the Annual Meeting will serve until the next Annual Meeting or until their earlier death, resignation, removal, or disqualification. The persons named in the accompanying Proxy intend to vote the proxies held by them in favor of the nominees named below as directors, unless otherwise directed. The affirmative vote of a majority of the voting shares represented at the meeting, either in person or by proxy, is required for the election of each director. Should any nominee for director become unable to serve as a director for any reason, the proxies will be voted in accordance with the best judgment of the persons named therein. The Board of Directors has no reason to believe that any candidate will be unable to serve if elected.

The following information is furnished with respect to each nominee as of April 8, 2003:

COMMITTEES OF THE BOARD OF DIRECTORS

During calendar year 2002, the Board of Directors met five times. The Board of Directors has established a Compensation Committee and an Audit Committee. On February 12, 2003, the Board of Directors also established a Governance Committee. During 2002, the Compensation Committee met one time and the Audit Committee met five times. Each nominee for director attended at least 75% of the meetings of the Board and committees on which he served during 2002.

The Compensation Committee reviews and makes recommendations to the Board of Directors regarding salaries, compensation and benefits of executive officers and senior management of the Company. The Compensation Committee also administers the Company's 1992 Stock Option Plan. The current members of the Compensation Committee are Messrs. Quist (Chair), Reissner and Madison.

The Governance Committee is charged with the responsibility of establishing an appropriate structure for the governance of the Board, including the processes of director selection and tenure, setting and monitoring Board performance and management succession. The current members of the Governance Committee are Thomas F. Madison (Chair) and Steven M. Quist.

The Governance Committee will consider nominees recommended by the Company's shareholders, provided such shareholder is eligible to make such nomination under, and follows the procedures set forth in, Section 3.14 of the

Edgar Filing: RIMAGE CORP - Form DEF 14A

Company's Amended and Restated Bylaws. The Company's Amended and Restated Bylaws provide that for a nomination to be properly made, a shareholder must provide written notice to the Company's Secretary on or before December 20, 2003 setting forth: (A) the name and record address of the shareholder and of the beneficial owner, if any, on whose behalf the nomination will be made, and (B) the class and number of shares of the corporation owned by the shareholder and beneficially owned by the beneficial owner, if any, on whose behalf the nomination will be made. As to each person the shareholder proposes to nominate, the written notice must also state: (A) the name, age, business address and residence address of the person, (B) the principal occupation or employment of the person and (C) the class and number of shares of the corporation's capital stock beneficially owned by the person.

Among its other functions, the Audit Committee selects the Company's independent auditors, reviews the internal and external financial reporting of the Company, reviews the scope of the independent audit, reviews all non-audit services provided by the auditors, approves auditor fees and determines auditor independence. The Audit Committee operates under a written charter adopted by the Board of Directors on May 10, 2000 and amended on February 12, 2003. A copy of the Charter of the Audit Committee of the Board of Directors of Rimage Corporation currently in effect is attached to this Proxy Statement as Appendix A. The Company's Audit Committee presently consists of three directors: James L. Reissner (Chair), Steven M. Quist and Thomas F. Madison. The Board of Directors has determined that all members of the Audit Committee are "independent" directors under the Nasdaq Marketplace Rules.

DIRECTORS' FEES

Directors currently receive a fee of \$3,000 for each meeting of the Board of Directors which they attend. Additionally, under the Company's 2001 Stock Option Plan for Non-Employee Directors (the "Director Plan"), each non-employee director of the Company receives a non-qualified option to purchase 5,000 shares of common stock at each annual meeting of shareholders at which such director is elected or re-elected beginning with the 2001 Annual Meeting. At the 2002 Annual Meeting of Shareholders held on May 21, 2002, Messrs. Fletcher, McNamara, Quist, Reissner and Madison each received an option to purchase 5,000 shares of the Company's common stock.

The exercise price of all options under the Director Plan is equal to the fair market value (the closing sale price on the Nasdaq if so traded) of the common stock on the date of such annual meeting. All options granted under the Director Plan are fully exercisable from the date of grant. Options under the Director Plan are not transferable. An option granted under the Director Plan expires at the earlier of ten years from the date of grant or, if the optionee ceases to be a director, (a) within twelve months, in the case of death or disability (b) as of the date of misconduct, in the case of willful misconduct or (c) within 90 days, if for any other reason. In the event Proposal 2 is approved by the Company's shareholders, options to non-employee directors will no longer be granted under the Director Plan, but will be granted under the Amended and Restated 1992 Stock Option Plan.

THE AFFIRMATIVE VOTE OF THE HOLDERS OF A MAJORITY OF THE SHARES OF THE COMMON STOCK REPRESENTED AT THE ANNUAL MEETING AND ENTITLED TO VOTE IS NECESSARY FOR ELECTION OF THE NOMINEES TO THE BOARD OF DIRECTORS DESCRIBED ABOVE. PROXIES WILL BE VOTED IN FAVOR OF EACH NOMINEE UNLESS OTHERWISE INDICATED.

THE BOARD OF DIRECTORS RECOMMENDS

Edgar Filing: RIMAGE CORP - Form DEF 14A

THAT THE SHAREHOLDERS VOTE FOR
THE ELECTION OF EACH NOMINEE

5

PROPOSAL 2: APPROVAL OF RIMAGE CORPORATION AMENDED AND RESTATED 1992 STOCK OPTION PLAN

On April 4, 2003, the Company's Board of Directors approved, subject to shareholder approval, the Amended and Restated 1992 Stock Option Plan (the "Plan"), including amendments that will:

- allow for the issuance of restricted stock
- provide for annual grants of non-qualified stock options to non-employee directors, in lieu of annual stock option grants under the Company's 2001 Non-Employee Director Plan
- reserve for issuance under the Plan an additional 400,000 shares of common stock
- extend the Plan to May 21, 2013.

The Plan is intended to promote the growth and profitability of the Company by providing its employees, consultants and directors with an incentive to achieve long-term corporate objectives, to attract and retain employees, consultants and directors of outstanding competence, and to provide such employees, consultants and directors with an equity interest in the Company.

DISCUSSION OF AMENDMENTS

RESTRICTED STOCK. The Plan does not currently provide for the grant of restricted stock. However, the Company believes that the grant of restricted stock is one additional method which may be used to attract and retain employees, consultants and directors. Accordingly, the Board of Directors has amended the Plan to allow the grant of restricted stock.

ANNUAL OPTION GRANT TO NON-EMPLOYEE DIRECTORS. The Plan has also been amended to allow for annual grants of non-qualified stock options to the Company's non-employee directors in lieu of grants under the Company's 2001 Non-Employee Director Plan (the "Director Plan"). The Director Plan was adopted to standardize the time, date, amount and terms of annual grants to directors. If Proposal 2 is adopted, no further option grants will be made under the Director Plan and grants of stock options to non-employee directors will be made exclusively under the Plan, including the stock option grants to non-employee directors elected or re-elected at this Annual Meeting. The Board of Directors believes that providing for these types of grants to non-employee directors under the Plan will allow for greater ease in administering the Company's plans.

Assuming Proposal 2 is approved, the Committee has determined that non-employee directors elected or re-elected at this 2003 Annual Meeting will receive an option to purchase 5,000 shares of the Company's common stock. The following table sets forth the information with respect to options that will be granted under the Plan to nominees upon their election or reelection to the Board of Directors and shareholder approval of the Plan at the 2003 Annual Meeting:

Edgar Filing: RIMAGE CORP - Form DEF 14A

NAME	NUMBER OF SHARES
Thomas F. Madison	5,000
Steven M. Quist	5,000
James L. Reissner	5,000
Larry M. Benveniste	5,000
All Non-Employee Directors, as a Group	20,000

INCREASE OF NUMBER OF SHARES AUTHORIZED. Stock options have historically been a key component in the compensation packages for both executive and technical personnel. Without the ability to grant awards of additional options or restricted stock, the Board of Directors of the Company does not believe that it would have the appropriate tools to attract and retain these personnel. At March 31, 2003, there were 2,795,000 shares reserved under the Plan and 170,908 shares remain available for grant under the Plan. In addition, there are 25,000 shares remaining available for issuance under the Director Plan. Because the Plan will allow for automatic annual option grants to non-employee directors which grants have historically been made under the Director Plan, the Board of

6

Directors has determined that the increase in the number of shares available under the Plan should also reflect the shares which would be available for grant under the Director Plan. If Proposal 2 is adopted, no further grants will be made under the Director Plan. The Board of Directors has amended the Plan to increase the number of shares available for issuance by 400,000, which represents 25,000 shares currently available for issuance under the Director Plan and 375,000 additional shares. The Board of Directors believes this increase will provide enough authorization to cover anticipated option grants or restricted stock awards for at least the next two years and allow for the annual option grant to non-employee directors.

EXTENSION OF THE PLAN. The Plan initially became effective with respect to 250,000 shares on September 24, 1992, upon its adoption by the Board of Directors of the Company and approval by the shareholders of the Company. The Plan was amended by shareholders on June 5, 1994, July 11, 1997, May 10, 2000 and May 23, 2001. To provide for the future administration of, and continuing benefits under, the Plan, the Board of Directors has amended the Plan to expire ten years after the date of this Annual Meeting, or on May 21, 2013.

SUMMARY OF THE PLAN

The following summary is qualified in its entirety by reference to the full text of the Rimage Corporation Amended and Restated 1992 Stock Option Plan attached to this Proxy Statement as Appendix B.

ADMINISTRATION. The Plan is administered by the Compensation Committee of the Board (the "Committee"). Except with respect to options granted to non-employee directors, the Committee has the authority to select the individuals to whom awards are granted, to determine the types of awards to be granted and the number of shares of common stock covered by such awards, to set the terms and conditions of such awards, to determine whether the payment of any amounts received under any award shall or may be deferred, and to establish rules for the administration of the Plan.

ELIGIBLE EMPLOYEES. All employees are eligible to receive options under the Plan, including officers and directors of the Company who are also employees of the Company. Any employee, officer, director or consultant of the Company and

Edgar Filing: RIMAGE CORP - Form DEF 14A

its affiliates selected by the Committee is eligible to receive an option or restricted stock award under the Plan. The Company has approximately 140 full-time employees, including four executive officers, eligible for grants of stock options or restricted stock awards. At this 2003 Annual Meeting, there are four non-employee directors eligible for an automatic option grant as provided in the Plan. The Committee, in its discretion may also grant other awards under the Plan to directors, including awards relating to service on committees of the Board of Directors.

PLAN AWARDS. The Plan permits the granting of incentive stock options meeting the requirements of Section 422 of the Code, and stock options that do not meet such requirements (non-qualified stock options) and restricted stock.

No option under the plan may have a term of more than ten years. The exercise price per share under any incentive stock option may not be less than 100% of the fair market value of the common stock on the date of the grant of such option or other award. Any person who holds more than 10% of the Company's common stock may not receive an incentive option that has a term longer than five years or an exercise price of less than 110% of the fair market value on the date of grant. Determinations of fair market value under the Plan are made in accordance with methods and procedures set forth in the Plan. Each option is exercisable, during such individual's lifetime, only by such individual or, if permissible under applicable law, by such individual's guardian or legal representative.

Additionally, at each annual meeting of shareholders at which a non-employee director of the Company is elected or re-elected, such non-employee director will receive an option to purchase 5,000 shares of common stock, or such other number of shares, not to exceed 15,000 shares of common stock, as determined by the Committee from time to time. The exercise price of the non-employee director option will be equal to the fair market value (the closing sale price on the Nasdaq if so traded) of the common stock on the date of such annual meeting. Options granted to non-employee directors under the Plan will be fully exercisable six months after the date of grant. If an optionee ceases to be a director by reason of willful misconduct, the option will expire as of the date of misconduct. Other than in the case of willful misconduct, options expire ten years from the date of grant and remain exercisable for the term of the option if the optionee ceases to be a director for any reason. All options granted under the Plan to

7

non-employee directors are non-qualified stock options.

The Committee may also grant restricted stock awards under the Plan that result in shares of Common stock being issued to a participant subject to restrictions against disposition during a restricted period established by the Committee. The Board may condition the grant of restricted stock upon the attainment of specified performance goals. The provisions of restricted stock awards need not be the same with respect to each recipient. The shares of restricted stock awarded under the Plan are to be held in custody by the Company until the restrictions thereon have lapsed. During the period of the restrictions, a participant has the right to vote the shares of restricted stock and to receive dividends and distributions unless the Committee requires such dividends and distributions to be held by the Company subject to the same restrictions as the restricted stock. If a participant terminates employment during the period of the restrictions, all shares still subject to restrictions will be forfeited and returned to the Company, subject to the right of the Committee to waive such restrictions in the event of a participant's death,

Edgar Filing: RIMAGE CORP - Form DEF 14A

disability, retirement or under circumstances approved by the Committee.

AMENDMENT AND TERMINATION OF THE PLAN. The Board of Directors may amend, alter or discontinue the Plan at any time, provided that shareholder approval must be obtained for any such action that would (a) increase the number of shares available for issuance or sale pursuant to the plan, (b) change the classification of persons eligible to participate in the Plan, or (c) materially increase the benefits accruing to participants under the Plan. The Committee may correct any defect, supply any omission, or reconcile any inconsistency in the Plan or any option agreement in the manner and to the extent it shall deem desirable to carry the Plan into effect. The Committee may waive any condition of, or rights of the Company under any outstanding award, prospectively or retroactively, but the Committee may not amend or terminate any outstanding award, prospectively or retroactively, without the consent of the holder or beneficiary of the award. Unless earlier terminated by the Board of Directors, the Plan will terminate on May 21, 2013.

TRANSFER OF AWARDS. No option granted under the Plan may be assigned, transferred, pledged or otherwise encumbered by the individual to whom it is granted, otherwise than by will or the laws of descent and distribution, except that the Committee may permit the designation of a beneficiary.

TAX CONSEQUENCES

STOCK OPTIONS. An optionee will not realize taxable compensation income upon the grant of an incentive stock option. In addition, an optionee generally will not realize taxable compensation income upon the exercise of an incentive stock option if he or she exercises it as an employee or within three months after termination of employment (or within one year after termination if the termination results from a permanent and total disability). At the time of exercise, the amount by which the fair market value of the shares purchased exceeds the aggregate option price shall be treated as alternative minimum taxable income for purposes of the alternative minimum tax. If the stock acquired pursuant to an incentive stock option is not disposed of prior to the date two years from the option grant date or prior to one year from the option exercise date (the "applicable holding periods"), any gain or loss realized upon the sale of such shares will be characterized as a capital gain or loss. If the applicable holding periods are not satisfied, then any gain realized in connection with the disposition of such stock will generally be taxable as compensation income in the year in which the disposition occurred, to the extent of the difference between the fair market value of such stock on the date of exercise and the option exercise price. The Company is entitled to a tax deduction to the extent, and at the time, that the participant realizes compensation income. The balance of any gain will be characterized as a long-term or short-term capital gain depending on whether the shares were held for more than one year.

An optionee will not realize taxable compensation income upon the grant of a non-qualified stock option. When an optionee exercises a non-qualified stock option, he or she will realize taxable compensation income at the time of exercise equal to the amount by which the fair market value of the shares purchased exceeds the aggregate option price. The Company is entitled to a tax deduction to the extent, and at the time, that the participant realizes compensation income.

RESTRICTED STOCK. The grant of restricted stock should not result in immediate income for the participant or in a deduction for the Company for federal income tax purposes, assuming the shares are nontransferable and

Edgar Filing: RIMAGE CORP - Form DEF 14A

subject to restrictions or to a deferral period which would result in a "substantial risk of forfeiture" as intended by the Company and as defined in applicable Treasury regulations. If the shares are transferable or there are no such restrictions or significant deferral periods, the participant will realize compensation income upon receipt of the award. Otherwise, a participant generally will realize taxable compensation when any such restrictions or deferral period lapses. The amount of such income will be the value of the common stock on that date less any amount paid for the shares. Dividends paid on the common stock and received by the participant during the restricted period also will be taxable compensation income to the participant. In any event, the Company will be entitled to a tax deduction to the extent, and at the time, that the participant realizes compensation income. A participant may elect, under Section 83(b) of the Code, to be taxed on the value of the restricted stock at the time of award. If the election is made, the fair market value of the stock at the time of the award is taxable to the participant as compensation income and the Company is entitled to a corresponding deduction.

REGISTRATION WITH SECURITIES AND EXCHANGE COMMISSION. Upon approval of the Plan by the stockholders, the Company intends to file a registration statement covering the additional shares issuable under the Plan with the Securities and Exchange Commission pursuant to the Securities Exchange Act of 1933, as amended.

THE AFFIRMATIVE VOTE OF THE HOLDERS OF A MAJORITY OF THE SHARES OF THE COMMON STOCK REPRESENTED AT THE ANNUAL MEETING AND ENTITLED TO VOTE IS NECESSARY FOR THE APPROVAL OF PROPOSAL 2. PROXIES WILL BE VOTED IN FAVOR OF SUCH PROPOSAL UNLESS OTHERWISE INDICATED.

lesser of (i) up to 16% of their pre-tax income to the plan or (ii) \$11,000 (\$12,000 if age 50 years or older). The 401(k) Plan includes a discretionary matching contribution by the Company. These discretionary contributions totaled \$171,290, \$167,715 and \$168,314 in 2002, 2001 and 2000, respectively.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Rimage leases approximately 43,000 square feet of office, manufacturing and warehouse space from 7725 Washington Avenue Corporation, pursuant to a lease dated September 1998. Two of the Company's directors, Messrs. Fletcher and McNamara, are the only two shareholders in this corporation. The lease expires on September 30, 2003. Rent is approximately \$444,000 per year, including a pro rata share of operating costs. Management believes that the terms of this lease is no less favorable to Rimage than would have been obtained from a nonaffiliated third party for similar space.

REPORT OF THE COMPENSATION COMMITTEE

This is a report of the Compensation Committee of the Board of Directors of the Company, which is comprised of Mr. Quist (Chair), Mr. Reissner and Mr. Madison, each of whom is a non-employee director. This report shall not be deemed incorporated by reference into any filing under the Securities Act of 1933 or the Securities Exchange Act of 1934 and shall not otherwise be deemed to be filed under either such Act.

The Compensation Committee reviews and makes recommendations to the Board of Directors regarding the salaries, compensation and benefits of executive officers and senior management of the Company.

The Company's policy with respect to the compensation of executive officers is based upon the following principles: (1) executive base compensation levels should be established by comparison of job responsibility to similar positions in comparable companies and be adequate to retain highly-qualified personnel and (2) variable compensation should be established to provide incentive to improve performance and shareholder value. In determining executive officers' annual compensation, the Compensation Committee considers the overall

11

performance of the Company, as well as the particular executive officer's position at the Company and the executive officer's performance on behalf of the Company. Rather than applying a formulaic approach to determining annual compensation, the Compensation Committee uses various surveys of executive compensation for companies of a similar size in comparable industries as a basis for determining competitive levels of cash compensation.

During 2002, salaries of executive officers, including the Company's Chief Executive Officer, were set at levels that the Committee believes approximate the salaries of similarly situated individuals at comparable companies. Mr. Aldrich's base salary was \$221,000 in 2002 and 2001.

Executive officers are also eligible for discretionary bonuses, which the Board of Directors awards based upon the Company's overall performance and the contribution to such performance made by the executive officers' areas of responsibility. For 2002, the Compensation Committee established performance goals upon which cash bonuses would be established. Based upon realization of such goals, the Compensation Committee and the Board granted Mr. Aldrich a

Edgar Filing: RIMAGE CORP - Form DEF 14A

\$125,655 bonus for 2002. The Compensation Committee is establishing specific performance goals for 2003 upon which cash bonuses will be established.

The Company provides long-term incentive to its executives, and ties a portion of executive compensation to Company performance, through grants of stock options under the Company's 1992 Stock Option Plan. During 2002, the Company did not grant Mr. Aldrich or any other executive any stock options.

The Compensation Committee believes that the objectives of the Company's compensation policy in providing fixed compensation to management adequate to avoid attrition and providing variable compensation in amounts and forms that encourage generation of value for shareholders were achieved during 2002.

misconduct, such optionee, or in the case of death or disability, such optionee's guardians, administrators or personal representatives, shall have the right to exercise the option granted under this Section at any time for the remainder of the term of the option to the extent of the full number of shares the optionee was entitled to purchase under the option on the date of such termination, subject to the condition that no option shall be exercisable after the expiration of the term of the option.

ii. In the event that an optionee of an option granted under this Section shall cease to be a director of the Company by reason of his or her gross and willful misconduct during the course of his or her service as a director of the Company, including but not limited to wrongful appropriation of funds of the Company, or the commission of a gross misdemeanor or felony, the option granted under this Section shall be terminated as of the date of the misconduct.

6. RESTRICTED STOCK AWARDS.

(a) GRANT OF RESTRICTED STOCK. The Committee may grant to any eligible person Shares subject to restrictions of this Section ("Restricted Stock"). Subject to the provision of this Plan and the award Agreement, at the time of the grant of Restricted Stock, the Committee shall determine the period during which the Shares awarded as Restricted Stock shall be subject to the risk of forfeiture and other terms and conditions (the "Restriction Period") as the Committee may specify. The Committee may, at any time, accelerate the date of lapse of restrictions with respect to all or any part of the shares awarded to a recipient. Recipients of Restricted Stock shall not be required to make any payment or provide consideration other than: (a) the rendering of services; (b) as provided in the agreement evidencing the Restricted Stock or (c) any Federal, state, or local taxes of any kind required by law to be withheld with respect to the Restricted Stock.

(b) RESTRICTED STOCK HELD BY COMPANY. The Restricted Stock shall be held by the Company during the Restriction Period and no rights therein may be transferred, gifted, or otherwise alienated or hypothecated during the Restriction Period. If the Restricted Stock is maintained in uncertificated form, the Company shall denote such shares as being subject to restrictions as set forth in the agreement evidencing the Restricted Stock as part of the book entry of the Restricted Stock on the Company's Common Stock records.

(c) RIGHTS AS SHAREHOLDER. Except as provided in this Section or as otherwise provided in the Agreement, the recipient of Restricted Stock shall have, with respect to the Restricted Stock, all of the rights of a shareholder of the Company, including the right to vote the shares and the right to receive any cash or stock dividends. The Committee, in its sole discretion, may permit or require the payment of cash dividends to be deferred and, if the Committee so determines, reinvested in additional Shares (to the extent Shares are available under Section 1), subject to the same restrictions as the shares of Common Stock on which such dividends were issued. The Company shall mark its Common Stock records that the recipient of Restricted Stock is the owner of unrestricted Common Stock promptly after, and only after, the Restriction Period shall have expired without forfeiture in respect of such shares of Restricted Stock.

7. AGREEMENTS. Each Award granted pursuant to the Plan shall be evidenced by an agreement setting forth the terms and conditions upon which it is granted. Multiple Awards may be evidenced by a single agreement. Subject to the limitations set forth in the Plan, the Committee may, with the consent of the person to whom an Award has been granted, amend any such agreement to modify the terms or conditions governing the Award evidenced thereby.

8. ADJUSTMENTS. In the event of any change in the outstanding shares of Common Stock by reason of any stock dividend or split, recapitalization, reclassification, combination, or exchange of shares or other similar corporate change, then if the Committee shall determine, in its sole discretion, that such change necessarily or equitably requires an adjustment in the number of Shares subject to Awards, in the option price or value of an option, or in the maximum number of Shares subject to this Plan, such adjustments shall be made by the Committee and shall be conclusive and binding for all purposes of this Plan. No adjustment shall be made in connection with the issuance by the Company of any Common Stock, warrants, rights, or options to acquire additional Common Stock or of securities convertible into Common Stock.

9. MERGER, CONSOLIDATION, REORGANIZATION, LIQUIDATION, ETC. Subject to the provisions of the agreement evidencing any Award, if the Company shall become a party to any corporate merger, consolidation, major acquisition of property for stock, reorganization, or liquidation, the Board of Directors of the Company shall have the power to make any arrangement it deems advisable with respect to outstanding Awards and in the number of Shares subject to this Plan, which shall be binding for all purposes of this Plan, including, but not limited to, the substitution of new Awards for any Awards then outstanding, the assumption of any such Awards, and the termination of such Awards.

10. EXPENSES OF PLAN. The expenses of administering this Plan shall be borne by the Company and its Affiliates.

11. RELIANCE ON REPORTS. Each member of the Committee and each member of the Board of Directors shall be fully justified in relying or acting in good faith upon any report made by the independent public accountants of the Company and its Affiliates and upon any other information furnished in connection with this Plan by any person or persons other than himself. In no event shall any person who is or shall have been a member of the Committee or of the Board of Directors be liable for any determination made or other action taken or omitted in reliance upon any such report or information, or for any action taken or omitted, including the furnishing of information, in good faith.

12. RIGHTS AS STOCKHOLDER. Except to the extent otherwise specifically provided herein, no recipient of any Award shall have any rights as a stockholder with respect to Shares sold or issued pursuant to the Plan until certificates for such Shares have been issued to such person.

13. GENERAL RESTRICTIONS. Each Award granted pursuant to the Plan shall be subject to the requirement that if, in the opinion of the Committee:

a. the listing, registration, or qualification of any Shares related thereto upon any securities exchange or under any state or federal law;

b. the consent or approval of any regulatory body; or

c. an agreement by the recipient with respect to the disposition of any such Shares;

is necessary or desirable as a condition of the issuance or sale of such Shares, such Award shall not be consummated unless and until such listing, registration, qualification, consent, approval, or agreement is effected or obtained in form satisfactory to the Committee.

14. EMPLOYMENT RIGHTS. Nothing in this Plan, or in any agreement entered into hereunder, shall confer upon any employee or director the right to continue to serve as an employee or director of the Company or an Affiliate, or affect the right of the Company or an Affiliate to terminate such employee's or director's services at any time, with or without cause.

15. WITHHOLDING. If the Company proposes or is required to issue Shares pursuant to the Plan, it may require the recipient to remit to it, or may withhold from such option or from the recipient's other compensation, an amount, in the form of cash or Shares, sufficient to satisfy any applicable federal, state, or local tax withholding requirements prior to the delivery of any certificates for such Shares.

16. AMENDMENTS. The Board of Directors of the Company may at any time, and from time to time, amend the Plan in any respect, except that no amendment:

a. increasing the number of Shares available for issuance or sale pursuant to the Plan (other than as permitted by Sections 8 and 9);

b. changing the classification of persons eligible to participate in the Plan or the definition of an "Affiliate"; or

c. materially increasing the benefits accruing to participants under the Plan;

shall be made without the affirmative vote of stockholders holding at least a majority of the voting stock of the Company represented in person or by proxy at a duly held stockholders' meeting.

17. EFFECTIVE DATE; DURATION. The Plan shall become effective upon adoption by the Board of Directors, subject to the approval of the Company's shareholders within twelve months from the date of such adoption.

No Awards shall be granted under the Plan after the earlier of: (a) the date on which the Plan is terminated by the Board of Directors of the Company; or (b) May 21, 2013. Awards outstanding at the termination or expiration of the Plan may continue in accordance with their terms after such termination or expiration.
