May, a citizen of the United States of America, and Edward P. Garden, a citizen of the United States of America (the Trian Entities and Messrs. Peltz, May and Garden are sometimes hereinafter referred to collectively as the “Trian Group”), and Clayton C. Daley, Jr., a citizen of the United States of America (together with the Trian Group, the “Participants”), to be used at the 2017 annual meeting of shareholders of P&G, including any adjournments or postponements thereof and any special meeting held in lieu thereof (the “2017 Annual Meeting”). The 2017 Annual Meeting is scheduled to be held at [The Procter & Gamble Company General Offices, 1 Procter & Gamble Plaza, Cincinnati, Ohio 45202] on [[], 2017], at [9:00 a.m.] (EDT)]. This Proxy Statement and the enclosed WHITE proxy card are first being furnished to shareholders on or about [].

THIS SOLICITATION IS BEING MADE BY THE TRIAN GROUP AND NOT ON BEHALF OF THE BOARD OF DIRECTORS OF THE COMPANY.

We are soliciting your proxy for the 2017 Annual Meeting in respect of the following matters:

1. To elect Nelson Peltz (“Mr. Peltz” or the “Nominee”) and the candidates of The Procter & Gamble Company (the “Company”) other than [] (the “Excluded Company Nominee”) for election at the 2017 Annual Meeting to serve as directors of the Company (“Proposal 1”);
2. To ratify the appointment of Deloitte & Touche LLP as the Company’s independent registered public accounting firm for the fiscal year ending June 30, 2018 (“Proposal 2”);
3. To approve, on an advisory basis, the Company’s executive compensation (“Proposal 3” or the “Say on Pay Vote”);
4. To vote, on an advisory basis, on the frequency of holding the Say on Pay Vote (“Proposal 4”);
5. To vote on three other shareholder proposals (respectively, “Proposal 5,” “Proposal 6,” and “Proposal 7”); and

6. To adopt a resolution that each provision or amendment of the Regulations of the Company (the “Regulations”) adopted by the Board of Directors of the Company (the “Board”) (and not by the Company’s shareholders) subsequent to April 8, 2016 and prior to the approval of this resolution be repealed, effective as of the time this resolution is approved by the Company’s shareholders (“Proposal 8”).

Except as set forth in this Proxy Statement, the Trian Group is not aware of any other matter to be considered at the 2017 Annual Meeting. However, if the Trian Group learns of any other proposals made at a reasonable time before the 2017 Annual Meeting, the Trian Group will either supplement this Proxy Statement and provide shareholders with an opportunity to vote by proxy directly on such matters or will not exercise discretionary authority with respect thereto. If other proposals are made thereafter, the persons named as proxies on the **WHITE** proxy card solicited by the Trian Group will vote such proxies in their discretion with respect to such matters.

P&G has disclosed that the record date for determining shareholders entitled to notice of and to vote at the 2017 Annual Meeting is [] (the “Record Date”). Shareholders of record at the close of business on the Record Date will be entitled to vote at the 2017 Annual Meeting. According to the Company’s Preliminary Proxy Statement for the 2017 Annual Meeting, filed with the Securities and Exchange Commission (the “SEC”) on [], 2017 (the “Company’s Preliminary Proxy Statement”),] as of the Record Date, there were [] shares of common stock, without par value (the “Shares”), outstanding and entitled to vote at the 2017 Annual Meeting. Each Share has one vote. In addition, as of the Record Date, there were approximately [] shares of Series A ESOP Convertible Class A Preferred Stock, without par value, and [] shares of Series B ESOP Convertible Class A Preferred Stock, without par value (collectively, the “Series A and B ESOP Convertible Class A Preferred Stock”). Each share of the Series A and Series B ESOP Convertible Class A Preferred Stock has one vote.

As of the date of this Proxy Statement, the members of the Triam Group beneficially own an aggregate of 37,612,012 Shares, representing approximately []% of the Company's outstanding Shares (based on information disclosed in the [Company's Preliminary Proxy Statement] regarding the number of outstanding Shares as of the Record Date).

The Triam Group is seeking your proxy to vote FOR the election of Mr. Peltz and the Company's candidates for election (other than the Excluded Company Nominee) and FOR Proposal 8 described herein. In the event that Mr. Peltz is unable (due to death, disability, ineligibility or otherwise) or hereafter becomes unwilling for any reason to serve as a director, the proxies named on the enclosed **WHITE** proxy card will be voted for Edward P. Garden ("Mr. Garden" or the "Alternate Nominee," and together with the Nominee, the "Nominees") in place of Mr. Peltz. In addition to the foregoing, the Nominating Funds have reserved the right in the Nomination Notice (as defined below) to further nominate, substitute or add additional persons in the event that any of the events described in the previous sentence occurs with respect to the Alternate Nominee or the Company purports to increase the number of directorships after the date hereof and prior to the 2017 Annual Meeting. In the case of any of the foregoing, the Nominating Funds will give prompt written notice to the Company if they choose to nominate any such additional or substitute nominee and the Triam Group will file and deliver supplemental proxy materials, including a revised proxy card, disclosing the information relating to such additional persons that is required to be disclosed in solicitations for proxies for the election of directors pursuant to Section 14 of the Securities and Exchange Act of 1934, as amended (the "Exchange Act"). There can be no assurance that the Company will not assert that any additional or substitute nominations made pursuant to such a reservation must separately comply with any advance notification requirements provided in the Regulations. Notwithstanding the foregoing, the Nominating Funds reserve the right to withdraw the nomination of the Nominee or the Alternate Nominee or any additional or substitute nominee at any time, if applicable. In any such case, the Nominating Funds will give prompt notice to the Company of any such withdrawal and the Triam Group will file and disclose to shareholders the relevant information. The Triam Group has no reason to believe that Mr. Peltz will be unable or unwilling to serve as director. **None of the Participants has any intention, either alone or in concert with another person, to acquire or exercise control of the Company or any of its subsidiaries.**

WE BELIEVE MR. PELTZ'S SIGNIFICANT EXPERTISE AND LONG TRACK RECORD OF WORKING SUCCESSFULLY WITH MANAGEMENT TEAMS AND BOARDS TO TURN AROUND CONSUMER COMPANIES AND DRIVE SUSTAINABLE LONG-TERM SHAREHOLDER VALUE WILL BE INVALUABLE TO THE COMPANY AS IT WORKS TO OVERCOME ITS CHALLENGES. ACCORDINGLY, THE TRIAM GROUP URGES YOU TO VOTE YOUR WHITE PROXY CARD FOR OUR NOMINEE AND THE COMPANY'S CANDIDATES FOR ELECTION (OTHER THAN THE EXCLUDED COMPANY NOMINEE) AND FOR PROPOSAL 8.

REASONS TO VOTE FOR THE TRIAN GROUP'S NOMINEE

As of the date of this Proxy Statement, the members of the Trian Group beneficially own an aggregate of 37,612,012 Shares. As one of the Company's largest shareholders and given P&G's disappointing results over the past decade, as detailed below, we have a keen interest in helping the Company address the challenges it is facing, which include:

Weak Total Shareholder Returns. Over the past decade, the Company has underperformed relative to both its peers and to the S&P 500.^[1] In fact, the Company's total return to shareholders over the last ten years was less than half that of its peers.^[2] We believe P&G needs to address the factors contributing to this consistent underperformance.

Deteriorating Market Share. Over the past five years, P&G's organic sales growth has decelerated and the Company has lost market share across most of its categories.^[3] The Trian Group believes that disruptive and existential threats are impacting the entire consumer packaged goods industry, including changes in technology and consumer behavior, and the Company must act with the greatest possible urgency to address the market share it is losing to both its peers and smaller local competitors, who are adapting to industry changes more effectively than P&G.

Excessive Cost and Bureaucracy. The Company's management acknowledges the need to reduce cost and bureaucracy,^[4] but we believe these critical issues have not been sufficiently addressed.

Our analysis shows that the Company's \$10 billion cost-cutting program, launched in 2012, has had no discernible impact on profits or sales growth. In particular, the program did not drive earnings growth given that operating profit was essentially flat from 2012 to 2016.^[5]

^[1] S&P 500 refers to the S&P 500 Total Return Index, which includes the price changes of all underlying stocks and all dividends reinvested. S&P 500 data is obtained from Bloomberg using the SPX ticker with the inclusion of dividend re-investment.

^[2] Source: Capital IQ. Total shareholder return of the S&P 500, the Company and its peers measured through June 15, 2017, one day before rumors surfaced of the Trian Group seeking Board representation. The Trian Group considers the Company's peers to include Beiersdorf, Church & Dwight, Clorox, Colgate, Edgewell Personal Care, Henkel, Kimberly-Clark, L'Oreal, Reckitt Benckiser and Unilever. We believe this peer group is relevant because each company is domiciled in the United State or Europe, has a significant market capitalization and generates a significant portion of its sales in categories in which P&G competes.

^[3] Source: Company SEC filings. In addition, the Company's organic sales growth was 0% in FY2016 and 2% year-to-date in FY2017, compared with a compound annual growth rate of 4% for organic sales from FY2006 through FY2011. In addition, the Company's volume growth has trailed the average volume growth of its peers which disclose

this data in four out of the five most recently completed years (indicating a loss of market share).

[4] As referenced above, P&G announced a goal to reduce costs by \$10 billion dollars by 2016 at the Consumer Analyst Group of New York Conference held on February 23, 2012. In addition, P&G identified an additional savings opportunity of up to \$13 billion at the Deutsche Bank Global Consumer Conference held on June 15, 2017 (the “DB Conference”). At the DB Conference, the Company estimated that it can “achieve another \$1 billion to \$2 billion of additional overhead cost reduction” with a plan to optimize “each function of the company with a particular focus on reducing the cost of activities that are furthest away from consumers or customers ... include[ing] our corporate operations.” P&G also noted at the DB Conference that over the past five years it has “eliminated central resources where they added complexity but didn’t provide a scale benefit overall” and “reduced corporate roles by 20% with *plans to go further*” (emphasis added).

[5] Source: Company SEC filings. From FY2012 through FY 2016, the Company grew sales volumes at a compound annual growth rate of 0.6% and grew operating profit at a compound annual growth rate of -0.1%.

Although the Company has stated that it has identified up to \$13 billion of additional cost savings, given P&G's track record our analysis of the 2012 cost-cutting program, we are concerned that this initiative will also be ineffective in driving sales growth, earnings growth and shareholder value creation.^[6]

We believe that P&G has an overly complex organizational structure and a slow moving and insular culture. Structural and organizational bureaucracy may be preventing management from identifying and responding to commercial opportunities in a timely manner, hindering product innovation and dampening sales growth.^[7]

We believe the Company must take decisive action that goes above and beyond what the Company has presently committed to do.

Adding Nelson Peltz to the Board Will Help the Company Address These Challenges. The Triun Group believes that Mr. Peltz's significant expertise and long track record of working successfully with management teams and boards to turn around consumer companies and drive sustainable long-term shareholder value will be invaluable to the Company as it works to overcome its challenges.

Furthermore, because we believe that many of these challenges relate to the Company's organizational structure and culture, which can be highly resistant to change, it is Triun's strong view that the addition of a motivated independent director with a material ownership stake and relevant industry experience would be a valuable resource for overcoming the root causes of these challenges.

What the Triun Group Is NOT Pushing For. The Triun Group believes strongly in the Company's potential, and as a long-term shareowner, our objective is to create sustainable long-term shareholder value for all P&G shareholders. That means that we are:

- NOT advocating for the break-up of the Company
- NOT suggesting that the CEO be replaced
- NOT seeking to replace directors
- NOT advocating taking on excessive leverage
- NOT seeking to cut pension benefits
- NOT suggesting that research & development, marketing expense or capital expenditures be reduced

As a member of the Board, Mr. Peltz would seek to help the Company increase sales and profits, regain lost market share, and address the Company's structure and culture, and we believe that he can contribute far more value operating from within the Company's boardroom than by merely advising the Company from the outside. We urge shareholders to support us in this effort by voting a **WHITE** proxy card for our Nominee.

^[6] As detailed above, the Trian Group believes that P&G's previous \$10 billion cost-cutting program, launched in 2012, failed to drive growth in sales volumes or operating profit. Although the Company has said that approximately \$7 billion of the \$10 billion in realized cost savings were offset by foreign exchange losses and the remaining \$3 billion of cost savings were reinvested in the businesses, we have not found evidence that such reinvestment drove sales or operating profit growth. *See* statements made by the Company at the Deutsche Bank Global Consumer Conference held on June 16, 2016. The lack of tangible evidence that the 2012 cost-cutting program boosted the Company's financial performance underlies the Trian Group's concern about the success of the new cost cutting initiative. *See* slide 15 of the Trian Group's "Introductory Presentation on P&G," filed under cover of Schedule 14A on July 17, 2017, for further detail.

^[7] The Trian Group believes that P&G's organizational structure is overly "matrixed," which we believe impedes growth by adding unnecessary complexity and cost. We understand that there are three overlapping organizational structures at P&G (Global Business Units as defined by category, Selling and Marketing Operations, and Corporate Functions), and in our view, these overlapping structures obscure accountability, increase bureaucracy and slow decision-making and impede sales growth and market shares.

PROPOSAL 1: ELECTION OF DIRECTORS

According to information contained in the [Company's Preliminary Proxy Statement], eleven directors are to be elected to the Board at the 2017 Annual Meeting. The Trian Group recommends that shareholders elect Nelson Peltz as a director of the Company at the 2017 Annual Meeting. Mr. Peltz has consented to being named in this Proxy Statement as a nominee and to serving as a director of the Company if elected. If elected, the initial term of Mr. Peltz will be until the next annual meeting of shareholders and until his successor shall have been duly elected and qualified in accordance with the Regulations. We have no knowledge of any facts that would prevent a final determination by the Board that Mr. Peltz is independent in accordance with the corporate governance standards of the Company and the pertinent listing standards of the New York Stock Exchange. Mr. Peltz satisfies all qualifications required by the Ohio Revised Code (the "ORC") to be a director of the Company¹⁸!

The Trian Group believes that Mr. Peltz's significant expertise and long track record of working successfully with management teams and boards to turn around consumer companies and drive sustainable long-term shareholder value will be invaluable to the Company as it works to overcome its challenges. Furthermore, because we believe that many of these challenges relate to the Company's organizational structure and culture, which can be highly resistant to change, we believe that the addition of a motivated independent director with a material ownership stake and relevant industry experience would be a valuable resource for overcoming the root causes of these challenges. As a member of the Board, Mr. Peltz would seek to help the Company improve performance by increasing sales and profits, regaining lost market share, and addressing the Company's structure and culture, and the Trian Group believes that Mr. Peltz can contribute far more value operating from within the Company's boardroom than by merely advising the Company from the outside.

The Trian Group intends to vote all of their Shares in favor of the Nominee. If Mr. Peltz is elected he will only represent one out of eleven members of the Board, and therefore there can be no assurance that Mr. Peltz individually can implement the actions that he believes are necessary to enhance shareholder value.

Biographical Information

Set forth below is background information about Mr. Peltz, including his name, age, principal occupation and employment and public company directorships held during the past five years, as well as a description of the qualifications, attributes and skills that led to the conclusion that Mr. Peltz should serve as a director of the Company. Please see the section of this Proxy Statement titled "Information About The Trian Group and other Participants" for additional information about Mr. Peltz, including information about his beneficial ownership of Shares.

¹⁸ Section 1701.56 of the ORC provides that directors of Ohio corporations "shall be natural persons of at least eighteen years of age and shall have such qualifications, if any, as are stated in the articles or the regulations." Given

that Mr. Peltz is more than eighteen years of age and is a natural person, and given that the Charter and Regulations provide for no additional qualifications for an individual to serve as a director of the Company, Mr. Peltz satisfies the applicable requirements of the ORC.

75 Mr. Nelson Peltz has served as the Chief Executive Officer and a Founding Partner of Trian Management, an investment management firm, since its formation in 2005. Trian is a highly engaged shareowner that combines concentrated public equity ownership with operational expertise. Trian seeks to invest in high quality but undervalued and underperforming public companies and to work collaboratively with management teams and boards of those companies to execute operational and strategic initiatives designed to drive long-term sustainable earnings growth for the benefit of all stakeholders.

Mr. Peltz has served as director of The Wendy’s Company (“Wendy’s”), the world’s third largest quick-service hamburger company, since April 1993 and as its non-executive Chairman since June 2007. Mr. Peltz has also served as a director of Mondelēz International, Inc. (“Mondelēz”), a global snacking powerhouse, since January 2014, and as a director of Sysco Corporation (“Sysco”), the largest North American distributor of food and related products, since August 2015. In addition, he has served as a director of The Madison Square Garden Company (“Madison Square Garden”), a sports, entertainment and media company, and its predecessor, since December 2014. Mr. Peltz previously served on the board of directors of Ingersoll-Rand plc (“Ingersoll-Rand”), an Irish global diversified industrial company, from August 2012 to June 2014. From September 2006 until June 2013, Mr. Peltz served as a director of H.J. Heinz Company (“Heinz”), a global packaged food manufacturer, and from October 2009 until December 2014, Mr. Peltz served as a director of Legg Mason, Inc. (“Legg Mason”), an asset management firm.

In addition to founding Trian Management, Mr. Peltz has served in senior management positions at various companies. From 1993 to 2007, he served as the Chairman and Chief Executive Officer of Triarc Companies, Inc. (now known as The Wendy’s Company), which, during that period, owned Arby’s Restaurant Group, Inc. and acquired Snapple Beverage Group, as well as other consumer and industrial businesses. Mr. Peltz was also Chairman & Chief Executive Officer of Triangle Industries, Inc., a *Fortune* 100 industrial company and the parent of American National Can Company, from 1983 until December 1988, when it was acquired by Pechiney, S.A. From 1984 until 1992, Mr. Peltz was Chairman and Chief Executive Officer of Avery, Inc., which primarily engaged in the manufacture and sale of specialty chemicals through Uniroyal Chemical Company, and from 1996 to 1999, he served as Chairman of the Board of National Propane Corporation, the managing general partner of National Propane Partners, L.P., a distributor of liquefied petroleum gas.

Mr. Peltz has more than 40 years of business and investment experience, has served as the chairman and chief executive officer of public companies for over 20 years and has extensive public company board experience--currently serving on the boards of Mondelēz, Sysco, Wendy’s and Madison Square Garden and previously serving on the boards of Heinz, Legg Mason and Ingersoll-Rand. Throughout his professional career, he has developed extensive experience working with management teams and boards, as well as in acquiring, investing in and building

companies and implementing operational improvements at the companies with which he has been involved (including many companies in the consumer sector). Mr. Peltz was also recognized by the National Association of Corporate Directors in 2010, 2011 and 2012 as among the most influential people in the global corporate governance arena. As a result, Mr. Peltz has developed strong operating experience and strategic planning skills, valuable leadership and corporate governance experience and strong relationships with institutional investors, investment banking/capital markets advisors and others that we believe will benefit the Company and its Board.

Mr. Peltz has consented to being named as a nominee in this Proxy Statement and to serving as a director of the Company if elected. However, in the event that Mr. Peltz is unable (due to death, disability, ineligibility or otherwise) or hereafter becomes unwilling for any reason to serve as a director, the proxies named on the enclosed **WHITE** proxy card will be voted for the Alternate Nominee in place of Mr. Peltz. In addition to the foregoing, the Nominating Funds have reserved the right in the Nomination Notice to further nominate, substitute or add additional persons in the event that any of the events described in the previous sentence occurs with respect to the Alternate Nominee or the Company purports to increase the number of directorships after the date hereof and prior to the 2017 Annual Meeting. In the case of any of the foregoing, the Nominating Funds will give prompt written notice to the Company if they choose to nominate any such additional or substitute nominee and the Trian Group will file and deliver supplemental proxy materials, including a revised proxy card, disclosing the information relating to such additional persons that is required to be disclosed in solicitations for proxies for the election of directors pursuant to Section 14 of the Exchange Act. There can be no assurance that the Company will not assert that any additional or substitute nominations made pursuant to such a reservation must separately comply with any advance notification requirements provided in the Regulations. Notwithstanding the foregoing, the Nominating Funds reserves the right to withdraw the nomination of the Nominee or the Alternate Nominee or any additional or substitute nominee at any time, if applicable. In any such case, the Nominating Funds will give prompt notice to the Company of any such withdrawal and the Trian Group will disclose to shareholders the relevant information. The Trian Group has no reason to believe that Mr. Peltz will be unable or unwilling to serve as a director.

The Trian Group notes that none of the Company's binding governance documents, including the Amended Articles of Incorporation (the "Charter") and the Regulations, include any age restriction for directors or nominees. The Company's non-binding Corporate Governance Guidelines (the "Governance Guidelines"), which reflect the Board's internal governance practices, provide for a resignation policy for Board members upon reaching the age of 72, subject to certain exceptions. Although the Nominee exceeds the retirement age of 72, Trian believes that the Board may not seek to apply such resignation policy to prohibit the Nominee from serving the entirety of his term if the Company's shareholders choose to elect the Nominee to the Board after taking account of such disclosure. Section 1701.56 of the ORC provides that "directors shall be natural persons of at least eighteen years of age and shall have such qualifications, if any, as are stated in the articles or the regulations." As the Company's Governance Guidelines are not part of the Charter or Regulations, any attempt by the Board to refuse to seat the Nominee based on the Governance Guidelines after the Company's shareholders have elected the Nominee on an informed basis would be counter to Section 1701.56.

In addition, the Governance Guidelines provide that non-executive directors of the Company are limited to serving on three public company boards in addition to the Board. Currently, Mr. Peltz serves on four public company boards. If elected as a director of P&G, Mr. Peltz intends to resign from at least one of the boards on which he currently serves.

Finally, given Mr. Peltz's status as the Chief Executive Officer and Founding Partner of Trian Management, Trian Management notes its intention, in the case of Mr. Peltz's election, to enter into a customary non-disclosure agreement with the Company to allow Mr. Peltz to share information he receives from the Company with Trian Management and acknowledging its agreement to maintain, and to cause its personnel and advisors to maintain, the confidentiality of any information provided to Mr. Peltz in connection with his service as a director of the Company.

If elected, Mr. Peltz would only be one out of eleven members of the Board. Therefore, we are “rounding out” our slate to give shareholders who vote on the enclosed **WHITE** proxy card the opportunity to vote for all available directorships, including the candidates who have been nominated by the Company (other than the Excluded Company Nominee). Shareholders will therefore be able to vote for the total number of directors up for election at the 2017 Annual Meeting. The Triam Group notes that the exclusion of the Excluded Company Nominee for the purposes of

“rounding out” its slate to the available number of directorships does not reflect the Trian Group’s opposition to the Excluded Company Nominee serving on the Board, and, in the event that the Nominee or Alternate Nominee is elected in place of the Excluded Company Nominee at the 2017 Annual Meeting, the Nominee or Alternate Nominee would propose, as his first action as a director of the Company, that the Board immediately re-appoint to the Board the Excluded Company Nominee. You should refer to the Company’s definitive Proxy Statement (the “Company’s Proxy Statement”) and form of proxy distributed by the Company for the names, background, qualifications and other information concerning the Company’s director nominees. There is no assurance that any of the Company’s nominees will serve as directors if the Trian Group’s nominee is elected to the Board. In the event that Mr. Peltz or the Alternate Nominee is elected and that one or more of the Company’s nominees declines to serve with Mr. Peltz or the Alternate Nominee, the Regulations provide that the resulting vacancies may be filled by the directors then in office by a vote of the majority of the whole authorized number of directors.

Vote Required.

According to the Article EIGHTH of the Charter, in contested elections such as this one, the affirmative vote of a plurality of the votes cast in person or represented by proxy and entitled to vote on the election of directors at the 2017 Annual Meeting is required for the election of each director nominee (meaning that the eleven director nominees who receive the highest number of shares voted “FOR” their election by the shareholders will be elected to the Board). A “WITHHOLD” vote will have the same effect as a vote “AGAINST” the election of a director nominee. A shareholder cannot abstain in the election of directors and broker non-votes will not be counted.

WE STRONGLY URGE YOU TO VOTE FOR THE ELECTION OF OUR NOMINEE AND FOR THE COMPANY’S CANDIDATES FOR ELECTION (OTHER THAN THE EXCLUDED COMPANY NOMINEE) BY SIGNING, DATING AND RETURNING YOUR WHITE PROXY CARD TODAY IN THE ENCLOSED POSTAGE-PAID ENVELOPE.

PROPOSAL 8: REPEAL CERTAIN AMENDMENTS TO REGULATIONS

Pursuant to Article VIII of the Regulations, the Board has the power to alter, amend, add to or repeal the Regulations of the Company. As of the date of this Proxy Statement, the Trian Group is not aware of any decision by the Board to adopt, amend or repeal any provision of the Regulations since April 8, 2016, but it is possible that the Board may have done so, or that following the date of this Proxy Statement and prior to the adoption of this resolution, such an amendment could be adopted by the Board and/or become effective. Such an amendment could negatively impact the Trian Group's ability to solicit and/or obtain proxies from shareholders of the Company or otherwise adversely affect the ability of the Company's shareholders to vote on Proposal 1, and the Trian Group would like to ensure that the Company's shareholders have the ability to elect our Nominee at the 2017 Annual Meeting.

Although adoption of this proposal could have the effect of repealing previously undisclosed amendments to the Regulations without considering the beneficial nature, if any, of such amendments to the shareholders, it would not repeal any such amendments that were approved by the shareholders.

Proposal 8 provides for the adoption of the resolution in the following form:

RESOLVED, that each provision or amendment of the Regulations of The Procter & Gamble Company (the "Corporation") adopted by the Board of Directors of the Corporation (and not by the Corporation's shareholders) subsequent to April 8, 2016 and prior to the approval of this resolution be, and hereby is, repealed, effective as of the time this resolution is approved by the Corporation's shareholders.

Vote Required.

According to Article VIII of the Regulations, the affirmative vote of a majority of the outstanding shares entitled to vote on the election of directors at the 2017 Annual Meeting is required to alter, amend, add to or repeal any provision of the Regulations. Abstentions and broker non-votes will have the effect of a vote "AGAINST" Proposal 8.

WE STRONGLY URGE YOU TO VOTE FOR PROPOSAL 8 BY SIGNING, DATING AND RETURNING YOUR WHITE PROXY CARD TODAY IN THE ENCLOSED POSTAGE-PAID ENVELOPE.

and their families against discrimination and harassment that is encouraged or enabled by the policies (“Proposal 6”). [Based on information contained in the [Company’s Preliminary Proxy Statement,] the Board is recommending a vote “AGAINST” Proposal 6.] The Trian Group makes no recommendation on this matter.

Based on information contained in the [Company’s Preliminary Proxy Statement,] it is expected that the shareholders at the 2017 Annual Meeting will be asked to vote on a shareholder proposal requesting that the Company assess and report to shareholders, at reasonable expense and excluding proprietary or legally privileged information, on the company’s approach, above and beyond legal compliance, to mitigating the heightened ethical and business risks associated with procurement and other activities in conflict-affected areas, including situations of occupation (“Proposal 7”). [Based on information contained in the [Company’s Preliminary Proxy Statement,] the Board is recommending a vote “AGAINST” Proposal 7.] The Trian Group makes no recommendation on this matter.

Vote Required.

According to the [Company’s Preliminary Proxy Statement,] the approval of Proposals 2, 3, 4, 5, 6 and 7 require the affirmative vote of a majority of votes cast at the 2017 Annual Meeting. Abstentions and broker non-votes will have no effect on Proposals 2, 3, 4, 5, 6 and 7.

BACKGROUND TO THE SOLICITATION

On February 16, 2017, Nelson Peltz, Chief Executive Officer and a Founding Partner of Trian, called David S. Taylor, Chairman of the Board, President and Chief Executive Officer of the Company, to introduce himself and initiate a dialogue between the Company and Trian. Mr. Peltz and Mr. Taylor agreed to arrange an in-person meeting on a mutually convenient date.

On March 7, 2017, Mr. Peltz and Ed Garden, Chief Investment Officer and a Founding Partner of Trian, met with Mr. Taylor and Jon R. Moeller, Chief Financial Officer and Vice Chairman of the Company. The parties discussed a variety of topics, including Trian's background and investment philosophy, the reasons why Trian invested in the Company and potential opportunities that Trian believed the Company should pursue, including opportunities to simplify the organizational structure, increase accountability, accelerate revenue growth and realize additional earnings growth from recently announced cost saving initiatives.

The next day, March 8, 2017, Messrs. Peltz and Garden corresponded with Mr. Taylor via email, and Mr. Taylor indicated that he would contact Messrs. Peltz and Garden about setting up another discussion after giving consideration to the business opportunities discussed at the prior meeting.

On April 12, 2017, Mr. Peltz spoke with Mr. Taylor by telephone and Mr. Taylor invited Mr. Peltz to address the Company's global leadership team at an upcoming meeting.

On April 24, 2017, Messrs. Peltz and Garden and Josh Frank, a partner at Trian, attended a follow-up meeting with Messrs. Taylor and Moeller to continue discussing potential opportunities for the Company. Messrs. Peltz, Garden and Frank shared a short presentation regarding Trian's focus on sustained long-term value creation. They also noted that Trian held deep concerns regarding the Company's long history of underperformance, specifically related to market share losses, poor sales volumes relative to peers, the Company's inability to realize income statement improvement from prior cost savings initiatives, and weak total shareholder returns. Messrs. Peltz, Garden and Frank discussed specific areas of opportunity that would allow the Company to address such underperformance, including a less complex organizational structure, with a reduced level of bureaucracy, that would allow for faster and more autonomous decision-making; increased management accountability with real profit and loss (P&L) responsibility for individual executives; and a more nimble, less insular corporate culture that is more open to hiring individuals from outside the P&G organization for senior leadership positions. The Trian representatives indicated that they believed that the Company was capable of significantly more income statement improvement, including accelerated revenue and profit growth, than the Company had previously signaled, and they looked forward to working with management to help realize such improvement. They also noted that they were not proposing that the Company's Chief Executive Officer be replaced or that the Company incur excessive leverage or make cuts to research and development, marketing expense or capital expenditures.

On May 4, 2017, Mr. Peltz addressed the Company's global leadership team of top executives. Mr. Frank was also in attendance. Mr. Peltz answered questions from Mr. Taylor and presented an overview of his business background and experience, Trian's philosophy of working constructively with boards and management teams to drive long-term sustainable earnings growth, several case studies describing successful collaborations between Trian and companies in which it had invested, Trian's rationale for investing in the Company and Trian's specific recommendations for improving the Company's operational performance and organizational structure. Mr. Peltz also noted important changes in the broader consumer landscape including changes in consumer habits and a shift towards e-commerce and digital sales. He shared his perspective that the Company must act with urgency to confront these new challenges, and that doing so would require a different mindset, and more autonomy for individual business units, so they could more effectively incubate and develop small brands that resonate with today's consumers.

From May 8, 2017 to May 14, 2017, Mr. Peltz and Mr. Taylor corresponded by email and spoke by telephone regarding logistics for a meeting between Mr. Peltz and W. James McNerney, Jr., the Company's Lead Director since 2007.

On May 18, 2017, Mr. Peltz met with Messrs. Taylor and McNerney, and Mr. Peltz discussed with Mr. McNerney his background, Trian's investment philosophy and Trian's operational and strategic recommendations for the Company. Mr. McNerney advised Mr. Peltz that he had researched Trian and garnered positive references regarding Mr. Peltz

and his past involvement with boards and management teams from various executives, directors and shareholders with whom Mr. McNerney had spoken.

During that meeting, the parties also discussed the possibility of appointing Mr. Peltz to the Board, as was discussed previously in prior meetings. Specifically, Mr. McNerney informed Mr. Peltz that the Company would consider appointing Mr. Peltz to the Board in one year if the Company performed poorly over the course of the following twelve months. In response, Mr. Peltz inquired as to whether the Company would consider making such a commitment public. Mr. McNerney indicated that the Company would not be willing to do so, but that he and Mr. Taylor would discuss the possibility of making another type of “public statement” and would revert to Mr. Peltz following that discussion. Mr. Peltz informed Messrs. Taylor and McNerney that, in light of the Company’s upcoming deadline of May 24, 2017 for shareholders to submit a notice of nomination of candidates for election to the Board at the 2017 annual meeting of shareholders, certain members of the Trian Group, in order to preserve their options, intended to submit a nomination notice while Trian and the Company continued their ongoing dialogue.

In addition, on May 18, 2017, the Nominating Funds delivered a letter to the Company informing the Company of their intention to nominate Mr. Peltz (and, if applicable, the Alternate Nominee) for election to the Board and to propose the repeal of each provision or amendment of the Regulations that has been adopted by the Board subsequent to April 8, 2016, in each case, at the 2017 Annual Meeting (the “Nomination Notice”).

On May 19, 2017, Mr. Peltz received an email from Mr. Taylor thanking him for the productive conversation on May 18 and indicating his intention to send over a draft of a public statement by the Company the following week. Mr. Peltz noted that he enjoyed meeting Mr. McNerney and indicated that he hoped something could be worked out.

On May 22, 2017, Mr. Taylor emailed a proposed public statement by the Company to Mr. Peltz. The statement acknowledged an active and constructive dialogue between the Company and Trian, Mr. Peltz’s recent presentation to the Company’s global leadership team, and the Board and management team’s focus on continuing the Company’s transformation and executing its strategy. However, the proposed statement did not reference any performance goals or provide any indication that Mr. Peltz would be appointed to the Board at a later time if those performance goals were not met.

On May 24, 2017, Mr. Peltz responded to Mr. Taylor via email, and noted that his “initial reaction” was to request that the statement be amended to include specific 12-month performance goals and a commitment to give Trian Board representation if those goals were not achieved, as was previously discussed at the May 18 meeting. Mr. Peltz stated that he would be “open to discussing” such a statement if the Company were prepared to go forward with it; however, Mr. Peltz acknowledged that an agreement subject to an arbitrary one-year performance period would be difficult for Mr. Taylor and the Board, and, similarly, Trian did not invest in the Company with the hope that it would realize incrementally stronger performance over the short term, but rather that it would pursue opportunities that would lead to a step change in performance over the long term. Mr. Peltz noted that if an agreement could not be reached, as previously discussed at the May 18 meeting and as set forth in the Nomination Notice, Trian would respectfully take his board candidacy to shareholders at the 2017 Annual Meeting. Mr. Peltz also noted that Trian, as an engaged shareowner with an approximately \$3.2 billion ownership stake, believed that Mr. Peltz would bring a shareholder’s viewpoint to the boardroom and help the Company to enhance long-term value and overcome ongoing competitive challenges. Mr. Peltz indicated that he hoped that a solution could be reached that avoided the unnecessary distraction and cost of a proxy contest.

On May 25, 2017, Mr. Peltz and Mr. Taylor sent a series of emails to one another in which they agreed that a one-year performance period would represent an arbitrary evaluation period from each party’s perspective. Mr. Peltz also noted that he did not want the Company to make any commitments that could detract from its long-term performance, which would be contrary to the best interests of all long-term shareholders, but that Trian believed it was critical for the Company to make material changes in order to position itself for sustained success. The two agreed to meet again in

the near future to continue the dialogue in an effort to avoid the distraction of a proxy contest.

On June 1, 2017, Mr. Peltz and Mr. Taylor met to continue discussions regarding opportunities and challenges facing the Company, as well as Trian's recommendations for improving the Company's operational performance and organizational structure. Mr. Peltz and Mr. Taylor also discussed the possibility of Mr. Peltz being appointed as a director, with Mr. Peltz noting he would be better positioned to assess the efficiency and structure of the organization as a member of the Board. Mr. Taylor declined to invite Mr. Peltz to join the Board during that discussion. At the meeting, Mr. Peltz requested to meet the entire Board (either in one meeting or over the course of two or three meetings with different subsets of the Board, and at a geographic location that would be convenient for the directors) so that he could introduce himself, his investment philosophy and the potential contributions he could make to the Company as a director.

On June 14, 2017 and June 19, 2017, Mr. Peltz and Mr. Taylor spoke by telephone and, on those calls, Mr. Taylor advised Mr. Peltz that he was not being invited to join the Board. Mr. Peltz indicated that he still hoped the parties could avoid a proxy contest, and it was agreed that Mr. Peltz would meet on July 11, 2017 with a subset of the Board composed of Mr. Taylor and Mr. McNerney (each of whom Mr. Peltz had met previously) and Angela F. Braly and Kenneth I. Chenault.

On July 5, 2017, Mr. Peltz and Mr. Taylor spoke again by telephone, and Mr. Taylor stressed to Mr. Peltz that the purpose of the upcoming meeting scheduled for July 11, 2017 was not to interview Mr. Peltz for a Board position.

On July 11, 2017, Messrs. Peltz and Frank met with Messrs. Taylor, McNerney and Chenault. Ms. Braly joined the meeting by teleconference. Messrs. Peltz and Frank shared a short presentation regarding Trian's history, long-term investment horizon and focus on collaborating with management teams and boards; the strong performance of the consumer companies in which Trian has invested (and particularly of those companies in which Mr. Peltz has served on the Board) in terms of both earnings growth and total shareholder return; a description of the Company's recent underperformance; and Trian's reasons for investing in the Company. Messrs. Peltz and Frank noted that the presentation was not intended to be a "white paper" outlining a detailed set of strategic and operating initiatives that the Company should undertake.

At the meeting, Messrs. Peltz and Frank discussed various opportunities for the Company to consider that would address recent underperformance, including exploring new organizational structures that would involve less bureaucracy and allow for more autonomous decision-making. Messrs. Peltz and Frank also emphasized that, in light of the Company's recent market share losses and an increasingly competitive consumer environment, time was of the essence for addressing structural issues that could impede performance. As a result, they explained that Trian was requesting one Board seat for Mr. Peltz, who would be one of twelve directors, and would work with Mr. Taylor and Company management to study potential initiatives and opportunities to improve performance. The Company directors attending the meeting indicated that they agreed that the Company's performance could be improved, but that they felt that Trian's representation on the Board was unnecessary in light of recent initiatives undertaken by the Company. Messrs. Peltz and Frank stated their disappointment with this response, in light of what they believed was continuing underperformance at the Company and the lack of tangible evidence that it had embraced the initiatives discussed at various meetings between the parties, and that the Trian Group intended to proceed with the solicitation of proxies at the 2017 Annual Meeting to elect Nelson Peltz to the Board. They also stated that if Mr. Peltz is elected to the Board at the 2017 Annual Meeting, Mr. Peltz would propose that the Board immediately re-appoint to the Board whichever director is not re-elected by shareholders.

On July 17, 2017, the Trian Group filed its preliminary proxy statement for the solicitation of proxies at the 2017 Annual Meeting to elect Nelson Peltz to the Board, among other matters. On the same date, Trian also issued a press release and launched www.RevitalizePG.com to provide Company shareholders with information as to why the Trian Group believes that adding Mr. Peltz to the Board will help the Company address its challenges. In addition, the Nominating Funds submitted a request to the Company to inspect certain of its books and records pursuant to Section 1701.37 of the General Corporation Law of the State of Ohio.

Later in the day on July 17, 2017, Mr. Peltz and Mr. Taylor spoke by telephone. Mr. Peltz suggested to Mr. Taylor that the Company should add Mr. Peltz to the Board in order to save the time and expense associated with a proxy contest, and he noted that he would be only one member on a twelve-person Board who would work with the other directors to help improve the Company's performance. Mr. Taylor stated that the Company continued to believe that Trian representation on the Board was unnecessary.

On July 20, 2017, Mr. Peltz called Mr. McNerney. Mr. Peltz suggested, and Mr. McNerney agreed, that the two individuals should strive to maintain an open dialogue over the coming months. Mr. Peltz also suggested that they should meet again in person, and Mr. Peltz and Mr. McNerney agreed to try to schedule another meeting in August 2017.

Except as set forth in this subsection (including Annex B), no Participant, and no associate of any Participant, owns beneficially, directly or indirectly, or of record but not beneficially, any securities of the Company, or any parent or subsidiary of the Company, nor has any Participant purchased or sold any securities of the Company within the last two years.

Director Nominee Consent and Indemnification Agreements

Trian Management and each of the Nominee and the Alternate Nominee have entered into a Director Nominee Consent and Indemnification Agreement, pursuant to which Trian Management has agreed, on behalf of the Funds, to reimburse each of the Nominee and the Alternate Nominee for certain expenses incurred in connection with the solicitation of proxies for the 2017 Annual Meeting, including reasonable expenses for certain travel arrangements. In addition, Trian Management has agreed, on behalf of the Funds, subject to certain limited exceptions, to indemnify and hold harmless the Nominee and the Alternate Nominee from and against any loss, cost or expense suffered or sustained by reason of any acts or omissions, or alleged acts or omissions, arising out of such individual's role as a nominee or alternate nominee for election as a director of the Company or otherwise arising from or relating to the Trian Group's solicitation of proxies for the 2017 Annual Meeting ("Covered Acts"), and to advance certain fees and other costs and expenses incurred in connection with the defense of any action or proceeding arising out of any Covered Acts.

Each of the Nominee and the Alternate Nominee has also executed a written consent to being named in this Proxy Statement and to serving as a director if elected.

Except as set forth in this subsection or elsewhere in this Proxy Statement, (i) neither the Nominee nor the Alternate Nominee will receive any compensation from any member of the Trian Group to serve as nominees for election or as a director, if elected, of the Company and (ii) there are no arrangements or understandings between the Nominee or the Alternate Nominee and any other party pursuant to which any such Nominee or Alternate Nominee, as applicable, was or is to be selected as a director or nominee or alternate nominee, as applicable.

Other Interests of the Participants

Set forth in the sections of this Proxy Statement titled “Proposal 1: Election of Directors— Biographical Information,” “Annex A – Information about the Alternate Nominee,” and this “Information about the Trian Group and other Participants,” which are incorporated herein by reference, are (as applicable) the (a) names and the business addresses of each of the Participants, (b) the present principal occupation or employment of each of the Participants and (c) the name, principal business and address of any corporation or other organization in which such employment is carried on.

Mr. Peltz is the Chief Executive Officer and a Founding Partner of Trian Management, a member of Trian Management GP and a partner and/or principal of certain of their respective affiliates. Mr. May is the Chief Operating Officer and a Founding Partner of Trian Management, a member of Trian Management GP and a partner and/or principal of certain of their respective affiliates, and Mr. Garden is the Chief Investment Officer and a Founding Partner of Trian Management, a member of Trian Management GP and a partner and/or principal of certain of their respective affiliates. As such, each of Messrs. Peltz, May and Garden shares in (i) management fees received by Trian Management which are based on the level of assets managed and (ii) performance-based fees and allocations received by Trian Management and such affiliates which are based on investment performance. Such management fees may be up to 2% of the assets under management and such performance-based fees and allocations may be up to 20% of the increase in the net asset value of the assets under management or the net profits in respect of the assets under management, which include the Shares held by funds and investment vehicles managed by Trian Management. Additionally, each of Messrs. Peltz, May and Garden is entitled to indemnification by each Trian Entity against certain liabilities and expenses arising from or in connection with certain matters relating to each such Trian Entity.

Mr. Daley or certain accounts or vehicles he may be deemed to control wrote call options expiring in January 2018 with respect to (a) 10,000 Shares, at an exercise price of \$97.50, (b) 10,000 Shares, at an exercise price of \$100.00, (c) 4,000 Shares, at an exercise price of \$90.00, (d) 4,000 Shares, at an exercise price of \$92.50, (e) 4,000 Shares, at an exercise price of \$95.00, and (f) 4,000 Shares, at an exercise price of \$97.50. In addition, 259,838 of the Shares beneficially owned by Mr. Daley serve as collateral to secure a third party line of credit.

Each of the Participants has an interest in the election of directors at the 2017 Annual Meeting through the ownership of the Shares as described in this Proxy Statement or as a Nominee, as applicable. To the extent that the adoption of Proposal 8 could have the effect of counteracting any unilateral adoption, amendment or repeal of the Regulations by the Board that purports to impede the effectiveness of Proposal 1, negatively impact the Trian Group's ability to solicit and/or obtain proxies from shareholders of the Company or otherwise adversely affect shareholders' ability to vote on Proposal 1, Trian Management and the other members of the Trian Group could be considered to have a material interest in Proposal 8. Each member of the Trian Group intends to vote the Shares owned by it in favor of Proposal 8.

The corporate governance standards of the Company, which are available on the Company's website at https://www.pg.com/en_US/downloads/company/governance/Corporate_Governance_Guidelines.pdf, provide that the Board will make assessments regarding Board members' independence in accordance with the listing standards of the New York Stock Exchange and the additional standards described in the Guidelines. The Trian Group has no knowledge of any facts that would prevent a final determination by the Board that the Nominee or the Alternate Nominee is independent in accordance with the listing standards of the New York Stock Exchange or any additional standards described in the Guidelines.

Except as set forth in this Proxy Statement (including the Annexes), (i) during the past ten years, no Participant has been convicted in a criminal proceeding (excluding traffic violations or similar misdemeanors); (ii) no Participant in this proxy solicitation directly or indirectly beneficially owns any securities of the Company; (iii) no Participant owns

any securities of the Company which are owned of record but not beneficially; (iv) no Participant has purchased or sold any securities of the Company during the past two years; (v) no part of the purchase price or market value of the securities of the Company owned by any Participant is represented by funds borrowed or otherwise obtained for the purpose of acquiring or holding such securities; (vi) no Participant is, or within the past year was, a party to any contract, arrangements, or understandings with any person with respect to any securities of the Company, including,

PROXY INFORMATION

The enclosed **WHITE** proxy card may be executed only by holders of record of Shares on the Record Date. If you were a shareholder of record on the Record Date, you will retain your voting rights at the 2017 Annual Meeting even if you sell your Shares after the Record Date. Accordingly, it is important that you vote the Shares held by you on the Record Date, or grant a proxy to vote your Shares on the **WHITE** proxy card, even if you sell your Shares after the Record Date. The Shares represented by each **WHITE** proxy card that is properly executed and returned to the Trian Group will be voted at the 2017 Annual Meeting in accordance with the instructions marked thereon. If you have signed the **WHITE** proxy card and no marking is made, you will be deemed to have given a direction with respect to all of the Shares represented by the **WHITE** proxy card (i) to vote FOR the election of Mr. Peltz (or, if applicable, the Alternate Nominee) and for the candidates who have been nominated by the Company (other than the Excluded Company Nominee), (ii) to vote FOR the approval of Proposal 8 set forth in this Proxy Statement, and (iii) to abstain from voting on Proposal 2, Proposal 3, Proposal 4, Proposal 5, Proposal 6, and Proposal 7 set forth in this Proxy Statement.

If elected, Mr. Peltz would be only one out of eleven members of the Board. Therefore, we are “rounding out” our slate to give shareholders who vote on the enclosed **WHITE** proxy card the opportunity to vote for all available directorships, including the candidates who have been nominated by the Company (other than the Excluded Company Nominee). Shareholders will therefore be able to vote for the total number of directors up for election at the 2017 Annual Meeting. The Trian Group notes that the exclusion of the Excluded Company Nominee for the purposes of “rounding out” its slate to the available number of directorships does not reflect the Trian Group’s opposition to the Excluded Company Nominee serving on the Board, and, in the event that the Nominee or Alternate Nominee is elected in place of the Excluded Company Nominee at the 2017 Annual Meeting, the Nominee or Alternate Nominee would propose, as his first action as a director of the Company, that the Board immediately re-appoint to the Board the Excluded Company Nominee. You should refer to the Company’s Proxy Statement and form of proxy distributed by the Company for the names, background, qualifications and other information concerning the Company’s candidates. There is no assurance that any of the Company’s nominees will serve as directors if any of the Trian Group’s nominees are elected to the Board. In the event that Mr. Peltz or the Alternate Nominee is elected and that one or more of the Company’s nominees declines to serve with such nominee or nominees, the Regulations provide that the resulting vacancies may be filled by the directors then in office by a vote of the majority of the whole authorized number of directors.

If you hold your Shares in the name of one or more brokerage firms, banks or nominees, only they can vote your Shares and only upon receipt of your specific instructions. Accordingly, you should contact the person responsible for your account and give instructions to them to sign and return a **WHITE** proxy card representing your Shares.

Based on disclosure in the [Company’s Preliminary Proxy Statement,] it is Trian’s understanding that if you are an employee of P&G or one of its subsidiaries and participate in one of its employee plans, including the Employee Stock Ownership Trust of The Procter & Gamble Profit Sharing Trust and Employee Stock Ownership Plan and the

Procter & Gamble Savings Plan (as applicable, with respect to shares of Common Stock and Series A and B ESOP Convertible Class A Preferred Stock) (the "Plans"), and if you timely submit your voting instructions to the Plan's trustee by following the instructions on the enclosed **WHITE** voting instruction form, your shares will be voted as you have directed on the **WHITE** voting instruction form. If you do not provide the trustee with voting instructions, the trustees of the Plans may vote your shares in direct proportion to the voting of shares for which instructions have been received, provided that such voting is not contrary to the Employee Retirement Income Security Act of 1974, as amended. The trustees will vote unallocated shares in direct proportion to voting by allocated shares of the same Class in aggregate, for which instructions have been received. The trustee of your Plan must receive your voting instructions

no later than [DAY], [DATE] or, if you are voting via the Internet or by phone, by 11:59 p.m.,

Eastern Daylight Time, on [DAY], [DATE]. Please note that Plan participants may vote their shares through the trustee only and accordingly may not vote their Plan shares in person at the 2017 Annual Meeting.

REVOCATION OF PROXIES

Any shareholder of record may revoke or change his or her proxy instructions at any time prior to the vote at the 2017 Annual Meeting by:

submitting a properly executed, subsequently dated proxy card that will revoke all prior proxy cards, including any proxy cards which solicit a proxy in favor of all of the incumbent directors;

instructing the Trian Group by telephone or via the Internet as to how you would like your shares voted (instructions are on your **WHITE** proxy card) or instructing the Company in accordance with the Company's instructions as to how you would like your shares voted;

attending the 2017 Annual Meeting and withdrawing his or her proxy by voting in person (although attendance at the 2017 Annual Meeting will not in and of itself constitute revocation of a proxy); or

delivering written notice of revocation either to the Trian Group, c/o Innisfree M&A Incorporated, 501 Madison Avenue, 20th Floor, New York, New York 10022, or the Corporate Secretary's Office, One Procter & Gamble Plaza, Cincinnati, OH 45202-3315, or any other address provided by the Company.

Although a revocation is effective if delivered to the Company, the Trian Group requests that either the original or a copy of any revocation be mailed to the Trian Group c/o Innisfree M&A Incorporated, 501 Madison Avenue, 20th Floor, New York, New York 10022, so that the Trian Group will be aware of all revocations and can more accurately determine if and when the requisite proxies for the election of our Nominee as a director and the approval of Proposal 8 have been received. The Trian Group may contact shareholders who have revoked their proxies.

IF YOU PREVIOUSLY SIGNED AND RETURNED A BLUE PROXY CARD TO THE COMPANY, THE TRIAN GROUP URGES YOU TO REVOKE IT BY (1) SIGNING, DATING AND RETURNING THE WHITE PROXY CARD IN THE ENCLOSED POSTAGE-PAID ENVELOPE, (2) INSTRUCTING US BY TELEPHONE OR VIA THE INTERNET AS TO HOW YOU WOULD LIKE YOUR SHARES VOTED, (3) ATTENDING THE 2017 ANNUAL MEETING AND VOTING IN PERSON OR (4) DELIVERING A WRITTEN NOTICE OF REVOCATION TO THE TRIAN GROUP OR TO THE SECRETARY OF THE COMPANY.

QUORUM AND VOTING

Based on the [Company's Preliminary Proxy Statement,] there were [] Shares outstanding and entitled to vote as of the Record Date. In addition, there were approximately [] shares of Series A and Series B ESOP Convertible Class A Preferred Stock outstanding as of the Record Date. Only shareholders of record at the close of business on the Record Date will be entitled to vote at the 2017 Annual Meeting. Each Share and each share of Series A and Series B ESOP Convertible Class A Preferred Stock has one vote. Shareholders of the Company will not have rights of appraisal or similar dissenter's rights with respect to any matter to be acted upon at the 2017 Annual Meeting. The shareholders present in person or by proxy at the 2017 Annual Meeting will constitute a quorum unless a larger proportion is required to take the action stated in the Company's notice of the 2017 Annual Meeting, in which case, to

constitute a quorum, there must be present in person or by proxy the holders of record of shares entitling them to exercise the voting power required by the Company's Charter to take the action stated. Abstentions and broker non-votes will be counted as present for purposes of determining whether a quorum is present at the 2017 Annual Meeting.

Assuming a quorum is present or otherwise represented at the 2017 Annual Meeting, the eleven nominees receiving the highest number of votes "FOR" cast will be elected. A "WITHHOLD" vote will have the same effect as a vote "AGAINST" the election of a director nominee. A shareholder cannot abstain in the election of directors and broker non-votes will not be counted.

Assuming a quorum is present or otherwise represented at the 2017 Annual Meeting, the affirmative vote of a majority of the votes cast by the shareholders entitled to vote is required for the approval of Proposals 2, 3, 4, 5, 6 and 7. Abstentions and broker non-votes will not be taken into account in determining the outcome of the election and the vote on Proposals 2, 3, 4, 5, 6 and 7 because abstentions and broker non-votes will have no effect on the election or these proposals since such actions do not represent votes cast.

Assuming a quorum is present or otherwise represented at the 2017 Annual Meeting, the affirmative vote of a majority of the outstanding shares entitled to vote on the election of directors at the 2017 Annual Meeting is required for the approval of Proposal 8. Abstentions and broker non-votes will have the effect of a vote "AGAINST" Proposal 8.

Ohio law provides for the authorization of proxies by electronic means. Accordingly, you may submit your proxy by telephone or the Internet. To submit a proxy with voting instructions by telephone please call the telephone number listed on the **WHITE** proxy card. Proxies may also be submitted over the Internet. Please refer to the **WHITE** proxy card for the website information. In each case shareholders will be required to provide the unique control number which has been printed on each shareholder's **WHITE** proxy card. In addition to the instructions that appear on the **WHITE** proxy card, step-by-step instructions will be provided by a recorded telephone message for those shareholders submitting proxies by telephone, or at the designated website for those shareholders submitting proxies over the Internet. Shareholders submitting their proxies with voting instructions by telephone or over the Internet will receive confirmation on the telephone that their vote by telephone was successfully submitted, and may provide an email address for confirmation that their vote by Internet was successfully submitted.

YOUR VOTE IS EXTREMELY IMPORTANT. WE URGE YOU TO SIGN, DATE AND RETURN THE ENCLOSED **WHITE PROXY CARD TODAY OR INSTRUCT US BY TELEPHONE OR VIA THE INTERNET TO VOTE FOR THE ELECTION OF NELSON PELTZ AND THE COMPANY'S CANDIDATES FOR ELECTION (OTHER THAN THE EXCLUDED COMPANY NOMINEE) AND FOR PROPOSAL 8 SET FORTH IN THIS PROXY STATEMENT.**

COST AND METHOD OF SOLICITATION

Proxies may be solicited by mail, facsimile, telephone, telegraph, electronic mail, in person and by advertisements. Solicitations may also be made by the Nominee, the Alternate Nominee, or Mr. Daley and certain of the respective officers, partners and employees of Trian, none of whom (with the exception of Mr. Daley) will receive additional compensation for such solicitation.

Trian Management has engaged Innisfree M&A Incorporated (the "Solicitation Agent") in connection with solicitations relating to the 2017 Annual Meeting. The Solicitation Agent will receive a fee of \$[] and reimbursement of reasonable out-of-pocket expenses for its services in connection with this proxy solicitation. Approximately [] people may be employed by the Solicitation Agent to solicit proxies from the Company's

shareholders for the 2017 Annual Meeting. Trian Management has agreed, on behalf of the Funds, to indemnify the Solicitation Agent against certain liabilities and expenses in connection with the solicitation. Arrangements will also be made with custodians, nominees and fiduciaries for forwarding proxy solicitation materials to beneficial owners of all Shares held as of the Record Date. Trian Management, on behalf of the Funds, will reimburse such custodians, nominees and fiduciaries for reasonable expenses incurred in connection therewith.

The entire expense of soliciting proxies for the 2017 Annual Meeting by the Trian Group is being borne by members of the Trian Group. The Trian Group will not seek reimbursement of such costs from the Company. Although no precise estimate can be made at this time, Trian currently estimates that the total expenses that the Trian Group will incur in furtherance of, or in connection with, the solicitation of proxies for the 2017 Annual Meeting will be \$[]. The actual amount could be higher or lower depending on the facts and circumstances arising in connection with any such solicitation. As of the date hereof, the Trian Group has incurred approximately \$[] of solicitation expenses.

OTHER PROPOSALS

Except for those proposals set forth under “Other Matters To Be Considered At The Annual Meeting” in this Proxy Statement, we are not aware of any other matters to be considered at the 2017 Annual Meeting. If, however, the Trian Group learns of any other proposals made at a reasonable time before the 2017 Annual Meeting, the Trian Group will either supplement this Proxy Statement and provide shareholders with an opportunity to vote by proxy directly on such matters or will not exercise discretionary authority with respect thereto. If other proposals are made thereafter, the persons named as proxies on the **WHITE** proxy card solicited by the Trian Group will vote such proxies in their discretion with respect to such matters.

*On the various dates set forth above, the named persons entered into a series of privately negotiated back-to-back call and put transactions (the “UBS Options”) with UBS AG, London Branch (the “UBS Counterparty”) through which they acquired beneficial ownership of an aggregate of 12,479,781 Shares and as a result were subject to the same economic gain or loss as if they had purchased the underlying Shares on the dates set forth above. More specifically, these transactions represented call options that had an expiration date of May 16, 2018 (the “UBS Expiration Date”). Simultaneously with the purchase of each call option, each named person also sold a put option to the UBS Counterparty for the same number of Shares pursuant to which, if on the UBS Expiration Date the call option had not been exercised by the named person and the exercise price were greater than the closing price of the Shares on the UBS Expiration Date (the “UBS Closing Price”), the UBS Counterparty could have required the named person to, at such person’s election, either (i) pay the UBS Counterparty an amount of cash equal to the product of (a) the excess of the exercise price over the UBS Closing Price and (b) the number of Shares set forth above or (ii) acquire from the UBS Counterparty the number of Shares set forth above at the exercise price. With the exercise of any call options, a corresponding number of put options would be automatically terminated. As part of these transactions, each of the named persons paid the UBS Counterparty a financing fee based on the number of days that the UBS Options that it held were outstanding, which fee was calculated using a monthly rate equal to one month LIBOR plus a spread. No premium was paid by any of the parties in connection with the UBS Options. Until exercised by electing to acquire Shares, the UBS Options did not give any of the named persons any direct or indirect voting, investment or dispositive control over the underlying Shares.

** On the various dates set forth above, Co-Investment Fund and SPV XII entered into a series of total return swap transactions (the “Swaps”) with the UBS Counterparty representing economic exposure to 1,133,100 Shares (the “Notional Shares”) as a result of which they were subject to the same economic gain or loss as if they had purchased the Notional Shares on the dates set forth above. The Swaps had an expiration date of May 11, 2018, but could be terminated earlier at the election of Co-Investment Fund or SPV XII, as applicable. The Swaps were settleable in cash, except that each of Co-Investment Fund and SPV XII were permitted, subject to the satisfaction of certain conditions, to elect to settle the Swaps by receiving physical delivery of the Notional Shares. As part of these transactions, each of Co-Investment Fund and SPV XII paid the UBS Counterparty a financing fee based on the number of days that the Swaps that it held were outstanding, which fee was calculated using a monthly rate equal to one month LIBOR plus a spread. No premium was paid by any of the parties in connection with the Swaps. Until exercised by electing physical delivery of the Notional Shares, the Swaps did not give Co-Investment Fund or SPV XII any direct or indirect voting, investment or dispositive control over the underlying Shares.

*** On the various dates set forth above, Co-Investment Fund and SPV XII entered into a series of privately negotiated back-to-back call and put transactions (the “MS Options,” and together with the UBS Options, the “Options”) with Morgan Stanley & Co. International plc (the “MS Counterparty”) through which they acquired beneficial ownership of an aggregate of 16,071,189 Shares and as a result were subject to the same economic gain or loss as if they had purchased the underlying Shares on the dates set forth above. The MS Options had an expiration date of July 18, 2018, and otherwise had substantially similar terms to the UBS Options described above. As part of these transactions, each of Co-Investment Fund and SPV XII paid the MS Counterparty a financing fee based on the number of days that the MS Options that it held were outstanding, which fee was calculated using a monthly rate equal to one month LIBOR plus a spread. No premium was paid by any of the parties in connection with the MS Options. Until exercised by electing to acquire Shares, the MS Options did not give any of the named persons any direct or indirect voting, investment or dispositive control over the underlying Shares.

**** On March 17, 2017, Trian Onshore, Co-Investment Fund, Trian Offshore, Strategic Fund-A and SPV XII exercised all of their UBS Options pursuant to which they acquired ownership of a total of 11,586,624 Shares for an aggregate exercise price of \$958,002,271, and on April 3, 2017, Coinvest Fund-A exercised all of its UBS Options pursuant to which it acquired 893,157 Shares for an aggregate exercise price of \$74,836,199. On March 17, 2017, Co-Investment Fund and SPV XII (i) exercised all of their MS Options pursuant to which they acquired ownership of a total of 16,071,189 Shares for an aggregate exercise price of \$1,387,193,706 and (ii) settled all of their Swaps via physical delivery pursuant to which they acquired ownership of all of the Notional Shares for an aggregate settlement price of \$94,308,788.

The following transaction history shows all transactions by members of the Trian Group in call options (other than the call options associated with the Options described above). Each call option entitled the holder to acquire 100 Shares on or prior to February 17, 2017, at the exercise price indicated below. All transactions in call options were effected over-the-counter with the MS Counterparty.
