Fellow Hercules Stockholder:

Hercules announced earlier this week that it was postponing the originally scheduled April 26th Annual Meeting to May 24th because it was unable to complete financial statements for its Annual Report on time without "unreasonable effort or expense." In its announcement, the Hercules Board has failed in our view to satisfactorily explain why a Company with 10,000 employees and a host of outside professionals would be unable to file routine, legally mandated financial statements in a timely fashion - and especially given the fact that it was the Hercules Board itself that had chosen the April 26th meeting date. You should also know that the Hercules Board has refused as of this time to make any commitment that it will not seek a further delay of the Annual Meeting.

IN LIGHT OF THE HERCULES BOARD'S POSTPONEMENT OF ITS DAY OF RECKONING, WE ASK YOU TO DRAW YOUR OWN CONCLUSION AS TO HOW HERCULES STOCKHOLDERS HAVE BEEN RESPONDING TO OUR SOLICITATION!

We believe that the decision of the Hercules Board earlier this week is just the most recent example of its transparent scheme to entrench itself while disenfranchising the Company's stockholders. These actions include:

(1) the Hercules Board's poison pill which denies the Company's stockholders the right to consider for themselves offers for

their shares;

(2) its staggered board provision which denies stockholders the right to elect the majority of the Board at this year's Annual Meeting; and

(3) its indefensible director election Bylaw which incredibly enough establishes one voting requirement for the election of incumbent directors and another far more draconian one for insurgent nominees.

Ask yourself: Whose interests should be paramount, the more than 50,000 Hercules stockholders who put up their money and took the investment risk or the Hercules Board, with a relatively nominal investment in the Company, which has presided over the destruction of more than \$5 1/2 billion of stockholder value in the last five years?

WE URGE YOU TO PROTECT YOUR INTERESTS AND REJECT THE TACTICS OF THE HERCULES BOARD BY SUPPORTING OUR NOMINEES FOR ELECTION AS HERCULES DIRECTORS. PLEASE SIGN, DATE AND RETURN THE ENCLOSED BLUE PROXY CARD - TODAY!

Thank you for your support.
