Explanatory Note

On December 11, 2000, The Bear Stearns Companies Inc., a Delaware corporation (the "Company"), issued a one-time award of non-transferable restricted stock units ("Units") to certain existing key employees under the Company's Long-Term Incentive Stock Award program. Such award covered 3,183,461 Units at June 24, 2003 that generally vest over a four-and-one-half year period, except with respect to certain employees whose Units vest 100% after five years. Upon vesting, shares of the Company's common stock, par value \$1.00 per share ("Common Stock"), will be issued to the holders of the Units for no consideration. This Registration Statement on Form S-8 is being filed to register 3,500,000 shares of the Company's Common Stock issuable from time to time upon vesting of the Units, which includes (i) 3,183,461 shares of Common Stock issuable upon settlement of the 3,183,461 Units outstanding at June 24, 2003, (ii) 84,528 shares of Common Stock issuable upon settlement of additional Units that have been credited to employees in lieu of dividends paid on our Common Stock ("dividend equivalents"), and (iii) 232,011 shares of Common Stock that would be issuable upon settlement of Units that may be credited to employees from time to time by reason of dividend equivalents.

The undersigned registrant hereby undertakes:

(a) To file, during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement:

(i) to include any prospectus required by Section 10(a)(3) of the Securities Act;

(ii) to reflect in the prospectus any facts or events arising after the effective date of this Registration Statement (or the most recent post-effective amendment thereto) which, individually or in the aggregate, represent a fundamental change in the information set forth in this Registration Statement. Notwithstanding the foregoing, any increase or decrease in the volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the SEC pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20 percent change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective Registration Statement;

II-3

(iii) to include any material information with respect to the

## Edgar Filing: BEAR STEARNS COMPANIES INC - Form S-8

plan of distribution not previously disclosed in this Registration Statement or any material change to such information in this Registration Statement;

provided, however, that the undertakings set forth in paragraphs (a)(i) and (a)(ii) do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed with or furnished to the SEC by the registrant pursuant to Section 13 or Section 15(d) of the Exchange Act that are incorporated by reference in this Registration Statement.

(b) That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment will be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time will be deemed to be the initial bona fide offering thereof.

(c) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(d) That, for purposes of determining any liability under the Securities Act, each filing of the registrant's annual report pursuant to Section 13(a) or 15(d) of the Exchange Act that is incorporated by reference in this Registration Statement shall be deemed to be a new registration statement relating to the securities offered therein and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(e) Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the registrant pursuant to the provisions referred to in Item 6 of this Registration Statement, or otherwise, the registrant has been advised that in the opinion of the SEC such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.
