PROXY STATEMENT

SOLICITATION OF PROXIES

The accompanying Proxy is solicited on behalf of the Board of Directors of Rimage Corporation (the "Company" or "Rimage") for use at the Annual Meeting of Shareholders to be held on May 16, 2006, at 3:30 p.m. at the Company's offices located at 7725 Washington Avenue South, Edina, Minnesota, and at any adjournments thereof (the "Meeting"). The mailing of this proxy statement to shareholders of the Company commenced on or about April 14, 2006.

Cost and Method of Solicitation

This solicitation of proxies to be voted at the Meeting is being made by the Board of Directors of the Company. The cost of this solicitation of proxies will be borne by the Company. In addition to solicitation by mail, officers, directors and employees of the Company may solicit proxies by telephone or in person. The Company may also request banks and brokers to solicit their customers who have a beneficial interest in the Company's common stock registered in the names of nominees and will reimburse such banks and brokers for their reasonable out-of-pocket expenses.

Voting

The total number of shares outstanding and entitled to vote at the Meeting as of April 6, 2006 consisted of 9,806,317 shares of common stock, \$.01 par value. Each share of common stock is entitled to one vote. Only shareholders of record at the close of business on April 6, 2006 will be entitled to vote at the Meeting.

All shareholders are cordially invited to attend the Meeting in person. Whether or not you expect to attend the Meeting, please complete, date, sign and return the enclosed proxy as promptly as possible (or follow instructions to grant a proxy to vote by means of telephone or the Internet) in order to ensure your representation at the Meeting. A return envelope (which is postage prepaid if mailed in the United States) is enclosed for that purpose. Even if you have given your proxy, you may still vote in person if you attend the Meeting. Please note, however, that if your shares are held of record by a broker, bank or other nominee and you wish to vote at the Meeting, you must bring to the Meeting a letter from the broker, bank or other nominee confirming your beneficial ownership of the shares. Additionally, in order to vote at the Meeting, you must obtain from the record holder a proxy issued in your name.

If you sign and return the proxy card on time, the individuals named on the proxy card will vote your shares as you have directed. If you just sign and submit your proxy card without voting instructions, your shares will be voted FOR each director nominee and FOR the other proposal.

Quorum and Voting Requirements

A quorum, consisting of a majority of the shares of common stock entitled to vote at the Meeting, must be present, in person or by proxy, before action may be taken at the Meeting.

Each director nominee will be elected, and each other proposal will be approved, by the affirmative vote of the holders of a majority of shares of common stock present at the Meeting, either in person or by proxy, and entitled to vote.

You may either vote FOR or WITHHOLD authority to vote for each nominee for the Board of Directors. You may vote FOR, AGAINST or ABSTAIN on the other proposal. If you withhold authority to vote for the election of one of the directors, it has the same effect as a vote against that director. If you abstain from voting on any of the other proposals, it has the same effect as a vote against the proposal.

If you hold your shares in street name and do not provide voting instructions to your broker, your shares will not be voted on any proposal on which your broker does not have discretionary authority to vote (a broker non-vote). Shares held by brokers who do not have discretionary authority to vote on a particular matter and who have not received voting instructions from their customers are not counted or deemed to be present or represented for the purpose of determining whether shareholders have approved that matter, but they are counted as present for the purpose of determining a quorum at the Meeting.

So far as the management of the Company is aware, no matters other than those described in this Proxy Statement will be acted upon at the Meeting. In the event that any other matters properly come before the Meeting calling for a vote of shareholders, the persons named as proxies in the enclosed form of proxy will vote in accordance with their best judgment on such other matters.

Revoking a Proxy

You may change your vote and revoke your proxy at any time before it is voted by:

- Sending a written statement to that effect to the Secretary of the Company;
- Submitting a properly signed proxy card with a later date; or
- Voting in person at the Meeting.

All shares represented by valid, unrevoked proxies will be voted at the Meeting and any adjournment(s) or postponement(s) thereof. The Company's principal offices are located at 7725 Washington Avenue South, Edina, Minnesota 55439, and its telephone number is (952) 944-8144.

Annual Meeting and Special Meetings; Bylaw Amendments

Under the Company's Bylaws, special meetings of the Company's shareholders may be held at any time and for any purpose and may be called by the Company's president, treasurer, two or more directors or by a shareholder or shareholders holding 10% or more of the voting power of all shares entitled to vote on the matters to be presented to the meeting, except that a special meeting for the purpose of considering any action to directly or indirectly facilitate or affect a business combination, including any action to change or otherwise affect the composition of the board of directors for that purpose, must be called by 25% or more of the voting power of all shares entitled to vote. The business transacted at a special meeting is limited to the purposes as stated in the notice of the meeting. For business to be properly brought before a regular meeting of shareholders, a written notice containing the required information must be timely submitted. For more information, please review the Bylaws of the Company and the section of this Proxy Statement entitled Shareholder Proposals for 2007 Annual Meeting below.

These Company's Bylaws may be amended or altered by a vote of the majority of the whole Board at any meeting. The authority of the Board is subject to the power of the Company's shareholders, exercisable in the manner provided by Minnesota law, to adopt or amend, repeal bylaws adopted, amended, or repealed by the Board. Additionally, the Board may not make or alter any bylaws fixing a quorum for meetings of shareholders, prescribing procedures for removing directors or filling vacancies in the board of directors, or fixing the number of directors or their classifications, qualifications, or terms of office, except that the Board may adopt or amend any bylaw to increase their number.

CORPORATE GOVERNANCE

Board Attendance at Meetings; Continuing Education

During calendar year 2005, the Board of Directors met six times. Each nominee for director attended at least 75% of the meetings of the Board and committees on which he served during 2005. The Board of Directors regularly meets in executive session without members of management, including the Chief Executive Officer, present.

The Company does not have a formal policy on attendance at meetings of the Company's shareholders. However, the Company encourages all Board members to attend all meetings, including the Annual Meeting of Shareholders. All of the seven directors then serving attended the 2005 Annual Meeting of Shareholders.

In December 2005, the Company's Board of Directors adopted a formal policy encouraging all Board members to seek out opportunities for further education on governance and public-company matters, including educational programs accredited by Institutional Shareholder Services.

Description of Committees of the Board of Directors

The Board of Directors has established a Compensation Committee, an Audit Committee, a Governance Committee and a Strategic Planning Committee. The composition and function of these committees are set forth below.

5

Compensation Committee. The Compensation Committee operates under a written charter and reviews and approves the compensation and other terms of employment of the Company's Chief Executive Officer and other senior management of the Company. Among its other duties, the Compensation Committee oversees all significant aspects of the Company's compensation plans and benefit programs, including succession plans for executive officers other than the Chief Executive Officer. The Board of Directors is responsible for, and regularly reviews, the succession plan for the Company's Chief Executive Officer. The Compensation Committee annually reviews and approves corporate goals and objectives for the chief executive officer's compensation and evaluates the chief executive officer's performance in light of those goals and objectives. The Compensation Committee also administers the Company's Amended and Restated 1992 Stock Option Plan. The charter of the Compensation Committee requires that this Committee consist of no fewer than two board members who satisfy the requirements of the Nasdaq Stock Market, the non-employee director requirements of Section 16b-3 of the Securities Exchange Act of 1934, and the outside director requirements of Section 162(m) of the Internal Revenue Code. Each member of the Company's Compensation Committee meets these requirements. The current members of the Compensation Committee are Messrs. Steven M. Quist (Chair), James L. Reissner and Lawrence M. Benveniste. During 2005, the Compensation Committee met six times.

Governance Committee. The Governance Committee operates under a written charter and is charged with the responsibility of identifying, evaluating and approving qualified candidates to serve as directors of the Company, ensuring that the Company's board and governance policies are appropriately structured, developing and recommending a set of corporate governance guidelines, overseeing Board orientation, training and evaluation, and establishing an evaluation process for the Chief Executive Officer. The Governance Committee also has responsibility for overseeing the Company's annual process of self-evaluation by members of the committees and the Board of Directors as a whole. The current members of the Governance Committee are Thomas F. Madison (Chair), Philip D. Hotchkiss and Steven M. Quist. During 2005, the Governance Committee met three times.

The charter of the Governance Committee requires that this Committee consist of no fewer than two board members who satisfy the independence requirements of the Nasdaq Stock Market. Each member of the Company's Governance Committee meets these requirements. A copy of the current charter of the Governance Committee is available by following the link to Corporate Governance in the Investor Relations section of the Company's website at www.rimage.com. A copy of the current Governance Guidelines of the Company is also available in the Investor Relations section of the Company's website.

Audit Committee. The Audit Committee assists the board by reviewing the integrity of the Company's financial reporting processes and controls; the qualifications, independence and performance of the independent auditors; and compliance by the Company with certain legal and regulatory requirements. The Audit Committee has the sole authority to retain, compensate, oversee and terminate the independent auditors. The

Edgar Filing: RIMAGE CORP - Form DEF 14A

Audit Committee reviews the Company's annual audited financial statements, quarterly financial statements and filings with the Securities and Exchange Commission. The Audit Committee reviews reports on various matters, including critical accounting policies of the Company, significant changes in the Company's selection or application of accounting principles and the Company's internal control processes. The Audit Committee also pre-approves all audit and non-audit services performed by the independent auditor.

The Audit Committee operates under a written charter adopted by the Board of Directors on May 10, 2000 and most recently amended on February 16, 2004. A copy of the current Audit Committee charter is available by following the link to Corporate Governance in the Investor Relations section of the Company's website at www.rimage.com. The Company's Audit Committee presently consists of four directors: James Reissner (Chair), Lawrence M. Benveniste, Philip D. Hotchkiss and Thomas F. Madison. During 2005, the Audit Committee met seven times.

The Board of Directors has determined that all members of the Audit Committee are independent directors under the rules of the Nasdaq Stock Market and the rules of the Securities and Exchange Commission. The Company's Board of Directors has reviewed the education, experience and other qualifications of each of the members of its Audit Committee. After review, the Board of Directors has determined that each of Messrs. Reissner, Benveniste and Madison meet the Securities and Exchange Commission definition of an audit committee financial expert. A report of the Audit Committee is set forth below.

6

Strategic Planning Committee. On October 21, 2005, the Board of Directors established a Strategic Planning Committee to assist the Board of Directors in its oversight of the Company's strategic planning. The Strategic Planning Committee operates under a written charter adopted by the Board of Directors on October 21, 2005. The Strategic Planning Committee consists of Philip D. Hotchkiss (Chair) and Steven M. Quist. The Board of Directors has determined that all members of the Strategic Planning Committee are independent directors under the rules of the Nasdaq Stock Market and the rules of the Securities and Exchange Commission. The Strategic Planning Committee met once in fiscal year 2005.

Director Nominations

The Governance Committee will consider candidates for board membership suggested by its members, other board members, as well as management and shareholders. Shareholders who wish to recommend a prospective nominee should follow the procedures set forth in Section 3.14 of the Company's Amended and Restated Bylaws as described in the section of this Proxy Statement entitled Shareholder Proposals for Nominees. The Governance Committee has not adopted a formal policy for increasing or decreasing the size of the Board of Directors. The Company's Governance Guidelines provides that the Board should generally have between six and nine directors. The Governance Committee believes that the current size of the Board of Directors is appropriate because with seven directors, the Board of Directors has a diversity of talent and experience to draw upon, is able to appropriately staff the committees of the Board and engage the directors in Board and committee service, all while maintaining efficient function and communication among members. If appropriate, the Board may determine to increase or decrease its size, including in order to accommodate the availability of an outstanding candidate.

Criteria for Nomination to the Board. The Governance Committee is responsible for identifying, evaluating and approving qualified candidates for nomination as directors. The Committee has not adopted minimum qualifications that nominees must meet in order for the Committee to recommend them to the Board of Directors, as the Committee believes that each nominee should be evaluated based on his or her merits as an individual, taking into account the needs of the Company and the Board of Directors. The Governance Committee evaluates each prospective nominee against the standards and qualifications set out in the Company's Governance Guidelines, including:

- Background, including demonstrated high personal and professional ethics and integrity; and the ability to exercise good business judgment and enhance the Board's ability to manage and direct the affairs and business of the Company;
- Commitment, including the willingness to devote adequate time to the work of the Board and its committees, and the ability to represent the interests of all shareholders and not a particular interest group;
- Board skills needs, in the context of the existing makeup of the Board, and the candidate's qualification as independent and qualification to serve on Board committees;
- Diversity, in terms of knowledge, experience, skills, expertise, and other characteristics that contribute to the Board's diversity; and
- Business experience, which should reflect a broad experience at the policy-making level in business, government and/or education.

In reviewing prospective nominees, the Governance Committee reviews the number of public-company boards on which a director nominee serves to determine if the nominee will have the ability to devote adequate time to the work of the Company's Board and its committees. Because

of the variability of the time commitment these other positions may require, the Governance Committee has not adopted any formal policy limiting the number of boards on which the Company's directors may serve. The Committee also considers such other relevant factors as it deems appropriate. The Governance Committee will consider persons recommended by the shareholders using the same standards used for other nominees.

Process for Identifying and Evaluating Nominees. The process for identifying and evaluating nominees to the Board of Directors is initiated by identifying a slate of candidates who meet the criteria for selection as a nominee and have the specific qualities or skills being sought based on input from members of the Board and, if the Governance Committee deems appropriate, a third-party search firm. The Governance Committee evaluates these candidates by reviewing the candidates' biographical information and qualifications and checking the candidates' references. One or more Governance Committee members will interview the prospective nominees in person or by telephone. After completing the evaluation, the Governance Committee makes a recommendation to the full Board of the nominees to be presented for the approval of the shareholders or for election to fill a vacancy.

Board Nominees for the 2006 Annual Meeting. The nominees for this 2006 Annual Meeting were selected by the Governance Committee in February 2006. All nominees were elected by shareholders at the Company's 2005 Annual Meeting. The Company has not engaged a third-party search firm to assist it in identifying potential director candidates, but the Governance Committee may choose to do so in the future.

Shareholder Proposals for Nominees. The Governance Committee will consider written proposals from shareholders for nominees for director. Any such nominations should be submitted to the Governance Committee c/o the Secretary of the Company and should include the following information: (a) all information relating to such nominee that is required to be disclosed pursuant to Regulation 14A under the Securities Exchange Act of 1934 (including such person's written consent to being named in the proxy statement as a nominee and to serving as a director if elected); (b) the name and record address of the shareholder and of the beneficial owner, if any, on whose behalf the nomination will be made, and (c) the class and number of shares of the corporation owned by the shareholder and beneficially owned by the beneficial owner, if any, on whose behalf the nomination will be made. As to each person the shareholder proposes to nominate, the written notice must also state: (a) the name, age, business address and residence address of the person, (b) the principal occupation or employment of the person and (c) the class and number of shares of the corporation's capital stock beneficially owned by the person. To be considered, the written notice must be submitted in the time frame described in the Bylaws of the Company and in the section of this Proxy Statement entitled "Shareholder Proposals for 2007 Annual Meeting" below.

Communications with Directors

Shareholders may communicate with members of the Board by sending an e-mail to chair.director@rimage.com or by directing the communication in care of the Governance Committee Chair c/o Corporate Secretary, at the address set forth on the front page of this Proxy Statement. All communications will be received and processed by the Corporate Secretary. You will receive a written acknowledgement from the Corporate Secretary upon receipt of your communication.

CODE OF ETHICS

The Company has adopted a code of ethics that applies to all directors, officers and employees, including its principal executive officer, principal financial officer and controller. Retirement Savings Plan

Rimage adopted a profit sharing and savings plan in 1991 under Section 401(k) of the Internal Revenue Code, which allows employees to contribute the lesser of (i) up to 16% of their pre-tax income to the 401(k) Plan or (ii) \$13,000 (\$16,000 if age 50 years or older). The 401(k) Plan includes a discretionary matching contribution by the Company. These discretionary contributions by the Company totaled \$278,000, \$235,000 and \$191,000 in 2005, 2004 and 2003, respectively.

Director Compensation Fees; Stock Ownership Guidelines

Non-employee directors currently receive an annual retainer of \$18,000. In addition, the Non-Executive Chairman receives an additional annual retainer of \$12,000. Non-employee directors also receive \$1,500 for each meeting of the Board of Directors or committee meeting that they attend in person and \$1,000 for each telephonic meeting that they attend. The chair of each committee of the Board of Directors also receives an additional \$500 per committee meeting attended. As a member of the Strategic Planning Committee, Mr. Hotchkiss received \$19,500 during fiscal year 2005, representing an additional monthly retainer of \$6,500. This additional monthly retainer amount will be paid by the Company for Mr. Hotchkiss' first twelve months of service on the Strategic Planning Committee. The Board expects to review the retainers and meeting fees payable to members of the Strategic Planning Committee when the initial phases of the strategic planning process are completed.

Additionally, under the Company's Amended and Restated 1992 Stock Option Plan (the "Plan"), each non-employee director of the Company will receive a non-qualified option to purchase 5,000 shares of common stock, or such other number of shares, not to exceed 15,000 shares, as determined from time to time by the Compensation Committee, at each Annual Meeting of Shareholders at which such director is elected or re-elected. The exercise price of all options automatically granted to non-employee directors under the Plan is equal to the fair market value of the Company's common stock on the date of such annual meeting. All options automatically granted to non-employee directors under the Plan are fully exercisable six months from the date of grant. Options under the Plan are not transferable. An option granted to a non-employee director under the Plan expires at the earlier of (a) ten years from the date of grant or, (b) if the optionee ceases to be a director due to willful misconduct, as of the date of misconduct.

On February 24, 2005, the Compensation Committee determined that each non-employee director of the Company elected or re-elected at an Annual Meeting of Shareholders would receive an option to purchase 15,000 shares of the Company's common stock under the Plan.

Edgar Filing: RIMAGE CORP - Form DEF 14A

Therefore, non-employee directors elected or re-elected at this 2006 Annual Meeting of shareholders will receive an automatic grant of an option to purchase 15,000 shares.

REPORT OF THE COMPENSATION COMMITTEE

This is a report of the Compensation Committee of the Board of Directors of the Company, which is comprised of Mr. Quist (Chair), Mr. Reissner and Mr. Benveniste, each of whom is a non-employee director and an independent director under the Nasdaq Marketplace Rules and the rules of the Securities and Exchange Commission.

The Compensation Committee reviews and makes recommendations to the Board of Directors regarding the salaries, compensation and benefits of executive officers and senior management of the Company.

The Company's policy with respect to the compensation of executive officers is based upon the following principles:

- Executive base compensation levels should be established by comparison of job responsibility to similar positions in comparable companies and be adequate to retain highly-qualified personnel; and
- Variable compensation should be established to provide incentive to improve performance and shareholder value.

For 2005, the Compensation Committee reviewed the compensation practices of the Company as compared to the companies in its peer group consisting of similar-sized companies in comparable industries. The Committee also reviewed surveys, reports and other market data against which it measured the competitiveness of the Company's compensation program. For 2005, the Compensation Committee determined that an executive officer's base cash compensation should be targeted at or below the 50th percentile of that of an officer with similar

responsibilities in the group of peer companies and that total compensation, consisting of base salary, amounts under the annual cash bonus and long-term equity incentives, should be above the 50th percentile. The Compensation Committee also determined that variable cash compensation should constitute a significant portion of an executive officer's overall cash compensation. In reviewing the long-term equity incentives, the Compensation Committee also reviewed the stock ownership and option holdings of executive officers. The Committee is currently reviewing guidelines requiring ownership of a certain number of shares of the Company's common stock by executive officers and non-employee directors. The annual cash and long-term incentive compensation of the Company's executive officers is described in more detail below.

Annual Cash Compensation Base Salary

In determining executive officers' annual cash compensation, the Compensation Committee considers the overall performance of the Company, the duties of the executive officer, the executive officer's performance on behalf of the Company, surveys of executive compensation for companies of a similar size in comparable industries and with respect to executive officers, other than the Chief Executive Officer, the recommendations of the Chief Executive Officer.

At its meeting in February 2005, the Compensation Committee approved increases to the base salaries of the Company's executive officers effective for fiscal year 2005. The increases were based on market-related and internal equity adjustments, as well as the individual's performance. The base salary of an executive officer is generally targeted at or below the median of the group of peer companies. This is in keeping with the Compensation Committee's philosophy allowing an executive officer to earn a significant portion of overall cash compensation through the incentive plan discussed below.

Annual Incentive Plan

For 2005, the Compensation Committee adopted, and the Board of Directors approved, the 2005 Incentive Plan as the Company's annual cash bonus program for executive officers and key employees. Under the Incentive Plan, the annual cash bonus opportunity of an officer or key employee was tied to the attainment of specific targets related to sales and net income before interest and taxes.

Under the 2005 Incentive Plan, the Compensation Committee determined target goals relating to sales and net income before interest and taxes (NIBIT) as a percentage of sales in the form of a matrix comprised of incrementally increasing percentages of sales growth over the prior fiscal year and increasing NIBIT as a percentage of sales. The Compensation Committee intends these target goals to be aggressive to encourage significant improvements in financial performance and growth in the Company's business. The 2005 target goals established by the Compensation Committee for sales was 25% growth over the Company's 2004 results and NIBIT at 18% of sales for fiscal year 2005. Executive officers, other than the Chief Executive Officer, would earn a cash bonus of 50% of their annual base salary if the target goals for each of sales and NIBIT were achieved. If the maximum sales and NIBIT were achieved under the Incentive Plan, executive officers would earn a cash bonus of 100% of their base salary. For the 2005 performance period, the Company's results were 35% growth in sales and NIBIT of 17% of sales. Under the matrix associated with the 2005 Incentive Plan, the Company's 2005 financial performance resulted in cash bonuses to executive officers, other than the Chief Executive Officer, of 57.5% of their annual base salary.

Long-Term Equity Incentives

The Company's equity compensation program is designed to (i) provide long-term incentives to executive officers, (ii) align compensation to creating long-term shareholder value, (iii) encourage executive officers to remain with the Company and promote the Company's business, and (iv) provide executives with the opportunity to obtain significant, long-term stock ownership in the Company's common stock. During 2005, the Compensation Committee granted stock options to purchase 315,500 shares of the Company's common stock. Of these, options to purchase 105,000 shares were awarded to individuals who were executive officers on the grant date. The Compensation Committee believes that this is consistent with the Company's philosophy of providing equity compensation incentives to those personnel most responsible for the Company's performance. The value of the annual equity grants made to executive officers in 2005 were targeted to be at the median of grants to comparable positions within the group of peer companies. The grants were intended to focus the recipient on the Company's future performance, and in recognition of this, each option vests over a period of two years. All stock options

12

granted in 2005 had an exercise price equal to the market value of the Company's common stock on the date of grant and a ten-year term.

Compensation of the Chief Executive Officer

The Compensation Committee has established the Chief Executive Officer's compensation under the same principles and within the same targeted levels as those applied to the Company's other executive officers. Mr. Aldrich's annual base salary was \$275,000 in 2005 and \$250,000 in 2004. Under the 2005 Incentive Plan, Mr. Aldrich would earn a cash bonus of 60% of his annual base salary if the target goals for each of sales and NIBIT were achieved. If the maximum sales and NIBIT were achieved under the 2005 Incentive Plan, Mr. Aldrich would earn a cash bonus of 120% of his base salary. Based upon realization of the Company's performance goals, Mr. Aldrich received a cash bonus under the Incentive Plan of \$189,750 for 2005 and \$143,750 for 2004, representing 69% and 57.5%, respectively, of his base salary for such year. The Compensation Committee also granted Mr. Aldrich an option to purchase 30,000 shares of the Company's common stock in February 2005, which grant was 29% of the 105,000 shares underlying options granted to the Company's executive officers in 2005. In February 2006, the Compensation Committee set Mr. Aldrich's annual base salary for 2006 at \$325,000 per year.

The Compensation Committee is committed to continually reviewing the Company's compensation philosophy and programs to ensure they meet the Company's objectives of providing compensation that attracts and retains superior executive talent, as well as encourages the Company's executive officers to achieve the business goals of Rimage Corporation.
