Explanation of Responses:

- * If the form is filed by more than one reporting person, see Instruction 4(b)(v).
- ** Intentional misstatements or omissions of facts constitute Federal Criminal Violations. See 18 U.S.C. 1001 and 15 U.S.C. 78ff(a).
- (1) The option becomes exercisable over 4 years from the date of grant, with 25% becoming exercisable after the first year and monthly thereafter.

This Form 4 amendment is being filed to correct the information regarding which option was exercised on July 27, 2010. The number total shares acquired on exercise of stock options was correct, but the option was inadvertently misidentified. The option originally reported with an exercise price of \$6.55 was not exercised. Instead, the option reported in this Form 4 was exercised for 40,843 shares rather than 6,250 shares. This Form 4 amendment reflects only those transactions related to this corrected option exercise. The total number of options exercised, and the total number of shares sold, on July 27, 2010 was reported correctly in the original Form 4.

- (3) The Form 4 amendment does not re-report the sales of the shares acquired on exercise of the stock options because the sale was already reported correctly, so the number of securities beneficially owned by the reported person after the corrected transactions reported in this Form 4 amendment remained 361,395 after the transactions on July 27, 2010.

Note: File three copies of this Form, one of which must be manually signed. If space is insufficient, see Instruction 6 for procedure. Potential persons who are to respond to the collection of information contained in this form are not required to respond unless the form displays a currently valid OMB number.
