Our Annual Report on Form 10-K for the fiscal year ended December 31, 2003 was filed on March 15, 2004, and incorporated information required under Part III by reference to our definitive proxy statement. However, as we announced on April 20, 2004, we have entered into a transaction agreement (the Transaction Agreement) with The DIRECTV Group, Inc. (The DIRECTV Group), our parent company, PAS Merger Sub, Inc., a wholly-owned subsidiary of The DIRECTV Group (PAS Merger Sub) and Constellation, LLC (Constellation), an affiliate of Kohlberg Kravis Roberts & Co. Board Independence

The NASD listing standards require that a majority of the members of our Board of Directors be independent, as such term is defined by the NASD listing standards. However, such requirement does not apply to a Controlled Company, which is a company of which more than 50% of the voting power is held by an individual, a group or another company. More than 50% of our voting power is held by The DIRECTV Group, and therefore, we are a Controlled Company.

We are relying on Rule 4350(c) of the NASD listing standards which allows Controlled Companies to be exempt from rules requiring (a) a majority of the members of the Board of Directors to be independent directors; (b) the compensation of the chief executive officer to be determined, or recommended to the Board of Directors for determination, either by a majority of the independent directors or a compensation committee comprised solely of independent directors; (c) the compensation of all other executive officers to be determined, or recommended to the Board of Directors for determination, either by a majority of the independent directors or a compensation committee comprised solely of independent directors; and (d) director nominees to be selected, or recommended for the Board of Directors selection, either by a majority of the independent directors or a nominations committee comprised solely of independent directors.

Audit Committee

Our Audit Committee is responsible for appointing, setting compensation for and overseeing the work of the independent auditor, engaging a firm of independent accountants to audit our financial statements, evaluating the adequacy of our accounting policies and our internal controls and reviewing any proposed corrective actions.

Consistent with NASD listing standards regarding audit committee structure and membership requirements as of the date hereof, our Audit Committee is composed of three directors. The members of the Audit Committee are Messrs. Hoak, Costello and Hightower, all of whom are independent under the current NASD listing standards. Our Board of Directors has determined that Messrs. Costello and Hoak are each an audit committee financial expert as such term is defined in the SEC regulations.

The Board of Directors adopted an amended and restated written charter for the Audit Committee on March 31, 2004. The Audit Committee met twelve times in 2003.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Exchange Act requires our directors and executive officers, and holders of more than 10% of any class of our equity securities registered under the Exchange Act (10% Holders), to file reports of ownership and changes in ownership with the SEC and to furnish us with copies of such reports. Based on our review of such reports furnished to us, we believe that during the year ended December 31, 2003, our officers and directors and 10% Holders complied with all applicable Section 16(a) filing requirements on a timely basis.

Code of Business Conduct and Ethics

We adopted a Code of Business Conduct and Ethics which applies to all of our directors, officers and employees, including our chief executive officer, chief financial officer and principal accounting officer. The Code of Business Conduct and Ethics is posted on our website, at www.panamsat.com. We will post any amendments to, or waivers of, the Code of Business Conduct and Ethics on our website. Each of these additional fees is payable in restricted stock granted under our Long-Term Stock Incentive Plan. At such director's election, up to 50% of these additional fees may be paid in cash in lieu of restricted stock. The number of shares to be issued in payment of the fees will be calculated based on the average daily closing price of our Common Stock on Nasdaq during the month prior to the date of grant. The restricted shares vest 100% on the first anniversary of the date the restricted shares are granted; prior to being fully vested, such shares will be subject to forfeiture upon the termination of a board member's services. Directors may also elect to defer the fees payable in stock, in the form of units of our Common Stock, pursuant to the PanAmSat Corporation 1999 Non-Employee Directors Compensation Deferral Plan (the "Deferral Plan"). Employees of The DIRECTV Group who serve on the Board are not considered non-employee directors and do not receive compensation for their service as directors.

On May 1, 2003, pursuant to the PanAmSat Corporation Non-Employee Director Fee Plan, 2,813 restricted shares of our Common Stock were granted and \$30,000 was paid to Mr. Costello, 3,125 restricted shares were granted and \$35,000 was paid to Mr. Hightower, 3,594 restricted shares were granted and \$42,500 was paid to Mr. Hoak, and 4,688 restricted shares were granted to Mr. Kahn. Mr. Hoak and Mr. Costello elected to defer receipt of their restricted share grant pursuant to the Deferral Plan until termination of their services as Board members.

We reimburse the directors for reasonable travel expenses incurred in connection with their duties as our directors.

Employment Contracts and Termination of Employment and Change-In-Control Arrangements

Employment Agreement with Joseph R. Wright

On August 20, 2001, we entered into an employment agreement with Joseph R. Wright pursuant to which Mr. Wright agreed to serve as President and Chief Executive Officer. This agreement was subsequently amended by five letters dated September 27, 2002, February 3, 2003, February 5, 2003, October 28, 2003 and December 31, 2003, respectively. As amended, the current term of the agreement expires on August 19, 2004 and will automatically be extended for additional one year periods unless we notify Mr. Wright of our desire not to extend before June 20 of the year in which the agreement is to expire. Under the agreement, Mr. Wright received an annual base salary of \$625,000, which amount was increased to \$665,000 in July 2003. He was guaranteed a bonus of \$600,000 for the year 2001 and received a cash hiring bonus of \$300,000. In the event of a change of control (as defined in Mr. Wright's employment agreement and in The Hughes Electronics Corporation Incentive Plan) of PanAmSat or The DIRECTV Group during the term of his employment, Mr. Wright will receive a transaction completion bonus of \$1,500,000, payable 50% upon the completion of the change of control and 50% one year following the completion of the change of control. Such a change of control event did occur upon the acquisition of The DIRECTV Group by News Corporation in December 2003. Accordingly, \$750,000 was paid to Mr. Wright in January 2004. The balance of \$750,000 will be payable in December 2004. The consummation of the PanAmSat Sale will also constitute such a change of control, however, we are not required to pay the change of control bonus again.

Mr. Wright is entitled to participate, without limitation, in our Annual Incentive Plan, 401(k) Plan and Supplemental Savings and Deferred Compensation Plan. Mr. Wright is also entitled to participate in our Nonqualified Stock Option Program and pursuant thereto, we granted Mr. Wright options to purchase 200,000 shares of our

Common Stock at the market price on August 20, 2001. In addition, on August 20, 2001, we granted Mr. Wright options to purchase 200,000 shares of our Common Stock to compensate Mr. Wright for options granted but not yet vested or paid by his previous professional associations.

Table of Contents

If Mr. Wright is terminated without cause, we decline to extend his employment agreement for an additional year or Mr. Wright terminates his employment for good reason after a change of control of PanAmSat, Mr. Wright will be provided severance pay in an amount equal to two and one-half times Mr. Wright's annual base salary in effect at the time of termination plus the greater of the most recent bonus paid or the bonus target in effect at the time of termination and his outstanding option grants will immediately vest. In addition, we will pay the costs of Mr. Wright's (and his eligible dependents') participation in our group medical, dental and vision insurance plans until the earlier of 30 months following his termination or the date on which Mr. Wright secures alternate employment. In the event that any amount or distribution to Mr. Wright would be subject to the excise tax imposed under Section 4999 of the Internal Revenue Code of 1986, as amended (the "Code"), then we will pay Mr. Wright the amount necessary to fully reimburse him for such taxes.

As a condition precedent to the receipt of any severance payment or benefits, Mr. Wright must execute a written waiver and release of claims against us and, agree that for a period of two years after the termination of his employment, he will not compete with us or solicit any key employees to accept employment with any of our competitors.

Employment Agreement with James B. Frownfelter

On November 8, 2001, we entered into an employment agreement with James B. Frownfelter, pursuant to which Mr. Frownfelter agreed to serve as Executive Vice President and Chief Technology Officer. Effective January 1, 2003, Mr. Frownfelter was appointed Executive Vice President and Chief Operating Officer. Under the agreement, Mr. Frownfelter receives an annual base salary of \$395,000, which was increased to \$415,000 in May 2002 and \$435,000 in July 2003. Mr. Frownfelter is entitled to participate in our Annual Incentive Plan, 401(k) Plan and Supplemental Savings and Deferred Compensation Plan. In connection with his employment agreement, we granted Mr. Frownfelter options to purchase 30,000 shares of our Common Stock at \$23.03 per share. In addition, Mr. Frownfelter received retention bonus payments of \$415,000 and \$269,750 in January and February 2004, respectively, which, in the aggregate, equal to one year's base salary plus his bonus earned for 2003.

Severance Pay Plan

Our Severance Pay Plan (as amended and currently in effect, the "Severance Pay Plan") provides severance pay to eligible employees upon certain separations of employment. Each of our regular full-time employees is a participant in the Severance Pay Plan. An employee terminated for any reason other than for cause (as defined in the Severance Pay Plan) who signs and delivers to us a release of all claims which the employee may have by reason of employment with us or the termination thereof shall be eligible to receive severance benefits pursuant to the Severance Pay Plan. Severance benefits are calculated based upon the employee's level of compensation and the number of years with us with a minimum of 12 weeks salary and a maximum of 52 weeks salary for executive employees, a minimum of 6 weeks salary and a maximum of 40 weeks salary for exempt employees, and a minimum of four weeks salary and a maximum of 29 weeks salary for non-exempt employees. The terminated employee is also entitled to participate in our group health, dental and life insurance plans for the number of weeks calculated above. In the event that due to and within two years after a change of control (as defined in the Severance Pay Plan), an employee either resigns for good reason (as defined in the Severance Pay Plan) or is terminated pursuant to a layoff (as determined by our Chief Executive Officer in his sole discretion), then severance benefits shall instead be calculated based upon the employee's level of compensation, with a minimum for all eligible employees of 26 weeks salary and a maximum of 52 weeks salary, and the employee is entitled to participate in our group health, dental and life insurance plans for three months after such resignation or layoff. The severance benefit is paid as soon as practicable after execution and effectiveness of a signed waiver and release by the employee, at our option, either (i) in a lump sum, or (ii) in accordance with our payroll practices, in each case, less applicable deductions and withholdings. The consummation of the PanAmSat Sale will constitute such a change of control.

Table of Contents

Under the terms of the Severance Pay Plan, the Chief Executive Officer or his designee has the power to determine all questions arising under the Severance Pay Plan, and any decision regarding any matter within the discretion of the Chief Executive Officer and made by him in good faith is binding on all persons. We have reserved the right through our Board of Directors to amend the Severance Pay Plan and to terminate the Severance Pay Plan at any time without prior notice, provided that the Severance Pay Plan shall not be terminated with respect to any Terminated Employee (as defined in the Severance Pay Plan) or amended in a way that is adverse to the interests of any Terminated Employee.

Under the Severance Pay Plan, the Named Executive Officers would receive a minimum of 12 weeks salary and a maximum of 52 weeks salary as severance, depending upon years of service. Such Severance Compensation shall be in lieu of any other payments or benefits in the nature of severance pay or benefits which the Executive has received or will receive from the Company or any of its affiliates including, without limitation, payments under another severance plan or any severance agreement between the Company and the Executive. Any other arrangement, plan or program providing severance benefits shall be deemed to be amended to eliminate any obligation for benefits to be provided thereunder.

Executive Change-in-Control Severance Agreements

In March 2002, effective as of October 15, 2001, we entered into executive change-in-control severance agreements (the "Severance Agreements") with each of James W. Cuminale, Thomas E. Eaton, Jr., Michael J. Inglese and James B. Frownfelter (the "Retained Officers"). The Severance Agreements provide for payments by us to the Retained Officers in the event we terminate such officer's employment without cause or the Retained Officer terminates his employment for good reason (an "Involuntary Termination"), in each case within three years after a Change-in-Control (as defined in the Severance Agreements) of The DIRECTV Group. Such Change-in-Control occurred on December 22, 2003.

In the event of an Involuntary Termination of a Retained Officer, we will pay to such Retained Officer all accrued compensation in an amount equal to the sum of (i) the unpaid annual base salary earned as of the date of termination, (ii) an amount equal to the higher of (x) the Retained Officer's unpaid targeted annual bonus established for the fiscal period in which the Involuntary Termination occurs or (y) the actual bonus paid or payable to the Retained Officer in respect of our most recent full fiscal year, in each case multiplied by a fraction, the numerator of which is the number of days elapsed in the current fiscal period to the date of termination, and the denominator of which is 365 and (iii) an amount equal to the Retained Officer's accrued balance under our "paid time off" program (or successor or replacement program), calculated based on the Retained Officer's annual base salary.

The Severance Agreements also require that we pay to such Retained Officer severance compensation upon Involuntary Termination in an amount equal to two times the sum of (i) the Retained Officer's annual base salary for the year in which the Involuntary Termination occurs plus (ii) the higher of (x) the Retained Officer's targeted annual bonus established for the fiscal period in which the Involuntary Termination occurs or (y) the actual bonus paid or payable to the Retained Officer in respect of our most recent full fiscal year. Payment of the severance compensation is conditioned upon receipt of a written release from the Retained Officer of any claims against us or our subsidiaries. Payment of such severance compensation is due within 10 days following the effective date of such release. Under the Severance Agreements, all payments thereunder are subject to the Retained Officer's compliance with covenants not to compete with General Motors Corporation, The DIRECTV Group and us for two years following termination, not to solicit our employees for two years following termination, and not to disclose any of our confidential information.

The Severance Agreements also provide that (i) any unvested stock options, restricted stock units and other awards ("Stock Awards") granted prior to the Change-in-Control under our Long-Term Stock Incentive Plan (or successor or replacement plan) held by a Retained Officer shall immediately become vested and exercisable, and any restrictions

thereon shall lapse upon the Change-in-Control and, to the extent such Stock Awards are assumed, substituted or continued, following any Involuntary Termination such Stock Awards shall be exercisable under the terms and conditions of our Long-Term Stock Incentive Plan and any award agreements thereunder for a period equal to the lesser of (x) five years from the date of the Retained Officer's Involuntary Termination or (y) the term of such Stock Award, (ii) the Retained Officer and the Retained Officer's dependents shall be entitled to participate on the same basis as active employees and their dependents, respectively, in our group health, dental and life insurance plans (including premium payments and credit dollars paid by us), or we shall make available comparable benefits (but not any other welfare benefit plans or any retirement plans, except as described below) for a period of two years following an Involuntary Termination of employment, (iii) the Retained Officer shall be entitled to reimbursement for actual payments made for professional outplacement services, not to exceed \$25,000, and (iv) the Retained Officer shall be entitled to reimbursement for all outstanding unreimbursed business expenses incurred prior to the

Table of Contents**Involuntary Termination.**

If any amounts or other benefits payable to a Retained Officer under the Severance Agreements or otherwise become subject to an excise tax imposed under Section 4999 of the Code or any other similar tax or assessment, we will pay the Retained Officer the amount necessary to fully reimburse such Retained Officer for these taxes, unless the Retained Officer would not receive a net after-tax benefit of at least \$50,000, in which case his severance would be reduced so as to avoid the imposition of any excise taxes. The Severance Agreements also provide that we reimburse a Retained Officer for attorneys' fees and other costs necessary to enforce or defend his rights under the relevant Severance Agreement.

Compensation Committee Interlocks and Insider Participation

There were no compensation committee interlocks between any of the members of the Compensation and Nominating Committee (the Compensation Committee) during 2003 and any other entity. Mr. Carey, our current Chairman and an executive officer of The DIRECTV GROUP, is currently a member of the Compensation Committee. Change of Control

On April 20, 2004, we entered into the Transaction Agreement with The DIRECTV Group, PAS Merger Sub and Constellation.

After receipt of all required regulatory approvals, stockholder approval and satisfaction of other closing conditions set forth in the Transaction Agreement, PAS Merger Sub will merge with and into us (the Merger) and each outstanding share of our Common Stock (other than our Common Stock held by The DIRECTV Group and its subsidiaries, certain other equity interests that are owned by certain of our employees who agreed not to receive cash in the Merger, and the Common Stock held by those stockholders who have validly exercised appraisal rights) will be converted in the Merger into the right to receive \$23.50 in cash per share (the Merger Price). After consummation of the Merger, we will be a wholly-owned subsidiary of The DIRECTV Group except for the equity interest held by certain employees who have agreed not to have their equity interests cashed out in the Merger.

Subject to the satisfaction of certain closing conditions set forth in the Transaction Agreement, two business days after the effective time of the Merger, a portion of The DIRECTV Group s shares of our Common Stock will be repurchased by us and the remaining portion will be purchased by Constellation in each case for the Merger Price in cash, less any amounts withheld in accordance with the Transaction Agreement.

After the consummation of all of the transactions contemplated by the Transaction Agreement, Constellation will own all of the equity interests in our company other than the equity interests held by certain of our employees who have agreed not to have their equity interests cashed out in the Merger.
