PROXY STATEMENT
FOR THE ANNUAL MEETING OF SHAREHOLDERS
TO BE HELD JUNE 21, 2012

This proxy statement is furnished to shareholders of Eagle Bulk Shipping Inc. ("Eagle Bulk Shipping" or the "Company") in connection with the solicitation of proxies, in the accompanying form, by the Board of Directors of Eagle Bulk Shipping (the "Board of Directors") for use in voting at the 2012 Annual Meeting of Shareholders (the "Annual Meeting") to be held at the offices of Seward & Kissel LLP, 23rd Floor, One Battery Park Plaza, New York, New York 10004, on Thursday, June 21, 2012, at 10:00 a.m., local time, and at any adjournment or postponement thereof.

This proxy statement is first available to shareholders at <http://materials.proxyvote.com/y2187A> on or about April 30, 2012.

QUESTIONS AND ANSWERS ABOUT THE ANNUAL MEETING

Why did I receive a notice in the mail regarding the Internet availability of proxy materials this year instead of a full set of proxy materials?

Pursuant to the rules of the Securities and Exchange Commission, or the SEC, we have elected to provide access to our proxy materials over the Internet. We also believe that by electing to provide access to our proxy materials over the Internet, we will reduce the amount of natural resources used in connection with our proxy materials and our Annual Meeting. Accordingly, we are sending a Notice of Internet Availability of Proxy Materials, or the Notice, to our shareholders of record and beneficial owners. All shareholders will have the ability to access the proxy materials on a website referred to in the Notice or request to receive by mail a printed set of the proxy materials, at no charge. Instructions on how to access the proxy materials over the Internet or to request a printed copy may be found on the Notice. In addition, shareholders may request to receive proxy materials in printed form by mail or electronically by email on an ongoing basis by following the instructions on the website referred to in the Notice. Shareholders who have already requested to receive paper copies of our proxy materials will receive a full set of our proxy materials, including our proxy card, in the mail and will not receive the Notice.

Why didn't I receive a Notice in the mail?

We are providing a Notice e-mail to those shareholders who have previously elected delivery of the proxy materials electronically. Those shareholders should have received an e-mail containing a link to the website where those materials are available and a link to the proxy voting website.

Why am I receiving these materials?

Our Board of Directors has made these materials available to you on the Internet, or, upon your request, we will deliver printed versions of these materials to you by mail, in connection with the Board of Directors' solicitation of proxies for use at the Annual Meeting. You are invited to attend the Annual Meeting and are requested to vote on the proposals described in this proxy statement.

What is included in these materials?

These materials include:

- Our proxy statement for the Annual Meeting; and
- Our 2011 Annual Report to Shareholders, which includes our audited consolidated financial statements.

If you request printed versions of these materials by mail, these materials will also include the proxy card for the Annual Meeting.

How can I get electronic access to the proxy materials?

Your Notice of Internet Availability of Proxy Materials or proxy card will contain instructions on how to:

- View our proxy materials for the Annual Meeting on the Internet; and
 - Instruct us to send our future proxy materials to you electronically by e-mail.
-

What is the purpose of the Annual Meeting?

At the Annual Meeting, shareholders will be asked to consider and vote upon the following matters:

- the election of two Directors to hold office until the 2015 Annual Meeting of Shareholders; and
- the ratification of the appointment of PricewaterhouseCoopers LLP as the Company's independent registered public accounting firm for the Company's fiscal year 2012.

Shareholders will also be asked to consider and vote at the Annual Meeting on any other matter that may properly come before the Annual Meeting or any adjournment or postponement of the Annual Meeting. At this time, the Company's Board of Directors is unaware of any matters, other than those set forth above, that may properly come before the Annual Meeting.

Who is entitled to vote at the Annual Meeting?

The Board of Directors has fixed the close of business on April 23, 2012, as the record date (the "Record Date") for the determination of shareholders entitled to notice of, and to vote at, the Annual Meeting. Only shareholders of record at the close of business on that date will be entitled to vote at the Annual Meeting or any adjournments or postponements thereof. As of the Record Date, Eagle Bulk Shipping had issued and outstanding 63,003,286 shares of common stock.

How Many Votes Do I Have?

Each common share outstanding on the Record Date will be entitled to one vote on each matter submitted to a vote of the shareholders, including the election of Directors. Cumulative voting by shareholders is not permitted.

What are the Board of Directors' voting recommendations?

The Board of Directors recommends that you vote "FOR" the nominees of the Board of Directors in the election of Directors and "FOR" the ratification of the appointment of PricewaterhouseCoopers LLP as the Company's independent registered public accounting firm for fiscal year 2012.

How can I vote my shares?

You can vote either in person at the Annual Meeting or by proxy whether or not you attend the Annual Meeting. You can vote by proxy as follows:

- by mail – If you are a shareholder of record and you requested to receive paper copies of our proxy materials by mail, you may submit your proxy by signing the proxy card that is included in the paper proxy materials that will be mailed to you on or around April 30, 2012 and mailing it in the enclosed, postage paid envelope or, for if you are a beneficial owner of shares held in street name, you may submit your proxy by filling out the voting instruction form provided by your broker, trustee or other nominee, and mailing it in the enclosed, postage paid envelope.
- by telephone or by Internet – If you have telephone or Internet access, you may submit your proxy by following the instructions provided in the Notice, or if you received a

printed version of our proxy materials by mail, by following the instructions provided with your proxy materials and on your proxy card or voting instruction form.

How may I vote my shares in person at the Annual Meeting?

If your shares are registered directly in your name with our transfer agent, Computershare Investor Services LLC, you are considered, with respect to those shares, the shareholder of record. As the shareholder of record, you have the right to vote in person at the Annual Meeting. If your shares are held in a brokerage account or by another nominee or trustee, you are considered the beneficial owner of shares held in street name. As the beneficial owner, you are also invited to attend the Annual Meeting. Since a beneficial owner is not the shareholder of record, you may not vote these shares in person at the Annual Meeting unless you obtain a "legal proxy" from your broker, trustee or nominee that holds your shares, giving you the right to vote the shares at the meeting.

If I am the beneficial owner of shares held in "street name" by my broker, will my broker automatically vote my shares for me?

Rules applicable to broker-dealers grant your broker discretionary authority to vote your shares without receiving your instructions on certain matters, including the ratification of the independent registered public accounting firm.

How will my voting instructions be treated?

If you provide specific voting instructions, your shares will be voted as instructed.

If you hold shares as the shareholder of record and sign and return a proxy card or vote by telephone or Internet without giving specific voting instructions, then your shares will be voted as recommended by our Board of Directors.

If you are the beneficial owner of shares held through a broker, trustee, or other nominee, and you do not give instructions to that nominee on how you want your shares voted, then generally your nominee can vote your shares on certain "routine" matters. At our Annual Meeting, only Proposal 2 is considered routine, which means that your broker, trustee, or other nominee can vote your shares on Proposal 2 if you do not timely provide instructions to vote your shares.

If you are the beneficial owner of shares held through a broker, trustee, or other nominee, and that nominee does not have discretion to vote your shares on a particular proposal and you do not give your broker instructions on how to vote your shares, then the votes will be considered broker non-votes. A broker "non-vote" will be treated as unvoted for purposes of determining approval for the proposal and will have the effect of neither a vote for nor a vote against the proposal.

Could other matters be decided at the Annual Meeting?

At this time, we are unaware of any matters, other than as set forth above, that may properly come before the Annual Meeting. If any other matters properly come before the Annual Meeting, the persons named in the proxy, or their duly constituted substitutes acting at the Annual Meeting or any adjournment or postponement of the Annual Meeting, will be deemed authorized to vote or otherwise act on such matters in accordance with their judgment.

What do I need to bring to be admitted to the Annual Meeting?

All shareholders must present a form of personal photo identification in order to be admitted to the meeting. In addition, if your shares are held in the name of your broker, trustee or other nominee and you wish to attend the Annual Meeting, you must bring an account statement or letter from the broker, trustee or other nominee indicating that you were the owner of the shares as of the Record Date.

How can I change my vote?

Any person signing a proxy card in the form to be mailed to you on or about April 30, 2012, has the power to revoke it prior to the Annual Meeting or at the Annual Meeting prior to the vote. A proxy may be revoked by any of the following methods:

- by writing a letter delivered to Alan S. Ginsberg, Secretary of Eagle Bulk Shipping, 477 Madison Avenue, Suite 1405, New York, New York 10022, stating that the proxy is revoked;
- by submitting another proxy with a later date; or
- by attending the Annual Meeting and voting in person.

What are the quorum and voting requirements to elect Directors and approve the other proposals described in the proxy statement?

In order to take action on the matters scheduled for a vote at the Annual Meeting, a quorum (a majority of the aggregate number of shares of the Company's common stock issued and outstanding and entitled to vote as of the record date for the Annual Meeting) must be present in person or by proxy.

A plurality of the votes cast at the annual meeting is required for approval of Proposal No. 1, concerning the election of Directors and a majority of the votes cast at the Annual Meeting is required for approval of Proposal No. 2,

concerning the ratification of the appointment of PricewaterhouseCoopers LLP as the Company's independent registered public accounting firm for fiscal year 2011.

What is an "abstention" and how would it affect the vote?

An "abstention" occurs when a shareholder sends in a proxy with explicit instructions to decline to vote regarding a particular matter (other than the election of Directors for which the choice is limited to "for" or "withhold"). Abstentions are counted as present for purposes of determining a quorum. Abstentions will not be counted as having been voted and will have no effect on the outcome of the vote on any of Proposals No. 1 and 2.

What is a broker "non-vote" and how would it affect the vote?

A broker non-vote occurs when a broker or other nominee who holds shares for another person does not vote on a particular proposal because that holder does not have discretionary voting power for the proposal and has not received voting instructions from the beneficial owner of the shares. Under rules applicable to broker-dealers, Proposal No. 2, concerning of the appointment of PricewaterhouseCoopers LLP as the Company's independent registered public accounting firm for the Company's fiscal year 2012 is an item on which brokerage firms may vote in their discretion on behalf of their clients, even if such clients have not furnished voting instructions. Brokerage firms may not vote with respect to Proposal No. 1 without their clients having furnished voting instructions. There will be no broker "non-votes" on Proposal No. 2 because brokerage firms may vote in their discretion on behalf of their clients on this proposal even if such clients have not furnished voting instructions with respect to this proposal. There may be broker "non-votes" with respect to Proposal No. 1.

Who will count the votes?

The Company's proxy processor and tabulator, Broadridge Financial Solutions, Inc., will serve as proxy tabulator and count the votes. The results will be certified by the inspectors of election.

Who will conduct the proxy solicitation and how much will it cost?

We will pay the costs relating to this proxy statement, the proxy solicitation and the Annual Meeting. We may reimburse brokerage firms and other persons representing beneficial owners of shares held in street name for their expenses in forwarding solicitation material to beneficial owners. Directors, officers and employees may also solicit proxies. They will not receive any additional pay for the solicitation.

Meetings of the Board of Directors

The Board of Directors held thirty-one meetings in 2011. Each Director attended at least 75% of the aggregate of the meetings of the Board of Directors, and meetings held by all committees on which such Director served, during the period for which such Director served. The Board of Directors met in executive session five times during 2011.

Directors are expected to attend the Company's Annual Meeting of Shareholders. All seven of our Directors attended our 2011 Annual Meeting of Shareholders.

Director Independence

The Board of Directors affirmatively determined that the following Directors, including each Director serving on the Audit Committee, the Compensation Committee and the Nominating and Governance Committee, satisfy the independence requirements of Rule 4350(c) of NASDAQ's listing standards: Joseph M. Cianciolo, Douglas P. Haensel, David B. Hiley, Jon Tomasson and Thomas B. Winmill. The Board of Directors also determined that the members of the Audit Committee satisfy the additional independence requirements of Rule 10A-3 under the U.S. Securities Exchange Act of 1934, as amended, or the Exchange Act, and NASDAQ's requirements for audit committee members.

There is no family relationship between any of the nominees, continuing Directors or executive officers of the Company, except that Sophocles N. Zoullas and Alexis P. Zoullas are brothers.

Director Terms

The Directors are divided into three classes and the Directors in each class serve for a three-year term. The term of one class of directors expires each year at the Annual Meeting of Stockholders. The Board of Directors may fill a vacancy by electing a new director to the same class as the director being replaced. The Board of Directors may also create a new director position in any class and elect a Director to hold the newly created position until the term of the class expires.

Committees of the Board of Directors

The Board of Directors has a standing Audit Committee, Compensation Committee, Conflicts Committee and Nominating and Governance Committee, the respective members and functions of which are described below. Current charters describing the nature and scope of the responsibilities of each of the Audit Committee, Compensation Committee, Conflicts Committee and Nominating and Governance Committee are posted on our website at www.eagleships.com under the headings "Investors — Corporate Governance" and are available in print upon request to Eagle Bulk Shipping Inc., 477 Madison Avenue, Suite 1405, New York, New York 10022.

Audit Committee

The Company's Audit Committee is comprised of Joseph M. Cianciolo (Chairman), Douglas P. Haensel, and David B. Hiley, each of whom qualify as independent under the applicable NASDAQ listing requirements and SEC rules. The Board of Directors has determined that Joseph M. Cianciolo is an audit committee "financial expert" as such term is defined in applicable SEC rules, and that he has the requisite financial management expertise within the meaning of NASDAQ rules and regulations. As directed by its written charter, which was adopted on June 3, 2005, and amended

in November 2006, the Audit Committee is responsible for appointing and overseeing the work of the independent auditors, including reviewing and approving their engagement letter and reviewing their annual audit plan; reviewing the adequacy and effectiveness of the Company's accounting and internal control procedures; reading and discussing with management and the independent auditors the annual audited financial statements and quarterly financial statements, and preparing annually a report to be included in the Company's proxy statement. The Audit Committee held seven meetings during fiscal year 2011. See the report of the Audit Committee in this Proxy Statement for additional information regarding the Audit Committee's actions in fiscal year 2011.

Compensation Committee

The Company's Compensation Committee is comprised of Jon Tomasson (Chairman), Joseph M. Cianciolo and Thomas B. Winmill, each of whom qualify as independent under the applicable NASDAQ listing requirements. As directed by its written charter, which was approved on June 3, 2005, and amended in November 2006, the Compensation Committee administers the Company's stock option plan and other corporate benefits programs. The Compensation Committee also reviews and approves annual incentive compensation, special cash incentive awards, stock option or other equity incentive grants, compensation goals and objectives, and any employment severance or change in control agreements, and evaluates the performance of the Company's Chief Executive Officer, Company's Chief Financial Officer, and the President of Eagle Shipping International (USA) LLC and determines executive officer compensation. The Compensation Committee also evaluates and recommends for approval by the Board of Directors, the Board of Directors' compensation-and fees and stock option or other equity incentive grants. See the Compensation Discussion & Analysis regarding additional details of the role of the Compensation Committee and our executive officers with respect to the determination and approval of executive compensation. The Compensation Committee engaged Steven Hall & Partners, an independent executive compensation consultant (the "Compensation Consultant"), as further described in more detail below. During fiscal year 2011, the Compensation Committee consulted with the Compensation Consultant and took the recommendations of the Compensation Consultant into consideration when making its decisions. The Compensation Committee held fifty-one meetings during fiscal year 2011. See also the report of the Compensation Committee in this Proxy Statement.

Conflicts Committee

The Company established a Conflicts Committee (the "Conflicts Committee") as of February 4, 2009, that is comprised of Joseph M. Cianciolo, Douglas P. Haensel and Jon Tomasson. The Conflicts Committee was established for the purpose of negotiating a management agreement dated August 4, 2009, between the Company and Delphin Shipping LLC, an entity affiliated with Sophocles Zoullas and Kelso & Company, L.P. Pursuant to the management agreement, which has been filed as an exhibit to the Company's annual report on Form 10-K for the year ending December 31, 2009, the Company provides certain management services for vessels owned and to be acquired by Delphin Shipping LLC and will have certain rights of first refusal over vessel acquisition and chartering opportunities presented to Delphin Shipping LLC. Pursuant to the Conflict Committee's charter adopted as of May 21, 2009, the Conflicts Committee is also responsible for evaluating and managing potential conflicts of interest arising between the Company and Delphin Shipping LLC arising out of transactions contemplated under the management agreement and ensuring Delphin Shipping LLC's compliance with the terms of the management agreement. The Conflicts Committee is comprised solely of independent members of the Board of Directors who do not have any direct or indirect interest in any investment, contract or other transaction to which Delphin Shipping LLC or Kelso & Company, L.P. are a party. The Conflicts Committee held no meetings during fiscal year 2011.

Nominating and Governance Committee

The Company's Nominating and Governance Committee is comprised of Douglas P. Haensel (Chairman), David B. Hiley, Jon Tomasson and Thomas B. Winmill, each of whom qualify as independent under the applicable NASDAQ listing requirements. As directed by its written charter, the Nominating and Governance Committee assists the Board of Directors in identifying qualified individuals to become members of the Board of Directors, in determining the composition of the Board of Directors and its committees, in monitoring a process to assess Board of Directors effectiveness and in developing and implementing the Company's corporate governance guidelines. The Nominating and Governance Committee held four meetings in fiscal year 2011.

Nomination of Directors

Nominees for our Board of Directors are selected by the Board of Directors based upon the recommendation of the Nominating and Governance Committee in accordance with the policies and principles set forth in the Committee's charter and our Corporate Governance Guidelines. The Nominating and Governance Committee seeks members from diverse professional and personal backgrounds who combine a broad spectrum of experience and expertise with a reputation for integrity. This assessment will include an individual's independence, as well as consideration of diversity, age, skills, necessary experience, soundness of judgment, ability to contribute to a diversity of viewpoints among board members, commitment, time and diligence to effectively discharge board responsibilities, qualifications, intelligence, education and experience to make a meaningful contribution to board deliberations. Directors should be persons of good character and thus should generally have the personal characteristics of integrity, accountability, judgment, responsibility, high performance standards, commitment and enthusiasm, and courage to express his or her views. The Nominating and Governance Committee examines a candidate's specific experiences and skills, time availability in light of other commitments, potential conflicts of interest and independence from management and the Company.

The Nominating and Governance Committee identifies potential candidates by asking current Directors and executive officers to notify the Committee if they become aware of persons, meeting the criteria described above, who might have an interest in serving as a Director.

Shareholders may recommend qualified persons for consideration by the Nominating and Governance Committee. The Nominating and Governance Committee's evaluation process does not vary based on whether or not a candidate is

recommended by a shareholder. Shareholders making a recommendation must submit the same information as that required to be included by the Company in its proxy statement with respect to nominees of the Board of Directors. The shareholder recommendation should be submitted in writing, addressed to: Alan S. Ginsberg, Secretary of Eagle Bulk Shipping Inc., 477 Madison Avenue, Suite 1405, New York, New York 10022.

Code of Ethics

The Company's Code of Ethics, which applies to our Directors, executive officers (our Chief Executive Officer, our Chief Financial Officer, and our President Eagle Shipping International (USA) LLC) and employees, is available on our website at www.eagleships.com, and copies are available in print upon request to Eagle Bulk Shipping Inc., 477 Madison Avenue, Suite 1405, New York, New York 10022. The Company intends to satisfy any disclosure requirements regarding any amendment to, or waiver from, a provision of this Code of Ethics by posting such information on the Company's website.

Communications with the Board of Directors

Shareholders and other interested parties may communicate with members of the Board of Directors, including reporting any concerns related to governance, corporate conduct, business ethics, financial practices, legal issues and accounting or audit matters in writing addressed to the Board of Directors, or any such individual Directors or group or committee of Directors by either name or title in care of: Secretary of Eagle Bulk Shipping Inc., 477 Madison Avenue, Suite 1405, New York, New York 10022.

All communications received as set forth above will be opened by the office of our Secretary for the sole purpose of determining whether the contents represent a message to our Directors. Materials that are unrelated to the duties and responsibilities of the Board of Directors, such as solicitations, resumes and other forms of job inquiries, surveys and individual customer complaints, or materials that are unduly hostile, threatening, illegal or similarly unsuitable will not be distributed, but will be made available upon request to the Board of Directors, a committee of the Board of Directors or individual Directors as appropriate, depending on the facts and circumstances outlined in the communication.

The Leadership Structure of the Board of Directors

Sophocles Zoullas currently serves as both Chairman and Chief Executive Officer of Eagle Bulk Shipping. The Company believes that this leadership structure is in the best interests of shareholders because it promotes unified leadership, effective decision-making, and facilitates efficient execution of the Company's strategic initiatives and business plan. Additionally, because of the Chief Executive Officer's responsibilities for the day-to-day execution of corporate strategy and the importance of company performance in deliberations of the Board of Directors, we believe that our Chief Executive Officer is the director best qualified to serve as Chairman of the Board of Directors. The Board of Directors has also considered creating a lead independent director position on the Board of Directors, however given the size of the Company's Board of Directors, it does not believe that such a position would benefit the functioning of the Board of Directors or its interaction with management. The Board of Directors also believes that there is substantial independent and effective oversight of management, including as a result of the following:

- Annual reviews of the performance of our Chairman and Chief Executive Officer by the independent directors on the Compensation Committee.
- Our independent directors regularly meet in executive session without the presence of management.
- The Audit Committee meets separately with the independent auditor as needed to fulfill its responsibilities under its Charter.
- We have a substantial majority of active and well-qualified independent directors, each of whom is an equal participant in decisions of the Board of Directors.
- Each of the committees of the Board of Directors is comprised solely of independent directors.

The Role of the Board of Directors in Risk Oversight

The Audit Committee has primary responsibility for risk oversight on behalf of the Board of Directors. The Committee regularly discusses, on at least a quarterly basis, risk exposures that may have a material impact on the

Company's financial statements, and the steps that management has taken to monitor and control such exposures. Additionally, pursuant to its Charter, the Audit Committee is responsible for discussing with management policies with respect to risk assessment and risk management. The Compensation Committee also considers the risk implications of compensation approaches before making final determinations with respect to compensation program design. For a further discussion of the Compensation Committee's consideration of potential risks associated with our compensation program, please see the section "Risk Assessment" of this proxy.

Executive Sessions

Consistent with our Corporate Governance Guidelines, the non-employee directors of the Board of Directors regularly hold executive sessions. The Audit Committee, in accordance with its charter, meets separately with our executives at regular intervals or as otherwise deemed appropriate throughout the year to review our financial affairs, and meets separately in sessions with the independent auditors at such times as the Committee deems appropriate to fulfill its responsibilities under the charter. The independent directors met in executive sessions four times during 2011.

Compensation Committee Interlocks and Insider Participation

No member of the Compensation Committee was an officer or employee of the Company or any of the Company's subsidiaries, or had any relationship requiring disclosure under SEC regulations. None of the Company's Compensation Committee members or executive officers has served on the board of directors or on the compensation committee of any other entity whose executive officers served on our Board of Directors or on our Compensation Committee.

Our named executive officers are:

- Sophocles N. Zoullas, Chairman and Chief Executive Officer, for whom information is set forth under the heading "Nominee Information" above.
- Alan S. Ginsberg, Chief Financial Officer since February 2005.
- Alexis P. Zoullas, President of Eagle Shipping International (USA) LLC, for whom information is set forth under the heading "Continuing Director Information" above.

Mr. Ginsberg holds a bachelor's degree from Georgetown University. Mr. Ginsberg is a certified public accountant and has previously worked at Coopers & Lybrand.

COMPENSATION DISCUSSION & ANALYSIS

Introduction

This Compensation Discussion and Analysis ("CD&A") is a discussion of how we use different elements of compensation to achieve the objectives of our executive compensation program and how we determined the amounts of each component of compensation paid to our named executive officers for 2011. This information should be read in conjunction with the data and associated narrative provided in the Summary Compensation Table and other tables following this CD&A. For 2011, the following individuals were our named executive officers:

- Sophocles N. Zoullas, Chairman and Chief Executive Officer
- Alan S. Ginsberg, Chief Financial Officer
- Alexis P. Zoullas, President, Eagle Shipping International (USA) LLC

Compensation Objectives and Philosophy

We believe that the leadership and proven talents of our executive team are essential for our continued success and sustained financial performance. The primary objectives of our compensation program are to attract and retain highly qualified personnel for positions of substantial responsibility, and to provide incentives for such persons to perform to the best of their abilities, achieve our strategic objectives, enable the Company to compete effectively in the seaborne transportation industry and to promote the success of our business. Therefore, our compensation program is designed to attract, motivate and retain executives who possess the talent, leadership and commitment needed to operate our business, create and implement new opportunities, anticipate and effectively respond to new challenges, and make and execute difficult decisions.

The Compensation Committee believes that the Company's compensation programs should:

- Align the interests of our executives with those of our shareholders;
- Encourage and reward achievement of the Company's annual and longer-term performance objectives;
- Promote the long-term success of the Company through an appropriate balance of current and long-term compensation opportunities;
- Differentiate pay based on individual and company performance;
- Reflect the market and provide competitive compensation opportunities based on performance;
- Make wise use of our equity resources to ensure compatibility between senior management and shareholder interests; and
- Balance incentives for constructive risk management.

2011 Performance

Our compensation program is designed to incentivize and reward strategic and operational achievements which will enhance shareholder value. In 2011, we successfully completed our newbuilding program and we now operate a fleet of 45 homogenous vessels while maintaining high vessel utilization rates. We continued to develop an infrastructure which we believe will better position our Company for future success.

During 2011, key accomplishments of our Company included:

- Maintained a vessel utilization rate of 99.4%, while increasing the fleet operating days by 32% in 2011 over 2010;
- Successfully integrated eight newbuildings into its operating fleet during 2011, resulting in a 18% increase in total owned days to 15,290 in 2011 from 12,958 in 2010;
- Successfully diversified our chartering strategy with a mix of index-based and fixed charters;
- Successfully delivered eight newbuilding vessels into a short and long-term time charter contracts;
- Further diversified revenue streams and initiated new chartering relationships with first class charterers;
- Expanded our own in-house capabilities for technical management to establish a vessel management bench-mark with our external technical managers and reduce costs;
- Managed on-time construction of eight vessels with on-time milestones;
- Increased direct purchasing of spares and stores to benefit from lower unit costs; and
- Successfully completed the disposition of one vessel.

How Our Compensation Decisions Are Made

The Company's executive compensation is determined by the Company's Compensation Committee. Although not required under the Compensation Committee's charter, the Company's executive compensation for 2011 has been ratified by the unanimous consent of the Company's full Board of Directors.

Role of the Board of Directors and Compensation Committee

Our Board of Directors is responsible for establishing and administering our executive compensation and equity incentive programs. This duty of the Board of Directors has been delegated to the Compensation Committee in accordance with the Compensation Committee Charter. The Compensation Committee reviews executive performance to establish compensation and approves appropriate modifications to the named executive officers' compensation. The Compensation Committee is responsible for establishing the compensation of the Chief Executive Officer, and in the context of our overall compensation goals and objectives, reviews and approves the recommendations of the Chief Executive Officer regarding compensation and incentive plans of other named executive officers. The Committee also evaluates and recommends for approval by the Board of Directors, the annual compensation of the non-employee directors and oversees the equity compensation plans.

Role of the Compensation Consultant

In accordance with its Charter, the Compensation Committee has the authority to engage, retain and terminate a compensation consultant. The Committee also has the sole authority to approve the fees of such consultant.

Since 2007, the Compensation Committee and the Board of Directors have retained Steven Hall & Partners ("Consultant"), a nationally recognized executive compensation consultant, as their compensation consultant to provide independent, third-party advice and expertise on all aspects of executive and director compensation and related corporate governance matters. In 2011, as in prior years, the Committee relied upon the Consultant to assist in the development and evaluation of compensation policies and the determination of compensation awards. Additionally, the Consultant provided the Committee with comparative market data, to the extent available, as well as modeling and evaluations of proposed executive and director compensation policies and determinations.

The Compensation Committee consulted with the Consultant in connection with the determination of the 2011 compensation for our named executive officers and our Board of Directors. The Consultant also provided advice throughout the year on new issues and developments regarding executive compensation and related disclosures. In the future, the Compensation Committee may retain other similar consultants.

The Consultant does not provide any other services to the Company.

Role of Management

The Compensation Committee has sole authority to establish annual compensation for the Company's named executive officers, and none of the named executive officers determines his own pay. At the request of the Compensation Committee, our Chief Executive Officer provides recommendations regarding compensation of our other named executive officers during the annual compensation approval process and information regarding compensation trends within the seaborne transportation industry.

Competitive Marketplace Assessment

Most of our direct business competitors are foreign companies that are not required to disclose compensation information for their executive officers on an individual basis and detailed compensation data is therefore limited or unavailable. Additionally, the management structures of comparable organizations are often non-traditional, further complicating direct comparison of positions and responsibilities. To provide context and to ensure that Eagle Bulk arrangements are reasonable, the Committee does reference compensation arrangements for executives at other similarly sized companies in the shipping industry for whom compensation data is publicly available. However, due to the limited number of direct comparators, the Committee does not believe that it has sufficient information to permit a meaningful benchmark assessment. Therefore, the Committee does not benchmark.

Elements of the Company's Executive Compensation Program

Our compensation program is comprised of two main elements:

- Fixed compensation in the form of base salary.
- Variable incentive compensation which is delivered in cash and equity.

Fixed Compensation

Base Salary

Base salary provides a competitive rate of fixed pay and reflects different levels of responsibility within the Company, the skills and experience required for the job, individual performance and labor market conditions.

Variable Incentive Compensation

Annual Incentive Compensation

Due to the cyclical and volatile nature of the business in which the Company competes, like most companies in the shipping industry, the Company does not set performance targets with respect to incentive compensation. Instead, the Compensation Committee considers performance across a wide range of quantitative, qualitative, operational and strategic measures and determines annual incentive compensation on a discretionary basis following a comprehensive assessment of the macro-economic environment, the Company's performance, and each executive's contribution to that performance. The Committee believes that this approach provides for greater flexibility to reward executives for quick thinking and decisive actions taken to better position the Company in scenarios which may be difficult to predict or anticipate given the extreme volatility of the dry bulk shipping market.

Role of Our Shareholders

As required by the Dodd-Frank Wall Street Reform and Consumer Protection Act and SEC regulations, we submitted two non-binding proposals to our shareholders at our 2011 Annual Meeting, consisting of an advisory vote to approve the compensation of our named executive officers, or a say-on-pay vote, and an advisory vote on the frequency of future say-on-pay votes, or a frequency vote. Shareholders approved the say-on-pay vote relating to our 2010 compensation, and approved the recommendation of the Board of Directors to hold future say-on-pay votes every three years. As a result, the next say-on-pay vote will be held no later than the 2014 Annual Meeting of Shareholders. In light of the approval of the say-on-pay vote, the Compensation Committee did not make specific changes to our executive compensation program in response to the vote. The Compensation Committee intends to consider the outcome of the Company's say-on-pay vote when making future compensation decisions for the named executive officers.

Long-Term Incentive Compensation – Equity Awards

The Committee believes that the effective use of stock-based long-term incentive compensation has been integral to the Company's success in the past and is vital to its ability to achieve continued strong performance in the future and therefore delivers a portion of each executive's incentive compensation in the form of equity. These awards are intended to align the interests of executives with those of shareholders, enhance the personal stake of executive officers in the growth and success of the Company, provide an incentive for the executive officers' continued service at the Company, and provide an opportunity for executives to increase their stock ownership levels.

Full Value Shares- in 2011, the Company granted restricted stock units ("RSUs") to each of the named executive officers. The awards were made on December 22, 2011 and vest annually in three equal installments, beginning on the first anniversary of the date of grant.

Dividend Equivalent Rights- in the past, the Company has awarded Dividend Equivalent Rights ("DERs") to officers and directors. These rights entitle the recipient to receive a Dividend Equivalent payment each time the Company pays a dividend to the Company's shareholders. The amount of the Dividend Equivalent payment is equal to the number of DERs multiplied by the amount of the per share dividend paid by the Company on its stock on the date the dividend is paid. The DERs are contingent upon the recipient's continued employment or service at the dividend payment date. The Company announced the suspension of its dividend on December 19, 2008, and no payments were made to holders of DERs in 2010 or 2011.

Special Awards

From time to time, the Company also makes special cash incentive awards, as deemed appropriate by the Compensation Committee. The purpose of these payments is to recognize significant individual contributions that would not, in the view of the Compensation Committee, be fully accounted for under our annual compensation determinations. The amount of any special cash incentive award is determined and approved by the Compensation Committee. No named executive officer received a special award in 2010 or 2011.

Other Elements

Perquisites

As a general matter, the Company does not provide perquisites for its executive officers. Pursuant to a contractual obligation of our Chief Executive Officer's employment agreement, the Company pays his life insurance premium. Other than this de minimus perquisite, the Company does not provide any other perquisites to its named executive officers.

401(k) Savings Plan

We provide all qualifying full-time employees with the opportunity to participate in our tax-qualified 401(k) savings plan. Our named executive officers participate in this plan on the same basis as our other full-time employees.

Employment Agreements

We have entered into an employment agreement with our Chief Executive Officer. The terms of the agreement are described in greater detail under the section entitled "Employment Agreement with Sophocles N. Zoullas". We do not have employment agreements with any of our other named executive officers.

Severance and Change in Control Benefits

Under the terms of his employment agreement, our Chief Executive Officer is entitled to certain payments and benefits if we terminate his employment without cause or he terminates employment for good reason, as these terms are defined in his contract. The Chief Executive Officer is entitled to certain additional payments and benefits if his employment is terminated without cause or for good reason within 24 months of a change in control. These benefits and payments are described in greater detail in the section below entitled "Potential Payments Upon Termination or Change-in-Control."

Pursuant to the terms of our equity plans, the other named executive officers are entitled to certain potential payments upon termination or change in control. These potential payments are described in greater detail in the section below entitled "Potential Payments Upon Termination or Change-in-Control."

The equity incentives and incentive compensation amounts awarded to our Chief Executive Officer, our Chief Financial Officer and the President of Eagle Shipping International (USA) LLC in 2011 are not necessarily indicative of the incentive compensation to be awarded to the Company's executive officers in future years.

Pay for Performance – How 2011 Executive Compensation Was Determined

The Compensation Committee believes that executive pay should reflect both Company and individual performance and makes determinations regarding variable incentive compensation following a holistic assessment of performance for the year.

Company Performance

When assessing corporate performance for 2011, the Committee considered:

- Corporate earnings per the Company's financial plan;
- Increases in the size of our fleet, which we believe will have a positive impact on future revenues and profits;
- The impressive fleet utilization achieved by the Company in light of a substantial increase in the size of the fleet;
- Enhancement of the Company's in-house capabilities with regard to fleet management and newbuilding oversight which have increased our efficiency;
- Establishment of the Company's trading operation in Singapore which increased the Company's market intelligence;
- Achievement of the Company's other strategic and commercial objectives;
- Performance relative to similar seaborne transportation companies;
- Performance relative to overall market conditions; and
- The actions taken by management to position the Company for strong growth as general economic conditions improve.

Individual Performance

To assess each executive's contribution to Company performance and achievements in his area of responsibility, the Committee considers the executive's:

- Performance in light of the Company's current goals and objectives;
- The nature and scope of the executive's responsibilities;
- Level of communication with the Board of Directors;
- Initiative, managerial ability and overall contributions to corporate performance; and
- Contributions to initiatives that will deliver greater future value to shareholders.

The Committee also considers the scope and importance of the functions the executive performed or for which the executive was responsible.

Salary

In 2011, we maintained base salaries for our Chief Executive Officer and our Chief Financial Officer at the same level as in 2009 and 2010. The base salary of our President of Eagle Shipping International (USA) LLC was increased by \$50,000 to \$700,000, following his promotion; prior to this increase, his salary had been at the same level since 2009.

For 2012, the Committee has determined to keep the base salaries of our Chief Executive Officer, our Chief Financial Officer and our President of Eagle Shipping International (USA) LLC at the same level as in 2011.

Incentive Compensation

In 2011, the Compensation Committee determined and approved, and after consideration the independent members of the Board of Directors ratified, the compensation for the Chief Executive Officer as follows: a cash annual incentive compensation of \$1,200,000 and an equity award of 1,000,000 RSUs. The amount of incentive compensation awarded in 2011 was based on the Committee's assessment of the Chief Executive Officer's performance in 2011, including his:

- Contribution to the 2011 accomplishments of the Company outlined earlier;
- Expanding the Company's new trading operation based in Singapore;
- Expanding in-house shipping management capabilities;
- Contribution in building strong relationships with shipbuilders, bankers and charter operators;
- Strategic guidance in a volatile dry bulk market; and
- Effective management of chartering affairs.

With respect to the incentive compensation awarded to the other two named executive officers, the Compensation Committee considered the Chief Executive Officer's assessment of performance and compensation recommendations, the performance of the Company detailed above, and the individual contributions of each executive.

For the Chief Financial Officer, the Committee noted the executive's following contributions:

- Maintaining responsibility for and oversight of the Company's accounting and financial functions;
- Improving investor relations through personal visits and increasing communications with investors; and
- Serving as the Company's main representative to our lenders.

In consideration of these accomplishments, the Compensation Committee determined and approved, and the independent directors of the Board of Directors ratified, a cash annual incentive compensation of \$400,000 and an equity award of 145,000 RSUs.

For the President of Eagle Shipping International (USA) LLC, the Committee noted the executive's following contributions:

- Built up in-house technical and operational management to supervise expanding fleet and reduce costs;
- Managed on-time construction of eight vessels with on-time milestones and improved quality;
- Expanding the Company's new trading operation based in Singapore; and

Ÿ Initiated new chartering relationships with several new first class charterers.

In consideration of these accomplishments, the Compensation Committee determined and approved, and the independent directors of the Board of Directors ratified, a cash annual incentive compensation of \$600,000 and an equity award of 300,000 RSUs.

Risk Assessment

The Compensation Committee believes that the Company's compensation objectives and policies do not create risks that are reasonably likely to have a material adverse effect on the Company. Determinations regarding incentive compensation are based on a discretionary assessment of a variety of factors related to the performance of the Company and the contributions of each executive officer to that performance. Incentive compensation awards are not tied to formulas based on short-term performance, and no one factor disproportionately affects incentive amounts, which diversifies the risk associated with any single indicator of performance. A significant portion of each executive's total compensation is delivered in the form of equity that vests over multiple years, thereby aligning the interests of our executive officers with those of our shareholders. Compensation is determined by our Compensation Committee, which is comprised solely of independent members of our Board of Directors.

Section 162(m)

Section 162(m) of the Internal Revenue Code of 1986, as amended, (the "Code"), limits the deductibility of compensation to certain employees in excess of \$1 million. Because the company believes that it currently qualifies for the exemption pursuant to Section 883 of the Code, pursuant to which it is not subject to United States federal income tax on its shipping income (which comprised substantially all of its gross revenues in 2011), it has not sought to structure its compensation arrangements to qualify for exemption under Section 162(m).

REPORT OF THE COMPENSATION COMMITTEE

The Compensation Committee of the Board of Directors has reviewed and discussed the Compensation Discussion & Analysis with management and, based on that review and discussion, the Compensation Committee recommended to the Board of Directors that the Compensation Discussion & Analysis be included in this proxy statement and be incorporated by reference into the Company's Annual Report for the fiscal year ending December 31, 2011 on Form 10-K.

Potential Payments Upon Termination Or Change-In-Control

As discussed in detail below under the heading "Employment Agreement with Sophocles N. Zoullas," the Company entered into an employment agreement with our Chief Executive Officer in 2008. It provides that if we terminate our Chief Executive Officer's employment without cause or if our Chief Executive Officer terminates employment for good reason, then he is entitled to receive a lump-sum payment.

The Company has granted to the named executive officers, pursuant to the Eagle Bulk Shipping Inc. 2005 Stock Incentive Plan, or the 2005 Plan, and Eagle Bulk Shipping Inc. 2009 Stock Incentive Plan, or the 2009 Plan, restricted stock units of the Company that vest in equal annual installments. The restricted stock units provide that (i) if the executive is terminated on death or disability the unvested restricted stock units will vest and be paid out, (ii) if within 24 months following a change of control the executive is terminated without cause or terminates for good reason then the unvested restricted stock units will vest and be paid out.

The restricted stock units also provide for a gross-up for any excise taxes under Section 4999 of the Code imposed on excess parachute payments which may become payable to the Chief Executive Officer, whether such payments arise with respect to accelerated vesting of the restricted stock units or under other plans or agreements.

The following tables show the potential payments upon termination or change of control to our Chief Executive Officer, our Chief Financial Officer, and our President, Eagle Shipping International (USA) LLC, determined as if such event took place on December 31, 2011.

4999 Gross-Up(4)	X	X	X	X	X

(1) The lump sum payment due to our Chief Executive Officer is:

(i) upon a termination without cause or quit for good reason, the aggregate of (A) our Chief Executive Officer's accrued but unpaid annual base salary and any accrued but unused vacation pay, (2) the Executive's reimbursable business expenses, (3) our Chief Executive Officer's annual incentive compensation and any special cash incentive award for the calendar year immediately preceding the calendar year in which the termination occurs if such annual incentive compensation or special cash incentive award has been determined or earned but not paid, and (4) the product of our Chief Executive Officer's two year average annual incentive compensation multiplied by a fraction, the numerator of which is the number of days in the year in which the termination occurs through the date of termination and the denominator of which is 365, and (B) the amount equal to the product of (x) two and (y) the sum of (I) our Chief Executive Officer's annual base salary and (II) our Chief Executive Officer's two year average annual incentive compensation and any special cash incentive award; or (ii) upon a termination within two years following a change in control, the aggregate of (A) our Chief Executive Officer's accrued but unpaid annual base salary and any accrued but unused vacation pay, (2) the Executive's reimbursable business expenses, (3) our Chief Executive Officer's annual annual incentive compensation for the calendar year immediately preceding the calendar year in which the termination occurs if

such annual incentive compensation has been determined or earned but not paid, and (4) the product of our Chief Executive Officer's two year average annual incentive compensation multiplied by a fraction, the numerator of which is the number of days in the year in which the termination occurs through the date of termination and the denominator of which is 365, and (B) the amount equal to the product of (x) three and (y) the sum of (I) our Chief Executive Officer's annual base salary and (II) our Chief Executive Officer's two year average annual incentive compensation and any special cash incentive award. The value of the lump sum payment is inclusive of the excise tax gross-up amount set forth in this table and described in Note (3) below.

- (2) As of December 31, 2011, our Chief Executive Officer held 1,865,000 unvested restricted stock units of the Company, our Chief Financial Officer held 185,000 unvested restricted stock units of the Company, and our President, Eagle Shipping International (USA) LLC held 391,667 unvested restricted stock units of the Company. The restricted stock units provide that (i) if the executive is terminated on death or disability the unvested restricted stock units will vest and be paid out, and (ii) if within 24 months following a change of control the executive is terminated without cause or terminates for good reason then the unvested restricted stock units will vest and be paid out. The amount equals the number of unvested restricted stock units held by the executive times \$0.94, which was the closing price per share of the Company's common stock on December 31, 2011.
- (3) The parachute includes the value of vesting of stock options and restricted stock units assuming a cashout on December 31, 2011, and includes the lump-sum payment, see Note (1) above. The following assumptions were used to calculate payments for the 4999 gross-up amount: (i) equity is valued based on the closing price of the Company's common stock on December 31, 2011, of \$0.94; (ii) parachute payments for stock options and restricted stock units were valued using Treasury Regulation Section 1.280G-1, Q&A 24(c); and (iii) a federal tax rate of 35%, NYS tax rate of 8.97%, NYC tax rate of 3.88% and Medicare tax rate of 1.45% are assumed.
- (4) See Note (3) above for assumptions used to calculate parachute payments with respect to vesting of stock options and restricted stock units.

Employment Agreement with Sophocles N. Zoullas

On June 19, 2008, we entered into an amended employment agreement with an original term of five years with Sophocles N. Zoullas pursuant to which he serves as our Chief Executive Officer. Either our Chief Executive Officer or we may terminate the employment agreement for any reason on 30 days' written prior notice. We may also terminate our Chief Executive Officer's employment at any time for cause.

Pursuant to the employment agreement, our Chief Executive Officer receives a minimum base salary per year in the amount of \$875,000 and received an initial equity grant of 833,333 restricted stock units. Our Chief Executive Officer is eligible to participate in a performance annual incentive compensation pool, for senior executives, as well as discretionary amounts determined by the Compensation Committee. Our Chief Executive Officer is entitled to participate in the benefit plans and fringe benefits provided generally to similarly situated senior executives. The employment agreement also provides that we will provide our Chief Executive Officer with a life insurance policy during the term of the agreement with the amount and terms determined by mutual agreement.

In the event our Chief Executive Officer terminates his employment for other than good reason, our Chief Executive Officer is entitled to receive (i) his base salary and any unused vacation pay earned but unpaid up to the date of termination, (ii) reimbursement of any expenses for which he was due reimbursement, (iii) any annual incentive compensation actually earned for a completed year but unpaid as of the date of termination, and (iv) any annual incentive compensation earned for the uncompleted year, based upon his two-year average annual incentive compensation (collectively, (i), (ii), (iii) and (iv) are referred to as the "Accrued Benefits").

In the event we terminate our Chief Executive Officer's employment without cause or our Chief Executive Officer terminates his employment for good reason, then in addition to the Accrued Benefits, our Chief Executive Officer is entitled to receive a lump-sum payment in an amount equal to the product of (x) two and (y) the sum of (I) his annual base salary and (II) our Chief Executive Officer's two-year average annual incentive compensation and any special cash incentive award. Following a change of control, our Chief Executive Officer may be entitled to an enhanced "double trigger" severance payment. In the event that we terminate our Chief Executive Officer's employment without cause or our Chief Executive Officer terminates his employment for good reason following a change of control, the lump-sum payment is in an amount equal to the product of (x) three and (y) the sum of (I) our Chief Executive Officer's annual base salary and (II) our Chief Executive Officer's two-year average annual incentive compensation and any special cash incentive award. In addition, we will continue his health insurance (for our Chief Executive Officer and his dependents) during for two years (or three years if we terminate our Chief Executive Officer's employment without cause or our Chief Executive Officer terminates his employment for good reason following a change of control). Our Chief Executive Officer does not receive a lump sum payment in the event he is terminated for cause, which we may do at any time such cause exists. In the event that his employment is terminated for cause, we are only obligated to provide our Chief Executive Officer with the Accrued Benefits. If our Chief Executive Officer dies or becomes disabled while employed by us, all of his rights under the employment agreement terminate except that (i) we are required to pay our Chief Executive Officer his Accrued Benefits, (ii) any stock options or stock appreciation rights shall become fully exercisable and shall remain exercisable for a period of 12 months after the termination of employment due to such death or disability (or until the earlier original expiration date of such options or stock appreciation rights), and (iii) any restricted stock or restricted stock units shall become fully vested.

The employment agreement provides for a gross-up for any excise taxes under Section 4999 of the Code imposed on excess parachute payments which may become payable to the executive, whether such payments arise with respect to accelerated vesting of the restricted stock units or under other plans or agreements.

INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The Audit Committee has appointed PricewaterhouseCoopers LLP as independent registered public accounting firm of Eagle Bulk Shipping for the fiscal year 2012, subject to the ratification of the stockholders at the Annual Meeting. If the appointment is not ratified by stockholders, the selection of the Corporation's independent registered public accounting firm will be reconsidered by the Audit Committee.

Ernst & Young LLP served as the independent registered public accounting firm of the Corporation from the organization of the Corporation in 2005 through the fiscal year ended December 31, 2010. On March 24, 2010, the Audit Committee dismissed Ernst & Young LLP as the independent registered public accounting firm of the Corporation and engaged PricewaterhouseCoopers in such position for 2011. The reports of Ernst & Young LLP on the consolidated financial statements of Eagle Bulk Shipping for the years ended December 31, 2010 and 2009 did not contain an adverse opinion or disclaimer of opinion and were not qualified or modified as to uncertainty, audit scope or accounting principle. During the Company's fiscal years ended December 31, 2010 and 2009, there were no disagreements with Ernst & Young LLP on any matter of accounting principles or practices, financial statements disclosure or auditing scope or procedure, which disagreements, if not resolved to Ernst & Young LLP's satisfaction, would have caused Ernst & Young LLP to make reference to the subject matter of such disagreements in its reports on the Corporation's consolidated financial statements for such years or period.

Fees to former Independent Registered Public Accounting Firm

As outlined in the table below, we incurred the following fees for the fiscal years ended December 31, 2011 and December 31, 2010, for professional services rendered by PricewaterhouseCoopers LLP and Ernst & Young LLP, respectively, for the audit of the Company's annual financial statements and for audit-related services, tax services and all other services, as applicable.

All Other Fees	\$ 0	\$ 0
Total	\$458,800	\$1,037,500

Audit fees for fiscal year 2011 and 2010 include professional services rendered by PricewaterhouseCoopers LLP and Ernst & Young LLP, respectively, for the annual audit of the Company's financial statements and internal controls, the reviews of the financial statements included in the Company's Quarterly Reports on Form 10-Q.

Audit-related fees for 2010 include professional services rendered for assurance and related services that are reasonably related to the performance of the audit of the Company's financial statements.

REPORT OF THE AUDIT COMMITTEE

The role of the Audit Committee is to assist the Board of Directors in its oversight of the quality and integrity of the accounting, auditing and financial reporting practices of the Company and the independence and performance of the Company's auditors. The Board of Directors, in its business judgment, has determined that all members of the Audit Committee are "independent", as provided under the applicable listing standards of the Nasdaq Global Market and by Rule 10A-3 under the Securities Exchange Act of 1934. The Audit Committee operates pursuant to a Charter that was adopted by the Board of Directors on June 3, 2005, as amended in November 2006. As set forth in the Charter, the Committee's job is one of oversight. Management is responsible for the preparation, presentation and integrity of the Company's financial statements. Management is also responsible for maintaining appropriate accounting and financial reporting principles and practices and internal controls and procedures designed to assure compliance with accounting standards and applicable laws and regulations. The independent registered public accounting firm is responsible for auditing the annual financial statements, expressing an opinion based on their audit as to the statements' conformity with generally accepted accounting principles, reviewing the Company's quarterly financial statements prior to the filing of each Quarterly Report on Form 10-Q and discussing with the Committee any issues they believe should be raised with the Committee.

The Committee met with the Company's independent registered public accounting firm to review and discuss the overall scope and plans for the audit of the Company's consolidated financial statements for the year ended December 31, 2011. The Committee has considered and discussed with management and the independent registered public accounting firm (both alone and with management present) the audited financial statements as well as the independent registered public accounting firm's evaluation of the Company's internal control over financial reporting and the overall quality of the Company's financial reporting. Management represented to the Committee that the Company's financial statements were prepared in accordance with generally accepted accounting principles, and the Committee reviewed and discussed the financial statements with management.

The Audit Committee has also discussed with the independent registered public accounting firm the matters required to be discussed by Statement on Auditing Standards No. 61, Communication with Audit Committees, as currently in effect. The Corporation's independent registered public accounting firm also provided to the Audit Committee the written disclosures and letter required by PCAOB Rule 3526 (Communication with Audit Committees Concerning Independence), and the Audit Committee discussed with the independent registered public accounting firm their independence and considered the compatibility of nonaudit services with the registered public accounting firm's independence, and a formal written statement from the independent registered public accounting firm, confirmed by management, of the fees billed for audit services, and other non-audit services rendered by the independent registered public accounting firm for the most recent fiscal year. The Audit Committee has considered whether the provision of non-audit services by the independent registered public accounting firm to the Company is compatible with maintaining the independent registered public accounting firm's independence and has discussed with the independent registered public accounting firm their independence.

The members of the Audit Committee are not professionally engaged in the practice of auditing or accounting and, with the exception of the Chairman of the Audit Committee, are not experts in the field of auditing or accounting, including in respect of auditor independence. Members of the Audit Committee rely, without independent verification, on the information provided to them and on the representations made by management and the independent registered public accounting firm. Accordingly, the Audit Committee's activities do not provide an independent basis to determine that management has maintained appropriate internal control and procedures designed to assure compliance with accounting standards and applicable laws and regulations. Furthermore, the Audit Committee's considerations and discussions referred to above do not assure that the audit of the Company's financial statements has been carried out in accordance with generally accepted auditing standards, that the financial statements are presented in accordance

with generally accepted accounting principles or that the Company's independent registered public accounting firm is in fact "independent."

Based upon the Audit Committee's receipt and review of the various materials and assurances described above and its discussions with management and the independent registered public accounting firm, and subject to the limitations on the role and responsibilities of the Audit Committee referred to above and in the Charter, the Committee recommended to the Board of Directors that the audited financial statements be included in the Company's Annual Report on Form 10-K for the year ended December 31, 2011, filed with the Securities and Exchange Commission.

SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT

The following table sets forth certain information regarding the beneficial ownership of the Company's voting common stock as of April 27, 2012 of:

- each person, group or entity known to the Company to beneficially own more than 5% of our stock;
- each of our Directors and Director nominees;
- each of our Named Executive Officers; and
- all of our Directors and executive officers as a group.

As of the April 23, 2012 record date, a total of 63,003,286 shares of common stock were outstanding and entitled to vote at the Annual Meeting. Each share of common stock is entitled to one vote on matters on which common shareholders are eligible to vote.

The amounts and percentages of common stock beneficially owned are reported on the basis of regulations of the SEC governing the determination of beneficial ownership of securities. Under the rules of the SEC, a person is deemed to be a "beneficial owner" of a security if that person has or shares "voting power," which includes the power to vote or to direct the voting of that security, or "investment power," which includes the power to dispose of or to direct the disposition of that security. A person is also deemed to be a beneficial owner of any securities as to which that person has a right to acquire beneficial ownership presently or within 60 days. Under these rules, more than one person may be deemed a beneficial owner of the same securities, and a person may be deemed to be the beneficial owner of securities as to which that person has no economic interest.

SHAREHOLDER PROPOSALS FOR THE 2013 ANNUAL MEETING OF SHAREHOLDERS

Any shareholder desiring to present a proposal for inclusion in the proxy statement for the Company's 2013 Annual Meeting of Shareholders must deliver the proposal to the Secretary of the Company not later than December 20, 2012. Only those proposals that comply with Eagle Bulk Shipping's By-Laws and the requirements of Rule 14a-8 of the Exchange Act will be included in the Company's proxy statement for the 2013 Annual Meeting of Shareholders.

Shareholders may present proposals that are proper subjects for consideration at an annual meeting, even if the proposal is not submitted by the deadline for inclusion in the proxy statement. To do so, the shareholder must comply with the procedures specified in the Company's amended and restated by-laws which have been filed as Exhibit 3.2 to our registration statement on Form S-1 (as amended on June 22, 2005) and are available in print upon request from the Secretary. Our amended and restated by-laws require all shareholders who intend to make proposals at an annual meeting of shareholders to submit their proposals to the Secretary not fewer than 90 and not more than 120 days before the anniversary date of the previous year's annual meeting of shareholders. The by-laws also provide that nominations for Director may only be made by the Board of Directors (or an authorized Board of Directors committee) or by a shareholder of record entitled to vote who sends notice to the Secretary not fewer than 90 nor more than 120 days before the anniversary date of the previous year's annual meeting of shareholders. Any nomination by a shareholder must comply with the procedures specified in the Company's by-laws. To be eligible for consideration at the 2013 Annual Meeting, proposals that have not been submitted by the deadline for inclusion in the proxy statement and any nominations for Director must be received by the Secretary between February 27, 2013 and March 23, 2013. This advance notice period is intended to allow all shareholders an opportunity to consider all business and nominees expected to be considered at the meeting.

All submissions to, or requests from, the Secretary should be made to: Alan S. Ginsberg, Secretary of Eagle Bulk Shipping Inc., at 477 Madison Avenue, Suite 1405, New York, New York 10022.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Pursuant to Section 16(a) of the Exchange Act and the rules thereunder, the Company's executive officers and Directors and persons who own more than 10% of a registered class of the Company's equity securities are required to file with the SEC reports of their ownership of, and transactions in, the Company's common stock. Based solely on a review of copies of such reports furnished to the Company, and written representations that no reports were required, the Company believes that during the fiscal year ended December 31, 2011, its executive officers, Directors and 10% holders complied with the Section 16(a) requirements.

IMPORTANT NOTICE REGARDING DELIVERY OF SHAREHOLDER DOCUMENTS

The SEC has adopted rules that permit companies and intermediaries such as brokers to satisfy proxy material delivery requirements with respect to two or more shareholders sharing the same address by delivering a single proxy statement and annual report addressed to those shareholders. This process, which is referred to as "householding," potentially provides extra convenience for shareholders and reduces printing and postage costs for companies.

The Company and some brokers utilize the householding process for proxy materials. In accordance with a notice sent to certain shareholders who share a single address, only one copy of this Proxy Statement and the Company's 2011 Annual Report is being sent to that address, unless we received contrary instructions from any shareholder at that address. Shareholders who participate in householding will continue to receive separate proxy cards. Householding will continue until you are notified otherwise or until one or more shareholders at your address revokes consent. If you revoke consent, you will be removed from the householding program within 30 days of receipt of the revocation. If you hold your Company stock in "street name," additional information regarding householding of proxy materials should be forwarded to you by your broker.

If you wish to receive a separate copy of this proxy statement or the Company's 2011 Annual Report, or would like to receive separate proxy statements and annual reports in the future, or if you are receiving multiple copies of annual reports and proxy statements at an address shared with another shareholder and would like to participate in householding, please notify your broker if your shares are held in a brokerage account or us if you hold registered shares. You can notify us by sending a written request to Alan S. Ginsberg, Secretary of Eagle Bulk Shipping Inc., at 477 Madison Avenue, Suite 1405, New York, New York 10022.

OTHER MATTERS

At the date of this proxy statement, management was not aware that any matters not referred to in this proxy statement would be presented for action at the Annual Meeting. If any other matters should come before the Annual Meeting, the persons named in the accompanying proxy will have discretionary authority to vote all proxies in accordance with their best judgment, unless otherwise restricted by law.
