Item 4.

Purpose of Transaction.

The Reporting Persons purchased the Shares based on the Reporting Persons' belief that the Shares, when purchased, were significantly undervalued and represented an attractive investment opportunity. Depending upon overall market conditions, other investment opportunities available to the Reporting Persons, and the availability of Shares at prices that would make the purchase of additional Shares desirable, the Reporting Persons may endeavor to increase their position in the Issuer through, among other things, the purchase of Shares on the open market or in private transactions or otherwise, on such terms and at such times as the Reporting Persons may deem advisable.

WILLC is seeking representation on the Issuer's Board of Directors (the "Board"). WILLC delivered a letter dated December 12, 2008 to the Corporate Secretary of the Issuer nominating Messrs. Lipson, Crouse, Roberts and Schlarbaum and Professor Wood, as set forth therein, for election to the Board at the Issuer's 2009 annual meeting of stockholders (the "2009 Annual Meeting").

No Reporting Person has any present plan or proposal which would relate to or result in any of the matters set forth in subparagraphs (a) - (j) of Item 4 of Schedule 13D except as set forth in this Schedule 13D or such as would occur upon completion of any of the actions discussed above. The Reporting Persons intend to review their investment in the Issuer on a continuing basis and engage in discussions with management, the Board of the Issuer and other stockholders of the Issuer concerning the business, operations and future plans of the Issuer. The Reporting Persons are concerned by the persistent discount to net asset value at which the Shares have been trading and believe that the Issuer should take appropriate action to cause the discount to net asset value to be eliminated or reduced. Depending on various factors including, without limitation, the Issuer's financial position and investment strategy, the price levels and/or discount to net asset value of the Shares, conditions in the securities markets and general economic and industry conditions, the Reporting Persons may in the future take such actions with respect to their investment in the Issuer as they deem appropriate including, without limitation, seeking Board representation, commencing a tender offer, making additional shareholder proposals concerning, among other things, changes to the capitalization, ownership structure or operations of the Issuer or replacement of the Issuer's investment manager with an investment manager that is concerned with the discount to net asset value at which the Shares have been trading and that will take action to eliminate or reduce such discount, purchasing additional Shares, opposing any transaction resulting in a change of control of the Issuer's investment manager unless the persistent and excessive discount to net asset value at which the Issuer continues to trade is addressed, selling some or all of their Shares, engaging in short selling of or any hedging or similar transaction with respect to the Shares or changing their intention with respect to any and all matters referred to in Item 4.
