Item 5.02. Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

On June 18, 2013, the Board of Directors of Horizon Bancorp (“Horizon” or the “Company”) unanimously adopted, subject to the approval of the shareholders at the 2014 Annual Meeting, the Horizon Bancorp 2013 Omnibus Equity Incentive Plan (the “2013 Omnibus Plan”). The Board adopted the 2013 Omnibus Plan with the expectation that, before it would be submitted to shareholders, additional revision might be made based on the recommendations of Cook & Co., which would review the 2013 Omnibus Plan for best practices. The Compensation Committee considered the recommendations of Cook & Co. and, on November 19, 2013, the Compensation Committee approved certain of those recommendations for incorporation into the 2013 Omnibus Plan. On December 17, 2013, the Board approved certain amendments to the 2013 Omnibus Plan.

Horizon submitted the 2013 Omnibus Plan, as amended, to the shareholders for approval at Horizon’s 2014 Annual Meeting of Shareholders held on May 8, 2014, and the 2013 Omnibus Plan was approved by a majority of votes cast. A brief description of the 2013 Omnibus Plan approved by the shareholders follows.

The 2013 Omnibus Plan is effective for a ten-year term that commenced on February 1, 2013. The 2013 Omnibus Plan is administered by the Compensation Committee of the Company’s Board of Directors and provides for the grant of incentive and nonqualified stock options, stock appreciation rights, restricted stock, performance shares and performance units. Employees of the Company and its affiliates and non-employee directors of the Company are eligible to receive awards under the 2013 Omnibus Plan, with a total of approximately 304 individuals currently eligible to participate and receive awards. The Compensation Committee will select the participants based on their functions and responsibilities, the value of the services they provide to the Company and other factors that the Committee deems relevant.

The shares authorized for issuance under the 2013 Omnibus Plan consist of 491,700 shares rolled over from the now-expired Horizon Bancorp 2003 Omnibus Equity Incentive Plan (the “2003 Plan”), plus an additional 200,000 shares, for a total of 691,700 shares. The number of shares authorized for issuance may be increased under limited circumstances, such as if shares issued under the 2003 Plan are forfeited, cancelled or expire unexercised in the future. The 2013 Omnibus Plan limits the number of shares available for incentive stock options to 100,000 and for non-option awards to 400,000.

Performance shares will become earned and vested for a performance period to the extent (a) the set performance goals are satisfied, (b) the participant is actively employed on the last day of the performance period (unless, during the performance period, he or she terminates employment due to death, permanent and total disability, retirement or there is a change in control), and (c) they have been held for at least one year. If the performance goals are not satisfied, those performance shares eligible to be earned and vested during such performance period will be forfeited effective as of the last day of the performance period. Nonqualified stock options will become vested and exercisable in accordance with the vesting schedule included in the grant agreements.

Forms for nonqualified stock option grants and performance share awards that may be granted under the 2013 Omnibus Plan were attached as Exhibits 10.1 through 10.4 to a Current Report on Form 8-K filed by Horizon on June 18, 2013, and are incorporated by reference herein. A copy of the complete final 2013 Omnibus Plan was filed as Exhibit 10.32 to Horizon’s Annual Report on Form 10-K for the year ended December 31, 2013, filed February 28, 2014, and the 2013 Omnibus Plan is incorporated by reference herein.

The above discussion contains only a brief description of the 2013 Omnibus Plan and is qualified in its entirety by reference to the complete 2013 Omnibus Plan and the related award forms incorporated by reference herein.
