Item
4. PURPOSE OF TRANSACTION

Item 4 of the Schedule 13D is hereby amended and supplemented by the addition of the following:

On May 1, 2018, Water Asset Management entered into a cooperation agreement with the Issuer (the “Cooperation Agreement”). Pursuant to the Cooperation Agreement, among other things, the parties agreed that the Issuer would expand its Board of Directors (the “Board”) from nine to eleven members and add two new members to the Board designated by Water Asset Management. The two Water Asset Management designees are expected to be named by the end of May 2018 and join the Board immediately. All eleven members of the Board will be subject to a vote of the Issuer’s stockholders at the Issuer’s 2018 annual meeting of stockholders. The two Water Asset Management designees will qualify as independent directors under the applicable independence rules of the Nasdaq Global Market and at least one Water Asset Management designee will be assigned to serve on each of the committees of the Board. Once the two Water Asset Management designees are named, Water Asset Management will continue to have the right to designate up to two directors to the Board for as long as it maintains certain ownership levels in the Issuer’s Common Stock. As long as the Corporation Agreement is in effect, Water Asset Management has agreed to vote its shares of Common Stock in favor of the election of the slate of directors nominated by the Board at each annual or special meeting of stockholders of the Issuer.

The foregoing summary of the Cooperation Agreement is qualified in its entirety by reference to the full text of the Cooperation Agreement, which is referenced as Exhibit 2.
