#### NARRATIVE

State below in reasonable detail the reasons why form 10-K, 11-K, 20-F, 10-Q, N-SAR or the transition report portion thereof could not be filed within the prescribed time period. (Attach extra sheets if needed.)

Breakaway Solutions, Inc., a Delaware corporation (the "Registrant"), did not timely file its Quarterly Report on Form 10-Q for the fiscal quarter ended June 30, 2001 (the "Form 10-Q") because management of the Registrant has been dedicating substantial efforts to financing, corporate restructuring and operational activities.

- (3) Is it anticipated that any significant change in results of operations from the corresponding period for the last fiscal year will be reflected by the earnings statement to be included in the subject report or portion thereof?

[x]Yes [ ]No

If so: attach an explanation of the anticipated change, both narratively and quantitatively, and, if appropriate, state the reasons why a reasonable estimate of the results cannot be made.

During the second quarter 2001, Breakaway Solutions disclosed additional restructuring plans, which will significantly reduce costs. These restructuring plans include staff reductions and closing and consolidation of facilities. This is in addition to fourth quarter of 2000 asset impairment and one time restructuring charges relating to intangibles from

acquisitions due to deterioration in market conditions and in addition to staff reductions and closing and consolidation of facilities in the first quarter of 2001. The company has also incurred staff reductions in the third quarter of 2001. There have been substantial changes in the Company's business between the second quarter of 2000 and the second quarter of 2001. Additionally, the Company has not yet completed and filed its 10 Q for the quarter ended March 31, 2001. Due to the above noted factors, the Company's 10 Q for the second quarter 2001 is not complete. The Company anticipates that for the second quarter of 2001 revenue will be significantly less than the comparable prior period and the operating loss, including restructuring charges, will be higher than the comparable prior year period.
