A Letter from your President, Terrence L. Donati

To my fellow shareholders:

With the year 2000, Sonoma Financial Corporation (SHC Corp.) was faced with many challenges; SEC filings, capital needs, management replacement, re-organization, store consolidation and store profitability, to name only a few. With 2000 now behind us, we have developed a strong management team, more capital funding, and consolidated non-productive stores--while decreasing overhead at the same time.

We have successfully completed our SEC filings. For the first time since 1997, we have become a fully-reporting company.

We have strong support from our management team, store staff, and a dedicated group of investors. Our goal is to make 2001 successful-not just financially, but we hope to lead the industry in quality innovations designed to better position the Company for the future. The Company and its executives and staff are committed to continued quality management, growth, and profitability in all divisions of SHC Corp.

Sincerely,

/s/ Terrence L. Donati

PROXY STATEMENT

This Proxy Statement, Notice of Meeting and Proxy which will be mailed on or about January 3, 2000 are furnished in connection with the solicitation by the Board of Directors of SHC Corp. ("SHC" or the "Company") of proxies to be voted at the annual meeting of shareholders to be held at Fisher Island Convention Center, Fisher Island, Florida, 33109, on January 26, 2000 at 9:00 a.m., Eastern time, and any adjournments thereof.

Shareholders of record at the close of business on December 8, 2000 (the "record date") will be entitled to one vote at the meeting for each share then held. On December 8, 2000, the record date, there were 99,476,639 shares of common stock of SHC outstanding. Each common share is entitled to one vote in person or by proxy, with the privilege of cumulative voting in connection with the election of directors. All shares represented by proxy will be voted in accordance with the instructions, if any, given in such proxy. A shareholder may abstain from voting or may withhold authority to vote for the nominees by marking the appropriate box on the accompanying proxy card, or may withhold authority to vote for an individual nominee by drawing a line through such nominee's name in the appropriate place on the accompanying proxy card. In accordance with the Company's by-laws, the holders of a majority of the outstanding shares of the corporation, present in person or represented by proxy, will constitute a quorum at the meeting of the shareholders; but in no event shall a quorum consist of less than one third of the outstanding shares entitled to vote.

UNLESS INSTRUCTIONS TO THE CONTRARY ARE GIVEN, EACH PROPERLY EXECUTED PROXY

Edgar Filing: SHC CORP - Form DEF 14A

WILL BE VOTED, AS SPECIFIED BELOW:

1. To elect Terrence L. Donati, Philip E. Ruben, Michael Pyle and John A. Annerino to the Board of Directors of the Company for a term of one (1) year.
2. For the shareholders to consider and act upon a resolution authorizing the increase of authorized shares of the Company's Common \$0.001 par stock from 100,000,000 shares to 250,000,000 shares and the increase of authorized shares of the Company's Preferred \$.001 par stock from 1,000,000 shares to 20,000,000 shares.
3. For the shareholders to consider and act upon a resolution approving the grant of options to purchase 13,000,000 shares of common stock to Terrence L. Donati in consideration of services provided to and on behalf of the Company.
4. To ratify the appointment of Hansen, Barnett & Maxwell as the Company's independent certified public accountants for the fiscal year ending December 31, 2000.
5. To transact such other business as may properly be brought before the meeting or any adjournment thereof.

All proxies may be revoked and execution of the accompanying proxy will not affect a shareholder's right to revoke it by giving written notice of revocation to the Secretary at any time before the proxy is voted or by the mailing of a later dated proxy. Any shareholder attending the meeting in person may vote his or her shares even though he or she has executed and mailed a proxy.

Since a majority of the outstanding shares of the Company's stock must be represented at the meeting in order to constitute a quorum, all shareholders are urged either to attend the meeting or to be represented by proxy. If you do not expect to attend the meeting in person, please sign, date and return the accompanying proxy in the enclosed reply envelope. Your vote is important regardless of the number of shares you own. If you later find that you can be present and you desire to vote in person or, for any other reason, desire to revoke your proxy, you may do so at any time before the voting.

All shareholders have cumulative voting rights in the election of directors and one vote per share on all other matters. Cumulative voting allows a shareholder to multiply the number of shares owned by the number of directors to be elected and to cast the total for one nominee or distribute the votes among the nominees as the shareholder desires. Nominees who receive the greatest number of votes

4

will be elected. If you wish to cumulate your votes, you must sign and mail in your proxy card or attend the Annual Meeting.

Unless authority is withheld in accordance with instructions on the proxy, the persons named in the proxy will vote the shares covered by the proxies they receive to elect the 4 nominees named in Item 1 of the proxy card. These shares may be voted cumulatively so that one or more of the nominees may receive fewer votes than the other nominees (or no votes at all). Should a nominee become unavailable to serve, the shares will be voted for a substitute designated by the Board of Directors, or for fewer than 4 nominees if, in the judgment of the proxy holders, such action is necessary or desirable.

Where a shareholder has specified a choice for or against the increase of the company's authorized common and preferred stock, approval of the grant of

Edgar Filing: SHC CORP - Form DEF 14A

13,000,000 stock options to Terrence L. Donati, or ratification of the appointment of Hansen, Barnett & Maxwell as auditors, or where the shareholder has abstained on these matters, the shares represented by the proxy will be voted as specified. Where no choice has been specified, the proxy will be voted FOR the increase of the company's authorized common and preferred stock, FOR approval of the grant of 13,000,000 stock options to Terrence L. Donati, and FOR ratification of the appointment of Hansen, Barnett & Maxwell as auditors.

The Board of Directors is not aware of any other issue which may properly be brought before the meeting. If other matters are properly brought before the meeting, the accompanying proxy will be voted in accordance with the judgment of the proxy holders.

A proxy submitted by an institution such as a broker or bank that holds shares for the account of a beneficial owner may indicate that all or a portion of the shares represented by that proxy are not being voted with respect to a particular matter. This could occur, for example, when the broker or bank is not permitted to vote those shares in the absence of instructions from the beneficial owner of the stock. There "non-voted shares" will be considered shares not present and, therefore, not entitled to vote on that matter, although these shares may be considered present and entitled to vote for other purposes. Non-voted shares will not affect the determination of the outcome of the vote on any matter to be decided at the meeting. Shares represented by proxies which are present and entitled to vote on a matter but which have elected to abstain from voting on that matter will have the effect of votes against that matter.

THIS PROXY STATEMENT IS BEING SOLICITED BY THE BOARD OF DIRECTORS OF SHC. The expense of making this solicitation is being paid by the Company and consists of the preparing, assembling and mailing of the Notice of Meeting, Proxy Statement and Proxy, tabulating returns of proxies, and charges and expenses of brokerage houses and other custodians, nominees or fiduciaries for forwarding documents to shareholders. In addition to solicitation by mail, officers and regular employees of the Company may solicit proxies by telephone, telegram or in person without additional compensation therefor.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

On June 18, 1998, the Company sold all of its interest in its wholly-owned subsidiaries, U.S. Dell, Inc., Brighton Hill Enterprises, Inc., Northstar Petroleum, Inc., Randall Road Corp., and Sonoma Management Co. ("Sold Subsidiaries") to Fleetmax Corporation and Terrence L. Donati. Consideration paid by the purchasers was 5.5 million shares of the Company's common stock and debt assumption of \$353,867. Concurrently with the surrender of the 5,500,000 shares, Mr. Donati was granted a warrant to purchase up to 5.5 million shares of the Company's common stock at \$.21 per share. Included in the warrant is the right of Mr. Donati vote all of the underlying shares with respect to all matters presented to the shareholders for a vote.

In addition, the Company has granted to Mr. Donati an option to purchase up to 13,000,000 shares of the Company's common stock at a price of \$.03 per share. The options were granted in consideration of services provided to and on behalf of the Company by Mr. Donati, which includes personal guarantees on approximately \$1,500,000 of Company debt. In addition, Mr. Donati has served as an executive officer of the Company since its inception, with the exception of the period between October 1999 to February 2000, and received no salary or

compensation during either 1998 or 1999. Additionally Mr. Donati has been instrumental in obtaining and providing funding to the Company essential to the Company's continued operations.

Philip E. Ruben is a director and a principal of Kwiatt & Ruben, Ltd., general counsel to the Company. The Company's fee arrangement with Kwiatt & Ruben, Ltd. provides that 15% of the amounts due are payable by delivery of shares of the Company's Common Stock. The agreement further provides that the stock payments would be based on the immediately prior 30 day closing trade price of the Company's stock, less a lack of liquidity discount. In addition, the Company agreed to settle certain amounts owed Kwiatt & Ruben, Ltd. by the issuance of 3,345,605 shares of common stock, which shares will be issued upon the effectiveness of the increase in the Company's authorized common stock. During 1999, the Company paid \$107,462 in legal fees to Kwiatt & Ruben, Ltd.

On October 16, 2000, the Company entered into an agreement with Mr. D. Desmond Paden, which agreement was amended on December 7, 2000. Pursuant to the agreement, and in consideration of services provided to and on behalf of the Company by Mr. Paden, the Company agreed to issue to Mr. Paden 1,000,000 shares of common stock and an option to purchase up to 12,000,000 shares of common stock at a price of \$.03 per share.

The Board of Directors has agreed to consider reviewing the compensation of certain officers, directors and key employees and anticipates commencing a review of relevant information for such purpose. It is intended that the Company will ultimately provide appropriate compensation to such persons in the future.

MARKET FOR REGISTRANT'S COMMON EQUITY AND RELATED SHAREHOLDER MATTERS

The Company's common stock commenced trading on the NASDAQ Small-Cap Market ("NASDAQ") on August 10, 1995 under the symbol "VMAX" and commencing on April 17, 2000, under the symbol "VMAXE." Upon filing of the Company's 1999 Form 10-KSB document and certain other required filings, the stock will resumed trading under the symbol "VMAX." Prior to August 10, 1995, the common stock was not publicly traded. On October 23, 1996, the Company received notification from the NASDAQ Listing Qualifications Panel that because the Company did not meet the maintenance criteria for continued listing of its securities on NASDAQ, the Company's Securities would be delisted from NASDAQ effective at the close of business on October 24, 1996. Subsequent to that date, the Securities of the Company have been quoted on the OTC Bulletin Board and currently trade under the symbol "SONM". The following table sets forth the high and low closing sales price for

To date, the Company has not paid any dividends on its common stock. The payment of dividends, if any, in the future is within the discretion of the Company's board of directors and will depend upon the Company's ability to generate earnings, its capital requirements, and financial condition and other relevant factors. The Company does not intend to declare any dividends in the foreseeable future.

PROPOSAL TWO:

APPROVAL OF AN AMENDMENT TO THE ARTICLES OF INCORPORATION TO INCREASE AUTHORIZED COMMON AND PREFERRED STOCK

The Board of Directors believes that it is in the Company's best interest to amend the Company's certificate of incorporation to increase the number of shares of common stock the company is authorized to issue from 100 million to 250 million and to increase the number of preferred shares from 1 million to 20 million.

As of December 8, 2000, approximately 99,476,639 of the SHC's currently authorized common shares were issued and outstanding and 0 preferred shares were issued and outstanding.

SHC may acquire additional companies. From time to time, it may pay for acquisitions with SHC stock. The Board believes that the proposed increase in the number of authorized shares is desirable to maintain the Company's flexibility in choosing how to pay for acquisitions and other corporate actions such as equity offerings to raise capital and adoption of additional benefit plans. The Board will determine the terms of any such issuance of additional shares.

If this proposal is approved, all or any of the authorized shares may be issued without further shareowner action (unless such approval is required by applicable law or regulatory authorities) and without first offering those shares to the shareowners for subscription. The issuance of shares otherwise than on a pro-rate basis to all shareowners would reduce the proportionate interest in the company of each shareowner.

We have not proposed the increase in the authorized number of shares with the intention of using the additional shares for anti-takeover purposes, although we could theoretically use the additional shares to make such actions more difficult or to discourage an attempt to acquire control of the company.

As of December 8, SHC has granted, subject to the approval of this proposal number 2, options to purchase 38,000,000 shares of common stock. 25,000,000 of such options have been granted to current and former executive officers and directors for services rendered to and on behalf of the Company. The remaining 13,000,000 options have been granted in connection with a loan made to the Company in the fourth quarter of 2000, and permits the lender to convert the entire principal of the loan into shares of SHC common stock. It is anticipated that a similar loan will be consummated in the first quarter of 2001. In addition, the Company is obligated to issue 3,345,605 shares in payment of certain outstanding expenses. Also, the Company recently agreed to a settlement of certain litigation which would require the Company to issue an additional

Edgar Filing: SHC CORP - Form DEF 14A

1,300,000 shares of common stock. Other than the foregoing, the Company has no contracts, agreements or understandings for stock issuances which in the aggregate would involve the use of a number of shares that exceeds the amount currently authorized but unissued.

The terms of the securities to be authorized, including dividend or interest rates, conversion prices, voting rights, redemption prices, maturity dates, and similar matters will be determined by the Board of Directors.

For a description of management's discussion and analysis of the financial condition and results of operations of the Company, see the Company's Form 10-KSB for the year ended December 31, 1999 and Form 10-QSB for the period ended September 30, 2000, which documents are incorporated by reference.

The Board believes that failure to authorize the increase in available shares will have a severe negative impact on the Company's ability to raise additional capital necessary to finance the continued and anticipated operations of the Company.

The Board has unanimously adopted resolutions setting forth the proposed amendment to the certificate of incorporation, declaring its advisability and directing that the proposed amendment be submitted to the shareowners for their approval at the annual meeting. If approved by the shareowners, the amendment will become effective upon filing of an appropriate certificate with the Secretary of State of the State of Illinois.

The proposed amendment requires the affirmative vote of at least two-thirds of the votes of the shares entitled to vote on the proposed amendment.

THE BOARD OF DIRECTORS RECOMMENDS THAT SHAREOWNERS VOTE FOR THIS PROPOSAL. PROXIES SOLICITED BY THE BOARD OF DIRECTORS WILL BE SO VOTED UNLESS SHAREOWNERS SPECIFY OTHERWISE IN THEIR PROXIES.

PROPOSAL THREE: GRANT OF STOCK OPTIONS TO TERRENCE L. DONATI

The Board of Directors has approved a grant of 13,000,000 stock options to Terrence L. Donati. The exercise price for the options is \$.03 per share and were granted in consideration for services provided to and on behalf of the Company by Mr. Donati.

Except for the period from approximately October 1999 through January 2000, Mr. Donati has been an executive employee of the Company. Mr. Donati has served as the Company's President, and was responsible for all of the operations of the Company. Mr. Donati has also personally guaranteed approximately \$1,500,000 of the indebtedness of the Company and its subsidiary, Payday Check Advance, Inc. In addition, Mr. Donati has been and continues to be instrumental in obtaining financing critical to the Company's past, present and future operations. The Board believes the terms of this grant to be fair and consistent with those which would be negotiated in an arms-length transaction. In 1998 and 1999, Mr. Donati received no salary or compensation for any of these services.

12

This option grant is being presented to shareholders for ratification. The favorable vote of the holders of a majority of the shares represented in person or by proxy at the Meeting and entitled to vote (assuming a quorum is present) is required to approve the stock option grant.

THE BOARD OF DIRECTORS RECOMMENDS THAT THE SHAREHOLDERS VOTE FOR THE PROPOSAL. PROXIES SOLICITED BY THE BOARD OF DIRECTORS WILL BE VOTED IN FAVOR OF THIS PROPOSAL UNLESS A CONTRARY VOTE OR AUTHORITY WITHHELD IS SPECIFIED.

Edgar Filing: SHC CORP - Form DEF 14A

PROPOSAL FOUR: SELECTION OF AUDITORS

The Board of Directors appointed Hansen, Barnett & Maxwell independent certified public accountants, to audit the financial statements of the Company and its wholly-owned subsidiaries for the fiscal year ending December 31, 2000. Hansen, Barnett & Maxwell has served as principal auditors for the Company since 1999. No representative of Hansen, Barnett & Maxwell will be present at the meeting. Accordingly, no statement will be made by any such representative, and no opportunity to ask questions will of any such representative will be available.

This appointment is being presented to shareholders for ratification. The favorable vote of the holders of a majority of the shares represented in person or by proxy at the Meeting and entitled to vote (assuming a quorum is present) is required to ratify the appointment.

THE BOARD OF DIRECTORS RECOMMENDS THAT THE SHAREHOLDERS VOTE FOR THE PROPOSAL. PROXIES SOLICITED BY THE BOARD OF DIRECTORS WILL BE VOTED IN FAVOR OF THIS PROPOSAL UNLESS A CONTRARY VOTE OR AUTHORITY WITHHELD IS SPECIFIED.

SHAREHOLDERS' PROPOSALS
