Commenting on the offering, Mr. Wei Liucheng, CNOOC Limited's Chairman and Chief Executive Officer, said, "We are very pleased with the outcome of this offering, which has been even more successful than our inaugural bond offering last year. The high level of demand for this offering underscores investors' confidence in our sound business fundamentals, solid financials and strong credit profile."

Dr. Mark Qiu, Chief Financial Officer and Senior Vice President, added, "We are proud to have achieved one of the lowest coupon rates among comparable offerings by PRC companies. Through the offering of the 30-year tranche, first ever by a PRC corporate, we establish a benchmark for PRC corporate issuers in this maturity bracket. In addition, we have been able to secure low-cost funding that complements our asset profile nicely."

Credit Suisse First Boston and Merrill Lynch & Co. are acting as the joint bookrunners for the offering.

The Notes were placed in Hong Kong only to professional investors within the meaning of the Securities and Futures Ordinance (Cap. 571) of Hong Kong, in the United States only to qualified institutional buyers in reliance on the exemption from the registration requirements provided by Rule 144A under the United States Securities Act of 1933, as amended (the "U.S. Securities Act"), and outside the United States only to non-U.S. persons in reliance on Regulation S under the U.S. Securities Act.
