GENERAL

Introduction

This Proxy Statement is furnished in connection with the solicitation of proxies by Codorus Valley Bancorp, Inc. (the "Corporation"), on behalf of the Board of Directors (the "Board"), for the 2013 Annual Meeting of Shareholders. This Proxy Statement and the related proxy card are being distributed on or about April 12, 2013.

The Corporation will bear the expense of soliciting proxies. In addition to the use of the mail, directors, officers and employees of the Corporation and its subsidiaries may, without additional compensation, solicit proxies in person or by telephone, e-mail, Internet or facsimile.

The Annual Meeting of Shareholders will be held on Tuesday, May 21, 2013, at 9:00 a.m. at the Codorus Valley Corporate Center, 105 Leader Heights Road, York, Pennsylvania. Shareholders of record at the close of business on March 6, 2013, are entitled to vote at the meeting.

At the annual meeting, shareholders will vote:

- To elect three Class B directors, each to serve for a three-year term;
- To approve an advisory, non-binding resolution regarding executive compensation;
- To approve an advisory, non-binding proposal on the frequency of future advisory votes regarding executive compensation;
- To ratify the appointment of ParenteBeard LLC as the Corporation's Independent Registered Public Accounting Firm for the fiscal year ending December 31, 2013; and
- To transact any other business that may properly come before the meeting and any adjournment or postponement of the meeting.

In addition, the Corporation may ask shareholders to approve the minutes of the prior shareholders' meeting. However, approval of such minutes is an administrative action and does not constitute approval of, or a vote for, any of the matters set forth in the minutes.

Proxies and Voting Procedures

You can vote your shares by completing and returning a written proxy card. You can also vote in person at the meeting. Alternatively, you may vote by telephone or electronically through the Internet by following the instructions on the proxy card. Submitting your voting instructions through one of these methods will not affect your right to attend the meeting and will not limit your right to vote at the annual meeting if you later decide to attend in person.

If your shares are held in a stock brokerage account or by a bank or other nominee, you are considered the beneficial owner of shares held in street name, and these proxy materials are being forwarded to you by your broker or nominee, who is considered, with respect to those shares, the shareholder of record. As the beneficial owner, you may have the right to direct your broker how to vote, and you are also invited to attend the meeting. However, because you are not the shareholder of record, you may not vote your street-name shares in person at the meeting unless you obtain a proxy executed in your favor from the holder of record. Please contact your broker for a voting instruction card for you to use in directing the broker or nominee how to vote

Table of Contents

your shares. **Please note that brokers no longer may cast a vote on your behalf for the election of directors or on any other matter that is not routine without instruction from you.**

By properly completing a proxy, you appoint Richard Hupper, Ph.D., Cindy L. Baugher and Christine A. Myers as proxy holders to vote your shares as indicated on the proxy card. Any signed proxy card not specifying to the contrary will be voted FOR election of the director nominees identified in this Proxy Statement and FOR ratification of ParenteBeard LLC.

You may revoke your written proxy by delivering written notice of revocation to Harry R. Swift, Esquire, Secretary of the Corporation, or by executing a later dated proxy and giving written notice of the revocation to Mr. Swift at any time before the proxy is voted at the annual meeting. Proxy holders will vote shares represented by proxies, if properly signed and returned to the Secretary, in accordance with instructions of shareholders.

If you are also a participant in the Codorus Valley Bancorp, Inc. Dividend Reinvestment and Stock Purchase Plan, the enclosed proxy will serve as a voting instruction card for your shares held in the Plan. Wells Fargo Bank, N.A., the Plan administrator, will vote your shares held in the Dividend Reinvestment and Stock Purchase Plan in the same manner as you indicate on your proxy card.

At the close of business on March 6, 2013, the Corporation had 4,487,856 shares of common stock, par value \$2.50 per share, issued and outstanding. The Corporation's Articles of Incorporation currently authorize the Corporation to issue up to 15,000,000 shares of common stock, par value \$2.50 per share. Each common share is entitled to one vote on all matters submitted to a vote of the shareholders.

Quorum

A majority of the outstanding shares of common stock, represented in person or by proxy, constitutes a quorum for the conduct of business at the Annual Meeting. Under Pennsylvania law and the Corporation's Bylaws, the presence of a quorum is required for each matter to be acted upon at the meeting. Votes withheld and abstentions, while not votes cast, will be counted as present for purposes of determining the presence of a quorum. Shares of common stock represented by "broker non-votes" (i.e., shares of common stock held in record name by brokers or nominees as to which (i) instructions have not been received from the beneficial owners or persons entitled to vote, (ii) the broker or nominee does not have discretionary voting power under applicable rules of the New York Stock Exchange or the instrument under which it serves in such capacity, or (iii) the record holder has indicated on the proxy or otherwise notified the Corporation that it does not have authority to vote such shares on that matter) will be counted as present for purposes of determining the presence of a quorum only if such shares have been voted at the meeting on a matter other than a procedural motion.

Required Vote

In the case of the election of directors, the three candidates receiving the highest number of votes shall be elected. “Withhold” votes will have the effect of a vote against the election of directors. Abstentions and broker non-votes will have no effect on the election of directors.

Table of Contents

Approval of the frequency of future advisory votes regarding the compensation of named executive officers will be determined by a plurality of the votes cast. Abstentions and broker non-votes will have no effect in calculating the votes on this matter.

Approval of each of the other proposals requires the affirmative vote of a majority of the shares present at the meeting, in person or by proxy, except in cases where the vote of a greater number of shares is required by law or under the Corporation's Articles of Incorporation or Bylaws. Abstentions and broker non-votes that are counted only for purposes of determining a quorum will have the effect of a vote against each of these other proposals.

Although the Board of Directors knows of no other business to be presented at the Annual Meeting, in the event that any other matters are properly brought before the meeting, any proxy given pursuant to this solicitation will be voted in accordance with the recommendations of the Board of Directors of the Corporation as permitted by Rule 14a-4(c).

GOVERNANCE OF THE CORPORATION

Our Board of Directors believes that the purpose of corporate governance is to maximize long-term shareholder value in a manner consistent with legal requirements and with the highest standards of integrity. The Board adheres to corporate governance practices that the Board and management believe promote this purpose, are sound and represent best practices. We continually review these governance practices, Pennsylvania law (the state in which we are incorporated), the rules and listing standards of the NASDAQ Stock Market and the Securities and Exchange Commission (SEC) regulations, as well as best practices suggested by recognized governance authorities.

Currently, our Board of Directors has nine members. Seven of our directors are independent in accordance with the independence standards of the NASDAQ Stock Market as follows: Rodney L. Krebs, Chairman; D. Reed Anderson, Esquire; Cynthia A. Dotzel, CPA; Jeffrey R. Hines, P.E.; MacGregor S. Jones; Dallas L. Smith; and Hon. Michael L. Waugh.

Board Structure

The Company's senior leadership is currently shared between two executive positions — the President and Chief Executive Officer and the Chairman of the Board. The positions of President and Chief Executive Officer and Chairman of the Board have historically been separate. Our Board believes that having separate positions, with an independent non-executive director serving as Chairman, is the appropriate leadership structure for our Company at this time. Separating these positions allows our Chief Executive Officer to focus on our day-to-day business, while allowing the Chairman of the Board to lead our Board in its fundamental role of providing advice to, and independent oversight of, management. Our Board recognizes the time, effort and energy that the Chief Executive Officer is

required to devote to his position in the current business environment, as well as the commitment required to serve as our President, particularly as the Board's oversight responsibilities continue to grow.

Our Chairman is responsible for the smooth functioning of our Board and for enhancing its effectiveness. Our Chairman guides the processes of our Board, presides at Board meetings and at shareholder meetings and acts as a regular liaison between our Board and our management, consulting regularly with our executives over business matters and providing our executives with immediate consultation and advice on material business decisions that require prompt reflection or policy interpretation.

Smith; and Hon. Michael L. Waugh. The Corporate Governance and Nominating Committee met three times during 2012. The principal duties of the Corporate Governance and Nominating Committee include developing and recommending to the Board criteria for selecting qualified director candidates, identifying individuals qualified to become Board members, evaluating and selecting, or recommending to the Board, director nominees for each election of directors, considering committee member qualifications, appointment and removal, recommending codes of conduct and codes of ethics applicable to the Corporation and providing oversight in the evaluation of the Board and each committee.

Role of the Board in Risk Oversight

The Board of Directors is responsible for oversight of the various risks facing the Corporation. In this regard, the Board seeks to understand and oversee the most critical risks relating to the Corporation's business, to allocate responsibilities for the oversight of risks among the full Board and its committees, and to see that management has in place effective systems and processes for managing risks facing the Corporation. Overseeing risk is an ongoing process, and risk is inherently tied to strategy and to strategic decisions. Accordingly, the Board considers risk throughout the year and with respect to specific proposed actions. While the Board oversees risk, management is charged with identifying and managing risk.

The Board implements its risk oversight function both as a whole and through delegation to various committees. These committees meet regularly and report back to the full Board. The following committees in particular play significant roles in carrying out the risk oversight function.

- **The Risk Management Committee:** The Risk Management Committee operates pursuant to a written charter adopted January 22, 2002. The Risk Management Committee provides general risk oversight and is generally responsible for risk management, which includes monitoring credit risk, interest rate risk, liquidity risk, price risk, transaction risk, compliance risk, strategic risk and reputation risk. The committee is comprised of the President and CEO, COO, General Counsel, Chief Financial Officer, Chief Credit Officer, Internal Auditor, BSA and Security Officer and Loan Review Officer, as well as a representative from the Board of Directors (currently MacGregor S. Jones). The Risk Management Committee met six times during 2012. The Risk Management Committee takes minutes at each of its meetings, and those minutes are reviewed and approved by the Board of Directors.
- **The Compensation Committee:** The Compensation Committee evaluates the risks and rewards associated with the Corporation's compensation philosophy and programs.

- The Audit Committee: The Audit Committee oversees the Corporation's processes for assessing risks and the effectiveness of the Corporation's system of internal controls. In performing this function, the Audit Committee considers information from the Corporation's independent registered public accounting firm, internal auditors, and other consultants as

Table of Contents

applicable, and discusses relevant issues with management and the independent registered public accounting firm.

Director Nomination Process

The Corporate Governance and Nominating Committee is responsible for identifying and evaluating individuals qualified to become members of the Board of Directors and to recommend such individuals to the Board of Directors for consideration and nomination. The Corporate Governance and Nominating Committee and the Board of Directors endeavor to recruit and retain Board members who demonstrate intellectual capacity, strong interpersonal skills, good business instinct, objectivity and the highest level of personal and professional integrity. When evaluating current members of the Board of Directors and prospective candidates for the Board of Directors, the Committee seeks to balance the skill sets and attributes of existing Board members with the need for other complementary skills, talents and qualities that will position the Corporation to successfully implement its strategic vision.

In addition to requiring that each existing director and candidate for nomination possesses unquestionable character and a commitment to contribute to the success of the Corporation and the stewardship of the community, the Corporate Governance and Nominating Committee's evaluation of director candidates includes an assessment of issues and factors regarding the individual's education, business experience, accounting and financial expertise, age, diversity, reputation, civic and community relationships and knowledge and experience in matters that impact diversified community financial institutions. The Committee will also take into account the director candidate's ability to devote adequate time to corporate matters, including being prepared for, and participating in, all Board of Directors' and committee meetings. When the Corporate Governance and Nominating Committee is considering current members of the Board of Directors for nomination for reelection, the Committee considers prior performance as well as meeting attendance records.

The current practice of the Corporate Governance and Nominating Committee is to identify potential director candidates through a variety of sources. The Committee considers recommendations made by current or former directors or members of management. Potential candidates may also be identified through contacts in the business, civic, academic, legal and non-profit communities. The Chairman of the Corporate Governance and Nominating Committee determines how to approach director candidates.

Regarding new director candidates, the Corporate Governance and Nominating Committee will evaluate whether the nominee is independent, as independence is defined under applicable standards of the NASDAQ Stock Market, and whether the nominee meets the qualifications for director outlined above, as well as any special qualifications applicable to membership on any committee to which the nominee may be appointed to serve if elected. A majority of the Board of Directors must meet the criteria for "independence" established by the NASDAQ Stock Market, and the Committee will consider any conflicts of interest that might impair that independence.

The Corporate Governance and Nominating Committee will consider recommendations by Corporation shareholders of qualified director candidates for possible nomination by the Board. Shareholders may recommend qualified director candidates by writing to:

Table of Contents

Submissions must include information regarding a candidate's citizenship, age, background, business and personal addresses, qualifications, experience, principal occupation or employment, directorships and other positions held by the candidate in business, charitable and community organizations and his/her willingness to serve as a member of the Board of Directors. Based on a preliminary assessment of the candidate's qualifications, the Corporate Governance and Nominating Committee may conduct interviews with, and request additional information from, the candidate.

The Board does not have a formal policy for considering director candidates recommended by shareholders due to the infrequency of nominations, but its policy is to give due consideration to any and all candidates and there are no differences in how the Corporate Governance and Nominating Committee evaluates a candidate for director based on whether the candidate is recommended by the Committee or by a shareholder.

Nomination of Directors

Article 10, Section 10.1 of the Corporation's Bylaws requires that nominations be made pursuant to timely notice in writing to the Secretary. To be timely, a shareholder's notice must be delivered to or received at the principal executive offices of the Corporation not less than 90 days prior to the one year anniversary date of the preceding meeting of shareholders called to elect directors. The notice must provide the specific information required by Section 10.1 of the Bylaws. The Board is required to determine whether nominations have been made in accordance with the requirements of the Bylaws. If the Board determines that a nomination was not made in accordance with the Bylaws, the shareholder may be given an opportunity to cure any deficiency in accordance with the Bylaws. You may obtain a copy of the Corporation's Bylaws by writing to Harry R. Swift, Esq., Corporate Secretary, Codorus Valley Bancorp, Inc., P.O. Box 2887, York, PA 17405-2887. A copy of the Corporation's current Bylaws has been filed with the Securities and Exchange Commission as Exhibit 3(ii) to Form 8-K filed February 17, 2012.

Deadline for Submission of Shareholder Proposals

In order for a shareholder to include a proposal in the Corporation's Proxy Statement for presentation at the 2014 Annual Meeting of Shareholders, the proposal must be received by the Corporation c/o Harry R. Swift, Esq., Corporate Secretary, Codorus Valley Bancorp, Inc., P.O. Box 2887, York, PA 17405-2887, no later than December 12, 2013. Any such proposal must comply with Rule 14a-8 of Regulation 14A of the proxy rules of the Securities and

Exchange Commission. If a shareholder proposal is submitted to the Corporation after December 12, 2013, it will not be included in the Corporation's 2014 Proxy Statement.

Any shareholder proposal not to be included in the Corporation's 2014 Proxy Statement and not received at the Corporation's principal executive offices by February 26, 2014 will be considered untimely and, if presented at the 2014 Annual Meeting, the proxy holders will be able to exercise discretionary authority to vote on any such proposal to the extent authorized by Rule 14a-4(c) under the Securities Exchange Act of 1934, as amended.

All such communications will be referred to the Chairman of the Board of Directors or individual, independent directors for consideration unless otherwise instructed by the Board of Directors.

PROPOSAL 1 – Election of Directors

The Corporation's Bylaws provide that the Board of Directors consists of not less than five nor more than twenty-five persons. The Board of Directors is divided into three classes with directors elected to staggered three-year terms. Each class consists, as nearly as possible, of one-third of the directors. The Bylaws also provide that the directors of each class are elected for a term of three years, so that the term of office of one class of directors expires at the annual meeting each year. The Board of Directors determines the number of directors in each class.

A majority of the Board of Directors may increase or decrease the number of directors between meetings of the shareholders. Any vacancy occurring on the Board of Directors, whether due to an increase in the number of directors, resignation, retirement, death, or any other reason, may be filled by appointment by the remaining directors. Any director who is appointed to fill a vacancy holds office until the expiration of the term of the class of directors to which he or she was appointed. The Bylaws mandate the retirement of directors at age 75.

The Board of Directors has fixed the number of directors at nine. There are three nominees for the Board of Directors for election at the 2013 Annual Meeting. The Board of Directors has nominated the following three people for election to the Board of Directors, each for a three-year term:

The Board of Directors recommends a vote FOR the foregoing nominees.

EXECUTIVE COMPENSATION

Introduction

This discussion relates to the compensation of the Named Executive Officers (“NEOs”) of the Corporation. As determined in accordance with applicable SEC rules, the Corporation’s NEOs are Mr. Miller, Mr. Swift and Mr. Weaver.

Compensation Committee Role

The Compensation Committee assists the Board of Directors in evaluating and setting salaries, bonuses and other compensation of the executives, administers the Corporation’s equity and other compensation plans (except those plans in which all employees may participate), and takes such other actions, within the scope of its charter, as the Committee deems necessary and appropriate. The Committee relies upon performance data, statistical information and other data regarding executive compensation programs, including information provided by the Corporation’s human resources division, the Corporation’s officers (except as to their own compensation) and outside advisors, as it deems appropriate. The Committee has unrestricted access to individual members of management and employees and may ask them to attend any Committee meeting or to meet with any member of the Committee. The Committee also has the power to retain, at the Corporation’s expense, such independent counsel and other advisors or experts, as it deems necessary or appropriate to carry out its duties.

Management gathers and produces information for Committee meetings. As requested, the Chief Executive Officer (“CEO”) and other members of senior management participate in Committee meetings to provide background information, compensation recommendations, performance evaluations and other items requested by the Committee. The Board of Directors makes all final determinations regarding the compensation of the executives, after a recommendation by the Committee.

Use of Consultants

The Compensation Committee has retained a single external compensation consultant. Mosteller & Associates was retained by the Committee during 2012 to review certain aspects of executive compensation, as more particularly described below, and the consultant reported its recommendations directly to the Committee. The Corporation does not have a policy that limits the other services that an executive compensation consultant can perform, but the Corporation has not engaged Mosteller & Associates for any other compensation related projects except for those directed by the Committee, and which were limited to engagements involving the compensation of the NEOs and other executives. Specific instructions and directions given to the consultant and fees to be paid were outlined in

individual engagement letters with respect to the scope and performance of its duties under each project. In general, however, Mosteller & Associates was instructed and directed to compare the Corporation's current executive compensation practices with our peers, and based on that comparison, to recommend changes in our compensation practices that were consistent with our compensation philosophy and objectives. During 2012, Mosteller & Associates was engaged to assist in recruiting a Chief Operating Officer for the Bank.

Employment Agreements

On December 27, 2005, the Corporation, the Bank and Mr. Miller entered into an employment agreement for a term of three years (as amended, the "Agreement"). The term of the Agreement renews automatically for an additional 12 months at the end of each calendar year unless the Corporation and the Bank provide written notice to Mr. Miller of non-renewal.

Under the terms of the Agreement, Mr. Miller serves as the President and Chief Executive Officer of the Corporation and of the Corporation's wholly-owned subsidiary, PeoplesBank, a Codorus Valley Company (the "Bank"), and serves as a member of the Boards of Directors of the Corporation and of the Bank. The Agreement also contains a confidentiality provision and a non-competition provision that prohibits Mr. Miller from competing with the Corporation or the Bank within fifty miles of the Bank's registered office for a period of one year following his termination of employment for any reason other than a change of control.

Pursuant to the Agreement, Mr. Miller was entitled to an annual salary of \$312,000 in 2012, which may be increased (but not decreased) in the future. In addition, the Boards of Directors have discretion to pay a periodic bonus to Mr. Miller. At the present time, Mr. Miller is not entitled to receive director's fees or other compensation for serving on the Corporation's or the Bank's Board of Directors or their committees. Mr. Miller is also entitled to receive the employee benefits made available to Bank employees, generally; to the use of a vehicle provided by the Bank; and for reimbursement of country club dues.

The agreement with Mr. Miller provides that if his employment is terminated by the Corporation or the Bank due to death, disability or "for cause," then he is entitled to the full annual salary and any accrued benefits through the date of termination. "For cause" termination includes termination for willful failure to perform his duties, engaging in misconduct injurious to the Corporation or to the Bank, violation of certain terms of the Agreement, dishonesty or gross negligence in the performance of his duties, violation of banking laws and regulations, failure to win election or to serve on the Board of Directors of the Corporation or moral turpitude which brings public discredit to the Corporation or to the Bank. If Mr. Miller's employment is terminated by the Corporation or the Bank other than as a result of death, disability or "for cause," then he is entitled to a lump sum payment equal to his full annual salary from the date of termination through the last day of the term of the agreement or to an amount equal to his current annual salary, whichever is greater, and to a continuation of employee benefits for one year. If Mr. Miller terminates his employment for "good reason," then he is entitled to an amount equal to his direct annual salary and to a continuation of employee benefits for one year. "Good reason" includes reduction in title or responsibilities, geographic reassignment, removal from office, reduction in salary or benefits, failure to extend the term of the agreement or any other material breach of the agreement by the Corporation or the Bank.

If Mr. Miller's employment is terminated by the Corporation or the Bank other than for cause or if Mr. Miller terminates his employment for good reason within two years following a change in control of the Corporation or the Bank, he is entitled to receive a lump sum payment equal to three times the sum of his then current direct annual salary and the highest bonus paid to him with respect to one of the last three years of employment, and he will

continue to receive all benefits to which he was previously entitled for a period of three years. Change of control

Table of Contents

includes a more than fifty percent change in ownership of the Corporation or the Bank, a change in effective control of the Corporation or the Bank or a change in ownership of a substantial portion of the Corporation's or the Bank's assets. (Change of control is determined consistently under all of the Corporation's and the Bank's plans and employment agreements.)

In the event the amounts and benefits payable under the Agreement as a result of a change of control when added to all other benefits and amounts which may become payable to Mr. Miller by the Corporation and/or the Bank are such that they become subject to Section 280G of the Internal Revenue Code and, therefore, to the excise tax provisions of Section 4999 of the Internal Revenue Code, then Mr. Miller is to be paid the additional amount necessary to reimburse him for the economic detriment of the excise tax. If the amounts and benefits paid under the agreement are subject to Section 280G, they are not deductible by the Corporation.

The Corporation, the Bank and Mr. Swift entered into an employment agreement on August 25, 2009, which was amended on August 9, 2011, and provided for a term of three years. Pursuant to his employment agreement, Mr. Swift was entitled to an annual salary of \$210,000 in 2012. Beginning January 1, 2013, Mr. Swift transitioned from full to part-time employment. As a consequence, the Corporation, the Bank and Mr. Swift agreed that the employment agreement terminated as of that date. Mr. Swift continues to be employed by the Bank and is entitled to receive the employee benefits made available generally to part-time Bank employees. Mr. Swift also continues to participate in the Bank's medical insurance program and is entitled to the use of a vehicle provided by the Bank.

Long-Term Nursing Care Agreement

On December 27, 2005, the Corporation and the Bank entered into a Long-Term Nursing Care Agreement with Mr. Miller, the premiums for which are to be paid in ten annual installments. The agreement provides that the Corporation will accelerate the payment of the ten-year annual premiums on a long-term nursing care insurance policy for Mr. Miller and his spouse upon a change of control. The policy was originally purchased on May 27, 2003.

The cost of long-term nursing care is a growing concern among executives as they transition through life phases. The Compensation Committee believes that good health care planning reduces the amount of time and attention that Mr. Miller must spend on that topic and maximizes the net financial reward to Mr. Miller of the compensation he receives from the Corporation.

Change of Control Agreements

The NEOs and other employees of the Bank have built the Corporation into the successful enterprise that it is today, and the Compensation Committee believes that it is important to protect them in the event of a change of control.

Further, it is the Committee's belief that the shareholders will be best served if the interests of management are aligned with the interests of the shareholders. Providing change of control benefits should eliminate, or at least reduce, the reluctance of management to pursue potential change of control transactions that may be in the best interests of shareholders. Relative to the overall value of the Corporation, these

Table of Contents

potential change of control benefits are relatively minor. The level of change of control benefits are based on industry practices and negotiations with the Named Executive Officers.

Change of control benefits for Mr. Miller are described in the section describing his employment agreement. Mr. Swift's right to receive benefits in the event of a change of control terminated on December 31, 2012.

On December 27, 2005, the Corporation, the Bank and Jann Allen Weaver, CPA, Treasurer and Assistant Secretary of the Corporation and Executive Vice President and Chief Financial Officer of the Bank, entered into a change of control agreement, which provides that upon termination of employment in connection with a change of control, Mr. Weaver will receive a lump sum payment equal to the present value of one times his compensation determined by using the short-term applicable federal rate under Section 1274 of the Internal Revenue Code of 1986, as amended, in effect on the date of termination of employment. In addition, Mr. Weaver will continue, for 12 months, his eligibility to participate in all employee benefit plans and programs in which he was previously entitled to participate. Compensation is the sum of Mr. Weaver's current direct annual salary and the highest bonus paid with respect to one of the last three years of employment.

Salary Continuation Agreements - Supplemental Executive Retirement Plans (SERPS)

On October 1, 1998, the Bank entered into salary continuation agreements (SERPS) with Mr. Miller, Mr. Swift and Mr. Weaver, which were subsequently amended on December 27, 2005. These agreements provide for certain payments to these executives following the executive's normal retirement date and continuing for 240 months for Mr. Miller and for 180 months for Messrs. Swift and Weaver. The SERPs provide an annual benefit at normal retirement age (60 for Mr. Miller and 65 for Messrs. Swift and Weaver) of \$130,433 (Mr. Miller), \$105,978 (Mr. Swift) and \$74,797 (Mr. Weaver). On December 23, 2008, the SERPs were amended to add a 4% annualized increase if the executive remains employed beyond his normal retirement age, up to a maximum of five years. The agreements contain provisions for early retirement, disability benefits, death benefits and payments on specified changes of control. The agreements also contain non-competition provisions.

The non-competition provision contained in Mr. Miller's and Mr. Swift's SERPs prohibit them from competing with the Corporation or the Bank within fifty miles of the Bank's registered office for a period of three years following a termination of employment for any reason other than a change of control. However, Mr. Swift's agreement permits him to engage in the private practice of law following termination.

The non-competition provision contained in Mr. Weaver's SERP prohibits him from competing with the Corporation or the Bank within twenty-five miles of the Bank's registered office for a period of one year following his termination of employment for any reason other than a change of control.

Payments due under the SERPs vest gradually over a period of time. Thus, the SERPs serve to encourage longevity with the Corporation and Bank. The Committee believes that it is

Table of Contents

appropriate to reward long-term executives with benefits that provide for a retirement life style commensurate with that they experienced during their professional careers.

Supplemental Long-Term Disability Program

The Corporation provides supplemental long-term disability insurance for certain executives, including Messrs. Miller and Weaver. The individual policies are designed to supplement coverage, in the event of a disability, to bridge the gap between payments under the Corporation's general short- and long-term plans and the executive's salary.

2007 Long-Term Incentive Plan

The Corporation maintains a 2007 Long-Term Incentive Plan ("2007 Plan"), which was approved by the Corporation's shareholders. The purposes of the 2007 Plan are to advance the long-term success of the Corporation and to increase shareholder value by providing the incentive of long-term stock-based rewards to officers, directors and key Bank employees.

The 2007 Plan provides for awards of incentive stock options, non-statutory stock options, restricted stock awards, stock appreciation rights, and stock awards. The Compensation Committee administers the 2007 Plan. Persons eligible to receive awards under the 2007 Plan are those officers, directors and key Bank employees as determined by the Committee.

The Corporation granted 15,850 options and 11,290 shares of restricted stock under the 2007 Plan during 2012 to NEOs and other Bank officers. Awards to the NEOs are disclosed in the Outstanding Equity Awards Table below. The Plan reserved 384,107 shares of the Corporation's common stock for issuance. As of December 31, 2012, 229,494 shares are available for future issuance. The shares are subject to adjustment in the event of specified changes in the Corporation's capital structure. The options vest one (1) year after grant, have a ten-year term and permit the recipient to acquire shares at the fair market value on the grant date. The restricted shares vest over three (3) years from the date of grant. The vesting schedule is tied to the recipient's continued employment and is as follows: 0% at the end of the first year from the date of grant; 50% at the end of the second year from the date of grant; and 50% at the end of the third year from the date of grant.

Employee Stock Bonus Plan

In 2001, the Corporation implemented an Employee Stock Bonus Plan, administered by non-employee members of the Corporation's Board of Directors, under which the Corporation may issue shares of its common stock to employees as performance-based compensation. As of December 31, 2012, 15,007 shares of common stock were reserved for possible issuance under this plan, subject to future adjustment in the event of specified changes in the Corporation's capital structure. No shares were issued under the Employee Stock Bonus Plan in 2012.

401(k) Retirement Plan

The Bank maintains and sponsors a defined contribution 401(k) retirement plan. The 401(k) plan is administered by a committee which is appointed by the Board of Directors. The 401(k) plan is subject to the Internal Revenue Code of 1986, as amended, and to the regulations

Table of Contents

promulgated thereunder. Participants are entitled to certain rights and protection under the Employee Retirement Income Security Act of 1974, as amended.

Each Bank employee who attains the age of 21, successfully completes any probationary period(s), and if a part time employee, completes 1,000 hours of service per year, may participate in the 401(k) plan. An eligible employee may elect to contribute certain portions of salary, wages, commissions, or other direct remuneration to the 401(k) plan. Generally, eligible employees may not contribute more than 50% of their compensation. In 2012, the Bank matched 50% of the first 6% of each employee's contributions. In 2013, the Bank will match the first 4% of each employee's contribution. Employee contributions to the 401(k) plan vest immediately. Employer contributions vest 100% after three years of service.

Officer Group Term Replacement Insurance Plans

The Corporation provides an officers' life insurance program for certain Bank officers, including the NEOs. This program provides a death benefit to the officer's beneficiary in an amount equal to three times base salary so long as the officer is employed by the Corporation. The premiums for this program were paid in 1998 in a one-time, lump sum payment in an aggregate amount equal to \$1,531,000, of which \$551,000, \$545,000 and \$300,000 was paid for Messrs. Miller, Swift and Weaver, respectively. Additional premiums for this program were paid in 2008 in the amount of \$105,316 for Mr. Miller and \$1,786 for Mr. Weaver. Under this program, the Bank is the beneficiary of any death proceeds remaining after an officer's death benefit is paid to his or her beneficiary. The Committee believes that this benefit helps the Corporation attract and retain talented individuals to the management team. It also believes that it is an appropriate compensation strategy to provide for the continuing lifestyle of the officers' families in the case of death.

Accounting guidance, effective for fiscal years beginning on December 31, 2007, requires that liabilities for post-retirement split-dollar arrangements such as this program be accrued as a liability. The Corporation proposed, and each participant agreed to, a buy-out of the participants' post-retirement portion of the life insurance benefit; these buy-outs eliminated, for 2009 and beyond, benefit accruals (expense) related to the post-retirement life insurance benefits. In the case of the NEOs and one other Bank officer, the amount of the accrued liability related to the post-retirement life insurance benefit was rolled into the SERPs. The termination of the post-retirement life insurance benefit for participants in the Officers Group Term Replacement Insurance Plan is expected to decrease the related expense by an average of approximately \$20,000 per year through 2014. This served to increase the benefit payable to each NEO under the SERPs.

Executive Incentive Plan

On February 14, 2012, the Compensation Committee and the Board of Directors adopted the Executive Incentive Plan ("EIP"). The EIP is designed to provide a form of results-oriented variable cash compensation which is directly linked to

Corporation performance in terms of net income and to provide for recognition of individual contributions to the Corporation's performance through an individual performance level which can be utilized to adjust an employee's award up or down. The EIP provides for return by the executives of earned awards

Table of Contents

if the relevant Corporation or individual performance measures upon which they are based are restated or otherwise adjusted within the 36-month period following release of financial information. For 2013, the NEOs and certain other members of leadership are participants in the EIP. The Corporation performance measure is the Corporation's budgeted net income. Individual performance awards are discretionary as determined by the Board of Directors. Amounts earned by the NEOs are disclosed in the Executive Summary Compensation Table below.

Other Benefits

The NEOs also participate in the Corporation's other benefit plans on the same terms as other employees. These plans include medical and dental insurance, short and long-term disability insurance, Employee Stock Purchase Plan participation, and discounts on the Corporation's products and services.

RELATED PERSON TRANSACTIONS

Some of the Corporation's directors and executive officers and the companies with which they are associated were customers of and had banking transactions with the Bank during 2012. All loans and loan commitments made to them and their immediate family members and to their companies were made in the ordinary course of business, on substantially the same terms, including interest rates, collateral and repayment terms, as those prevailing at the time for comparable transactions with other customers of the Bank, and did not involve more than a normal risk of collectability or present other unfavorable features. The principal loan balance outstanding for these persons on December 31, 2012, was approximately \$429,125, which did not include unfunded commitments of approximately \$541,002. The Bank anticipates that it will enter into similar transactions in the future.

Related person transactions are reviewed and voted on by the Board of Directors of the Corporation or the Bank, as applicable. Interested parties do not participate in the review and vote.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934 requires the Corporation's directors, executive officers and shareholders who beneficially own more than 10% of the Corporation's outstanding common stock to file initial reports of ownership and reports of changes in ownership of common stock and other equity securities of the Corporation with the Securities and Exchange Commission. Based on a review of copies of the reports we received, and on the statements of the reporting persons, we believe that all Section 16(a) filing requirements were complied with in a timely fashion during 2012.

**PROPOSAL 2 – ADVISORY VOTE
REGARDING EXECUTIVE COMPENSATION**

In accordance with the Dodd-Frank Wall Street Reform and Consumer Protection Act (the "Dodd-Frank Act"), we are providing our shareholders the opportunity to vote on an advisory, non-binding resolution to approve the compensation paid to our Named Executive Officers, as described in this proxy statement. This advisory vote, commonly referred to as a "say-on-pay" vote, gives our shareholders the opportunity to endorse, or not endorse, the compensation of our Named Executive Officers. Shareholders are encouraged to carefully review the "Executive Compensation" section of this Proxy Statement for a detailed discussion of our executive compensation programs.

We believe that our executive compensation policies and programs, which are reviewed and approved by our Compensation Committee, are designed to align our Named Executive Officers' compensation with our short-term and long-term performance and to provide the compensation and incentives that are necessary to attract, motivate and

retain key executives who are important to our continued success. The Compensation Committee regularly reviews all elements of our executive compensation program and takes any actions it deems necessary to continue to fulfill the objectives of our compensation programs. These programs have been

Table of Contents

designed to promote a performance-based culture which aligns the interests of our executive officers and other managers with the interests of our shareholders.

For the reasons discussed above, our shareholders are asked to provide their support with respect to the compensation of the Corporation's Named Executive Officers by voting in favor of the following non-binding resolution:

“Resolved, that the shareholders of Codorus Valley Bancorp, Inc. approve the compensation of the Corporation's Named Executive Officers, as disclosed in this Proxy Statement pursuant to the compensation disclosure rules of the Securities and Exchange Commission.”

Because this shareholder vote is advisory, it will not be binding on our Board of Directors. However, the Compensation Committee will take into account the outcome of the vote when considering future executive compensation arrangements.

Vote Required for Approval

The approval of the non-binding advisory proposal on our executive compensation requires the affirmative vote of a majority of the shares of common stock present at the meeting, in person or by proxy. Abstentions and broker non-votes that are counted only for purposes of determining a quorum will have the effect of a vote against this proposal.

Recommendation of the Board of Directors

The board of directors recommends a vote **FOR** the advisory, non-binding resolution approving the compensation paid to the Corporation's Named Executive Officers.

**PROPOSAL 3 – ADVISORY VOTE ON THE FREQUENCY OF FUTURE
ADVISORY VOTES REGARDING EXECUTIVE COMPENSATION**

In accordance with the Dodd-Frank Act, we are providing our shareholders with an advisory vote on the compensation paid to our Named Executive Officers (the “say-on-pay” advisory vote described in Proposal 2). Also in accordance with the Dodd-Frank Act, we are asking our shareholders to vote, on an advisory and non-binding basis, whether such

advisory votes on the compensation paid to Named Executive Officers should occur every year, every two years or every three years. We are required to permit such an advisory vote on the frequency of the “say-on-pay” vote at least once every six years.

After careful consideration, the board of directors recommends that future shareholder advisory votes on compensation paid to Named Executive Officers be conducted every three years. Our compensation programs are designed with the goal of supporting long-term value creation and to incentivize and reward performance over a multi-year period. As a result, it is difficult to assess the correlation between performance and compensation on an annual basis. We believe that a vote every three years will enable our shareholders to better judge our compensation programs in relation to our long-term performance, and will offer the Corporation

Table of Contents

the time necessary to fully consider the results of advisory votes on the compensation of our Named Executive Officers and implement appropriate changes.

Because this shareholder vote is advisory, it will not be binding on our Board of Directors. However, the Board of Directors will take into account the outcome of the vote when considering the frequency of future advisory votes regarding executive compensation.

Vote Required for Approval

Shareholders may vote on an advisory basis as to whether future advisory votes on executive compensation should occur every one, two or three years, or may abstain from voting. A plurality of the votes cast is required for the approval of the choice among the frequency options. This means that the option receiving the most votes will be deemed approved. Abstentions and broker non-votes will have no effect in calculating the votes on this matter.

Recommendation of the Board of Directors

The Board of Directors recommends a vote **FOR** approval of “Every Three Years” with respect to the frequency of future advisory votes regarding the compensation of Named Executive Officers. Although the Board of Directors recommends that you vote for “Every Three Years”, the enclosed proxy card allows you to vote for Every Year, Every Two Years, or Every Three Years, or to abstain from voting. You are not voting simply to approve or disapprove the Board of Directors’ recommendation.

PROPOSAL 4 – RATIFICATION OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The Corporation’s Audit Committee has selected the firm of ParenteBeard LLC as our independent registered public accounting firm for the fiscal year ending December 31, 2013. Although shareholder approval of the selection of ParenteBeard LLC is not required by law, the Board of Directors believes that it is advisable to give shareholders an opportunity to ratify this selection as is the common practice with other publicly traded companies.

Vote Required for Approval

Assuming the presence of a quorum at the Annual Meeting, the affirmative vote of the majority of the shares present at the meeting, in person or by proxy, is required to ratify the appointment of ParenteBeard LLC as the Corporation's independent registered public accounting firm for the fiscal year ending December 31, 2013. If our shareholders at the 2013 Annual Meeting do not approve this proposal, the Audit Committee may reconsider its selection of ParenteBeard LLC, but no determination has been made as to what action the Audit Committee would take if shareholders do not ratify the appointment of ParenteBeard LLC.

Recommendation of the Board of Directors

The Board of Directors recommends that shareholders vote **FOR** ratification of the appointment of ParenteBeard LLC as the Corporation's independent registered public accounting firm for the fiscal year ending December 31, 2013.

REPORT OF THE AUDIT COMMITTEE

The Audit Committee met with management periodically during the year to consider the adequacy of the Corporation's internal controls and the objectivity of its financial reporting. The Audit Committee discussed these matters with the Corporation's independent registered public accounting firm.

The Audit Committee met privately at its regular meetings with both the independent registered public accounting firm and the internal auditors, each of whom has unrestricted access to the Audit Committee.

The Audit Committee appointed, and the Board approved, ParenteBeard LLC as the independent registered public accounting firm for the Corporation after reviewing the firm's performance with management and independence.

Management has primary responsibility for the Corporation's consolidated financial statements and the overall reporting process, including the Corporation's system of internal controls. The independent registered public accounting firm audited the annual consolidated financial statements prepared by management, expressed an opinion as to whether those consolidated financial statements fairly present the financial position, results of operations and cash flows of the Corporation in conformity with generally accepted accounting principles in the United States of America and discussed with the Audit Committee any issues they believe should be raised with the Audit Committee.

The Audit Committee reviewed with management and ParenteBeard LLC, the Corporation's independent registered public accounting firm, the Corporation's audited consolidated financial statements and met separately with both management and ParenteBeard LLC to discuss and review those consolidated financial statements and reports prior to is
