Certain statements contained in this communication may be deemed to be forward-looking statements under certain securities laws, including the "safe harbor" provisions of the United States Private Securities Litigation Reform Act of 1995 and any applicable Canadian securities legislation. These forward-looking statements include, but are not limited to, statements about the expected effects of the acquisition of City National Corporation by Royal Bank of Canada, the expected timing of the acquisition and other statements other than in relation to historical facts. Forward-looking statements are typically identified by words such as "believe", "expect", "foresee", "forecast", "anticipate", "intend", "estimate", "goal", "plan" and "project" and similar expressions of future or conditional verbs such as "will", "may", "should", "could", or "would".

We caution readers not to place undue reliance on these statements as a number of important factors could cause our actual results to differ materially from the expectations expressed in such forward-looking statements. These factors include, but are not limited to, the possibility that the proposed transaction does not close when expected or at all because required regulatory, shareholder or other approvals are not received or other conditions to the closing are not satisfied on a timely basis or at all, or that the anticipated benefits of the transaction are not realized when expected or at all, including as a result of the strength of the economy and competitive factors in the areas where Royal Bank of Canada and City National Corporation do business; the impact of changes in the laws and regulations regulating financial services and enforcement thereof; the effects of competition in the markets in which Royal Bank of Canada and City National Corporation operate; judicial or regulatory judgments and legal proceedings; Royal Bank of Canada's ability to complete the acquisition and integration of City National Corp. successfully; and other factors that may affect future results of Royal Bank of Canada and City National Corporation including timely development and introduction of new products and services, Royal Bank of Canada's ability to cross-sell more products to customers and technological changes.

We caution that the foregoing list of important factors is not exhaustive. Additional information about these and other factors can be found in Royal Bank of Canada's 2014 Annual Report on Form 40-F and City National Corporation's 2013 Annual Report on Form 10-K, each filed with the U.S. Securities and Exchange Commission (the "SEC") and available at the SEC's website (<http://www.sec.gov>). Royal Bank of Canada's material general economic assumptions underlying certain of the forward-looking statements in this press release are set out in its 2014 Annual Report under the heading "Overview and Outlook – Economic and market review outlook" and for each business segment under the heading "Outlook and priorities".
