Fellow AEC Employees,

As you may be aware, an Associated Estates shareholder, Land & Buildings, today held a public conference call regarding Associated Estates. Land & Buildings is an activist investor that previously announced its intention to nominate its own slate of candidates to stand for election to our company's Board of Directors at our 2015 Annual Meeting of Shareholders.

We are proud of the outstanding portfolio of high-quality assets the Associated Estates management team has assembled over the past 10 years, as well as our fully-funded pipeline of active development projects that is poised to create significant, additional shareholder value. Importantly, since this Board and management team has been in place, and because of your hard work, the Company has consistently delivered superior returns for shareholders, including industry leading total returns over the 10 years ended December 31, 2014 of 307% versus a peer average of 182%.

In addition, Associated Estates has delivered outstanding returns over the five and ten year periods ended May 30, 2014 (i.e., prior to Land & Buildings' first letter to Associated Estates that was published on June 3, 2014.)

---

We are confident the actions we have taken over the last ten years, and that we are continuing to take, are the best path forward for advancing the interests of the Company and all of its shareholders.

Associated Estates has a strong Board of Directors that has been actively implementing changes to drive shareholder value, including the recent director appointment of Douglas Crocker, a proven and trusted leader in the apartment business and REIT space. In addition, we look forward to bringing on to the Board two additional, highly-respected independent directors in 2015.

I want to emphasize that our Board and management team are committed to delivering value to shareholders, and will continue to take decisive actions to achieve that objective. We believe our outstanding track record of growth, operational excellence and shareholder value creation speak volumes, and that you all should be very proud of what we have accomplished together. We will continue to act in the best interests of shareholders, while advancing our efforts to optimize the Company's portfolio and build on our progress. The most important thing you can do is remain focused on your day-to-day responsibilities and continue the excellent work that you do.

Please remember that, for Associated Estates, operational excellence is more than just a phrase. It is our focus every day, and that is reflected in how we present the Company to current and prospective residents: Great Living - It's What We Do®.

Finally, I want to remind everyone of our communications guidelines. If you receive any inquiries from the media, analysts or investors, please forward them to Amanda Petrak at APetrak@associatedestates.com.

Thank you for your unwavering commitment to Associated Estates and I look forward to continuing our success.

Sincerely,

/s/ Jeff Friedman
