PROXY STATEMENT

This Proxy Statement is furnished in connection with the solicitation by the Board of Directors of KOPIN CORPORATION (the Company) of proxies for use at the Annual Meeting of Stockholders (the Meeting) to be held on April 24, 2003, and at any adjourned session thereof. This proxy statement was first mailed to stockholders on or about March 14, 2003. All solicitation expenses, including costs of preparing, assembling and mailing proxy material, will be borne by the Company. It is expected that solicitations will be made primarily by mail, but directors, officers and regular employees of the Company also may solicit proxies by telephone, telegraph and in person, without additional compensation therefor. Arrangements will be made with brokerage houses and other custodians, nominees, and fiduciaries for proxy material to be sent to their principals, and the Company will reimburse such persons for their reasonable expenses in so doing. The Company also has retained The Altman Group, Inc. to assist with the solicitation of proxies for an estimated fee of \$5,000 plus reimbursement of out-of-pocket expenses.

The close of business on March 10, 2003 has been established as the record date for determining the stockholders entitled to notice of and to vote at the Meeting and at any adjournments thereof. As of the record date, there were issued and outstanding and entitled to vote 69,391,349 shares of common stock of the Company, par value \$.01 per share (the Common Stock). Holders of shares of Common Stock are entitled to one vote for each share owned at the record date on all matters to come before the Meeting and any adjournments thereof. The presence in person or by proxy of holders of a majority of the issued and outstanding shares of Common Stock entitled to vote at the Meeting constitutes a quorum for the transaction of business.

Proxies in the form enclosed are solicited by the Board of Directors of the Company. Any proxy may be revoked at any time before it is voted by written notice of revocation received by the Secretary of the Company prior to the Meeting, by delivering a later dated proxy in accordance with the instructions on the enclosed proxy and by voting in person at the Meeting or by revocation of a written proxy by request in person at the Meeting; but if not so revoked, the shares represented by such proxy will be voted.

All proxies will be voted in accordance with the instructions contained therein. If no choice is specified for one or more proposals in a proxy submitted by or on behalf of a stockholder, the shares represented by such proxy will be voted in favor of such proposals and in the discretion of the named proxies with respect to any other proposals which may properly come before the Meeting.

For Proposal 1, directors are elected by a plurality of shares present in person or represented by proxy at the Meeting and entitled to vote, which means the six individuals receiving the highest number of FOR votes will be elected directors. Proposals 2 and 3 will be approved upon the affirmative vote of a majority of shares present in person or represented by proxy at the Meeting and entitled to vote on each such proposal.

If, in a proxy submitted on behalf of a stockholder by a person acting solely in a representative capacity, the proxy is marked clearly to indicate that the shares represented thereby are not being voted with respect to one or more proposals, then such proxies will be counted as present for purposes of establishing a quorum at the meeting but will not be considered entitled to vote on such proposals and such non-votes will have no effect on the results of the voting on such proposals.

Edgar Filing: KOPIN CORP - Form DEF 14A

Proxies marked as "abstain" as to one or more proposals will be counted as present for purposes of establishing a quorum at the meeting and for the purpose of calculating the vote on such proposals. Such abstentions will have the effect of a vote against such proposals.

The Chairman of the Board of Directors or the holders of a majority of the shares present in person or represented by proxy at the Meeting and entitled to vote has the power to adjourn the Meeting from time to time without notice other than announcement at the Meeting of the time and place of the adjourned meeting.

The Board of Directors does not know of any matters which will be brought before the Meeting other than those matters specifically set forth in the notice of Meeting. However, if any other matter properly comes before the Meeting, it is intended that the persons named in the enclosed proxy card, or their substitutes acting thereunder, will vote on such matter in accordance with their best judgment.

PROPOSAL I**ELECTION OF DIRECTORS**

The Company's By-laws provide that the Board of Directors of the Company (the Board) shall consist of not less than three nor more than thirteen directors. If any nominee is unavailable, such votes will be cast either for a substitute nominee or to fix the number of directors at a lesser number. Executive Employment Agreement

The Company has entered into an employment agreement with Dr. John C.C. Fan pursuant to which the Company has agreed to employ Dr. Fan as Chief Executive Officer. The agreement provides for the assignment of all inventions made by Dr. Fan while in the employ of the Company and includes a covenant by Dr. Fan not to compete with the Company during his employment and for up to two years thereafter. The agreement expires February 20, 2004. Dr. Fan's salary is to be determined each year by the Board of Directors. At the end of 2002, the Board of Directors set Dr. Fan's annual salary for 2003 at \$425,000.

Director Compensation

In March 1994 the Board of Directors approved compensation for outside directors of \$1,000 per meeting attended, including any special meeting or committee meeting not held on the same day as a regularly scheduled meeting of the Board of Directors. Since 1994, on a split adjusted basis, each non-employee Director has been entitled to receive an initial option grant for 60,000 shares on the date of his or her initial election to the Board of Directors and a subsequent option grant for 16,000 shares on each anniversary of his or her initial election to the Board of Directors. The Company also pays expenses for attendance at meetings of the Board of Directors and committees thereof.

Certain Transactions

As a further retention device and reward to certain executives, in 1998, to augment the Company's existing executive compensation components, the Compensation Committee established an incentive compensation program under which officers were eligible to receive over a two year period beginning in 1999 certain cash based incentive compensation. This program was structured in the form of Company loans ranging between 50% to 100% of the officer's annual base salary. These loans bear interest at annual rate of 7.75%. A percentage of these loans up to 100% is forgiven subject to the continued employment of the officer over a period of time, usually two years. In March 2001 the following officers were granted loans: John C.C. Fan (\$300,000), Bor Yeu Tsaur (\$150,000), Richard A. Sneider (\$100,000), Matthew M. Zavracky (\$55,000) and Hong Choi (\$45,000). The balance on these loans at December 31, 2002, including accrued interest and amounts forgiven under the terms of the loans, were \$242,438, \$121,218, \$80,813, and \$36,366 for Dr. Fan, Dr. Tsaur, Mr. Sneider and Dr. Choi, respectively. During 2002 Mr. Zavracky left the Company and repaid the loan. Pursuant to the terms of these loans, they will be forgiven subject to the continued employment by the officer in 2003. In accordance with the Sarbanes-Oxley Act of 2002, the Company no longer makes loans to its executive officers but outstanding loans remain in effect pursuant to their terms.

Dr. Hsieh, a Director of the Company, is Chairman of a venture, Kopin Taiwan Corporation, located in Taiwan in which the Company has a minority interest. Dr Hsieh owns approximately 1% of the outstanding common stock of the venture. Microelectronics Technology Incorporated is also a minority investor in this venture. Dr Hsieh may also be deemed to have an indirect ownership in the venture through his ownership of Microelectronics Technology Incorporated, a publicly traded company in Taiwan.

Dr. Fan is a founder and board member of a company in which the Company invested \$1.3 million in 2002. Dr. Fan currently owns approximately 7.2% of this company. Certain directors and an officer of the Company also invested in this company. The range of ownership is from .2% to 1.4%.

David E. Brook, a director of the Company, is a partner of the patent law firm of Hamilton, Brook, Smith & Reynolds P.C., which is patent counsel to the Company.

COMPENSATION COMMITTEE REPORT

ON

EXECUTIVE COMPENSATION

Compensation Philosophy

The Company's executive compensation is based upon three primary components: base salary, incentive or bonus compensation, and grants of stock options. Each component is intended to serve the overall compensation philosophy of the Company. In this respect, the Compensation Committee believes that compensation should reflect the value created for stockholders while supporting the Company's short and long term strategic goals. Compensation programs should reflect and promote the Company's values and reward individuals for outstanding contributions to the Company's success. Also, short and long term compensation play a critical role in attracting and retaining qualified executives.

Overall Objectives of Executive Compensation Program

The objectives of the executive compensation program are to align compensation with business objectives and individual performance, and to enable the Company to attract, retain and reward executive officers who contribute to the long term success of the Company. The Company's executive compensation philosophy is based on the following principles:

Competitive and Fair Compensation

The Company is committed to providing an executive compensation program that helps attract and retain highly qualified executives. To ensure that compensation is competitive, the Compensation Committee compares the Company's compensation practices with its general understanding of those of companies in similar industries and at a similar stage of development. The Company also seeks to achieve a balance of the compensation paid to a particular individual and the compensation paid to other executives both inside the Company and at comparable companies.

Performance

Executive officers are rewarded based upon corporate and individual performance. Corporate performance is evaluated by reviewing the extent to which strategic and business plan goals are met. Individual performance is evaluated by reviewing attainment of specified individual objectives and the degree to which teamwork and Company values are fostered.

In evaluating each executive's performance, the Company generally conforms to the following process:

Prior to the beginning of the year, Company and individual goals and objectives are set.

Edgar Filing: KOPIN CORP - Form DEF 14A

Near the end of the year, the executive's manager, or, in the case of the Chief Executive Officer, the Compensation Committee, evaluates accomplishment of the executive's goals and objectives and his contributions to the Company.

The executive's performance is then compared with peers within the Company.

The comparative results, combined with the Compensation Committee's general understanding as to comparative compensation practices of similar companies at a similar stage of development, are then used to determine salary, incentive or bonus compensation and stock option compensation levels.

Compensation Program Components

Annual compensation for the Company's executives consists of three elements: salary, incentive and bonus payments, and stock options. Executives also are entitled to participate in the same benefit plans that are available to other employees. Base salaries are targeted to be moderate, yet competitive in relation to salaries commanded by those in similar positions with companies similar in size to the Company. The Compensation Committee sets the base salary for executives by reviewing compensation for competitive positions in the market.

and the historical compensation levels of the executives. Individual salary determinations are based on experience, levels of responsibility, sustained performance and comparison to peers inside and outside the Company. The Compensation Committee determined that for 2003 an average 2.0% increase in base salary for a cost of living adjustment, and a 5.5% increase for merit, would be appropriate for the Company's executives.

The Company's officers are eligible to receive incentive or bonus compensation in the discretion of the Compensation Committee based primarily on the attainment of certain goals and objectives and the executive's contributions to the Company. In awarding incentive compensation, the Compensation Committee gave special consideration to those executives who made a material contribution to the achievement of corporate performance goals, including development of various strategic corporate relationships, new product development, continued progress in the commercialization of the Company's technology and increased product revenues. Management also had requested and the Compensation Committee agreed to authorize cash bonuses to other executive and nonexecutive employees totaling approximately 2.0% of total employee compensation.

The Company has benefited from many continuous years of loyal service from several of its key executives. As a further retention device and reward to these executives, in 1998, to augment the Company's existing executive compensation components, the Compensation Committee established an incentive compensation program under which officers are eligible to receive over a two year period certain cash based incentive compensation. This program was structured in the form of Company loans ranging between 50% to 100% of the officer's annual base salary. A percentage of these loans up to 100%, including interest, is forgiven subject to the continued employment of the officer in 2002 and 2003 for loans granted in 2001. In accordance with the Sarbanes-Oxley Act of 2002, the Company terminated this program in 2002 and no longer makes loans to its executive officers.

Stock option awards are designed to promote the identity of long-term interests between the Company's employees and its stockholders and assist in the retention of executives. The size of option grants is generally intended by the Compensation Committee to reflect the executive's position with the Company and his contributions to the Company. The Compensation Committee believes that stock options have been and remain an excellent vehicle for compensating its employees. In December 2002, the Compensation Committee reserved a pool of 1,400,000 shares for issuance pursuant to stock option grants to employees. The Compensation Committee typically authorizes the grant of stock options vesting over a period of four years in order to incentivize each employee over a relatively significant period of time. In establishing the appropriate number of stock options to grant to the Company's employees and executives for 2002, the Compensation Committee determined that the total grants to the Company's employees and executives for the year as a proportion to the Company's ownership as a whole bore a reasonable relationship, being approximately 1.95% of the issued and outstanding Common Stock as of March 10, 2003.

The Compensation Committee continues to believe that stock option grants remain an important mechanism to incentivize employees. Because the option exercise price for the employee is generally the fair market value of the stock on the date of grant, employees recognize a gain only if the value of the stock increases. Thus, employees with stock options are rewarded for their efforts to improve the Company's long-term stock market performance. Stock options, moreover, have been used to reward substantially all employees of the Company, not just at the executive officer level. The option program also typically uses a four year vesting period, except as described above, to encourage key employees to continue in the employ of the Company.

2002 Compensation for the Chairman and Chief Executive Officer

In considering the compensation for the Chairman and Chief Executive Officer and President for the 2002 Fiscal Year, the Compensation Committee reviewed his existing compensation arrangements and both Company and individual performance.

The Compensation Committee has set Dr. Fan's annual compensation, including a significant portion of his compensation based upon the Company's stock option plan, to provide competitive compensation and to reflect Dr. Fan's senior position, his responsibilities, and his past and expected future contributions to the Company's success, with the objective of incentivizing him to achieve certain key milestones within a specified time frame.

Dr. Fan's salary for the 2002 Fiscal Year was increased \$19,000 from \$381,000 to \$400,000, reflecting in part a cost of living adjustment as well as an adjustment to reflect the increased duties and obligations of his position. Dr. Fan also participates in the incentive compensation program described under the previous section of this report under which he is eligible to receive over a two year period incentive compensation based on up to 100% of his annual base salary, subject to Dr. Fan's continued employment with the Company. In 2002, the Compensation Committee granted Dr. Fan options for the purchase of 400,000 shares at exercise prices equal to the fair market value per share at the date of grant with four year vesting. In determining the overall incentive compensation granted to Dr. Fan, the Compensation Committee evaluated Dr. Fan's overall compensation package relative to that of other chief executives in the Company's industry, achievement of both individual and corporate 2002 performance goals previously described, the level of stock options granted to Dr. Fan in previous years and the need to continue to provide adequate incentive to Dr. Fan.

Section 162(m) of the Internal Revenue Code limits the tax deduction to \$1 million for compensation paid to certain executives of public companies. The Compensation Committee has considered these requirements and believes that grants pursuant to the Company's 1992 Stock Option Plan, 2001 Equity Incentive Plan and Supplemental Plan meet the requirement that they be performance based and, therefore, exempt from the limitations on deductibility. Historically, the combined salaries and bonuses of each of the Company's executive officers have been well under the \$1 million limit. The Compensation Committee's present intention is to comply with Section 162(m) unless the Compensation Committee feels that required changes would not be in the best interest of the Company or its stockholders.

PERFORMANCE GRAPH

The following graph compares the performance of the Common Stock to the Nasdaq Stock Market Total Return Index for U.S. Companies (the Nasdaq Stock Market Index) and to the S&P 500 Information Technology Index over the last five years. The graph also compares the performance of the Common Stock to the J.P. Morgan Hambrecht & Quist Technology Index (the J.P. Morgan H&Q Technology Index) for the period December 31, 1997 through December 31, 2001. The Company replaced the J.P. Morgan H&Q Technology Index with the S&P 500 Information Technology Index in 2002 because the publication of the J.P. Morgan H&Q Technology Index was discontinued in 2002. The graph assumes that the value of the investment in the Common Stock and each index was \$100 at December 31, 1997 and that all dividends were reinvested.

PROPOSAL 2

AMENDMENT OF THE COMPANY'S 2001 EQUITY INCENTIVE PLAN

The Board of Directors has authorized, subject to stockholder ratification, an increase in the number of shares available under the Company's 2001 Equity Incentive Plan (the "Plan") from 2,400,000 to 3,500,000. The Plan is a successor plan to the Company's 1992 Stock Option Plan under which the Company could grant a total of 15,300,000 options through December 31, 2002. In addition in March 2001 the Board of Directors authorized the Supplemental Plan, which allowed for the issuance of up to 1,300,000 options to acquire the Company's stock or shares of restricted stock.

Purpose. The purpose of the Plan is to attract and retain the best available personnel for positions of substantial responsibility and to provide additional incentive to employees and directors of and advisers and consultants to the Company. The purpose of the proposed amendment is to provide the Company with additional capacity to award stock options to existing personnel and to attract qualified new employees, directors, advisers and consultants through grants of stock options.

Administration. The Plan is administered by the Compensation Committee (the "Committee") which consists of directors of the Company appointed by the Board of Directors. Subject to the provisions of the Plan, the Committee has discretion to determine when awards are made, which employees are granted awards, the number of shares subject to each award and all other relevant terms of the awards. The Committee also has broad discretion to construe and interpret the Plan and adopt rules and regulations thereunder.

Eligibility. Awards may be granted to persons who are employees of the Company whether or not officers or members of the Board of Directors of the Company and directors of or advisers or consultants to the Company. The Plan provides for the grant of incentive stock options to employees (including officers and directors) and the grant of non-qualified stock options or restricted stock awards to employees (including officers and directors) and consultants.

Shares Subject to the Plan. The shares issued or to be issued under the Plan are shares of the Common Stock, \$.01 par value, which may be newly issued shares or shares held in the treasury or acquired in the open market. Previously, no more than 2,400,000 shares could be issued under the Plan. The foregoing limit is subject to adjustment for stock dividends, stock splits or other changes in the Company's capitalization. In no event shall the number of shares of Common Stock covered by options or other awards granted to one person in any one calendar year exceed 25% of the aggregate number of shares of Common Stock subject to the Plan.

Stock Options. The Committee in its discretion may issue stock options which qualify as incentive stock options under the Internal Revenue Code or non-qualified stock options. The Committee will determine the time or times when each stock option becomes exercisable, the period within which it remains exercisable and the price per share at which it is exercisable, provided that no incentive stock option shall be exercised more than 10 years after it is granted and no other options shall be exercised more than 10 years and one day after it is granted, and further provided that the exercise price shall not be less than the fair market value of the Common Stock on the date of grant. The reported closing price of the Common Stock by Nasdaq on March 10, 2003 was \$4.71 per share.

Payment for shares purchased upon exercise of any option must be made in full in cash or check when the option is exercised or, if the Committee had so authorized on the grant of an incentive stock option or on or after the grant of a non-qualified stock option (and subject to such conditions, if any, as the Committee may deem necessary to avoid adverse accounting effects to the Company) by delivery to the Company of (i) shares of Common Stock having a fair market value equal to the exercise price of the shares to be purchased or (ii) the optionee's executed

Edgar Filing: KOPIN CORP - Form DEF 14A

promissory note in the principal amount equal to the exercise price of the shares to be purchased and otherwise in such form as the Committee shall have approved. No option is transferable except by

will or the laws of descent and distribution and, during the optionee's lifetime, the option may be exercised only by the optionee, provided that the Committee may, in its discretion, authorize all or a portion of the non statutory options to be granted or granted to an optionee to be on terms which permit transfer by such optionee to (i) the spouse, former spouse, children (including stepchildren), parent, stepparent, sibling, grandchildren, niece, nephew, mother-in-law, father-in-law, son-in-law, daughter-in-law, brother-in-law, or sister-in-law of optionee, including adoptive relationships, and certain other persons sharing the optionee's household (each a Family Member), (ii) a trust in which a Family Member has more than fifty (50) percent of the beneficial interests, (iii) a foundation in which a Family Member (or the optionee) controls the management of assets, and (iv) any other entity in which a Family Member (or the optionee) owns more than fifty (50) percent of the voting interests. If an optionee's employment or other association with the Company terminates for any reason, including without limitation by reason of voluntary severance, involuntary severance, retirement, but not by reason of death, any options exercisable on the date of termination expire ninety days after such termination. If an optionee dies, any options exercisable at the time of such death may be exercised by the optionee's executor or administrator at any time within the shorter of the option period or 12 months after the date of death.

Notwithstanding any other provision of the Plan, the aggregate fair market value of the shares with respect to which incentive stock options are exercisable for the first time by an employee in any calendar year shall not exceed \$100,000.

Restricted Stock. The Committee in its discretion may issue shares of restricted stock for such consideration, in cash, other property or services, or any combination thereof, as is determined by the Committee. Awards of restricted stock shall be subject to forfeiture or repurchase by the Company at their initial purchase price until such time or times, and/or upon the achievement of such predetermined performance objectives, as the Committee shall determine and shall be set forth in the agreement or instrument evidencing the award of restricted stock. Each award of restricted stock shall be evidenced by a written agreement or instrument in such form as is approved by the Committee.

Shares of restricted stock granted or sold under the Plan are not saleable, transferable or assignable other than to the Company or its assignees or by will or the laws of descent and distribution until such time as the shares of restricted stock are no longer subject to forfeiture or repurchase.

In the event a holder of restricted stock ceases to be an employee, director, consultant and/or advisor, as applicable, of the Company, all shares of restricted stock that remain subject to restrictions at the time his or association with the Company terminates may be returned to or repurchased by the Company at their initial price unless the Committee determines otherwise.

The Board of Directors has appointed the Compensation Committee, which during 2002 was composed of Messrs. David E. Brook and Michael A. Wall.

Tax Considerations. The following is a brief and general discussion of the Federal income tax rules applicable to awards under the Plan. With respect to an incentive stock option, an employee will generally not be taxed at the time of grant or exercise, although exercise of an incentive option will give rise to an item of tax preference that may result in an alternative minimum tax. If the employee holds the shares acquired upon exercise of an incentive stock option until at least one year after issuance and two years after the option grant, he or she will have long-term capital gain (or loss) based on the difference between the amount realized on the sale or disposition and his or her option price. If these holding periods are not satisfied, then upon disposition of the shares the employee will recognize ordinary income equal, in general, to the excess of the fair market value of the shares at time of exercise over the option price, plus capital gain in respect of any additional appreciation. With respect to a non-qualified option, an employee will not be taxed at the time of grant; upon exercise, he or she will generally realize compensation income to the extent the then fair market value of the stock exceeds the option price. The Company will generally have a tax deduction to the extent that, and at the time that, an employee realizes compensation income with respect to an award.

Restricted stock issued pursuant to the Plan will be taxed in accordance with Section 83 of the Internal Revenue Code of 1986, as amended, and the regulations thereunder. A person that was sold or was granted shares of restricted stock under the Plan will recognize income for tax purposes at the date such shares cease to be subject to the Company's right to repurchase or reacquire the same, or at the date such shares are sold or granted to the person if such person elects to have the Company's repurchase or reacquisition right disregarded for tax purposes. The income recognized (the difference between the price paid for the shares, if any, and the fair market value of the shares at the time the employee realizes the income) will be ordinary income to the employee for which the Company will be able to claim a compensation deduction.

PROPOSAL 3

RATIFICATION OF APPOINTMENT OF ACCOUNTANTS

Deloitte & Touche LLP, independent certified public accountants, have been auditors of the Company since 1985. The Board of Directors has recommended that the stockholders ratify the reappointment of Deloitte & Touche LLP as the Company's auditors for the current year.

A representative of Deloitte & Touche LLP is expected to be present at the Meeting and will be afforded an opportunity to make a statement, if such representative desires to do so, and will be available to answer any appropriate questions.

The Board of Directors recommends that the stockholders vote FOR the proposal to ratify the appointment of Deloitte & Touche LLP, and the enclosed proxy will be so voted unless a contrary vote is indicated. The affirmative vote of the holders of a majority of the shares of the Common Stock represented in person or by proxy at the Meeting and entitled to vote is required to ratify the reappointment of Deloitte & Touche LLP as the Company's auditors for the current year. In the event the appointment of Deloitte & Touche LLP should not be approved by the stockholders, the Board of Directors will make another appointment to be effective at the earliest possible time.

Audit Fees

The aggregate fees billed for professional services rendered by Deloitte & Touche LLP for the audit of the Company's annual financial statements for the fiscal year ended December 31, 2002 totaled \$120,000.

Other Fees

The aggregate fees billed for all other services rendered by Deloitte & Touche LLP, including the reviews of the financial statements included in the Company's forms 10-Q, for the fiscal year ended December 31, 2002 totaled \$90,585. The Audit Committee believes that these additional services provided by Deloitte & Touche LLP are compatible with maintaining Deloitte & Touche LLP's independence.

STOCKHOLDER PROPOSALS

The Board will make provision for presentation of proposals by stockholders at the 2004 annual meeting of stockholders (or special meeting in lieu thereof) provided such proposals are submitted by eligible stockholders who have complied with the relevant regulations of the Securities and Exchange Commission. Such proposals must be received by the Company no later than February 8, 2004 to be included in the agenda for that meeting and must be received by the Company no later than November 15, 2003 to be considered for inclusion in the Company's proxy materials relating to that meeting.

GENERAL

The management of the Company knows of no matter other than the foregoing to be brought before the Meeting. However, the enclosed proxy gives discretionary authority in the event any additional matters should be presented.

The Company will provide free of charge to any stockholder from whom a proxy is solicited pursuant to this proxy statement, upon written request from such stockholder, a copy of the Company's annual report filed with the Securities and Exchange Commission on Form 10-K for the 2002 Fiscal Year. Requests for such report should be directed to Kopin Corporation, 695 Myles Standish Boulevard, Taunton, Massachusetts 02780, Attention: Chief Financial Officer.

3. Term of the Plan

Unless the Plan shall have been earlier terminated by the Board, Awards may be granted under this Plan at any time in the period commencing on the date of approval of the Plan by the Board and ending immediately prior to the tenth anniversary of the earlier of the adoption of the Plan by the Board or approval of the Plan by the Company's stockholders. Awards granted pursuant to the Plan within that period shall not expire solely by reason of the termination of the Plan. Awards of Incentive Options granted prior to stockholder approval of the Plan are expressly conditioned upon such approval, but in the event of the failure of the stockholders to approve the Plan shall thereafter and for all purposes be deemed to constitute Nonstatutory Options.

4. Stock Subject to the Plan

At no time shall the number of shares of Common Stock issued pursuant to or subject to outstanding Awards granted under the Plan exceed 3,500,000 shares of Common Stock; *subject, however*, to the provisions of Section 8 of the Plan. For purposes of applying the foregoing limitation, if any Option expires, terminates, or is cancelled for any reason without having been exercised in full, or if any Award of Restricted Stock is forfeited by the recipient, the shares not purchased by the Optionee or forfeited by the recipient shall again be available for Awards to be granted under the Plan. Shares of Common Stock issued pursuant to the Plan may be either authorized but unissued shares or shares held by the Company in its treasury.

5. Administration

The Plan shall be administered by the Committee; *provided, however*, that at any time and on any one or more occasions the Board may itself exercise any of the powers and responsibilities assigned the Committee under the Plan and when so acting shall have the benefit of all of the provisions of the Plan pertaining to the Committee's exercise of its authorities hereunder; and *provided further, however*, that the Committee may delegate to a director or executive officer or officers the authority to grant Awards hereunder to employees who are not officers, and to consultants, in accordance with such guidelines as the Committee shall set forth at any time or from time to time. Subject to the provisions of the Plan, the Committee shall have complete authority, in its discretion, to make or to select the manner of making all determinations with respect to each Award to be granted by the Company under the Plan including the employee, consultant or director to receive the Award and the form of Award. In making such determinations, the Committee may take into account the nature of the services rendered by the respective employees, consultants, and directors, their present and potential contributions to the success of the Company and its Affiliates, and such other factors as the Committee in its discretion shall deem relevant. Subject to the provisions of the Plan, the Committee shall also have complete authority to interpret the Plan, to prescribe, amend and rescind rules and regulations relating to it, to determine the terms and provisions of the respective Award Agreements (which need not be identical), and to make all other determinations necessary or advisable for the administration of the Plan. The Committee's determinations made in good faith on matters referred to in the Plan shall be final, binding and conclusive on all persons having or claiming any interest under the Plan or an Award made pursuant to hereto.

6. Authorization and Eligibility

The Committee may grant from time to time and at any time prior to the termination of the Plan one or more Awards, either alone or in combination with any other Awards, to any employee of or consultant to one or more of the Company and its Affiliates or to non-employee member of the Board or of any board of directors (or similar governing authority) of any Affiliate. However, only employees of the Company, and of any parent or subsidiary corporations of the Company, as defined in Sections 424(e) and (f), respectively, of the Code, shall be eligible for the grant of an Incentive Option. Further, in no event shall the number of shares of Common Stock covered by Options or other Awards

Edgar Filing: KOPIN CORP - Form DEF 14A

granted to any one person in any one calendar year exceed 25% of the aggregate number of shares of Common Stock subject to the Plan.

Each grant of an Award shall be subject to all applicable terms and conditions of the Plan (including but not limited to any specific terms and conditions applicable to that type of Award set out in the following Section),

A-3

and such other terms and conditions, not inconsistent with the terms of the Plan, as the Committee may prescribe. No prospective Participant shall have any rights with respect to an Award, unless and until such Participant has executed an agreement evidencing the Award, delivered a fully executed copy thereof to the Company, and otherwise complied with the applicable terms and conditions of such Award.

7. Specific Terms of Awards

7.1. Options.

(a) *Date of Grant.* The granting of an Option shall take place at the time specified in the Award Agreement. Only if expressly so provided in the applicable Award Agreement shall the Grant Date be the date on which the Award Agreement shall have been duly executed and delivered by the Company and the Optionee.

(b) *Exercise Price.* The price at which shares of Common Stock may be acquired under each Incentive Option shall be not less than 100% of the Market Value of Common Stock on the Grant Date, or not less than 110% of the Market Value of Common Stock on the Grant Date if the Optionee is a Ten Percent Owner. The price at which shares may be acquired under each Nonstatutory Option shall not be so limited solely by reason of this Section.

(c) *Option Period.* No Incentive Option may be exercised on or after the tenth anniversary of the Grant Date, or on or after the fifth anniversary of the Grant Date if the Optionee is a Ten Percent Owner. The Option period under each Nonstatutory Option shall not be so limited solely by reason of this Section.

(d) *Exercisability.* An Option may be immediately exercisable or become exercisable in such installments, cumulative or non-cumulative, as the Committee may determine. In the case of an Option not otherwise immediately exercisable in full, the Committee may Accelerate such Option in whole or in part at any time; *provided, however*, that in the case of an Incentive Option, any such Acceleration of the Option would not cause the Option to fail to comply with the provisions of Section 422 of the Code or the Optionee consents to the Acceleration.

(e) *Termination of Association with the Company.* Unless the Committee shall provide otherwise with respect to any Option, if the Optionee's employment or other association with the Company and its Affiliates ends for any reason, including because of the Optionee's employer ceasing to be an Affiliate, any outstanding Option of the Optionee shall cease to be exercisable in any respect not later than 90 days following that event and, for the period it remains exercisable following that event, shall be exercisable only to the extent exercisable at the date of that event. Military or sick leave or other bona fide leave shall not be deemed a termination of employment or other association, *provided* that it does not exceed the longer of ninety (90) days or the period during which the absent Optionee's reemployment rights, if any, are guaranteed by statute or by contract.

(f) *Transferability.* Except as otherwise provided in this subsection (f), Options shall not be transferable, and no Option or interest therein may be sold, transferred, pledged, assigned, or otherwise alienated or hypothecated, other than by will or by the laws of descent and distribution. All of a Participant's rights in any Option may be exercised during the life of the Participant only by the Participant or the Participant's legal representative. However, the Committee may, at or after the grant of a Nonstatutory Option, provide that such Option may be transferred by the recipient to a family member; *provided, however*, that any such transfer is without payment of any consideration whatsoever and that no transfer of an Option shall be valid unless first approved by the Committee, acting in its sole discretion. For this purpose, family member means any child, stepchild, grandchild, parent, stepparent, spouse, former spouse, sibling, niece, nephew, mother-in-law, father-in-law, son-in-law, daughter-in-law, brother-in-law, or sister-in-law, including adoptive relationships, any person sharing the employee's household (other than a

Edgar Filing: KOPIN CORP - Form DEF 14A

tenant or employee), a trust in which the foregoing persons have more than fifty (50) percent of the beneficial interests, a foundation in which the foregoing persons (or the Participant) control the management of assets, and any other entity in which these persons (or the Participant) own more than fifty (50) percent of the voting interests.

A-4

(g) *Method of Exercise.* An Option may be exercised by the Optionee giving written notice, in the manner provided in Section 14, specifying the number of shares with respect to which the Option is then being exercised. The notice shall be accompanied by payment in the form of cash or check payable to the order of the Company in an amount equal to the exercise price of the shares to be purchased or, if the Committee had so authorized on the grant of an Incentive Option or on or after grant of a Nonstatutory Option (and subject to such conditions, if any, as the Committee may deem necessary to avoid adverse accounting effects to the Company) by delivery to the Company of:

(i) shares of Common Stock having a Market Value equal to the exercise price of the shares to be purchased, or

(ii) the Optionee's executed promissory note in the principal amount equal to the exercise price of the shares to be purchased and otherwise in such form as the Committee shall have approved.

If the Stock is then currently traded on an established market, payment of any exercise price may also be made through and under the terms and conditions of any formal cashless exercise program authorized by the Company entailing the sale of the Stock subject to an Option in a brokered transaction (other than to the Company). Receipt by the Company of such notice and payment in any authorized or combination of authorized means shall constitute the exercise of the Option. Within thirty (30) days thereafter but subject to the remaining provisions of the Plan, the Company shall deliver or cause to be delivered to the Optionee or his agent a certificate or certificates for the number of shares then being purchased. Such shares shall be fully paid and nonassessable.

(h) *Limit on Incentive Option Characterization.* An Incentive Option shall be considered to be an Incentive Option only to the extent that the number of shares of Common Stock for which the Option first becomes exercisable in a calendar year do not have an aggregate Market Value (as of the date of the grant of the Option) in excess of the current limit. The current limit for any Optionee for any calendar year shall be \$100,000 minus the aggregate Market Value at the date of grant of the number of shares of Common Stock available for purchase for the first time in the same year under each other Incentive Option previously granted to the Optionee under the Plan, and under each other incentive stock option previously granted to the Optionee under any other incentive stock option plan of the Company and its Affiliates, after December 31, 1986. Any shares of Common Stock which would cause the foregoing limit to be violated shall be deemed to have been granted under a separate Nonstatutory Option, otherwise identical in its terms to those of the Incentive Option.

(i) *Notification of Disposition.* Each person exercising any Incentive Option granted under the Plan shall be deemed to have covenanted with the Company to report to the Company any disposition of such shares prior to the expiration of the holding periods specified by Section 422(a)(1) of the Code and, if and to the extent that the realization of income in such a disposition imposes upon the Company federal, state, local or other withholding tax requirements, or any such withholding is required to secure for the Company an otherwise available tax deduction, to remit to the Company an amount in cash sufficient to satisfy those requirements.

(j) *Rights Pending Exercise.* No person holding an Option shall be deemed for any purpose to be a stockholder of the Company with respect to any of the shares of Stock issuable pursuant to his Option, except to the extent that the Option shall have been exercised with respect thereto and, in addition, a certificate shall have been issued therefor and delivered to such holder or his agent.

7.2. *Restricted Stock.*

Edgar Filing: KOPIN CORP - Form DEF 14A

(a) *Purchase Price.* Shares of Restricted Stock shall be issued under the Plan for such consideration, in cash, other property or services, or any combination thereof, as is determined by the Committee.

(b) *Issuance of Certificates.* Each Participant receiving a Restricted Stock Award, subject to subsection (c) below, shall be issued a stock certificate in respect of such shares of Restricted Stock. Such certificate shall be registered in the name of such Participant, and, if applicable, shall bear an appropriate

A-5

legend referring to the terms, conditions, and restrictions applicable to such Award substantially in the following form:

The transferability of this certificate and the shares represented by this certificate are subject to the terms and conditions of the Kopin Corporation 2001 Equity Incentive Plan and an Award Agreement entered into by the registered owner and Kopin Corporation. Copies of such Plan and Agreement are on file in the offices of Kopin Corporation.

(c) *Escrow of Shares.* The Committee may require that the stock certificates evidencing shares of Restricted Stock be held in custody by a designated escrow agent (which may but need not be the Company) until the restrictions thereon shall have lapsed, and that the Participant deliver a stock power, endorsed in blank, relating to the Stock covered by such Award.

(d) *Restrictions and Restriction Period.* During the Restriction Period applicable to shares of Restricted Stock, such shares shall be subject to limitations on transferability and a Risk of Forfeiture arising on the basis of such conditions related to the performance of services, Company or Affiliate performance or otherwise as the Committee may determine and provide for in the applicable Award Agreement. Any such Risk of Forfeiture may be waived or terminated, or the Restriction Period shortened, at any time by the Committee on such basis as it deems appropriate.

(e) *Rights Pending Lapse of Risk of Forfeiture or Forfeiture of Award.* Except as otherwise provided in the Plan or the applicable Award Agreement, at all times prior to lapse of any Risk of Forfeiture applicable to, or forfeiture of, an Award of Restricted Stock, the Participant shall have all of the rights of a stockholder of the Company, including the right to vote, and the right to receive any dividends with respect to, the shares of Restricted Stock. The Committee, as determined at the time of Award, may permit or require the payment of cash dividends to be deferred and, if the Committee so determines, reinvested in additional Restricted Stock to the extent shares are available under Section 4.

(f) *Termination of Association with the Company.* Unless the Committee shall provide otherwise for any Award of Restricted Stock, upon termination of a Participant's employment or other association with the Company and its Affiliates for any reason during the Restriction Period, including because of the Participant's employer ceasing to be an Affiliate during the Restriction Period, all shares of Restricted Stock still subject to Risk of Forfeiture shall be forfeited or otherwise subject to return to or repurchase by the Company on the terms specified in the Award Agreement; *provided, however,* that military or sick leave or other bona fide leave shall not be deemed a termination of employment or other association, if it does not exceed the longer of ninety (90) days or the period during which the absent Participant's reemployment rights, if any, are guaranteed by statute or by contract.

(g) *Lapse of Restrictions.* If and when the Restriction Period expires without a prior forfeiture of the Restricted Stock, the certificates for such shares shall be delivered to the Participant promptly if not theretofore so delivered.

7.3. *Stock Grants.* Stock Grants shall be awarded solely in recognition of significant contributions to the success of the Company or its Affiliates, in lieu of compensation otherwise already due and in such other limited circumstances as the Committee deems appropriate. Stock Grants shall be made without forfeiture conditions of any kind.

7.4. *Awards to Participants Outside the United States.* The Committee may modify the terms of any Award under the Plan granted to a Participant who is, at the time of grant or during the term of the Award, resident or primarily employed outside of the United States in any manner deemed by the Committee to be necessary or appropriate in order that the Award shall conform to laws, regulations, and customs of the country in which the Participant is then resident or primarily employed, or so that the value and other benefits of the Award to the Participant, as affected by foreign tax laws and other restrictions applicable as a result of the Participant's residence or employment abroad, shall be comparable to the value of such an Award to a Participant who is resident or primarily employed in the United States. An Award may be modified under this Section 7.4 in

A-6

a manner that is inconsistent with the express terms of the Plan, so long as such modifications will not contravene any applicable law or regulation.

8. Adjustment Provisions

8.1. *Adjustment for Corporate Actions.* All of the share numbers set forth in the Plan reflect the capital structure of the Company as of March 7, 2003. Subject to Sections 8.2 and 8.3, if subsequent to that date the outstanding shares of Common Stock (or any other securities covered by the Plan by reason of the prior application of this Section) are increased, decreased, or exchanged for a different number or kind of shares or other securities, or if additional shares or new or different shares or other securities are distributed with respect to shares of Common Stock or other securities, through merger, consolidation, sale of all or substantially all the property of the Company, reorganization, recapitalization, reclassification, stock dividend, stock split, reverse stock split, or other distribution with respect to such shares of Common Stock, or other securities, an appropriate and proportionate adjustment will be made in (i) the maximum numbers and kinds of shares provided in Section 4, (ii) the numbers and kinds of shares or other securities subject to the then outstanding Awards, (iii) the exercise price for each share or other unit of any other securities subject to then outstanding Options (without change in the aggregate purchase price as to which such Options remain exercisable), and (iv) the repurchase price of each share of Restricted Stock then subject to a Risk of Forfeiture in the form of a Company repurchase right.

8.2. *Treatment in Acquisitions.* Subject to any provisions of then outstanding Awards granting greater rights to the holders thereof, in the event of an Acquisition (a) any then outstanding Options shall Accelerate in full if not assumed by the acquiring entity or replaced by comparable options to purchase shares of the capital stock of the successor or acquiring entity or parent thereof, and to the extent not assumed or replaced on the Acquisition shall then (or after a reasonable period following the Acquisition, as determined by the Committee) terminate to the extent not exercised and (b) any then Restricted Stock shall Accelerate in full if the Company's rights to reacquire such shares of Restricted Stock on occurrence of the applicable Risk of Forfeiture with respect to those shares are not assigned to the acquiring entity. As to any one or more outstanding Options and shares of Restricted Stock which are not otherwise Accelerated in full by reason of such Acquisition, the Committee may also, either in advance of an Acquisition or at the time thereof and upon such terms as it may deem appropriate, provide for the Acceleration of such outstanding Options and Restricted Stock in the event that the employment of the Participants should subsequently terminate following the Acquisition. Each outstanding Option that is assumed in connection with an Acquisition, or is otherwise to continue in effect subsequent to the Acquisition, will be appropriately adjusted, immediately after the Acquisition, as to the number and class of securities and the price at which it may be exercised in accordance with Section 8.1.

8.3. *Change in Control.* Subject to any provisions of then outstanding Awards granting greater rights to the holders thereof, in the event of a Change in Control (including a Change of Control which is an Acquisition), any Restricted Stock Award still then subject to a Risk of Forfeiture and any outstanding Option not then exercisable in full shall vest under the terms of the Award. The preceding shall apply as well to shares of Restricted Stock the repurchase rights of which are held by an acquiring entity, and outstanding Options which are assumed by an acquiring entity or replaced by comparable options to purchase shares of the capital stock of a successor or acquiring entity or parent thereof, pursuant to Section 8.2. The Committee shall have the discretion, exercisable either in advance of a Change in Control or at the time thereof, to provide (upon such terms as it may deem appropriate) for (i) the automatic Acceleration of one or more outstanding Options (including Options that are assumed or replaced pursuant to Section 8.2) that do not otherwise Accelerate by reason of the Change in Control, and/or (ii) the subsequent termination of one or more of the Company's repurchase rights with respect to Restricted Stock Awards that do not otherwise terminate at that time, in the event that the employment of the respective grantees of such Awards should subsequently terminate following such Change in Control.

8.4. *Dissolution or Liquidation.* Upon dissolution or liquidation of the Company, other than as part of an Acquisition or similar transaction, each outstanding Option shall terminate, but the Optionee (if at the time in the

employ of or otherwise associated with the Company or any of its Affiliates) shall have the right, immediately prior to the dissolution or liquidation, to exercise the Option to the extent exercisable on the date of dissolution or liquidation.

8.5. *Related Matters.* Any adjustment in Awards made pursuant to this Section 8 shall be determined and made, if at all, by the Committee and shall include any correlative modification of terms, including of Option exercise prices, rates of vesting or exercisability, Risks of Forfeiture and applicable repurchase prices for Restricted Stock, which the Committee may deem necessary or appropriate so as to ensure the rights of the Participants in their respective Awards are not substantially diminished nor enlarged as a result of the adjustment and corporate action other than as expressly contemplated in this Section 8. No fraction of a share shall be purchasable or deliverable upon exercise, but in the event any adjustment hereunder of the number of shares covered by an Award shall cause such number to include a fraction of a share, such number of shares shall be adjusted to the nearest smaller whole number of shares. No adjustment of an Option exercise price per share pursuant to this Section 8 shall result in an exercise price which is less than the par value of the Stock.

9. Settlement of Awards

9.1. *Violation of Law.* Notwithstanding any other provision of the Plan or the relevant Award Agreement, if, at any time, in the reasonable opinion of the Company, the issuance of shares of Common Stock covered by an Award may constitute a violation of law, then the Company may delay such issuance and the delivery of a certificate for such shares until (i) approval shall have been obtained from such governmental agencies, other than the Securities and Exchange Commission, as may be required under any applicable law, rule, or regulation and (ii) in the case where such issuance would constitute a violation of a law administered by or a regulation of the Securities and Exchange Commission, one of the following conditions shall have been satisfied:

- (a) the shares are at the time of the issue of such shares effectively registered under the Act; or

- (b) the Company shall have determined, on such basis as it deems appropriate (including an opinion of counsel in form and substance satisfactory to the Company) that the sale, transfer, assignment, pledge, encumbrance or other disposition of such shares or such beneficial interest, as the case may be, does not require registration under the Securities Act of 1933, as amended or any applicable State securities laws.

The Company shall make all reasonable efforts to bring about the occurrence of said events.

9.2. *Corporate Restrictions on Rights in Stock.* Any Stock to be issued pursuant to Awards granted under the Plan shall be subject to all restrictions upon the transfer thereof which may be now or hereafter imposed by the charter, certificate or articles, and by-laws, of the Company. Whenever Stock is to be issued pursuant to an Award, if the Committee so directs at or after grant, the Company shall be under no obligation to issue such shares until such time, if ever, as the recipient of the Award (and any person who exercises any Option, in whole or in part), shall have become a party to and bound by the Stockholders Agreement, if any. In the event of any conflict between the provisions of this Plan and the provisions of the Stockholders Agreement, the provisions of the Stockholders Agreement shall control except as required to fulfill the intention that this Plan constitute an incentive stock option plan within the meaning of Section 422 of the Code, but insofar as possible the provisions of the Plan and such Agreement shall be construed so as to give full force and effect to all such provisions.

9.3. *Investment Representations.* The Company shall be under no obligation to issue any shares covered by any Award unless the shares to be issued pursuant to Awards granted under the Plan have been effectively registered under the Securities Act of 1933, as amended, or the Participant shall have made such written representations to the Company (upon which the Company believes it may reasonably rely) as the Company may deem necessary or appropriate for purposes of confirming that the issuance of such shares will be exempt from the registration

Edgar Filing: KOPIN CORP - Form DEF 14A

requirements of that Act and any applicable state securities laws and otherwise in compliance with all applicable laws, rules and regulations, including but not limited to that the Participant is acquiring the shares for his or her own account for the purpose of investment and not with a view to, or for sale in connection with, the distribution of any such shares.

A-8

9.4. *Registration.* If the Company shall deem it necessary or desirable to register under the Securities Act of 1933, as amended or other applicable statutes any shares of Stock issued or to be issued pursuant to Awards granted under the Plan, or to qualify any such shares of Stock for exemption from the Securities Act of 1933, as amended or other applicable statutes, then the Company shall take such action at its own expense. The Company may require from each recipient of an Award, or each holder of shares of Stock acquired pursuant to the Plan, such information in writing for use in any registration statement, prospectus, preliminary prospectus or offering circular as is reasonably necessary for that purpose and may require reasonable indemnity to the Company and its officers and directors from that holder against all losses, claims, damage and liabilities arising from use of the information so furnished and caused by any untrue statement of any material fact therein or caused by the omission to state a material fact required to be stated therein or necessary to make the statements therein not misleading in the light of the circumstances under which they were made. In addition, the Company may require of any such person that he or she agree that, without the prior written consent of the Company or the managing underwriter in any public offering of shares of Stock, he or she will not sell, make any short sale of, loan, grant any option for the purchase of, pledge or otherwise encumber, or otherwise dispose of, any shares of Common Stock during the 180 day period commencing on the effective date of the registration statement relating to the underwritten public offering of securities. Without limiting the generality of the foregoing provisions of this Section 9.4, if in connection with any underwritten public offering of securities of the Company the managing underwriter of such offering requires that the Company's directors and officers enter into a lock-up agreement containing provisions that are more restrictive than the provisions set forth in the preceding sentence, then (a) each holder of shares of Stock acquired pursuant to the Plan (regardless of whether such person has complied or complies with the provisions of clause (b) below) shall be bound by, and shall be deemed to have agreed to, the same lock-up terms as those to which the Company's directors and officers are required to adhere; and (b) at the request of the Company or such managing underwriter, each such person shall execute and deliver a lock-up agreement in form and substance equivalent to that which is required to be executed by the Company's directors and officers.

9.5. *Placement of Legends; Stop Orders; etc.* Each share of Common Stock to be issued pursuant to Awards granted under the Plan may bear a reference to the investment representation made in accordance with Section 9.3 in addition to any other applicable restriction under the Plan, the terms of the Award and, if applicable, under the Stockholders' Agreement and to the fact that no registration statement has been filed with the Securities and Exchange Commission in respect to such shares of Common Stock. All certificates for shares of Common Stock or other securities delivered under the Plan shall be subject to such stock transfer orders and other restrictions as the Committee may deem advisable under the rules, regulations, and other requirements of any stock exchange upon which the Common Stock is then listed, and any applicable federal or state securities law, and the Committee may cause a legend or legends to be put on any such certificates to make appropriate reference to such restrictions.

9.6. *Tax Withholding.* Whenever shares of Stock are issued or to be issued pursuant to Awards granted under the Plan, the Company shall have the right to require the recipient to remit to the Company an amount sufficient to satisfy federal, state, local or other withholding tax requirements if, when, and to the extent required by law (whether so required to secure for the Company an otherwise available tax deduction or otherwise) prior to the delivery of any certificate or certificates for such shares. The obligations of the Company under the Plan shall be conditional on satisfaction of all such withholding obligations and the Company shall, to the extent permitted by law, have the right to deduct any such taxes from any payment of any kind otherwise due to the recipient of an Award.

10. Reservation of Stock

The Company shall at all times during the term of the Plan and any outstanding Options granted hereunder reserve or otherwise keep available such number of shares of Stock as will be sufficient to satisfy the requirements of the Plan (if then in effect) and the Options and shall pay all fees and expenses necessarily incurred by the Company in connection therewith.

11. No Special Employment or Other Rights

Nothing contained in the Plan or in any Award Agreement shall confer upon any recipient of an Award any right with respect to the continuation of his or her employment or other association with the Company (or any Affiliate), or interfere in any way with the right of the Company (or any Affiliate), subject to the terms of any separate employment or consulting agreement or provision of law or corporate charter, certificate or articles, or by-laws, to the contrary, at any time to terminate such employment or consulting agreement or to increase or decrease, or otherwise adjust, the other terms and conditions of the recipient's employment or other association with the Company and its Affiliates.

12. Nonexclusivity of the Plan

Neither the adoption of the Plan by the Board nor the submission of the Plan to the stockholders of the Company shall be construed as creating any limitations on the power of the Board to adopt such other incentive arrangements as it may deem desirable, including without limitation, the granting of stock options and restricted stock other than under the Plan, and such arrangements may be either applicable generally or only in specific cases.

13. Termination and Amendment of the Plan

The Board may at any time terminate the Plan or make such modifications of the Plan as it shall deem advisable. Unless the Board otherwise expressly provides, no amendment of the Plan shall affect the terms of any Award outstanding on the date of such amendment. In any case, no termination or amendment of the Plan may, without the consent of any recipient of an Award granted hereunder, adversely affect the rights of the recipient under such Award.

The Committee may amend the terms of any Award theretofore granted, prospectively or retroactively, provided that the Award as amended is consistent with the terms of the Plan, but no such amendment shall impair the rights of the recipient of such Award without his or her consent.

14. Notices and Other Communications

Any notice, demand, request or other communication hereunder to any party shall be deemed to be sufficient if contained in a written instrument delivered in person or duly sent by first class registered, certified or overnight mail, postage prepaid, or telecopied with a confirmation copy by regular, certified or overnight mail, addressed or telecopied, as the case may be, (i) if to the recipient of an Award, at his or her residence address last filed with the Company and (ii) if to the Company, at its principal place of business, addressed to the attention of its Treasurer, or to such other address or telecopier number, as the case may be, as the addressee may have designated by notice to the addressor. All such notices, requests, demands and other communications shall be deemed to have been received: (i) in the case of personal delivery, on the date of such delivery; (ii) in the case of mailing, when received by the addressee; and (iii) in the case of facsimile transmission, when confirmed by facsimile machine report.

15. Governing Law

The Plan and all Award Agreements and actions taken thereunder shall be governed, interpreted and enforced in accordance with the laws of the Commonwealth of Massachusetts, without regard to the conflict of laws principles thereof.
