PROXY STATEMENT

This Proxy Statement is furnished in connection with the solicitation by the Board of Directors of Senesco Technologies, Inc., a Delaware corporation (the "Company"), of proxies to be voted at the Annual Meeting of Stockholders of the Company to be held on Monday, December 15, 2003 (the "Meeting"), at the

Edgar Filing: SENESCO TECHNOLOGIES INC - Form DEF 14A

American Stock Exchange at 86 Trinity Place, New York, New York 10006, at 10:00 A.M., local time, and at any adjournment or adjournments thereof. Holders of record of the Company's common stock, \$0.01 par value (the "Common Stock"), as of the close of business on October 22, 2003 (the "Stockholders"), will be entitled to notice of and to vote at the Meeting and any adjournment or adjournments thereof. As of that date, there were 11,887,979 shares of Common Stock issued and outstanding and entitled to vote. Each share of Common Stock is entitled to one vote on any matter presented at the Meeting.

If proxies in the accompanying form are properly voted and received, the shares of Common Stock represented thereby will be voted in the manner specified therein. If not otherwise specified, the shares of Common Stock represented by the proxies will be voted: (i) FOR the election of the seven (7) nominees named below as Directors; (ii) FOR the ratification of the appointment of Goldstein Golub Kessler LLP, as independent auditors for the fiscal year ending June 30, 2004; and (iii) in the discretion of the persons named in the enclosed form of proxy, on any other proposals which may properly come before the Meeting or any adjournment or adjournments thereof. Any Stockholder who has submitted a proxy may revoke it at any time before it is voted, by written notice addressed to and received by the Secretary of the Company, by submitting a duly executed proxy bearing a later date or by electing to vote in person at the Meeting. The mere presence at the Meeting of the person appointing a proxy does not, however, revoke the appointment.

The presence, in person or by proxy, of holders of shares of Common Stock having a majority of the votes entitled to be cast at the Meeting shall constitute a quorum. The affirmative vote by the holders of a plurality of the shares of Common Stock represented at the Meeting is required for the election of Directors, provided a quorum is present in person or by proxy. If such a quorum is present, all actions proposed herein, other than the election of Directors, may be taken upon the affirmative vote of Stockholders possessing a majority of the voting power represented at the Meeting.

Abstentions are included in the shares present at the Meeting for purposes of determining whether a quorum is present, and are counted as a vote against for purposes of determining whether a proposal is approved. Broker non-votes (when shares are represented at the Meeting by a proxy specifically conferring only limited authority to vote on certain matters and no authority to vote on other matters) are included in the determination of the number of shares represented at the Meeting for purposes of determining whether a quorum is present but are not counted for purposes of determining whether a proposal has been approved in matters where the proxy does not confer the authority to vote on such proposal, and thus have no effect on its outcome.

On or about November 7, 2003, this Proxy Statement, together with the related proxy card, is being mailed to the Stockholders of the Company of record as of October 22, 2003. The Annual Report to Stockholders of the Company for the fiscal year ended June 30, 2003 ("Fiscal 2003"), including financial statements (the "Annual Report"), is being mailed together with this Proxy Statement to all Stockholders of record as of October 22, 2003. In addition, the Company has provided brokers, dealers, banks, voting trustees and their nominees, at the Company's expense, with additional copies of the Annual Report so that such record holders could supply such materials to beneficial owners as of October 22, 2003.

ELECTION OF DIRECTORS

Edgar Filing: SENESCO TECHNOLOGIES INC - Form DEF 14A

Unless otherwise specified in the proxy, it is the intention of the persons named in the enclosed form of proxy to vote the stock represented thereby for the election as Directors, each of the nominees whose names and biographies appear below. In the event any of the nominees should become unavailable or unable to serve as a Director, it is intended that votes will be cast for a substitute nominee designated by the Board of Directors. COMMITTEES AND MEETINGS OF THE BOARD OF DIRECTORS

The Board of Directors currently consists of Ruedi Stalder, Bruce C. Galton, John E. Thompson, Ph.D., Christopher Forbes, Thomas C. Quick, David Rector and John N. Braca.

The Board of Directors held five (5) meetings during Fiscal 2003.

Edgar Filing: SENESCO TECHNOLOGIES INC - Form DEF 14A

Throughout this period, each member of the Board of Directors attended or participated in at least 75% of the aggregate of: (i) the total number of meetings of the Board of Directors (held during the period for which such person has been a Director); and (ii) the total number of meetings held by all committees of the Board of Directors on which each such Director served (during the periods such Director served). The Board of Directors has two (2) standing committees: the Compensation Committee and the Audit Committee.

Compensation Committee. The Compensation Committee was established in July

1999. The Compensation Committee makes recommendations concerning salaries and incentive compensation for management and employees of the Company. From July 1, 2002 to October 9, 2002, the Compensation Committee was comprised of Christopher Forbes and Thomas C. Quick. On October 9, 2002, Ruedi Stalder was appointed to the Compensation Committee. On December 13, 2002, Philip Livingston was appointed to the Compensation Committee and Mr. Forbes was appointed Chairman of the Compensation Committee. On June 17, 2003, Messrs. Forbes, Quick and Livingston stepped down from serving on the Compensation Committee and David Rector was appointed to the Compensation Committee. Mr. Livingston later resigned from the Board of Directors on July 10, 2003, due to time constraints from his other professional duties. From June 17, 2003, and currently, the Compensation Committee is comprised of David Rector and Ruedi Stalder. The Compensation Committee held five (5) meetings during Fiscal 2003.

Audit Committee. The Audit Committee was established in July 1999. On

October 8, 2003, the Board of Directors adopted an Amended and Restated Audit Committee Charter, attached hereto as Appendix A. The primary responsibilities

of the Audit Committee include: (i) evaluating and recommending to the Board of Directors the engagement of the Company's independent auditors; (ii) reviewing and reporting on the results of their audit findings; (iii) reviewing the Company's periodic reports filed with the Securities and Exchange Commission; and (iv) monitoring on a periodic basis the internal controls of the Company. From July 1, 2002 to December 12, 2002, the Audit Committee was comprised of Christopher Forbes, David Rector and Thomas C. Quick. On December 12, 2002, Mr. Forbes was replaced by Philip Livingston, who later resigned from the Board of Directors on July 10, 2003. On October 8, 2003, John N. Braca was appointed to the Audit Committee. From October 8, 2003, and currently, the Audit Committee is comprised of John N. Braca, David Rector and Thomas C. Quick. As more fully described below, Messrs. Braca, Rector and Quick are "independent" members of the Board of Directors as defined in Section 121(A) of the American Stock Exchange Listing Standards, Policies and Requirements. In addition, the Board of Directors has determined that Mr. Braca satisfies the definition of an audit committee "financial expert" as set forth in Item 401(e) of Regulation S-B promulgated by the SEC. The Audit Committee held four (4) meetings during Fiscal 2003.

Certain Directors of the Company had provided the Company with short-term loans during Fiscal 2002. See "Certain Relationships and Related Transactions." Although Mr. Quick had provided the Company with short-term loans in the aggregate principal amount of \$175,000 and such loans have since been converted into Common Stock of the Company, the Company believes that Mr. Quick is an independent member of the Board of Directors as defined in Section 121(A) of the American Stock Exchange Listing Standards, Policies and Requirements. Accordingly, Messrs. Braca, Rector and Quick are considered independent directors of the Company because neither of them is an officer or employee of the Company or its subsidiary, or have received any compensation from the Company or its subsidiary, other than compensation for board service, nor do either of them have a relationship which, in the opinion of the Company's Board of Directors, would interfere with the exercise of independent judgment in carrying out the responsibilities of a Director. The Company is currently traded

Edgar Filing: SENESCO TECHNOLOGIES INC - Form DEF 14A

on the American Stock Exchange, which requires an Audit Committee with a majority of independent directors.

Code of Business Ethics and Conduct. Pursuant to the requirements of -----
Section 406 of the Sarbanes-Oxley Act of 2002, on March 17, 2003, the Board of Directors adopted a Code of Business Ethics and Conduct (the "Code of Ethics"). The Code of Ethics contains written standards designed to deter wrongdoing and to promote: (i) honest and ethical conduct, including the ethical handling of actual or apparent conflicts of interest between personal and professional relationships; (ii) full, fair, accurate, timely, and understandable disclosure in reports and documents filed with the SEC; (iii) compliance with applicable governmental laws, rules and regulations; (iv) the prompt internal reporting of violations of the Code of Ethics to an appropriate person or persons identified in the Code of Ethics; and (v) accountability for adherence to the Code of Ethics. Each employee, officer and director of the Company completed a signed certification to document his or her understanding of and compliance with the Code of Ethics.

C. AUTHORITY AND RESPONSIBILITIES -----

GENERAL

The Audit Committee shall discharge its responsibilities, and shall assess the information provided by the Company's management and the independent auditor, in accordance with its business judgment. The Audit Committee shall inform the Board of any significant auditor fees to be incurred beyond the fees from the ordinary audit and tax services. The Audit Committee is empowered, without further action by the Board, to cause the Company to pay the compensation of the independent auditor established by the Audit Committee.
4. Engagement and Pre-approval of Services. The Audit Committee is ----- responsible for the independent auditor engagement and shall pre-approve all audit services (which may entail providing comfort letters in connection with securities underwritings), and non-audit services (other than de minimus non-audit services as defined by the Sarbanes-Oxley Act and the applicable rules thereunder) to be provided to the Company by the independent auditor. The Audit Committee shall cause the Company to disclose in its SEC periodic reports the approval by the Audit Committee of any non-audit services performed by the independent auditor.
