#### Who is Entitled to Vote?

We have fixed the close of business on April 9, 2013 as the record date for shareholders entitled to notice of and to vote at our annual meeting. Only holders of record of FS Bancorp's common stock on that date are entitled to notice of and to vote at the annual meeting. You are entitled to one vote for each share of FS Bancorp common stock you own, unless you own more than 10% of FS Bancorp's outstanding shares. As provided in our Articles of Incorporation, record holders of common stock who beneficially own in excess of 10% of FS Bancorp's outstanding shares are not entitled to any vote in respect of the shares held in excess of the 10% limit unless our Board of Directors has granted permission in advance. On April 9, 2013, there were 3,240,125 shares of FS Bancorp common stock outstanding and entitled to vote at the annual meeting.

#### How Do I Vote at the Annual Meeting?

Proxies are solicited to provide all shareholders of record on the voting record date an opportunity to vote on matters scheduled for the annual meeting and described in these materials. You are a shareholder of record if your shares of FS Bancorp common stock are held in your name. If you are a beneficial owner of FS Bancorp common stock held by a broker, bank or other nominee (i.e., in "street name"), please see the instructions in the following question.

Shares of FS Bancorp common stock can only be voted if the shareholder is present in person or by proxy at the annual meeting. To ensure your representation at the annual meeting, we recommend you vote by proxy even if you plan to attend the annual meeting. You can always change your vote at the meeting if you are a shareholder of record.

Voting instructions are included on your proxy card. Shares of FS Bancorp common stock represented by properly executed proxies will be voted by the individuals named on the proxy card in accordance with the shareholder's instructions. Where properly executed proxies are returned to us with no specific instruction as how to vote at the annual meeting, the persons named in the proxy will vote the shares FOR the election of each of our director nominees, FOR advisory approval of the compensation of our executive compensation as disclosed in this proxy statement, FOR holding an advisory vote on executive compensation every two years and FOR ratification of the appointment of Moss Adams LLP as our independent auditor. If any other matters are properly presented at the annual meeting for action, the persons named in the enclosed proxy and acting thereunder will have the discretion to vote on these matters in accordance with their best judgment. We do not currently expect that any other matters will be properly presented for action at the annual meeting.

You may receive more than one proxy card depending on how your shares are held. For example, you may hold some of your shares individually, some jointly with your spouse and some in trust for your children. In this case, you will receive three separate proxy cards to vote.

#### What if My Shares Are Held in Street Name?

Edgar Filing: FS Bancorp, Inc. - Form DEF 14A

If you are the beneficial owner of shares held in “street name” by a broker, your broker, as the record holder of the shares, is required to vote the shares in accordance with your instructions. If your common stock is held in street name, you will receive instructions from your broker that you must follow in order to have your shares voted. Your broker may allow you to deliver your voting instructions via telephone or the Internet. Please see the instruction form that accompanies this proxy statement. If you do not give instructions to your broker, your broker may nevertheless vote the shares with respect to discretionary items, but will not be permitted to vote your shares with respect to non-discretionary items, pursuant to current industry practice. In the case of non-discretionary items, shares not voted will

be treated as “broker non-votes.” The proposal to elect directors and the advisory votes on executive compensation are considered non-discretionary items; therefore, you must provide instructions to your broker in order to have your shares voted with respect to these proposals.

If your shares are held in street name, you will need proof of ownership to be admitted to the annual meeting. A recent brokerage statement or letter from the record holder of your shares are examples of proof of ownership. If you want to vote your shares of common stock held in street name in person at the annual meeting, you will have to get a written proxy in your name from the broker, bank or other nominee who holds your shares.

#### How Will My Shares of Common Stock Held in the Employee Stock Ownership Plan Be Voted?

We maintain the FS Bancorp, Inc. Employee Stock Ownership Plan (“ESOP”), which owns 8% of FS Bancorp’s common stock. Employees of FS Bancorp and 1st Security Bank participate in the ESOP. Each ESOP participant may instruct the trustee how to vote the shares of FS Bancorp common stock allocated to his or her account under the ESOP by completing the vote authorization form. If an ESOP participant properly executes a vote authorization form, the ESOP trustee will vote the participant’s shares in accordance with the participant’s instructions. Allocated shares for which proper voting instructions are not received and unallocated shares held by the ESOP will be voted by the trustee in the same proportion as shares for which the trustee has received voting instructions. In order to give the trustees sufficient time to vote, all vote authorization forms from ESOP participants must be received by the transfer agent on or before May 17, 2013.

#### How Many Shares Must Be Present to Hold the Meeting?

A quorum must be present at the meeting for any business to be conducted. The presence at the meeting, in person or by proxy, of at least a majority of the shares of FS Bancorp common stock entitled to vote at the annual meeting as of the record date will constitute a quorum. Proxies received but marked as abstentions or broker non-votes will be included in the calculation of the number of shares considered to be present at the meeting.

#### What if a Quorum Is Not Present at the Meeting?

If a quorum is not present at the scheduled time of the meeting, a majority of the shareholders present or represented by proxy may adjourn the meeting until a quorum is present. The time and place of the adjourned meeting will be announced at the time the adjournment is taken, and no other notice will be given unless the adjourned meeting is set to be held 120 days or more after the original meeting. An adjournment will have no effect on the business that may be conducted at the meeting.

#### Vote Required to Approve Proposal 1: Election of Directors

Directors are elected by a plurality of the votes cast, in person or by proxy, at the annual meeting by holders of FS Bancorp common stock. Accordingly, the seven nominees for election as directors who receive the highest number of votes actually cast will be elected. Pursuant to our Articles of Incorporation, shareholders are not permitted to cumulate their votes for the election of directors. Votes may be cast for or withheld from each nominee. Votes that are withheld will have no effect on the outcome of the election because the nominees receiving the greatest number of votes will be elected. Our Board of Directors unanimously recommends that you vote FOR the election of each of its director nominees.

#### Vote Required to Approve Proposal 2: Advisory Approval of Executive Compensation

The advisory (non-binding) vote to approve the compensation of our named executive officers requires the affirmative vote of a majority of the votes cast, in person or by proxy, at the annual meeting. Abstentions and broker non-votes

will have no effect on the outcome of the proposal. Our Board of Directors unanimously recommends that you vote FOR approval of the compensation of our named executive officers.

Vote Required to Approve Proposal 3: Advisory Vote on the Frequency of Shareholder Votes on Executive Compensation

The advisory (non-binding) vote regarding the frequency of shareholder votes on executive compensation has three alternatives. Shareholders may vote that shareholder votes on executive compensation be held every year, every two years or every three years, or shareholders may abstain from voting. The alternative receiving the greatest number of votes – every year, every two years or every three years – will be the frequency that shareholders approve. Abstentions and broker non-votes will have no effect on the outcome of the advisory vote because the alternative receiving the greatest number of votes will be the frequency that shareholders approve. Our Board of Directors unanimously recommends that you vote FOR the adoption of an advisory resolution that shareholders should consider an advisory resolution on executive compensation every two years.

Vote Required to Approval Proposal 4: Ratification of the Selection of the Independent Auditor

Ratification of the selection of Moss Adams LLP as our independent auditor for the fiscal year ending December 31, 2013 requires the affirmative vote of a majority of the votes cast, in person or by proxy, at the annual meeting. Abstentions will have no effect on the outcome of the proposal. Our Board of Directors unanimously recommends that you vote FOR the ratification of the appointment of the independent auditor.

May I Revoke My Proxy?

You may revoke your proxy before it is voted by:

- submitting a new proxy with a later date;
- notifying the Secretary of FS Bancorp in writing before the annual meeting that you have revoked your proxy; or
- voting in person at the annual meeting.

If you plan to attend the annual meeting and wish to vote in person, we will give you a ballot at the annual meeting. However, if your shares are held in street name, you must bring a validly executed proxy from the nominee indicating that you have the right to vote your shares.

The Board of Directors of FS Bancorp has standing Audit, Compensation and Nominating/Governance committees. The Board has adopted written charters for each of these committees, copies of which are available on our website at [www.FSBWA.com](http://www.FSBWA.com) under "Investor Relations."

**Audit Committee.** The Audit Committee consists of Directors Leech (Chairperson), Mansfield and Cofer-Wildsmith. The Audit Committee meets at least quarterly and its primary responsibilities are to (i) meet with both the internal and external auditors on behalf of the board of directors to review and discuss their findings, and to make recommendations to the Board regarding the selection of the external auditors and (ii) work closely with our compliance officer to monitor compliance with all applicable laws and regulations. The Audit Committee met 11 times during the year ended December 31, 2012.

Each member of the Audit Committee is "independent" in accordance with the requirements for companies listed on The Nasdaq Stock Market LLC ("Nasdaq"). In addition, the Board of Directors has determined that Mr. Leech meets the definition of "audit committee financial expert," as defined by the SEC.

**Compensation Committee.** The Compensation Committee consists of Directors Mansfield (Chairperson), Leech and Zavaglia. The Committee is responsible for the recommendation to the Board of Directors of the chief executive officer's annual compensation package, as well as Board compensation, Chief Executive Officer evaluation, the review and approval of executive incentive packages and perquisite programs, and overseeing and administering our

qualified, tax exempt benefit plans. Each member of the Committee is “independent,” in accordance with the requirements for companies listed on Nasdaq. This Committee met 11 times during the year ended December 31, 2012.

Nominating/Governance Committee. The Nominating/Governance Committee, which consists of Directors Piesik (Chairperson), Zavaglia and Cochrane, is responsible for developing and recommending corporate governance policies and guidelines for FS Bancorp, identifying and recommending director and committee member candidates. The

Committee meets at least four times a year. Each member of the Committee is “independent,” in accordance with the requirements for companies listed on Nasdaq. This Committee met five times during the year ended December 31, 2012.

Only those nominations made by the Nominating/Governance Committee or properly presented by shareholders will be voted upon at the annual meeting. In its deliberations for selecting candidates for nominees as director, the Committee considers the candidate’s knowledge of the banking business and involvement in community, business and civic affairs, and also considers whether the candidate would provide for adequate representation of 1st Security Bank’s market area. Any nominee for director made by the Committee must be highly qualified with regard to some or all these attributes. In searching for qualified director candidates to fill vacancies on the Board, the Committee solicits its current Board of Directors for names of potentially qualified candidates. Additionally, the Committee may request that members of the Board of Directors pursue their own business contacts for the names of potentially qualified candidates. The Committee would then consider the potential pool of director candidates, select the candidate it believes best meets the then-current needs of the Board, and conduct a thorough investigation of the proposed candidate’s background to ensure there is no past history that would cause the candidate not to be qualified to serve as one of our directors. Although the Nominating/Governance Committee charter does not specifically provide for the consideration of shareholder nominees for directors, the Committee will consider director candidates recommended by a shareholder that are submitted in accordance with our Articles of Incorporation. Because our Articles of Incorporation provide a process for shareholder nominations, the Committee did not believe it was necessary to provide for shareholder nominations of directors in its charter. If a shareholder submits a proposed nominee, the Committee would consider the proposed nominee, along with any other proposed nominees recommended by members of our Board of Directors, in the same manner in which the Committee would evaluate its nominees for director. For a description of the proper procedure for shareholder nominations, see “Shareholder Proposals” in this proxy statement.

#### Corporate Governance

We are committed to establishing and maintaining high standards of corporate governance. As part of our conversion from mutual to stock form, the Board of Directors is adopting a corporate governance policy. The policy is expected to cover the following:

- the duties and responsibilities of each director;
- the composition, responsibilities and operation of the Board of Directors;
- the establishment and operation of Board committees;
- succession planning;
- convening executive sessions of independent directors;
- the Board’s interaction with management and third parties; and
- Board and Chief Executive Officer performance evaluations.

These initiatives are intended to comply with the provisions contained in the Sarbanes-Oxley Act of 2002, the rules and regulations of the SEC adopted thereunder, and Nasdaq rules. Our Board of Directors will continue to evaluate and improve our corporate governance principles and policies as necessary and as required.

**Director Independence.** Our common stock is listed on the Nasdaq Global Select Market. In accordance with Nasdaq requirements, at least a majority of our directors must be independent directors. The Board has determined that six of our seven directors are independent, as defined by Nasdaq. Directors Cochrane, Cofer-Wildsmith, Leech, Mansfield, Piesik and Zavaglia are all independent. Only Joseph C. Adams, who is our Chief Executive Officer, is not independent.

Code of Business Conduct and Ethics. On September 23, 2011, the Board of Directors adopted our Code of Business Conduct and Ethics, which is designed to deter wrongdoing and to promote honest and ethical conduct in every respect. The Code addresses conflicts of interest, the treatment of confidential information, general employee conduct and compliance with applicable laws, rules and regulations. The Code is applicable to each of our directors, officers, including the principal executive officer and senior financial officers, and employees and requires individuals to maintain the highest standards of professional conduct. A copy of the Code of Ethics is available on our website at [www.FSBWA.com](http://www.FSBWA.com).

Shareholder Communication with the Board of Directors. The Board of Directors welcomes communication from shareholders. Shareholders may send communications to the Board of Directors, FS Bancorp, Inc., 6920 220th Street SW, Mountlake Terrace, Washington 98043. Shareholders should indicate clearly the director or director(s) to whom the communication is being sent so that each communication may be forwarded appropriately.

Annual Meeting Attendance by Directors. FS Bancorp encourages, but does not require, its directors to attend the annual meeting of shareholders. It is expected that all members of the Board of Directors will attend our first annual meeting of shareholders.

Transactions with Related Persons. 1st Security Bank has followed a policy of granting loans to officers and directors, which fully complies with all applicable federal regulations. Loans to directors and executive officers are made in the ordinary course of business and on the same terms and conditions as those of comparable transactions with all customers prevailing at the time, in accordance with our underwriting guidelines, and do not involve more than the normal risk of collectibility or present other unfavorable features. There were no loans or available lines of credit to the directors and executive officers and their associates at December 31, 2012. Total deposits of directors and executive officers were approximately \$1.1 million at December 31, 2012.

We recognize that transactions between us and any of our directors or executive officers can present potential or actual conflicts of interest and create the appearance that these decisions are based on considerations other than our best interests. Therefore, as a general matter and in accordance with our Code of Business Conduct and Ethics, it is our preference to avoid such transactions. Nevertheless, we recognize that there are situations where such transactions may be in, or may not be inconsistent with, our best interests. Accordingly, the Code requires the Board of Directors or a committee of the Board to review and, if appropriate, to approve or ratify any such transaction. If a Board member is a participant in the transaction, then that member is required to abstain from the discussion, approval or ratification process. After its review, the Board or committee will only approve or ratify those transactions that are in, or are not inconsistent with, our best interests, as determined in good faith.

#### Leadership Structure

FS Bancorp has separated the roles of Chairman and Chief Executive Officer. The Chairman, who is an independent director, leads the Board and presides at all Board meetings. The Board supports having an independent director in a Board leadership position and has had an independent Chairman for many years. Having an independent Chairman enables non-management directors to raise issues and concerns for Board consideration without immediately involving management. The chairman also serves as a liaison between the Board and senior management.

#### Board Involvement in Risk Management Process

As part of its overall responsibility to oversee the management, business and strategy of FS Bancorp, one of the primary responsibilities of our Board of Directors is to oversee the amounts and types of risk taken by management in executing the corporate strategy, and to monitor our risk experience against the policies and procedures set to control those risks. The Board's risk oversight function is carried out through its approval of various policies and procedures, such as our lending and investment policies; ratification or approval of investments and loans exceeding certain thresholds; and regular review of risk elements such as interest rate risk exposure, liquidity and problem assets. Some oversight functions are delegated to committees of the Board, with such committees regularly reporting to the full Board the results of their oversight activities. For example, the Audit Committee is responsible for oversight of the independent auditors and meets directly with the auditors at various times during the course of the year.

The following table shows the compensation paid to our directors for the year ended December 31, 2012, with the exception of Joseph C. Adams, who is our Chief Executive Officer and whose compensation is included in the section entitled "Executive Compensation."

Each director of FS Bancorp is also a director of 1st Security Bank. The directors received no additional compensation for attendance at any meeting of FS Bancorp's Board of Directors during the year ended December 31, 2012. The directors are compensated for their service on 1st Security Bank's Board of Directors. In 2012, non-employee directors of 1st Security Bank received a retainer of \$2,000 per month, except for the Chairman of the Board, who received \$3,000 per month, for service on the Board. No fees currently are paid for service on any Board committee.

Directors are provided or reimbursed for travel and lodging and other customary out-of-pocket expenses incurred in attending board and committee meetings, industry conferences and continuing education seminars.

1st Security Bank's Compensation Committee recommends to the Board of Directors the amount of fees paid for service on the Board. For 2013, the Committee recommended increasing the non-employee directors' monthly fee to \$2,500 (from \$2,000 in 2012), and increasing the Chairman of the Board's monthly fee to \$3,500 (from \$3,000 in 2012).

## Employee Benefits

401(k) Plan. 1st Security Bank offers a qualified, tax-exempt savings plan to our employees with a cash or deferred feature qualifying under Section 401(k) of the Internal Revenue Code. Generally, all employees, as of the first day of the month following the commencement of employment, who have attained age 18, are eligible to make 401(k) contributions. During 2012, participants were permitted to make salary reduction contributions to the 401(k) Plan of up to 90% of their annual salary, up to a maximum of \$17,000. In addition, participants who have attained age 50 may defer an additional \$5,500 annually as a 401(k) “catch-up” contribution. All contributions made by participants are either before-tax contributions or after-tax “Roth 401(k) contributions,” as elected by the participant. We have the ability to match 401(k) contributions. We did not make any matching contributions during 2011. During 2012, we matched 100% of participant contributions up to 3% of the participant’s annual salary and 50% of participant contributions on the next 2% of the participant’s annual salary. We may also make a discretionary profit sharing contribution under the 401(k) Plan, though no such contribution was made in 2012. All participant 401(k) contributions and earnings, as well as all matching and profit sharing contributions and earnings, are fully and immediately vested.

ESOP. We have adopted a tax-qualified employee stock ownership plan (“ESOP”) for our employees. Employees who have been credited with at least 1,000 hours of service during a twelve month period are eligible to participate in the ESOP. Shares released from the ESOP suspense account will be allocated to each eligible participant’s ESOP account based on the ratio of each such participant’s eligible compensation to the total eligible compensation of all eligible ESOP participants, determined as of December 31. An employee is eligible for an employee stock ownership allocation if he is credited with 1,000 or more hours of service during the plan year, and either is actually employed on the last day of the plan year. Forfeitures will be reallocated among remaining participating employees in the same manner as an employee contribution. The account balances of participants within the employee stock ownership plan will become 100% vested upon completion of three years of service.

## Potential Payments Upon Termination

Severance Agreement for Chief Executive Officer. 1st Security Bank entered into a severance agreement with Joseph C. Adams. The agreement provides that if (1) the Bank terminates Mr. Adams’ employment other than for cause, (2) Mr. Adams terminates his employment for “good reason” or (3) there is a change in control of the Bank, Mr. Adams would be entitled to receive from the Bank a lump sum payment equal to 24 months of his base compensation. “Good reason” means any one or more of the following: (1) reduction of Mr. Adams’ salary or elimination of any significant compensation, unless generally applicable to similarly-situated employees; (2) assignment to Mr. Adams without his consent any authorities or duties materially inconsistent with his position as of the date of the severance agreement; and (3) a relocation or transfer that would materially increase Mr. Adams’ commute. If Mr. Adams’ employment had been terminated as of December 31, 2012, under circumstances entitling him to a severance payment under his agreement, Mr. Adams would have received a lump sum payment equal to \$494,000.

Change of Control Agreement. 1st Security Bank has entered into a change of control agreement with Mr. Mullet. The change of control agreement remains in effect until canceled by either party, upon at least 24 months prior written notice to the other party. Under this agreement, Mr. Mullet generally will be entitled to a change of control payment from 1st Security Bank if he is involuntarily terminated within six months preceding or 12 months after a change in control. In such an event, Mr. Mullet would be entitled to receive a cash payment in an amount equal to 12 months of his then current salary. If Mr. Mullet’s employment had been terminated as of December 31, 2012 in connection with a change in control, he would have received a lump sum payment of \$180,000. Any payments made in connection with a change in control are subject to cut-back to the extent the payments would result in either the loss of a tax deduction to 1st Security Bank or the imposition of a penalty tax on Mr. Mullet.

PROPOSAL 2 – ADVISORY VOTE ON EXECUTIVE COMPENSATION

---

Under the Dodd-Frank Wall Street Reform and Consumer Protection Act (“Dodd-Frank Act”), we are required to include in this proxy statement and present at the meeting a non-binding shareholder resolution to approve the compensation of our named executive officers, as disclosed in this proxy statement pursuant to the compensation

disclosure rules of the SEC. This proposal, commonly known as a “say-on-pay” proposal, gives shareholders the opportunity to endorse or not endorse the compensation of FS Bancorp’s executives as disclosed in this proxy statement. The proposal will be presented at the annual meeting in the form of the following resolution:

RESOLVED, that the shareholders approve the compensation of FS Bancorp, Inc.’s named executive officers as disclosed in the compensation tables and related material in the proxy statement for the 2013 annual meeting of shareholders.

This vote will not be binding on our Board of Directors or Compensation Committee and may not be construed as overruling a decision by the Board or create or imply any additional fiduciary duty on the Board. It will also not affect any compensation paid or awarded to any executive. The Compensation Committee and the Board may, however, take into account the outcome of the vote when considering future executive compensation arrangements.

Our executive compensation policies are designed to establish an appropriate relationship between executive pay and the annual and long-term performance of FS Bancorp and 1st Security Bank, to reflect the attainment of short- and long-term financial performance goals, to enhance our ability to attract and retain qualified executive officers, and to align to the greatest extent possible the interests of management and shareholders. Our Board of Directors believes that our compensation policies and procedures achieve these objectives. The Board of Directors unanimously recommends that you vote FOR approval of the compensation of our named executive officers as disclosed in this proxy statement.

---

PROPOSAL 3 – ADVISORY VOTE ON THE FREQUENCY OF  
FUTURE ADVISORY VOTES ON EXECUTIVE COMPENSATION

---

Under the Dodd-Frank Act, we are required to include in this proxy statement and present at the meeting a non-binding shareholder vote to determine the timing of future shareholder votes on executive compensation. This proposal gives shareholders the opportunity to vote on whether a resolution to approve the compensation of our named executive officers should be presented to shareholders every one, two or three years, or to abstain from voting.

The Board of Directors believes that a resolution to approve the compensation of our executives should be presented to shareholders every two years because two years will provide a balance between sufficient time to assess whether the compensation program is working as intended and responsiveness to shareholder concerns.

This vote will not be binding on our Board of Directors or Compensation Committee and may not be construed as overruling a decision by the Board or create or imply any additional fiduciary duty on the Board. It also will not affect when the shareholders will be asked to vote on executive compensation in future years. The Compensation Committee and the Board may, however, take into account the outcome of the vote when considering when to present shareholders with a resolution to approve executive compensation.

The Board of Directors recommends that you vote for conducting an advisory vote on executive compensation every TWO years.

AUDIT COMMITTEE MATTERS

---

Audit Committee Charter

The Audit Committee operates pursuant to a charter approved by our Board of Directors. The Audit Committee reports to the Board of Directions and is responsible for overseeing and monitoring our financial accounting and reporting, the system of internal controls established by management and the audit process. The Audit Committee charter sets out the responsibilities, authority and specific duties of the Audit Committee. The charter specifies, among other things, the structure and membership requirements of the Audit Committee, as well as the relationship of the Audit committee to the independent auditor, the internal audit department and management of FS Bancorp.

The Audit Committee of the FS Bancorp Board of Directors reports as follows with respect to FS Bancorp's audited financial statements for the fiscal year ended December 31, 2012:

- The Audit Committee has reviewed and discussed the 2012 audited financial statements with management;
- The Audit Committee has discussed with the independent auditor, Moss Adams LLP, the matters required to be discussed by Statement on Auditing Standards ("SAS") No. 61, Communication with Audit Committees, as amended, as adopted by the Public Company Accounting Oversight Board in Rule 3200T;
- The Audit Committee has received written disclosures and the letter from the independent auditor required by applicable requirements of the Public Company Accounting Oversight Board regarding the independent auditor's communications with the audit committee concerning independence, and has discussed with the independent auditor its independence from FS Bancorp; and
- The Audit Committee has, based on its review and discussions with management of the 2012 audited financial statements and discussions with the independent auditor, recommended to the Board of Directors that FS Bancorp's audited financial statements for the year ended December 31, 2012 be included in its Annual Report on Form 10-K.

The foregoing report is provided by the following directors, who constitute the Audit Committee:

Audit Committee: Ted A. Leech  
Michael J. Mansfield  
Marina Cofer-Wildsmith

This report shall not be deemed to be incorporated by reference by any general statement incorporating by reference this proxy statement into any filing under the Securities Act of 1933 or the Securities Exchange Act of 1934, and shall not otherwise be deemed filed under such acts.

---

#### PROPOSAL 4 – RATIFICATION OF APPOINTMENT OF INDEPENDENT AUDITOR

---

The Audit Committee of the Board of Directors has selected Moss Adams LLP as our independent auditor for the year ending December 31, 2013 and that selection is being submitted to shareholders for ratification. Although ratification is not required by our Bylaws or otherwise, the Board is submitting the selection of Moss Adams LLP to our shareholders for ratification as a matter of good corporate practice. If the selection is not ratified, the Audit Committee will consider whether it is appropriate to select another registered public accounting firm. Even if the selection is ratified, the Audit Committee in its discretion may select a different registered public accounting firm at any time during the year if it determines that such a change would be in the best interests of FS Bancorp and our shareholders. Moss Adams LLP served as our independent auditor for the year ended December 31, 2012 and a representative of the firm will be present at the annual meeting to respond to shareholders' questions and will have the opportunity to make a statement if he or she so desires.

The Board of Directors unanimously recommends that you vote FOR the ratification of the appointment of Moss Adams LLP as our independent auditor.

The following table sets forth the aggregate fees billed to us by Moss Adams LLP for professional services rendered

for the fiscal years ended December 31, 2012 and 2011.

	Year Ended December 31,	
	2012	2011
Audit Fees	\$ 128,000	\$ 80,000
Audit-Related Fees	143,300	124,622
Tax Fees	16,912	28,825
All Other Fees	–	798
	\$ 288,212	\$ 234,245

The Audit Committee pre-approves all audit and permissible non-audit services to be provided by the independent auditor and the estimated fees for these services in connection with its annual review of its charter. In considering non-audit services, the Audit Committee will consider various factors, including but not limited to, whether it would be beneficial to have the service provided by the independent auditor and whether the service could compromise the independence of the independent auditor. All of the services provided by Moss Adams LLP in the year ended December 31, 2012 were approved by the Audit Committee.

#### SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

---

Section 16(a) of the Securities Exchange Act requires our directors and executive officers, and persons who own more than 10% of FS Bancorp's common stock to report their initial ownership of the common stock and any subsequent changes in that ownership to the SEC. Directors, executive officers and greater than 10% shareholders are required by regulation to furnish us with copies of all Section 16(a) forms they file. The SEC has established filing deadlines for these reports and we are required to disclose in this proxy statement any late filings or failures to file. Based solely on our review of the copies of such forms we have received and written representations provided to us by the above referenced persons, we believe that, during the fiscal year ended December 31, 2012, all filing requirements applicable to our reporting officers, directors and greater than 10% shareholders were properly and timely complied with.
