Item 6. Contracts, Arrangements, Understanding or Relationships With Respect to Securities of the Issuer.

On February 22, 2008, in connection with the acquisition by the Company, of Boise White Paper, L.L.C., Boise Packaging & Newsprint, L.L.C., Boise Cascade Transportation Holdings Corp. (collectively, the "Paper Group") and other assets and liabilities related to the operation of the paper, packaging and newsprint, and transportation businesses of the Paper Group and most of the headquarters operations of Boise Cascade, L.L.C. ("Boise Cascade"), Aldabra, Boise Cascade, Boise Cascade Holdings, L.L.C., certain directors and officers of the Company and other persons who were shareholders of the Company entered into an investor rights agreement (the "IRA").

The IRA provides for registration rights for the parties to the agreement, including Boise Cascade with respect to the shares of Common Stock issued to Boise Cascade pursuant to the Acquisition or any other shares of Common Stock that it acquires (the "Seller Registrable Securities"), and certain of Aldabra's stockholders with respect to shares of Common Stock acquired pursuant to the investor rights agreement (the "Aldabra Registrable Securities"). The IRA provides that the holders of a majority of the Seller Registrable Securities will have the right to nominate for election to Aldabra's board a number of directors proportional to the voting power represented by the shares of Common Stock that the holders of Seller Registrable Securities own until such time as the holders of Seller Registrable

Securities own less than 5% of the voting power of all of the outstanding capital stock of Aldabra. MDCP IV, as the controlling stockholder of Boise Cascade, will effectively have the ability to exercise these director nomination rights. Similarly, pursuant to the IRA, the holders of a majority of the Aldabra Registrable Securities will have the right to nominate to be elected to Aldabra's board a number of directors proportional to the voting power represented by the shares of Common Stock that the holders of Aldabra Registrable Securities own until such time as the holders of Aldabra Registrable Securities own less than 5% of the voting power of all of the outstanding capital stock of Aldabra.

Additionally, the investor rights agreement sets forth affirmative and negative covenants to which Aldabra will be subject as long as the holders of Seller Registrable Securities own at least 33% of the shares of Common Stock issued to the holders of Seller Registrable Securities as of the closing date of the Acquisition. MDCP IV, as the controlling stockholder of Boise Cascade, will have the ability to influence Aldabra's operations following the Acquisition as a result of such affirmative and negative covenants.

The IRA is described in detail in the Company's definitive proxy statement, filed with the Securities and Exchange Commission (the "SEC") on January 23, 2008, in the section entitled "Certain Relationships and Related Party Transactions—Agreements with Stockholders—Investor Rights Agreement" beginning on page 224, which information is incorporated herein by reference.

The foregoing is qualified in its entirety by reference to the full text of the IRA, which the Company filed as Exhibit 4.1 to the Current Report on Form 8-K on February 28, 2008 and which is also filed as an exhibit to this Schedule 13D.
