THE COMPANY

GE is one of the largest and most diversified industrial corporations in the world. We have engaged in developing, manufacturing and marketing a wide variety of products for the generation, transmission, distribution, control and utilization of electricity since our incorporation in 1892. Over the years, we have developed or acquired new technologies and services that have broadened considerably the scope of our activities.

Our products include major appliances; lighting products; industrial automation products; medical diagnostic imaging equipment; motors; electrical distribution and control equipment; locomotives; power generation and delivery products; nuclear power support services and fuel assemblies; commercial and military aircraft jet engines; chemicals for treatment of water and process systems; and engineered materials, such as plastics, silicones and, through the fourth quarter of 2003, superabrasive industrial diamonds.

Our services include product services; electrical product supply houses; electrical apparatus installation, engineering, repair and rebuilding services; and through the third quarter of 2002, computer related information services. Through our affiliate, the National Broadcasting Company, Inc., we deliver network television services, operate television stations, and provide cable, Internet and multimedia programming and distribution services. Through another affiliate, General Electric Capital Services, Inc., we offer a broad array of financial and other services including consumer financing, commercial and industrial financing, real estate financing, asset management and leasing, mortgage services, consumer savings and insurance services, and specialty insurance and reinsurance.

In virtually all of our global business activities, we encounter aggressive and able competition. In many instances, the competitive climate is

Edgar Filing: GENERAL ELECTRIC CO - Form S-3

characterized by changing technology that requires continuing research and development, as well as customer commitments. With respect to manufacturing operations, we believe that, in general, we are one of the leading firms in most of the major industries in which we participate. The NBC Television Network is one of four major U.S. commercial broadcast television networks. It also competes with syndicated broadcast television programming and cable and satellite television programming activities. The businesses in which GE Capital Services engages are subject to competition from various types of financial institutions, including commercial banks, thrifts, investment banks, broker-dealers, credit unions, leasing companies, consumer loan companies, independent finance companies, finance companies associated with manufacturers, and insurance and reinsurance companies.

BACKGROUND OF THIS OFFERING

On October 10, 2003, GE and Amersham plc ("Amersham"), a public limited company incorporated in England and Wales, announced their agreement on the terms of a recommended share exchange acquisition (the "acquisition"). Subject to satisfaction of certain conditions, including approval by the requisite votes of Amersham securityholders and approval by the High Court of Justice in England and Wales, GE and its subsidiary, GE Investments, Inc., will acquire all of the outstanding ordinary shares of 5 pence each (the "Amersham shares") of Amersham, including Amersham shares represented by American Depositary Shares (the "Amersham ADSs"), in exchange for shares of common stock of GE (the "GE shares"). The number of GE shares to be delivered in exchange for an Amersham share or Amersham ADS will be determined by means of an exchange ratio mechanism. The acquisition is currently expected to become effective on April 8, 2004.

3

At the request of Amersham, GE and GE Investments are making a sale facility (the "dealing facility") available to certain holders of Amersham shares and Amersham ADSs who reside in the jurisdictions referred to below (the "eligible jurisdictions") to enable these holders to sell the shares of GE common stock that they will be entitled to receive in the acquisition without payment of brokerage or similar charges. The eligible jurisdictions are the Canadian provinces of Alberta, Nova Scotia, Quebec and British Columbia, Denmark, France, Germany, Hong Kong, Ireland, Italy, Norway, Spain, the United Kingdom and the United States. See "Selling Shareowners" for additional information with respect to the holders eligible to use the dealing facility (the "eligible holders").

In addition to GE shares that eligible holders elect to sell, fractional GE shares to which Amersham securityholders will be entitled and all GE shares to which Amersham securityholders who reside in Sweden and certain other jurisdictions where GE shares will not be delivered due to local regulatory constraints will be entitled (the "aggregated overseas shares"), will be sold through the dealing facility, with the net cash proceeds remitted to these Amersham securityholders. The total number of fractional GE shares and aggregated overseas shares is not expected to exceed approximately 820,000 GE shares.

See "Plan of Distribution" for additional information with respect to the dealing facility.

USE OF PROCEEDS

We will not receive any proceeds from the sales of the shares of common stock offered hereby. All of the shares of common stock being offered hereby will be sold by or for the benefit of certain former Amersham securityholders.

We are currently authorized to issue up to 13,200,000,000 shares of common stock, par value \$.06 per share.

Dividends may be paid on the GE common stock out of funds legally available for dividends, when and if declared by GE's board of directors.

We are also authorized to issue up to 50,000,000 shares of preferred stock, par value \$1.00 per share, in series, but have not issued any of this preferred stock. If preferred stock is issued, GE's board of directors may fix the designation, relative rights, preferences and limitations of the shares of each series.

SELLING SHAREOWNERS

The dealing facility will be available only to registered holders both at 10:00 pm (London time) on February 27, 2004 (the "facility record date") and at 6:00 p.m. (London time) on the acquisition record date (expected to be April 6, 2004) of 5,000 or fewer Amersham shares or 1,000 or fewer Amersham ADSs who reside in the eligible jurisdictions. Eligible holders are not obligated to participate in the dealing facility. Eligible holders may elect to sell GE shares under the dealing facility (or in any other manner they choose) or to retain their GE shares. Under the dealing facility, an eligible holder may sell all, but not less than all, of the GE shares to which such eligible holder becomes entitled in the acquisition. In addition, fractional GE shares and aggregated overseas shares will also be sold through the dealing facility.

The actual number of GE shares to be sold by eligible holders through the dealing facility will be the number of GE shares with respect to which eligible holders validly submit (and do not validly revoke) an election to participate. Based upon the maximum exchange ratio for the acquisition (0.5571 of a GE share for each Amersham share), if all eligible holders elect to participate, the number of GE shares to be sold by eligible holders through the dealing facility will total 6,054,336 GE shares (approximately 0.06% of the total number of GE shares outstanding at February 13, 2004).

The following table sets forth certain information with respect to the eligible holders on the facility record date:

** Held directly or in the form of Amersham ADSs.

The total number of fractional GE shares and aggregated overseas shares is not expected to exceed approximately 820,000 GE shares.

The dealing facility will not be open to persons who are executive officers, directors or other affiliates of GE, GE Investments or Amersham before the effective date of the acquisition or of GE or GE Investments after the effective date of the acquisition.

PLAN OF DISTRIBUTION

The availability of the dealing facility is conditional upon the effectiveness of the registration statement of which this prospectus forms a part and the effectiveness of the acquisition.

Goldman Sachs & Co. ("Goldman Sachs") will act exclusively as agent to sell all GE Shares for sale through the dealing facility in a manner consistent with its duty of best execution in one or more transactions on the floor of the NYSE within the five business days immediately following the effective date of the acquisition (subject to delay in the event of certain force majeure events).

The timing of transactions and the frequency of transaction intervals will be subject solely to the control of Goldman Sachs. Goldman Sachs will effect all transactions in connection with the dealing facility in the open market on the floor of the NYSE in the ordinary course of its business. The dealing facility will not involve any special selling efforts or selling methods. In connection with the dealing facility, Goldman Sachs will effect

7

brokers' transactions solely as agent on an unsolicited basis, including transactions permitted by Rule 144(g) (2) under the Securities Act of 1933, as amended (the "Securities Act"). Goldman Sachs may also cross, solely on an agency basis, unsolicited purchase instructions in GE shares submitted by their customers with sale instructions received by Goldman Sachs as would be permitted by Rule 101(b) (5) of Regulation M under the Exchange Act. All such crossing transactions will be effected by Goldman Sachs on the floor of the NYSE, and Goldman Sachs will not conduct negotiations off the floor of the NYSE with respect to such transactions.

Eligible holders and former Amersham securityholders entitled to the proceeds of the sale of fractional share interests or overseas shares will receive the average price per share at which all GE shares are sold through the dealing facility, excluding brokerage commissions, mailing charges, registration fees or other administrative or similar expenses. They will not be guaranteed any minimum sale price or limited to any maximum sale price for GE shares sold under the dealing facility. The sale price of the GE shares sold through the dealing facility will depend on market demand at the time any such GE shares are sold.

GE, GE Investments and their affiliates have agreed not to make any purchases of GE shares during the period while sales orders are executed under the dealing facility.

All expenses in connection with the dealing facility will be paid by either GE or GE Investments. Goldman Sachs' commissions from sales of GE shares

Edgar Filing: GENERAL ELECTRIC CO - Form S-3

pursuant to the dealing facility will not exceed customary brokerage commissions on similar transactions and will be paid by either GE or GE Investments.

GE has agreed to indemnify Goldman Sachs against certain liabilities, including liabilities under the Securities Act.

ITEM 15. INDEMNIFICATION OF DIRECTORS AND OFFICERS.

Section 721 of the New York Business Corporation Law -- hereinafter, referred to as the "NYBCL" -- provides that, in addition to indemnification provided in Article 7 of the NYBCL, a corporation may indemnify a director or officer by a provision contained in the certificate of incorporation or by-laws or by a duly authorized resolution of its shareowners or directors or by agreement, provided that no indemnification may be made to or on behalf of any director or officer if a judgment or other final adjudication adverse to the

Edgar Filing: GENERAL ELECTRIC CO - Form S-3

director or officer establishes that his acts were committed in bad faith or were the result of active and deliberate dishonesty and material to the cause of action, or that such director or officer personally gained in fact a financial profit or other advantage to which he was not legally entitled.

Section 722 (a) of the NYBCL provides that a corporation may indemnify a director or officer made, or threatened to be made, a party to any action other than a derivative action, whether civil or criminal, against judgments, fines, amounts paid in settlement and reasonable expenses actually and necessarily incurred as a result of such action or proceeding, if such director or officer acted in good faith, for a purpose which he reasonably believed to be in, or not opposed to, the best interests of the corporation and, in criminal actions or proceedings, in addition, had no reasonable cause to believe that his conduct was unlawful.

Section 722(c) of the NYBCL provides that a corporation may indemnify a director or officer, made or threatened to be made a party in a derivative action, against amounts paid in settlement and reasonable expenses actually and necessarily incurred by him in connection with the defense or settlement of such action or in connection with an appeal therein if such director or officer acted in good faith, for a purpose which he reasonably believed to be in, or not opposed to, the best interests of the corporation, except that no indemnification will be available under Section 722(c) of the NYBCL in respect of a threatened or pending action which is settled or otherwise disposed of, or any claim as to which such director or officer shall have been adjudged liable to the corporation, unless and only to the extent that the court in which the action was brought, or, if no action was brought, any court of competent jurisdiction, determines, upon application, that, in view of all the circumstances of the case, the director or officer is fairly and reasonably

II-1

entitled to indemnity for such portion of the settlement amount and expenses as the court deems proper.

Section 723 of the NYBCL specifies the manner in which payment of indemnification under Section 722 of the NYBCL or indemnification permitted under Section 721 of the NYBCL may be authorized by the corporation. It provides that indemnification may be authorized by the corporation. It provides that indemnification by a corporation is mandatory in any case in which the director or officer has been successful, whether on the merits or otherwise, in defending an action. In the event that the director or officer has not been successful or the action is settled, indemnification must be authorized by the appropriate corporate action as set forth in Section 723.

Section 724 of the NYBCL provides that, upon application by a director or officer, indemnification may be awarded by a court to the extent authorized. Section 722 and Section 723 of the NYBCL contain certain other miscellaneous provisions affecting the indemnification of directors and officers.

Section 726 of the NYBCL authorizes the purchase and maintenance of insurance to indemnify (1) a corporation for any obligation which it incurs as a result of the indemnification of directors and officers under the provisions of Article 7 of the NYBCL, (2) directors and officers in instances in which they may be indemnified by the corporation under the provisions of Article 7 of the NYBCL, and (3) directors and officers in instances in which they may not otherwise be indemnified by the corporation under the provisions of Article 7 of the NYBCL, provided the contract of insurance covering such directors and officers provides, in a manner acceptable to the New York State Superintendent of Insurance, for a retention amount and for co-insurance.

Section 6 of the restated certificate of incorporation, as amended, of GE provides in part as follows:

"A person who is or was a director of the corporation shall have no personal liability to the corporation or its shareowners for damages for any breach of duty in such capacity except that the foregoing shall not eliminate or limit liability where such liability is imposed under the Business Corporation Law of the State of New York."

Article XI of the bylaws, as amended, of GE provides, in part, as follows:

"The Company shall, to the fullest extent permitted by applicable law as the same exists or may hereafter be in effect, indemnify any person who is or was or has agreed to become a director or officer of the Company and who is or was made or threatened to be made a party to or is involved in any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative, including an action by or in the right of the Company to procure a judgment in its favor and an action by or in the right of any other corporation of any type or kind, domestic or foreign, or any partnership, joint venture, trust, employee benefit plan or other enterprise, which such person is serving, has served or has agreed to serve in any capacity at the request of the Company, by reason of the fact that he or she is or was or has agreed to become a director or officer of the Company, or is or was serving or has agreed to serve such other corporation, partnership, joint venture, trust, employee benefit plan or other enterprise in any capacity, against judgments, fines, amounts paid or to be paid in settlement, taxes or penalties, and costs, charges and expenses, including attorney's fees, incurred

in connection with such action or proceeding or any appeal therein, provided, however, that no indemnification shall be provided to any such person if a judgment or other final adjudication adverse to the director or officer establishes that (i) his or her acts were committed in bad faith or were the result of active and deliberate dishonesty and, in either case, were material to the cause of action so adjudicated, or (ii) he or she personally gained in fact a financial profit or other advantage to which he or she was not legally entitled. The benefits of this paragraph shall extend to the heirs and legal representatives of any person entitled to indemnification under this paragraph."

GE has purchased liability insurance for its officers and directors as permitted by Section 726 of the NYBCL.

ITEM 17. UNDERTAKINGS.

(a) The undersigned Registrant hereby undertakes:

(1) to file, during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement:

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act of 1933;

(ii) to reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of a prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20 percent change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective registration statement; and

II-3

(iii) to include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement;

provided, however, that paragraphs (a)(1)(i) and (a)(1)(ii) do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed with or furnished to the Commission by the Registrant pursuant to Section 13 or 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in the Registration Statement.

Edgar Filing: GENERAL ELECTRIC CO - Form S-3

- (2) that, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof; and
- (3) to remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(b) The undersigned Registrant hereby undertakes that, for purposes of determining any liability under the Securities Act of 1933, each filing of the Registrant's annual report pursuant to Section 13(a) or 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in the Registration Statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(c) Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the Commission such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Act and will be governed by the final adjudication of such issue.
