W. P. CAREY & CO. LLC

**PROXY STATEMENT
MAY 1, 2007**

QUESTIONS & ANSWERS

The accompanying Proxy is solicited by the Board of Directors of W. P. Carey & Co. LLC, a Delaware limited liability company, for use at its annual meeting of shareholders (the Annual Meeting) to be held at The Rainbow Room, 30 Rockefeller Plaza, New York, New York on Thursday, June 14, 2007 at 2:00 p.m., or any adjournment thereof. As used herein, W. P. Carey & Co. , the Company , we and us refer to W. P. Carey & Co. LLC.

Who is soliciting my proxy?

The Directors of W. P. Carey & Co. LLC are sending you this Proxy Statement and enclosed proxy.

Who is entitled to vote?

W. P. Carey & Co. LLC 's shareholders as of the close of business April 16, 2007 (the Record Date) are entitled to vote at the Annual Meeting.

How do I vote?

You may vote your shares either by attending the Annual Meeting, by telephone, through the Internet, or by completing the enclosed proxy card. To vote by telephone, call the specially designated telephone number set forth on the enclosed proxy card. To vote through the Internet, use the Internet voting site listed on the enclosed proxy card. To vote by proxy, sign and date the enclosed proxy card and return it in the enclosed envelope. If you return your proxy but fail to mark your voting preference, your shares will be voted FOR each of the nominees and for the proposal. We suggest that you return a proxy even if you plan to attend the meeting.

May I revoke my proxy?

Yes, you may revoke your proxy at any time before the meeting by notifying W. P. Carey & Co. LLC 's Secretary or submitting a new proxy, or by voting in person at the meeting. The mailing address is 50 Rockefeller Plaza, New York, New York 10020. You should mail your notice of revocation of proxy to that address.

How many shares may vote?

At the close of business on the Record Date, April 16, 2007, W. P. Carey & Co. LLC had 38,446,299 listed shares outstanding and entitled to vote. Every shareholder is entitled to one vote for each share held.

What is a quorum?

A quorum is the presence, either in person or represented by proxy, of a majority of the shares entitled to vote at the meeting. There must be a quorum for the meeting to be held.

How many votes are required at the meeting for shareholder approval?

Assuming a quorum is present, with respect to the election of Directors, each share may be voted for as many individuals as there are Directors to be elected. A plurality of all the votes cast shall be sufficient to elect a Director. With respect to the approval of the 1997 Non-Employee Directors Incentive Plan, the affirmative vote of a majority of the votes represented by the shares present at the meeting, in person or by proxy and entitled to vote, is necessary for such approval. In each case, abstentions and broker non-votes, which arise when a broker cannot vote on a particular matter because the matter is not routine and the beneficial owner of the shares has not given applicable instructions to the broker, are counted for quorum purposes, but are not counted as votes for or against any matter.

For these reasons, for any matter before the shareholders at the meeting, abstentions and broker non-votes have no effect on whether the votes cast at the meeting are enough for approval of the matter.

How will voting on shareholder proposals be conducted?

We do not know of other matters that are likely to be brought before the meeting. However, if any other matters properly come before the Annual Meeting, your signed proxy gives authority to the persons named in the enclosed proxy to vote your shares on such matters in accordance with their best judgment.

Who will pay the cost for this proxy solicitation and how much will it cost?

W. P. Carey & Co. LLC will pay the cost of preparing, assembling and mailing this Proxy Statement, the Notice of Meeting and the enclosed proxy. In addition to the solicitation of proxies by mail, we may utilize some of the officers and employees of our wholly-owned subsidiaries, Carey Asset Management Corp. (Carey Asset Management) and Carey Management Services, Inc. (Carey Management Services) (who will receive no compensation in addition to their regular salaries), to solicit proxies personally and by telephone. Currently, we do not intend to retain a solicitation firm to assist in the solicitation of proxies, but if sufficient proxies are not returned to us, we may retain an outside firm to assist in proxy solicitation for a fee estimated not to exceed \$30,000, plus out-of-pocket expenses. We may request banks, brokers and other custodians, nominees and fiduciaries to forward copies of the proxy statement to their principals and to request authority for the execution of proxies, and will reimburse such persons for their expenses in so doing. We expect the total cost of this proxy solicitation, assuming an outside solicitation firm is not needed, to be approximately \$65,000.

When are shareholder proposals for the 2008 Annual Meeting due?

We must receive any proposal that a shareholder intends to present at W. P. Carey & Co. LLC's 2008 Annual Meeting of shareholders no later than January 2, 2008 in order to be included in the Proxy Statement and form of proxy relating to that meeting.

References in this Proxy Statement to W. P. Carey & Co. LLC or the Company include W. P. Carey & Co. LLC's affiliates and subsidiaries, except where the context otherwise indicates.

W. P. Carey & Co. LLC will provide shareholders, without charge, a copy of W. P. Carey & Co. LLC's Annual Report on Form 10-K filed with the Securities and Exchange Commission for the year ended December 31, 2006, including the financial statements and management's report of internal controls over financial reporting and schedules attached thereto, upon written request to Ms. Susan C. Hyde, Director of Investor Relations, at W. P. Carey & Co. LLC, 50 Rockefeller Plaza, New York, New York 10020.

PROPOSAL ONE

ELECTION OF DIRECTORS

At the Annual Meeting, you and the other shareholders will elect thirteen Directors, each to hold office until the next Annual Meeting of shareholders except in the event of death, resignation or removal. If a nominee is unavailable for election, the Board may reduce its size or designate a substitute. If a substitute is designated, proxies voting on the original nominee will be cast for the substituted nominee. Currently, the Board is unaware of any circumstances which would result in a nominee being unavailable. Twelve of the nominees are now members of the Board of Directors.

NOMINATING PROCEDURES

The Nominating and Corporate Governance Committee considers candidates for Board membership suggested by its members and other Board members, as well as management and shareholders. A shareholder who wishes to recommend a prospective nominee for the Board should notify our Corporate Secretary or any member of the Nominating and Corporate Governance Committee in writing with the information required by our By-Laws, which is set forth in more detail in Shareholder Proposals and Other Communications, below.

Once the Nominating and Corporate Governance Committee has identified a prospective nominee, the Committee makes an initial determination as to whether to conduct a full evaluation of the candidate. This initial determination is based on whatever information is provided to the Committee with the recommendation of the prospective candidate, as well as the Committee's own knowledge of the prospective candidate, which may be supplemented by inquiries to the person making the recommendation or others. The preliminary determination is based primarily on the need for additional Board members to fill vacancies or expand the size of the Board and the likelihood that the prospective nominee can satisfy the evaluation factors described below. If the Committee determines, in consultation with the Chairman of the Board and other Board members as appropriate, that additional consideration is warranted, it may request a search firm to gather additional information about the prospective nominee's background and experience and to report its findings to the Committee. The Committee then evaluates the prospective nominee's qualifications. As set forth in our Corporate Governance Guidelines, there are no firm prerequisites to qualify as a candidate for the Board, although the Board seeks candidates who possess the background, skills, expertise, characteristics and time to make a significant contribution to the Board, W. P. Carey & Co. LLC and its shareholders. At least annually, the Nominating and Corporate Governance Committee reviews the qualifications and backgrounds of the Directors, as well as the overall composition of the Board.

The Committee also considers such other relevant factors as it deems appropriate, including the balance of management and Independent Directors, the need for Audit Committee or other expertise and the qualifications of other potential nominees. In connection with its evaluation, the Committee determines whether to interview the prospective nominee, and if warranted, one or more members of the Committee, and others as appropriate, interview prospective nominees in person or by telephone. After completing this evaluation and interview, the Committee makes a recommendation to the full Board as to the persons who should be nominated by the Board, and the Board determines the nominees after considering the recommendation and report of the Committee.

NOMINEES FOR THE BOARD OF DIRECTORS

Unless otherwise specified, proxies will be voted for the election of the named nominees. If a nominee is unavailable for election, the Board may reduce its size or designate a substitute. If a substitute is designated, proxies voting on the original nominee will be cast for the substituted nominee. No circumstances are presently known that would render the nominees unavailable. Other than Mr. Mittelstaedt, each of the nominees is now a member of the Board of Directors.

Audit Committee. The Audit Committee has been established to assist the Board of Directors in monitoring the integrity of the financial statements and management's report of internal controls over financial reporting of the Company, the compliance by the Company with legal and regulatory requirements and the independence, qualifications and performance of the Company's internal audit function and independent accountants. Among the responsibilities of the Audit Committee are to engage an Independent Registered Public Accounting Firm, review with the Independent Registered Public Accounting Firm the plans and results of the audit engagement, approve professional services provided by the Independent Registered Public Accounting Firm, review the independence of the Independent Registered Public Accounting Firm and consider the range of audit and non-audit fees. The Committee ratifies the engagement of the internal auditors and reviews the scope of their internal audit plan. The Committee also reviews and discusses with management the internal auditors and the Independent Registered Public Accounting Firm, the Company's internal controls and reviews the results of the internal audit program. There were ten Audit Committee meetings held during 2006.

Nominating and Corporate Governance Committee. The Nominating and Corporate Governance Committee is responsible for developing and implementing policies and practices relating to corporate governance, including monitoring implementation of W. P. Carey & Co. LLC's corporate governance policies. In addition, the Committee develops and reviews background information for candidates for the Board of Directors, including those recommended by shareholders, and makes recommendations to the Board regarding such candidates. The Nominating and Corporate Governance Committee met four times during 2006.

The Board has adopted written charters for each of the Compensation, Audit and Nominating and Corporate Governance Committees, each of which can be viewed on our website, www.wpcarey.com, under the heading "WPC Investor Relations." Printed copies of each may also be obtained upon a request submitted to our Investor Relations department.

Certain members of the Board are also members of the Investment Committee of Carey Asset Management Corp. The Investment Committee provides services to the CPA[®] REITs, and may provide services to the Company. Before a property is acquired by a CPA[®] REIT, the transaction is reviewed by the Investment Committee to ensure that it satisfies the relevant CPA[®] REIT's investment criteria. The Investment Committee is not directly involved in originating or negotiating potential investments, but instead functions as a separate and final step in the investment process. In addition, the Investment Committee may at the request of our Board of Directors or Executive Committee also review any initial investment in which W. P. Carey & Co. LLC proposes to engage directly. Directors of W. P. Carey & Co. LLC who also serve on the Investment Committee are Messrs. Coolidge, Klein, Stoddard and von Köller.

Board Meetings and Directors' Attendance

There were four regular quarterly Board meetings held in 2006. No incumbent Director attended fewer than 75% of the total number of Board meetings in 2006 that were held during the time each incumbent was a Director. In addition, no incumbent Director attended fewer than 75% of the total number of Committee meetings held in 2006, on which such incumbent Director served. Under our Corporate Governance Guidelines, each Director is required to make every effort to attend each Board meeting, and applicable Committee meetings, except in unavoidable circumstances.

The Directors at the Board of Directors meeting in December 2006 elected Eberhard Faber, IV as Lead Director. His primary responsibility as Lead Director is to preside over periodic executive sessions of the Board in which management Directors and other members of management will not participate.

The Board of Directors has determined that none of the Directors who currently serve on the Compensation, Audit and Nominating and Corporate Governance Committees has a relationship to W. P. Carey & Co. LLC that may interfere with his independence from W. P. Carey & Co. LLC and its management and therefore all such Directors are independent as defined in the New York Stock Exchange listing standards. Mr. Bond was appointed to the Board of Directors in April 2007 and has not yet been appointed to a Board Committee.

Compensation of the Board of Directors

W. P. Carey & Co. LLC pays its Directors who are not its officers or employees fees for their services as Directors. Such Directors receive annual compensation of \$65,000 assuming they attend all regular quarterly meetings. The annual compensation is comprised of \$7,500 in cash payable quarterly and \$7,500 payable quarterly in the form of restricted shares or options to purchase shares, issuable under the Non-Employee Directors Incentive Plan. The number of shares issued is calculated by dividing the dollar amount of the quarterly grant by .93, to take into consideration vesting of the shares ratably over three years, and dividing that amount by the closing price of the Company's stock on the date of grant. Directors also receive a \$1,250 cash fee per regular quarterly meeting attended. Mr. Griswold receives an additional \$10,000 per year for serving as the Chairman of the Compensation Committee, and Mr. Parente receives \$10,000 per year per Committee for serving as Chairman of the Audit and of the Strategic Planning Committees. Mr. Faber receives \$10,000 per year for serving as Chairman of the Nominating and Corporate Governance Committee, \$10,000 per year for serving as Lead Director and \$10,000 per year for serving as a member of the Executive Committee. All of such fees are payable in cash quarterly. Messrs. Wm. Polk Carey, Francis J. Carey, DuGan and Stoddard, who are officers or employees of W. P. Carey & Co. LLC or its subsidiaries, are also Directors and are not paid any Director fees. Messrs. Coolidge, Klein and von Köller are members of the Investment Committee of Carey Asset Management and each receive a fee of \$1,500 per Investment Committee meeting. The Non-Employee Directors Incentive Plan authorizes the issuance of up to 300,000 shares.

PROPOSAL TWO

APPROVAL OF AMENDMENT AND EXTENSION OF 1997 NON-EMPLOYEE DIRECTORS INCENTIVE PLAN

In 1997, our shareholders approved our 1997 Non-Employee Directors Incentive Plan (Director Plan), which permits the Company to provide equity awards to eligible non-employee directors. The objective of the Director Plan is to induce directors to remain associated with the Company and to attract able persons to serve as directors of the Company.

Under the Director Plan, as previously amended by our Board of Directors, principally to extend the Plan and increase the value of quarterly grants, each of our non-employee directors, of whom there will be seven after the current election, has received quarterly awards of stock options or restricted share grants with a total value ranging from \$6,250 to \$7,500. The Director Plan is currently due to expire on October 3, 2007 and the Board has adopted and proposed for shareholder approval an amended and restated Director Plan that would expire on October 3, 2017. No material changes to the Director Plan as currently in effect are included in the proposed amended and restated Director Plan other than the extension of the expiration date.

The following is a brief description of the material features of the Director Plan as it is proposed to be amended. The full text of the Director Plan as proposed to be amended is set forth in [Exhibit A](#) to this Proxy Statement. The description set forth below is qualified in its entirety by reference to [Exhibit A](#).

Types of Awards. The Director Plan provides for quarterly grants to each eligible non-employee director of stock options or restricted shares with a total value of \$7,500.

Shares Subject to the Director Plan. 300,000 of our shares are reserved for awards, subject to adjustment as set forth in the Director Plan. As of the date of this Proxy Statement, 160,656 shares remain available for awards under the

Director Plan.

Administration. The Compensation Committee administers the Director Plan.

Stock Options. The Director Plan permits the grant of non-qualified stock options for shares with an exercise price equal to the closing New York Stock Exchange price at the date of grant. Generally, the options become exercisable ratably on the first, second and third anniversary of the date of each grant, with an expiration date ten years from the date of grant.

Restricted Stock. The Director Plan also permits the grant of restricted share awards. The restricted shares carry voting and dividend rights and vest ratably on the first, second and third anniversary of the date of each grant.

Acceleration of Vesting. Upon a Change of Control, all outstanding options shall become fully exercisable and any restrictions on restricted shares shall immediately lapse. Change of Control is defined to include significant changes in the stock ownership or board of directors of the Company, certain mergers and consolidations of the Company, the sale or disposition of all or substantially all the consolidated assets of the Company and liquidation or dissolution of the Company.

Amendment and Termination. The Board may amend or terminate the Director Plan. No amendment shall be made without shareholder approval if required by law or regulation or under the rules of any stock exchange on which the shares are then listed.

Federal Income Tax Implications. Upon exercising an option, the director must generally recognize ordinary income equal to the difference between the exercise price and fair market value of the shares acquired on the date of exercise. Upon the vesting of shares subject to a restricted share award, the director will recognize ordinary income equal to the fair market value of such vesting shares on the date of vesting unless the director has previously elected to recognize ordinary income at the time of the original grant date equal to the value of the shares on that grant date. The Company generally will be entitled to a tax deduction equal to the amount recognized as ordinary income by the participant in connection with an option.

As of April 16, 2007, the market value of our shares was \$1,310,249,870.

EXECUTIVE COMPENSATION

COMPENSATION DISCUSSION AND ANALYSIS

Introduction

The Company's compensation philosophy and its processes for compensating Executive Officers are supervised by the Compensation Committee of the Board of Directors. This Committee currently consists of three Directors, each of whom is independent within the meaning of the New York Stock Exchange listing standards. In December 2006, Charles C. Townsend, Jr., who had been Chairman of the Committee, retired, and Benjamin H. Griswold, IV joined the Committee and was appointed as Chairman. The Compensation Committee's responsibilities include setting the Company's executive compensation principles and objectives, setting the compensation of Executive Officers and monitoring the Company's general compensation programs.

Its functions include the following:

Annually, evaluate the Chief Executive Officer's performance and approve the Chief Executive Officer's compensation level based on that evaluation.

Annually, review the performance and approve the compensation of Executive Officers in addition to the Chief Executive Officer.

Review and make recommendations to the Board with respect to incentive compensation plans and equity-based compensation plans.

Administer all equity-based plans.

Retain a compensation consulting firm, on the Compensation Committee's sole authority, that reports directly to the Committee.

The Compensation Committee relies on input both from management and from its independent compensation consultant to assist the Compensation Committee in making its determinations. In addition, the Chairman of the Company, while a member of management, also (as the Company's largest shareholder) provides a shareholder's perspective to the Committee. Although the Compensation Committee receives information and recommendations regarding the design of the compensation program and level of compensation for Executive Officers from these sources, the Compensation Committee retains the authority to make final decisions both as to the types of compensation and compensation levels for these executives.

Principles. The Company's overall objective is to maintain a compensation system that fosters the short-term and long-term goals of the Company and its shareholders. Central to achieving these goals is the motivation of the Company's senior leadership group to achieve a high level of financial performance. Nurturing a management team that works co-operatively to meet the challenges of a constantly-changing environment is an important part of the value system of the Company, as is its insistence on observance of the highest ethical standards. The Company's compensation system incorporates both quantitative and qualitative judgments, in order to encourage not only achievement of outstanding financial performance, but maintenance of consistent standards of teamwork, creativity, good judgment and integrity. Historically, the Compensation Committee has not relied on rigid formulae but rather sought to exercise its best judgment in taking into account the many aspects of performance that make up an individual's contribution to the Company's success. Additionally, while the Compensation Committee has taken into

account independent survey data in setting cash compensation levels, it has not sought to set compensation levels or targets at any particular quartile or other reference level based on this data. Thus, the Committee reviews a broad range of information on financial performance which for 2006 substantially exceeded that of 2005 by most measures, as discussed in greater detail below. The Committee also reviews information on the performance of and contributions made by individual Executive Officers and in this latter regard, places substantial reliance on the judgment of the Chairman and the CEO in evaluating the performance and setting the compensation levels of Executive Officers who report to them.

The Company's compensation philosophy has in the past been influenced by the fact that incentive compensation paid to investment officers is in the form of commission income, which is based on a specified percentage

of revenues earned from structuring new investments on its managed funds. While only one of the NEOs is also an investment officer, such payments are a significant component of senior officer compensation overall, and are variable and directly linked to achievement of one of the Company's significant quantitative objectives. Additionally, both revenue and net income have in recent years been significantly affected by events, such as mergers of funds managed by the Company, that may only occur every few years. Therefore, the Compensation Committee has historically taken the view that it should review the Company's performance as a whole, as well as qualitative aspects of the performance of those Executive Officers who are not investment officers, rather than linking their variable compensation explicitly to one or a small number of performance measurements.

In January 2007, the Compensation Committee engaged Watson Wyatt Worldwide to assist it in a complete review of the Company's executive compensation practices and processes. That review is intended, among other things, to assist the Compensation Committee in determining what if any changes to make in the Company's overall compensation philosophy, as well as its practices and processes. As a part of that review the Company will consider, among other things, whether to increase the linkage of incentive compensation to specific pre-set goals.

Practices. The Company uses base salary, annual bonuses, and stock-based awards, as well as a range of benefit plans, as tools to help achieve our compensation objectives. The Company's approach to the mix of compensation among these elements tends to favor variable annual bonus awards over fixed base salary, while also including stock awards and deferred compensation to help promote a long-term perspective and align management's interest with that of shareholders of the Company and of its managed funds. Historically the Company has tended to favor variable over fixed compensation. As discussed in greater detail below, in 2006, the Company recorded substantial increases across a range of financial performance measures, and this was reflected in significant increases in annual cash bonuses for Executive Officers.

Base Salary

Considerations. The objective of base salary is to reflect job responsibilities and set a minimum baseline for compensation. In most cases, base salaries for Executive Officers are viewed as a significantly less important component of their overall compensation than variable elements of compensation. In setting salary levels, the Committee may consider such factors as:

the nature and responsibility of the position;

the expertise of the individual executive;

changes in the cost of living;

the competitiveness of the market for the executive's services; and

the recommendations of the Chairman and of the Chief Executive Officer with respect to Executive Officers who report to them.

Salary levels for Executive Officers joining the Company are typically set initially by negotiation between the prospective employee and management. Salary levels are subject to periodic review and comparison with competitive norms by the Committee's independent consultants. The last such review took place in December 2005, at which time the Committee did not increase salaries for any current NEO. Since that time, no adjustments to salaries have been made other than to reflect changes in job responsibilities.

Year 2006. Mr. Zacharias' s base salary was increased from \$250,000 to \$350,000 during 2006 in recognition of his assumption of additional duties as Chief Operating Officer during the prior year. Management did not recommend, and the Committee did not consider, any other adjustments to salaries for the NEOs in 2006.

Cash Incentives

Considerations. Annual cash bonuses are intended to incent and reward performance, both by the Company as a whole and by the individual Executive Officer. Historically, annual cash incentive payments have been determined after the close of the Company' s fiscal year. In reviewing discretionary cash awards to Executive Officers, the Compensation Committee begins with a review of the Company' s performance as compared with prior

years, specifically noting such measurements as revenues, net income, earnings per share, funds from operations (FFO), cash flow from operations, investment volume, assets under management and volume of funds raised and also noting any factors that may affect year-to-year comparisons, such as liquidity events for the Company's managed funds, which occur only every few years, and deferral of revenues, which may occur during the initial investment period of a new fund. The Compensation Committee also reviews, both at the beginning and after the close of the year the internal financial and other goals that are set by management at the beginning of each year, although it has not conditioned any portion of the annual incentive on achievement of one or more of these goals, and in practice has tended to place its emphasis on year-to-year comparisons of financial performance rather than on targets or goals. The Compensation Committee also reviews such additional factors as progress toward achieving non-financial goals and long-term objectives, unforeseen changes in the Company's operating environment during the year and the Company's performance over a multi-year period.

The Compensation Committee then reviews individual performance factors, which include consideration of performance in light of the nature, scope and level of the individual's responsibilities and of any individual goals established for an executive or special responsibilities undertaken during the year. This review includes self-evaluations, as well as assessments by the CEO of the performance of Executive Officers reporting to him, and assessments by the Chairman of the performance of the CEO and other Executive Officers. The CEO after consultation with the Chairman then recommends incentives for each of the Executive Officers reporting to him, and the Chairman recommends the CEO's incentive. The Compensation Committee then sets the Chairman's incentive payment. The Compensation Committee uses this information, as well as its own observations throughout the year, to make judgments about the individual's contributions to the Company's overall performance. As part of this process, it evaluates the executive's leadership, teamwork and commitment to the values of the organization. These judgments, and the Chairman's and CEO's recommendations, are then reviewed in light of the range of prior cash bonuses received by the individual. The Committee then consults with its independent compensation consultant to determine how the proposed payments compare, both on a stand-alone basis and taken together with total compensation for the year, with peer group levels of incentive and total compensation, before making a final determination as to bonus awards.

Year 2006. As discussed above, bonus payments for 2006 involved an evaluation of the Company's performance and of the individual executive's performance of his managerial responsibilities. Management first reviewed with the Compensation Committee the Company's financial results for 2006 as compared with 2005, both on an absolute basis and as adjusted for (i) the effect of the merger of CPA[®]:12 and CPA[®]:14 during 2006, and (ii) the effects of the deferral of certain revenues until CPA[®]:16 Global achieves its hurdle rate, a non-compounded cumulative 6% dividend return to its shareholders. Total revenues net of reimbursed expenses for 2006 were \$209.6 million, compared to \$158.8 million for 2005. For 2006, net income was \$86.3 million, a 78% increase from \$48.6 million in 2005. Diluted EPS for 2006 were \$2.22 versus \$1.25 for 2005. Taking into account adjustments for the effects of the merger and the deferral, overall operating results for 2006 still increased substantially over 2005 and exceeded prior years.

The Compensation Committee also reviewed the Company's asset growth, investment volume, level of fundraising for the CPA[®] REITs, FFO growth and cash flow from operations during 2006. Assets under management increased 8.2% from December 31, 2005 to December 31, 2006, although investment volume decreased to \$720 million in 2006 from \$865 million in 2005. The Company also, through a subsidiary, raised \$550 million on behalf of CPA[®]:16 Global, while during 2005 the Company was not actively raising funds. For 2006, FFO was \$128.5 million, compared to \$98.6 million in 2005. Cash flows from operating activities for 2006 were \$119.9 million, as compared to \$52.7 million during 2005.

The Compensation Committee as part of this process asked Watson Wyatt to review management's incentive proposals to determine how the proposed cash compensation and total compensation for individual Executive Officers compared to peer group data. Watson Wyatt as part of this process developed a competitive market comparison group of

15 companies against whom the Company's compensation practices were benchmarked.

Companies used for the Company's peer group were determined pursuant to the following factors:

Companies operating in the property acquisition, development, management leasing or REIT industries;

Companies with a strategic focus on commercial and industrial properties;

Revenues approximately 1/2 to 2 times those of the Company;

Net investment in real estate approximately 1/2 to 3 times that of the Company;

Market capitalization approximately 1/2 to 3 times that of the Company;

Historical status as a peer company from a prior study; and

Availability of public data.

Revenues, investments and market capitalization of the Company was computed inclusive of such data for its affiliated CPA® REIT funds, for which the Company provides management services. The peer group Watson Wyatt ultimately selected consisted of the following companies: AMB Property Corporation; American Financial Realty Trust; Brandywine Realty Trust; Developers Diversified Realty; Duke Realty Corporation; iStar Financial Inc.; Kimco Realty Corporation; Lexington Realty Trust; Liberty Property Trust; Mack-Cali Realty Corporation; New Plan Excel Realty Trust; Prologis; Realty Income Corporation; SL Green Realty Corporation; and Weingarten Realty Investors.

Based on its analysis, Watson Wyatt informed the Committee that overall cash compensation for the NEOs fell within competitive norms, near the upper end of the range, but total direct compensation delivered to the NEOs was substantially below competitive norms when factoring in equity-based compensation.

Based on the Company's overall performance and the information presented by Watson Wyatt, the Compensation Committee determined that the award of year-end bonuses at significantly higher levels than for 2005, as recommended by management, was fully justified. In the case of the Chairman and the Chief Executive Officer, their bonuses for 2006 were based on their leadership roles in achieving the Company's strong financial results for the year. In the case of Mr. Carey, his bonus was increased to \$900,000 from \$650,000. Mr. DuGan's bonus was increased from \$600,000 to \$1,000,000. The increase in Mr. Zacharias's bonus from the prior year reflected both the Company's results and the Compensation Committee's evaluation of his performance of his additional duties as Chief Operating Officer for the full year 2006, and the increase in Mr. DeCesaris's bonus reflected both the Company's performance and the CEO's and the Committee's evaluation of his performance as Acting CFO and as Chief Administrative Officer for the full year 2006. As discussed above, officers who are members of the Company's Investment Department do not receive discretionary cash incentives under the process described above, but rather receive commissions tied to a percentage of the structuring revenues the Company receives from the CPA® REITs in respect of transactions in which the officer participated. Mr. LaPuma's cash incentives for 2006 were all determined in this manner and were not subject to Committee review.

The Committee also agreed, as recommended by management, to a continuation of a 30% deferral of bonuses in 2006 for each of the NEOs. These portions of the annual bonuses are being deferred, together with bonus payments to officers in the Investment Department generally, and will become payable only if and when CPA®:16 Global achieves its hurdle rate, a 6% cumulative, non-compounded annual rate of return, which is currently expected to occur in the second quarter of 2007. Upon achievement of this hurdle, the Company will recognize a substantial amount of structuring and asset management revenues that have previously been deferred. The individual compensation deferred

bears interest at 6%, which is payable if and when the hurdle is made.

Stock-Based Awards

Considerations. The objective of stock-based awards is to align compensation for officers over a multi-year period with interests of shareholders of the Company by motivating and rewarding creation and preservation of long-term shareholder value.

The Company's long-term incentive compensation generally takes the form of a mix of restricted stock grants and option awards. These two vehicles reward shareholder value creation in slightly different ways. Stock options

(which have exercise prices equal to the closing New York Stock Exchange price at the date of grant) reward officers only if the stock price increases. Restricted stock rewards officers upon issuance, but thereafter is affected by all stock price changes, so the value to NEOs is affected by both increases and decreases in stock price. In addition, holders of restricted stock receive dividends on all such stock held by them prior to vesting. Restricted stock generally has scheduled vesting dates on or about the first through fourth anniversary of the grant date. On each of those dates, 25% of the total award is scheduled to vest, contingent upon the NEO's continued employment with the Company. Stock options for Executive Officers are granted with exercise prices of not less than fair market value of the Company's stock on the date of grant and currently vest ratably over four years, based on continued employment. (The Company has in the past used different vesting periods for options. See the Outstanding Equity Awards at Fiscal Year End 2006 table.) During 2006, the Compensation Committee adopted the current vesting schedule which it believes to be more in line with competitive practices. Under the Company's current policy, the exercise price of options granted to senior officers is generally set at the date the Compensation Committee acts (in the case of routine hiring or promotion grants to more junior officers, the grant date and exercise price are generally the next occurring mid-point of a fiscal quarter). The Committee does not time, and has not timed, grants based on the release of material non-public information.

The Compensation Committee periodically reviews market compensation data regarding the levels of stock-based compensation awards to executives in comparable positions, but does not make annual grants as a matter of course. The Compensation Committee may make individual grants in lieu of or in addition to cash compensation, as incentives for achievement of long-term strategic goals, in recognition of special achievements, or in other special circumstances such as the hiring or promotion of an executive. In general, awards are made at hiring and on promotion, and otherwise have not been evaluated on a fixed schedule. In addition, the Company also issues options as a part of its deferred compensation plans. Officers participating in the PEP Plans (which are described below) receive a grant of options under the Company's stock incentive plan that is intended to have a current value equal to 10% of their investment in the PEP Plans. Based on advice from the Company's prior independent compensation consultants, the Company has determined the value of each option to be granted by multiplying the closing price of the Company's stock on the date of grant by 1/9 (or .1111). These grants are made on June 30 and December 31 of each year, based on the closing price of the Company's stock on that date, vest in equal installments on the fifth through ninth anniversaries of their grant, are exercisable until the tenth anniversary of their grant, and are non-forfeitable. In general, the Company has relied more heavily on annual cash incentives rather than on stock incentives and as a result such awards, in the view of the independent compensation consultant, have significantly lagged the market and are out of alignment with the goals these awards were designed to achieve. As discussed above, the company is reviewing its long-term incentives as part of its overall review of compensation practices being undertaken in 2007.

Year 2006. In 2006, W. P. Carey & Co. LLC granted 100,000 options to Messrs. Zacharias and 75,000 options and 12,000 shares of restricted stock to Mr. DeCesaris. These options were granted in recognition of the significant new responsibilities undertaken by each of them during 2005. Additional options were issued to each of the NEOs in connection with the 2005 PEP, as described below.

Other Compensation and Benefits

Deferred Compensation Plans. The Company in 2003 implemented a deferred compensation plan, the Partnership Equity Unit Plan, or 2003 PEP. The 2003 PEP was terminated and replaced in 2005 by the 2005 Partnership Equity Unit Plan, or 2005 PEP. Although no further amounts were deferred and invested in the 2003 PEP after December 2004, amounts previously contributed continue to be held and administered under the 2003 PEP. The 2003 PEP was terminated, and the 2005 PEP implemented to comply with legislation enacted in 2004 that affected the permissible terms of deferred compensation plans. Except as otherwise noted, the description that follows applies generally to both the 2003 PEP and the 2005 PEP, which are collectively referred to as the PEP Plans.

The purpose of the PEP Plans is to align the interests of the Company's highly-compensated officers with the interests of investors in its managed funds, in a tax-advantaged manner. Under the PEP Plans, 15% of an executive's income between \$250,000 and \$500,000, and 30% of an executive's income above \$500,000, is required to be deferred and invested pursuant to the terms of the plan. Amounts so deferred are invested in PEP units.

Each PEP unit has an initial nominal value of \$10 and represents the right to receive (1) dividends equal in amount to, and payable at the same time as, distributions paid in respect of a share of the relevant CPA[®] fund (generally, subject to Compensation Committee discretion, the fund currently or most recently available, which has been CPA[®]:16 Global since inception of the 2005 PEP) and (2) upon liquidation of the relevant fund in the case of the 2003 PEP, or after twelve years in the case of the 2005 PEP (subject, in each case, to extension in certain circumstances) a payment equal in value and similar in kind to that available to a holder of a share of the relevant fund. Under the 2005 PEP, if the relevant fund has been liquidated before the end of the deferral, the Compensation Committee has discretion to choose another investment methodology, which may but need not be linked to interests in another CPA[®] fund. PEP units vest on issuance. PEP Plan participants also receive option grants based on the formula described above, PEP Units are generally not taxable until liquidation; however, dividends are generally taxable when paid. Certain of the NEOs also retain units in the 2003 PEP Plan that continue to pay dividends and accrete value based on the financial results of CPA[®]:15.

All officers of the Company whose compensation exceeds the threshold amount are required to participate in the PEP Plan. The Company believes that its shareholders should benefit by this express linkage of a portion of compensation to the creation of value for investors in its managed funds, as the creation of value for investors in these funds is in the Company's view an important part of the Company's financial success. At the same time, the Company believes that the PEP Plans benefit participants by allowing value to be created on a tax-deferred basis and by offering the opportunity to achieve above-market rates of return to the extent these are also realized by shareholders of the funds. In 2007, the Compensation Committee intends to review the 2005 PEP as a part of its overall review of the Company's compensation practices and processes.

Benefits and Perquisites. Also, although not an aspect of cash or incentive compensation, the Company seeks to attract and retain executives by providing a variety of benefit plans and programs, including a profit-sharing plan and a 401(k) plan (both of which are open to all eligible employees), an employee stock purchase plan under which all eligible employees may purchase certain amounts of Company stock at a discount, and a deferred compensation plan, as well as by providing perquisites. The Company does not maintain any defined-benefit plans. All of these benefits and most of these perquisites are available to all employees. Certain perquisites, as described in the summary compensation table, are available only to senior officers. These latter perquisites are not deemed by the Company to constitute a material element of compensation.

Employment Agreements

The Company may from time to time enter into employment contracts when it deems it to be advantageous in order to attract or retain certain individuals. Currently, of the NEOs, only Mr. LaPuma has such an agreement. Mr. DuGan terminated his employment agreement during 2006. At that time, Mr. DuGan informed the Company that he had no present intention to terminate his continued employment, and he continues to be employed as Chief Executive Officer of the Company.

Other Considerations

The Company has been advised by counsel that it is not subject to Section 162(m) of the Internal Revenue Code. The Company does not have any equity or other security ownership requirements or guidelines.

- (1) The amounts in the Bonus column represent bonuses paid in February 2007 for performance in 2006. A portion of the 2006 bonus amount for each of the NEOs was deferred and is to become payable only if and when CPA®:16 Global achieves a non-compounded cumulative distribution return to its shareholders of 6% (see below). Amounts deferred in 2006 were \$270,000 for Mr. Carey, \$300,000 for Mr. DuGan, \$165,000 for Mr. DeCesaris, \$263,119 for Mr. LaPuma and \$255,000 for Mr. Zacharias. Additional amounts of salary and bonus payments reported in this table have been deferred under W. P. Carey & Co. LLC's 2005 Partnership Equity Unit Plan, or 2005 PEP. Amounts deferred in 2006 under the 2005 PEP for Mr. Carey include salary of \$7,500 and bonus of \$159,000; for Mr. DuGan, salary of \$67,500 and bonus of \$210,000; for Mr. DeCesaris,

CPA[®]:16 Global is currently expected to achieve its non-compounded cumulative distribution return of 6% during the second quarter of 2007. If this occurs, cumulative bonus amounts deferred from 2004 through 2006 will be paid to the NEOs in 2007 totaling \$665,000 for Mr. Carey, \$811,817 for Mr. DuGan, \$225,000 for

Mr. DeCesaris, \$435,000 for Mr. Zacharias and \$1,047,131 for Mr. LaPuma. In addition, Mr. LaPuma will also receive cumulative deferred commissions totaling \$422,738. The NEOs will also receive interest computed at the rate of 6% on these amounts through the date of payment.

- (2) The amounts in the Stock Awards and Option Awards columns reflect the expense recognized for financial statement reporting purposes for the indicated fiscal year, in accordance with SFAS 123R (excluding risk of forfeiture), with respect to awards of time-based restricted shares and options to acquire W. P. Carey & Co. LLC stock, which may include awards made during the indicated year or earlier. For Mr. LaPuma, the amounts in these columns also include awards of time-based restricted interests and options to acquire interests in W. P. Carey International LLC (WPCI). For details of the individual grants of restricted shares and options during 2006, please see the Grants of Plan-Based Awards table below. There were no forfeitures of W. P. Carey & Co. LLC restricted shares or options by any of the NEOs during 2006. The assumptions on which these valuations are based are set forth in Notes 2 and 14 to the consolidated financial statements included in W. P. Carey & Co. LLC 's annual report on Form 10-K for the year ended December 31, 2006 filed with the Securities and Exchange Commission.
- (3) The Change in Pension Value & Nonqualified Deferred Compensation Earnings column represents above-market earnings on PEP Plan balances in 2006. For purposes of calculating above-market earnings, 120% of the long-term applicable Federal rate compounded annually (or 5.89%) was used to benchmark earnings. See Non-Qualified Deferred Compensation Table on page 24 for total earnings in 2006 on the PEP Plans.
- (4) The All Other Compensation column includes, in addition to the perquisites and personal benefits described below, the following: compensation related to Company contributions on behalf of the NEOs to the Company sponsored profit sharing plan (\$37,070 for each NEO), dividends on unvested restricted common stock (\$32,142 for Mr. Zacharias and \$16,344 for Mr. DeCesaris); and, for Mr. LaPuma, commission compensation earned in connection with structuring net lease transactions (\$1,102,012 of which \$335,293 was deferred in 2006), a capital distribution from WPCI for personal tax liability (\$210,329), and payment by the Company of life insurance premiums (\$15,000). Amounts reported in this column for Mr. LaPuma do not include a payment received in 2006 from W. P. Carey & Co. Inc., in respect of an award made by that entity in 2003 of shares owned by it of a CPA[®] REIT that was subsequently liquidated.

- (1) The All Other Stock Awards column represents the number of restricted shares granted under the 1997 Share Incentive Plan. These shares vest ratably over four years on the anniversary of the grant date.
- (2) The All Other Option Awards column represents the number of options granted under the 1997 Share Incentive Plan. Awards with a grant date of June 30, 2006 and December 31, 2006 represent options granted in connection with the 2005 PEP, which vest in equal annual installments on the fifth through ninth anniversaries of the grant date and expire 10 years from the grant date. These awards are non-forfeitable. Award granted on February 15, 2006 represents options which vest in equal annual installments on the fifth through ninth anniversaries of the grant date and expire 10 years from the grant date. Awards granted on March 10, 2006 and May 15, 2006 represent options which vest over four years on the anniversary of the grant date. The exercise price for all stock option grants presented in this table is the closing price of W. P. Carey & Co. LLC common stock on the New York Stock Exchange on the grant date.
- (3) Amounts in the Grant Date Fair Value column represent the market value of awards granted in 2006, calculated in accordance with SFAS 123R (excluding risk of forfeiture). For restricted shares, the grant date fair value is calculated by multiplying the number of shares granted by W. P. Carey & Co. LLC's closing stock price of \$26.19 on February 15, 2006. For stock options, the grant date fair value is calculated by multiplying the

Black-Scholes value by the number of options awarded. For additional information on the valuation assumptions, refer to Notes 2 and 14 to the consolidated financial statements included in W. P. Carey & Co. LLC's annual report on Form 10-K for the year ended December 31, 2006, filed with the Securities and Exchange Commission. These amounts reflect W. P. Carey & Co. LLC's accounting expense and do not necessarily correspond to the actual value that will be recognized by the NEOs.

- (2) This Grant, dated 6/30/03, represents the number of interests or options to acquire interests in WPCI held by Mr. LaPuma, and the market value of interests that have not vested. Amounts in the table do not represent the number of securities of the Company, which may be received in exchange for interests in WPCI; these amounts will be determined as described below. Under the terms of Mr. LaPuma's employment agreement, he has the right to put all vested interests in WPCI, including those acquired on exercise of options in WPCI, to the Company on or after December 31, 2012 (or earlier in certain circumstances, as described under Potential Payments Upon Termination or Change in Control), at the value thereof as determined by an independent appraisal. Mr. LaPuma will receive payment for such interests in shares of stock of the Company, valued at the average between the reported high and low trading prices for the thirty days prior to payment, and must continue to hold these shares for one year after receipt. The value of interests that have not yet vested has been derived by calculating the per-share value of each WPCI interest based on the March 31, 2006 appraised value of that entity, the most recent valuation available to W. P. Carey & Co. LLC, divided by the number of interests (both vested and unvested) outstanding at December 31, 2006.
- (3) Represents the number of interests in WPCI underlying options to acquire such interests.
- (4) Represents the number of interests in WPCI that have not yet vested.
- (5) Represents the dollar value of interests in WPCI that have not yet vested.

POTENTIAL PAYMENTS UPON TERMINATION OR CHANGE IN CONTROL

None of the NEOs, other than Mr. Edward V. LaPuma, has an employment, severance or change in control agreement with W. P. Carey & Co. LLC which, in the event of termination or change in control, would provide them with any right to a cash severance or incremental benefit.

As an inducement to retain the services of Mr. LaPuma, on March 21, 2003, W. P. Carey & Co. LLC and WPCI entered into an Amended Employment Agreement with Mr. LaPuma, which modified his prior Employment Agreement with the Company dated June 28, 2000. Under his Amended Employment Agreement, Mr. LaPuma is entitled to post-employment benefits depending upon the reason for termination (as such reasons are defined in the Employment and the Amended Employment Agreements). The different values of Mr. LaPuma's benefits as of December 31, 2006 are as follows: upon Termination Due to Death, Disability or Without Good Reason, 200,000 interests in WPCI valued at \$1,018,000 will become vested and an option to purchase 200,000 interests in WPCI with a value of \$818,000 (based on the excess of the share value over the option price) will become exercisable; in addition, upon a Termination Without Cause, With Good Reason or Due to a Change in Control, Mr. LaPuma would receive a cash severance, payable in 12 monthly installments in the amount of \$3,058,743; and, upon Termination for Cause none of the foregoing benefits will be applicable. Generally, any such interests held by Mr. LaPuma may not be sold or otherwise transferred until 2012, except that upon a Termination With Good Reason

he may put such interests to W. P. Carey & Co. LLC in exchange for shares of W. P. Carey & Co. LLC having an equal value. The value of an interest in WPCI for purposes of the above disclosure is based on an appraisal of WPCI shares as of March 31, 2006, the most recent valuation available to W. P. Carey & Co. LLC.

REPORT OF THE AUDIT COMMITTEE

The information contained in this report shall not be deemed to be soliciting material or to be filed with the Commission, nor shall such information be incorporated by reference into any previous or future filings under the Securities Act of 1933, as amended, or the Exchange Act except to the extent that the Company incorporates it by specific reference.

The Audit Committee of the Board of Directors reports as follows with respect to the audit of W. P. Carey & Co. LLC's fiscal 2006 audited financial statements and management's report of internal controls over financial reporting.

The audit functions of the Committee focus on the adequacy of W. P. Carey & Co. LLC's internal controls and financial reporting procedures, the performance of W. P. Carey & Co. LLC's internal audit function and the independence and performance of W. P. Carey & Co. LLC's independent accountants, PricewaterhouseCoopers LLP. The Committee meets periodically with management to consider the adequacy of internal controls and the objectivity of W. P. Carey & Co. LLC's financial reporting. The Committee discusses these matters with appropriate internal financial personnel as well as independent accountants. The Committee held four regularly scheduled quarterly meetings during 2006, and also met six additional times.

Management has primary responsibility for W. P. Carey & Co. LLC's financial statements and management's report of internal controls over financial reporting and the overall reporting process, including W. P. Carey & Co. LLC's system of internal controls. The independent accountants audit the annual financial statements and management's report of internal controls over financial reporting prepared by management, express an opinion on the conformity of the audited financial statements and management's report of internal controls over financial reporting with accounting principles generally accepted in the United States of America and discuss with the Committee any issues they believe should be raised with us. The Committee monitors these processes, relying without independent verification on the information provided to us and on the representations made by management and the independent accountants.

The Committee has reviewed and discussed the audited financial statements and management's report of internal controls over financial reporting with the management of W. P. Carey & Co. LLC. The Directors who serve on the Audit Committee are all independent as defined in the New York Stock Exchange listing standards and applicable rules of the Securities and Exchange Commission. That is, the Board of Directors has determined that none of us has a relationship to W. P. Carey & Co. LLC that may interfere with our independence from W. P. Carey & Co. LLC and its management.

The Committee has discussed with the independent accountants the matters required to be discussed by Statement on Auditing Standards No. 61. The Committee has received written disclosures and the letter from the independent accountants required by Independence Standards Board Standard No. 1 and has discussed with the accountants the accountants' independence from W. P. Carey & Co. LLC. Based on review and discussions of the audited financial statements and management's report of internal controls over financial reporting of W. P. Carey & Co. LLC with management and discussions with the independent accountants, the Audit Committee recommended to the Board of Directors that the audited financial statements and management's report of internal controls over financial reporting for the fiscal year ended December 31, 2006 be included in the Annual Report on Form 10-K for

filing with the Securities and Exchange Commission. The Board of Directors has adopted a formal written charter for the Audit Committee, which charter is reviewed annually.

The Board of Directors has determined that Charles E. Parente, who is an Independent Director and Chairman of the Audit Committee, is a financial expert as defined in Item 401 of Regulation S-K under the Securities Act of 1933.

Shareholder Proposals

The date by which shareholder proposals must be received by W. P. Carey & Co. LLC for inclusion in proxy materials relating to the 2008 Annual Meeting of Shareholders is January 2, 2008.

In order to be considered at the 2008 Annual Meeting, shareholder proposals, including shareholder nominations for Director, must comply with the advance notice and eligibility requirements contained in W. P. Carey & Co. LLC's By-Laws. The By-Laws provide that shareholders are required to give advance notice to W. P. Carey & Co. LLC of any business to be brought by a shareholder before an annual shareholders' meeting. For business to be properly brought before an annual meeting by a shareholder, the shareholder must give timely written notice thereof to the Secretary of W. P. Carey & Co. LLC. In order to be timely, a shareholder's notice must be delivered to or mailed and received at the principal executive offices of the Company not fewer than 90 days nor more than 120 days prior to the first anniversary of the preceding year's annual meeting. In the event that the date of the annual meeting is advanced by more than 30 days or delayed by more than 60 days from such anniversary date, notice by the shareholder to be timely must be delivered not earlier than the 120th day prior to such annual meeting and not later than the close of business on the later of the 90th day prior to such annual meeting or the tenth day following the day on which public announcement of the date of such meeting is first made.

The notice shall set forth:

A copy of the Company's By-Laws is available upon request. Such requests and any shareholder proposals should be sent to Susan C. Hyde, Secretary, W. P. Carey & Co. LLC, 50 Rockefeller Plaza, New York, NY 10020. These procedures apply to any matter that a shareholder wishes to raise at the 2008 Annual Meeting, including those matters raised other than pursuant to 17 C.F.R. § 240.14a-8 of the rules and regulations of the SEC. A shareholder proposal that does not meet the above requirements will be considered untimely, and any proxy solicited by W. P. Carey & Co. LLC may confer discretionary authority to vote on such proposal.

Communication with the Board

Shareholders who wish to send communications on any topic to the Board, the Lead Director or the Independent Directors as a group may do so by writing to the Lead Director, W. P. Carey & Co. LLC, 50 Rockefeller Plaza, New York, NY 10020. The Nominating and Corporate Governance Committee has approved a process for handling communications to the Board in which the Corporate Secretary, Susan C. Hyde, monitors communications from shareholders and provides copies or summaries of such communications to the Directors as she considers appropriate. The Board will give appropriate attention to written communications that are submitted by shareholders, and will respond if and as appropriate. Absent unusual circumstances or as contemplated by committee charters and subject to any required assistance or advice from legal counsel, Ms. Hyde is responsible for monitoring communications from shareholders and for providing copies or summaries of such communications to the Directors as she considers appropriate.

DIRECTOR INDEPENDENCE

In March 2004, the Board of Directors adopted W. P. Carey & Co. LLC's Corporate Governance Guidelines. The Guidelines adopted by the Board meet or exceed the listing standards adopted during that year by the New York Stock Exchange. The Guidelines can be found in the "WPC Investor Relations" section of W. P. Carey & Co. LLC's website (www.wpcarey.com). A printed copy may also be obtained upon request from our Secretary, Susan C. Hyde.

Pursuant to the Guidelines, the Board undertook its annual review of Director independence in March 2007. During this review, the Board considered transactions and relationships between each Director and nominee or any member of his or her immediate family and W. P. Carey & Co. LLC and its subsidiaries and affiliates, including those reported under "Certain Relationships and Related Transactions" below. The Board also examined transactions and relationships between Directors and nominees or their affiliates and members of our senior management or their affiliates. As provided in the Guidelines, the purpose of this review was to determine whether any such relationships or transactions were inconsistent with a determination that the Director is independent.

The Guidelines provide that a majority of the Directors will be Independent Directors. A Director is independent if he or she does not have a material relationship with the Company or one of its subsidiaries. The Board has established guidelines to assist it in determining Director independence, although compliance with the guidelines is not sufficient for a determination of independence by the board.

The guidelines provide that a Director shall not be an Independent Director if he or she:

has in the last three years been employed by the Company;

has in the last three years been affiliated with or employed by a (present or former) auditor of the Company or of an affiliate of the Company;

has in the last three years been part of an interlocking directorate in which an Executive Officer of the Company sits on the compensation committee of another company (including parent and subsidiaries of such company) which concurrently employs the Director; or

is or has been in the last three years an Executive Officer or employee of a company that makes payments to, or receives payments from the Company for property or services in an amount which, in any single fiscal year, exceeds the greater of \$1 million, or 2% of such other company's consolidated gross revenues.

has an immediate family member who falls within any of the above categories.

The guidelines also provide that ownership of stock in the Company by Directors is encouraged and that ownership of a substantial amount of stock is not in itself a basis for a Director to be considered as not independent, provided that ownership of more than 10% of the outstanding shares may preclude a Director from being deemed independent for the purpose of serving on the Audit Committee.

The New York Stock Exchange also requires that the Board of Directors determine whether a Director is independent for purposes of the Exchange's listing standards. The Nominating and Corporate Governance Committee has asked each Director and nominee to specify in writing the nature of any relevant relationships such individual may have with the Company, including, but not limited to, any relationships that would specifically preclude a finding of independence under the Listing Standards. Upon review of these disclosures, the Board has affirmatively determined that none of the Directors or nominees noted as independent in this proxy statement has a material relationship with

W. P. Carey & Co. LLC that would interfere with his independence from the Company and its Management.

As a result of this review, the Board has affirmatively determined that Messrs. Bond, Coolidge, Faber, Griswold, Klein, Mittelstaedt, Parente, von Köller and Winssinger are independent of the Company and its management under the standards set forth in the Corporate Governance Guidelines and the New York Stock Exchange listing standards and for the purpose of serving on the Audit Committee, where applicable. Messrs. Wm. Polk Carey, Francis Carey, DuGan and Stoddard are considered affiliated Directors because of their relationship to, or current or former employment as senior executives of, W. P. Carey & Co. LLC and its affiliates.

CODE OF ETHICS

W. P. Carey & Co. LLC's Board of Directors adopted a revised Code of Business Conduct and Ethics (Code) on September 16, 2006. It sets forth the standards of business conduct and ethics applicable to all of our employees, including our NEOs and Directors. This code is available on the Company's website (www.wpcarey.com) in the WPC Investor Relations section. Printed copies may also be obtained upon a request submitted to our Investor Relations department. W. P. Carey & Co. LLC also intends to post amendments to or waivers from the Code (to the extent applicable to our Chief Executive Officer, principal financial officer and principal accounting officer) at this location on the website. Francis J. Carey has been appointed the Company's Chief Ethics Officer.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Policies and Procedures with Respect to Related Party Transactions

W. P. Carey & Co. LLC's NEOs and Directors are committed to upholding the highest legal and ethical conduct in fulfilling their responsibilities and recognize that related party transactions can present a heightened risk of potential or actual conflicts of interest. Under the Company's Code, employees, officers and Directors have an obligation to act in the best interest of the Company and to put such interests at all times ahead of their own personal interests. In addition, all employees, officers and Directors of the Company should seek to avoid any action or interest that conflicts with or gives the appearance of a conflict with the Company's interests. According to the Code, a conflict of interest occurs when a person's private economic or other interest conflicts with, is reasonably expected to conflict with, or may give the appearance of conflicting with, any interest of the Company. The following conflicts of interest are prohibited, and employees, officers and Directors of W. P. Carey & Co. LLC must take all reasonable steps to detect, prevent, and eliminate such conflicts:

Working in any capacity for including service on a Board of Directors or trustees, or on a committee of a competitor while employed by the Company.

Competing with the Company for the purchase, sale or financing of property, services or other interests.

Soliciting or accepting any personal benefit from a third party (including any competitor, customer or service provider) in exchange for any benefit from the Company. (Applicable Company policies may permit the acceptance of gifts and entertainment from third parties, subject to certain limitations.)

Individuals are expected to adhere to these policies where applicable, and in general to limit acceptance of benefits to those that are reasonable and customary in a business environment and that are not reasonably likely to improperly influence the individual. Other conflicts of interest, while not prohibited in all cases, may be harmful to the Company and therefore must be disclosed in accordance with the Code. The Chief Ethics Officer of the Company has primary authority and responsibility for the administration of this Code, subject to the oversight of the Nominating and Corporate Governance Committee, or, in the case of accounting, internal accounting controls or auditing matters, the Audit Committee of the Board.

Payments to W. P. Carey & Co. LLC from Related Parties

The Company and its subsidiary, Carey Asset Management, receive compensation as the advisor to the four affiliated CPA® REITs. During 2006, the CPA® REITs retained the Company or Carey Asset Management to provide advisory services in connection with identifying and analyzing prospective property investments as well as providing day-to-day management services. For services provided to each of Corporate Property Associates 12 (CPA:12),

CPA®:14, CPA®:15 and CPA®:16 Global during 2006 the advisor earned asset management compensation and performance compensation, each equal to a percentage of average invested assets. The payment of the performance compensation is subordinated to specified returns to shareholders. During 2006, these performance conditions were satisfied for each of CPA®:12; CPA®:14 and CPA®:15, and for these three funds, the asset management and performance compensation earned by the advisor totaled \$57.633 million, of which approximately half, representing the performance compensation, was paid in restricted shares of the applicable CPA® REIT. For services provided to CPA®:16 Global, during 2006 the asset management compensation paid to the advisor was \$5.527 million, and an additional \$5.527 million will become payable only if the performance

threshold is met. In addition, during 2006, in return for performing services related to the CPA® REITs' real estate purchases, the advisor earned structuring, development, acquisition and mortgage placement compensation of \$21.282 million, payment of \$3.459 million of which was subordinated and deferred. During 2006, the CPA® REITs paid \$12.543 million to the advisor in respect of previously subordinated and deferred compensation plus interest thereon. During 2006, CPA®:16 Global paid an acquisition expense allowance of \$1.224 million to the advisor in connection with the completion of acquisitions. Also during 2006, Carey Financial, LLC, an affiliate of W. P. Carey & Co. LLC, became entitled to receive sales commissions and selected dealer fees of \$38.037 million and \$10.901 million, respectively, which were, in turn, reallocated to unaffiliated broker/dealers in connection with CPA®:16 Global's best efforts offering of common stock. CPA®:16 Global also reimbursed the advisor for certain of its expenses related to such offering during 2006, in the aggregate amount of \$4.779 million. Because the CPA® REITs do not have their own employees, the advisor employs, directly and through its affiliate, Carey Management Services, officers and other personnel to provide services to the CPA® REITs. During 2006, \$9.914 million was paid to the advisor by the CPA® REITs to cover such personnel expenses, which amount includes both cash compensation and employee benefits. Under a similar arrangement, W. P. Carey & Co., Inc. paid \$844,700 in 2006 to Carey Asset Management for the expenses of personnel who performed services for W. P. Carey & Co., Inc. In addition, pursuant to a cost-sharing arrangement among the advisor, the CPA® REITs, W. P. Carey & Co., Inc. and other affiliates of the advisor, each pays its proportionate share, based on adjusted revenues, of office rental expenses at 50 Rockefeller Plaza and of certain other overhead expenses.

In June 2006, the Boards of Directors of CPA®:12 and CPA®:14 each approved a definitive agreement under which CPA®:14 would acquire CPA®:12's business for a combination of cash and stock (the CPA®:12/14 Merger). The CPA®:12/14 Merger was approved by the shareholders of CPA®:12 and CPA®:14 in November 2006 and completed on December 1, 2006. In connection with providing a liquidity event for CPA®:12 shareholders, CPA®:12 paid the Company termination revenue of \$25.379 million and subordinated disposition revenue of \$24.418 million. Included in subordinated disposition revenue is \$3.779 million payable by CPA®:12 related to properties the Company acquired from CPA®:12 that was not recognized as income for financial reporting purposes but reduced the cost of the properties acquired. At the time of the merger the Company owned 2,134,140 shares of CPA®:12 and received \$6.808 million as a result of the special cash distribution of \$3.19 per share, and elected to receive \$9.861 million in cash and 1,022,800 shares of CPA®:14 stock in the merger and recorded a gain of \$6.521 million.

Prior to the CPA®:12/14 Merger, the Company acquired interests in 37 properties from CPA®:12 (the CPA®:12 Property Acquisition) with a fair value of \$126.006 million for \$67.289 million in cash and the assumption of limited recourse mortgage notes payable with a fair value of \$58.717 million. The amounts are inclusive of the Company's pro rata share of equity interests acquired in the transaction. In addition, the Company made a payment to CPA®:12 of \$534,000 in respect of one of the properties which had been sold at a price below its previously appraised value. The purchase price of the properties was based on a third party valuation of each of CPA®:12's properties. The properties are primarily single tenant net-leased properties, with remaining lease terms ranging from three to seven years. The majority of the properties are encumbered with limited recourse mortgage financing with fixed annual interest rates ranging from 5.5% to 8.5% and maturity dates ranging from 2009 to 2017.

In connection with the CPA®:12 Property Acquisition, the Company has agreed that if it enters into a definitive agreement to sell any of the acquired properties within six months after the closing of the CPA®:12 Acquisition at a price that is higher than the price paid to CPA®:12, the Company will pay to former CPA®:12 shareholders an amount equal to 85% of the excess (net of selling expenses and fees) on any such sale.

A subsidiary of the Company has agreed to indemnify CPA®:14 if CPA®:14 suffers certain losses arising out of a breach by CPA®:12 of its representations and warranties under the merger agreement and having a material adverse effect on CPA®:14 after the CPA®:12/14 Merger, up to the amount of fees received by such subsidiary of the Company in connection with the CPA®:12/14 Merger. The Company has evaluated the exposure related to this

indemnification and has determined the exposure to be minimal. The Company has also agreed to waive any acquisition fees payable by CPA[®]:14 under its advisory agreement with the Company in respect of the properties being acquired in the CPA[®]:12/14 Merger and has also agreed to waive any disposition fees that may subsequently be payable by CPA[®]:14 to the Company upon a sale of such assets.

Livho, Inc. Transaction

In connection with the consolidation of the nine CPA® partnerships in 1998, W. P. Carey & Co. LLC obtained a hotel in Livonia, Michigan which was not subject to a lease. W. P. Carey & Co. LLC would be taxed as a corporation if it received more than a small percentage of its income from the operation of a hotel. In order to avoid taxation as a corporation, W. P. Carey & Co. LLC in 1998 leased the hotel to Livho Inc., a corporation wholly-owned by Francis J. Carey, its chairman, pursuant to a two-year lease which was subsequently modified and extended. Livho Inc.'s rent for 2006 was \$1.2 million. Livho, Inc.'s net loss for 2006 was approximately \$455,000. Francis J. Carey, as sole shareholder, did not receive a dividend payment from Livho, as excess cash flow was applied to rental arrearages due to W. P. Carey & Co. LLC. In March 2005, the Company approved a plan to sell this property. In the fourth quarter of 2005 the Company terminated its plan to sell the property and entered into an agreement with the proposed buyer to upgrade and manage the facility on a fee basis.

Reginald H. Winssinger Investments

W. P. Carey & Co. LLC Director Reginald H. Winssinger and members of his family are co-investors with W. P. Carey & Co. LLC in several of the Company's properties that are located in France. Specifically, Mr. Winssinger and/or his family members purchased, at the time of and on the same terms as the purchase of the properties by W. P. Carey & Co. LLC: (i) a 7.2% ownership interest in the properties leased to multiple tenants in Pantin, France for an original investment of \$139,000, (ii) a 7.2% ownership interest in the property leased to Tellit Assurances for an original investment of \$76,289, (iii) a 7.2% ownership interest in the property leased to Direction Regionale Des Affaires Sanitaires et Sociales for an original investment of \$39,552, (iv) a 5.8% ownership interest in the property leased to Societe de Traitements DSM Food Specialties for an original investment of \$45,826 and (v) a 15% ownership interest in the properties leased to Bouyges Telecom SA for an original investment of \$525,383. These properties were purchased between May 1998 and December 2001.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Based upon a review of filings with the U.S. Securities and Exchange Commission, W. P. Carey & Co. LLC believes our Directors, Executive Officers and beneficial owners of 10% or more of our shares did not timely file reports required to be filed in 2006 and prior years under Section 16(a) on the following occasions: (a) Gordon DuGan did not timely report on Form 4, the acquisition of 5,615 shares in 2001 and the disposition of 4,450 shares in 2002; (b) Eberhard Faber did not timely report on Form 4, the acquisition of 500 shares in 1999; (c) During the period 2000 to 2003 Wm. Polk Carey, the Company's then-President, did not timely report on Form 4 two acquisitions totaling 2,836 shares and in 2002 he did not report on Form 5 two dispositions totaling 199 shares. In addition, in connection with transactions by Carey Management LLC (CM), W. P. Carey & Co. (WPCCO), Carey Property Advisors (CPA), WPCI and Carey Asset Management through which Mr. Wm. EXHIBIT A

W. P. CAREY & CO. LLC

**1997 NON-EMPLOYEE DIRECTORS INCENTIVE PLAN
(Amended and restated as of April 23, 2007)**

The purposes of the 1997 Non-Employee Directors Incentive Plan (the Plan) are to promote the long-term success of W. P. Carey & Co. LLC (the Company) by creating a long-term mutuality of interests between the Non-Employee Directors and shareholders of the Company, to provide an additional inducement for such Directors to remain associated with the Company and to provide a means through which the Company may attract able persons to serve as Directors of the Company.

SECTION 1

Administration

The Plan shall be administered by the Compensation Committee (the Committee) appointed by the Board of Directors of the Company (the Board) and consisting of not less than three members of the Board.

The Committee shall keep records of actions taken at its meetings. A majority of the Committee shall constitute a quorum at any meeting, and the acts of a majority of the members present at any meeting at which a quorum is present shall be the acts of the Committee. The Committee may also take action by approval in writing of all members of the Committee.

The Committee shall interpret the Plan and prescribe such rules, regulations and procedures in connection with the operation of the Plan as it shall deem to be necessary and advisable for the administration of the Plan consistent with the purposes of the Plan. All questions of interpretation and application of the Plan, as to options (Listed Share Options) to purchase interests in the Company known as listed shares (Listed Shares) and as to Listed Shares subject to restrictions as to transferability or other rights of ownership (Restricted Listed Shares) granted under the Plan, shall be subject to the determination of the Committee, which shall be final and binding.

Notwithstanding the above, the selection of the Directors to whom Listed Share Options or Restricted Shares are to be granted, the timing of such grants, the number of Listed Shares subject to any Listed Share Option, the exercise price of any Listed Share Option, the periods during which any Listed Share Option may be exercised and the term of any Listed Share Option or Restricted Listed Share grant shall be as hereinafter provided, and the Committee shall have no discretion as to such matters.

SECTION 2

Listed Shares Available under the Plan

The aggregate net number of Listed Shares which may either be issued pursuant to or be subject to outstanding Listed Share Options or granted as Restricted Listed Shares under the Plan is limited to 300,000 Listed Shares of the Company, subject to adjustment and substitution as set forth in Section 6. If any Listed Share Option is exercised by delivering previously owned Listed Shares in payment of the option price, the number of Listed Shares so delivered to the Company shall again be available for purposes of the Plan. If any Listed Share Option granted under the Plan is canceled by mutual consent or terminates or expires for any reason without having been exercised in full, the number of Listed Shares subject thereto shall again be available for purposes of the Plan.

SECTION 3

Grant of Listed Share Options or Restricted Shares

On each January 1, April 1, July 1 and October 1 during the period in which grants may be made in accordance with Section 10, each person who is then a member of the Board and who is not then an employee of the Company or any of its subsidiaries (a Non-Employee Director) shall be granted Restricted Listed Shares and Listed Share

Options with a total value of \$7,500. The composition of the award shall be at the option of the Non-Employee Director. If the number of Listed Shares then remaining available for the grant of Listed Share Options or Restricted Listed Shares under the Plan is not sufficient for each Non-Employee Director to be granted a Listed Share Option or Restricted Shares with a total value of \$7,500, then each Non-Employee Director shall be granted an award for a number of whole Listed Shares or Restricted Listed Shares equal to the number of Listed Shares then remaining available divided by the number of Non-Employee Directors, disregarding any fractions of a share.

SECTION 4

Terms and Conditions of Listed Share Options

Listed Share Options granted under the Plan shall be subject to the following terms and conditions:

(A) The purchase price at which each Listed Share Option may be exercised (the option price) shall be one hundred percent (100%) of the fair market value per share of the Listed Shares covered by the Listed Share Option on the date of grant, determined as provided in Section 4(H).

(B) Method of Exercise. Listed Share Options may be exercised in whole or in part, by giving written notice of exercise to the Company, specifying the number of Listed Shares to be purchased. Payment of the purchase price may be made by one or more of the following methods:

(i) In cash (by certified, bank check, money order or other instrument acceptable to the Committee);

(ii) In the form of Listed Shares that are not then subject to restrictions under any Company plan, if permitted by the Committee in its discretion. Such surrendered shares shall be valued at Fair Market Value on the exercise date; or

(iii) Any combination of cash and such shares, in the amount of the full purchase price for the number of Listed Shares as to which the Option is exercised; provided, however, that any portion of the option price representing a fraction of a share shall be paid by the Optionee in cash.

(iv) By the optionee delivering to the Company a properly executed exercise notice together with irrevocable instructions to a broker to promptly deliver to the Company cash or a check payable and acceptable to the Company to pay the purchase price; provided that in the event the optionee chooses to pay the purchase price as so provided, the optionee and the broker shall comply with such procedures and enter into such agreements of indemnity and other agreements as the Committee shall prescribe as a condition of such payment procedure. Payment instruments will be received subject to collection.

The delivery of certificates representing Listed Shares to be purchased pursuant to the exercise of the Listed Share Option will be contingent upon receipt from the Optionee (or a purchaser acting in his stead in accordance with the provisions of the Listed Share Option) by the Company of the full purchase price for such shares and the fulfillment of any other requirements contained in the Listed Share Option or applicable provisions of laws.

(C) Cashless Exercise. Unless otherwise expressly provided at the time of grant, participants who hold Listed Share Options shall have the right, in lieu of exercising the Option, to elect to surrender all or part of such Option to the Company and to receive cash in an amount equal to the excess of (i) the higher of (x) the Fair Market Value of a Listed Share on the date such right is exercised and (y) the highest price paid for Listed Shares or, in the case of securities convertible into Listed Shares or carrying a right to acquire Listed Shares, the highest effective price (based on the prices paid for such securities) at which such securities are convertible into Listed Shares or at which Listed Shares may be acquired, by any person or group whose acquisition of voting securities has resulted in a Change of

Control of the Company over (ii) the exercise price per share under the Option, multiplied by the number of shares of Listed Shares with respect to which such right is exercised.

(D) Except as otherwise provided in Section 7(B), no Listed Share Option granted under Section 3 shall be exercisable while the grantee is a Director prior to the first anniversary of the date of grant, and no Listed Share Option shall be exercisable in any event during the first six months of its term except in case of death or disability of the grantee as provided in Section 4(F). Listed Share Options granted hereunder shall be exercisable as follows: options with respect to one-third of the Listed Shares shall be exercisable on each of the first, second and third

anniversary of the date of grant. No Listed Share Option shall be exercisable after the expiration of ten years from the date of grant. A Listed Share Option, to the extent exercisable, may be exercised in whole or in part.

(E) If and to the extent required for Listed Share Options granted under the Plan to qualify for the exemption provided by Rule 16b-3 under the Securities Exchange Act of 1934 (the 1934 Act), (i) no Listed Share Option shall be transferable by the grantee otherwise than by will, or if the grantee dies intestate, by the laws of descent and distribution of the state of domicile of the grantee at the time of death and (ii) all Listed Share Options shall be exercisable during the lifetime of the grantee only by the grantee or the grantee's guardian or legal representative.

(F) If a grantee ceases to be a Director of the Company for any reason, any outstanding Listed Share Options of the grantee (whether or not then held by the grantee) shall be exercisable and shall terminate according to the following provisions:

(i) If a grantee ceases to be a Director of the Company for any reason other than resignation, removal for cause or death, any then outstanding Listed Share Option of such grantee (whether or not exercisable immediately prior to the grantee ceasing to be a Director) shall be exercisable at any time prior to the expiration date of such Listed Share Option or within one year after the date the grantee ceases to be a Director, whichever is the shorter period; provided that, except in the case of a grantee who is disabled within the meaning of Section 422(c)(6) of the Code (a Disabled Grantee), in no event shall the option be exercisable during the first six months of its term;

(ii) If during his term of office as a Director, a grantee resigns from the Board or is removed from office for cause, any outstanding Listed Share Option of the grantee which is not exercisable immediately prior to resignation or removal shall terminate as of the date of resignation or removal, and any outstanding Listed Share Option of the grantee which is exercisable immediately prior to resignation or removal shall be exercisable at any time prior to the expiration date of such Listed Share Option or within 90 days after the date of resignation or removal, whichever is the shorter period;

(iii) Following the death of a grantee during service as a Director of the Company, any Listed Share Option of the grantee outstanding at the time of death (whether or not exercisable immediately prior to death of the grantee) shall be exercisable by the person entitled to do so under the Will of the grantee, or, if the grantee shall fail to make testamentary disposition of the Listed Share Option or shall die intestate, by the legal representative of the grantee (or, if then permitted under the Plan and the applicable Listed Share Option agreement, by the grantee's inter vivos transferee) at any time prior to the expiration date of such Listed Share Option or within one year after the date of death of the grantee, whichever is the shorter period;

(iv) Following the death of a grantee after ceasing to be a Director and during a period when a Listed Share Option remains outstanding, any Listed Share Option of the grantee outstanding and exercisable at the time of death shall be exercisable by such person entitled to do so under the Will of the grantee or by such legal representative (or, if then permitted under the Plan, by such inter vivos transferee) at any time prior to the expiration date of such Listed Share Option or within one year after the date of death of the grantee, whichever is the shorter period.

Whether a grantee is a Disabled Grantee shall be determined, in its discretion, by the Committee, and any such determination by the Committee shall be final and binding.

(G) All Listed Share Options shall be confirmed by an agreement, or an amendment thereto, which shall be executed on behalf of the Company by the Chief Executive Officer (if other than the President), the President or any Vice President and by the grantee.

(H) Fair Market Value of the Listed Shares means the last reported sale price at which a Listed Share is traded on such date or, if no Listed Shares are traded on such date, the most recent date on which Listed Shares were traded, as

reflected on the New York Stock Exchange or, if applicable, any other national stock exchange which is the principal trading market for the Listed Shares.

(I) The obligation of the Company to issue Listed Shares under the Plan shall be subject to (i) the effectiveness of a registration statement under the Securities Act of 1933, as amended, with respect to such Listed Shares, if deemed necessary or appropriate by counsel for the Company, (ii) the condition that the Listed Shares shall have

been listed (or authorized for listing upon official notice of issuance) upon each stock exchange, if any, on which the Listed Shares Listed Shares may then be listed and (iii) all other applicable laws, regulations, rules and orders which may then be in effect.

Subject to the foregoing provisions of this Section 4 and the other provisions of the Plan, any Listed Share Option granted under the Plan may be subject to such restrictions and other terms and conditions, if any, as shall be determined, in its discretion, by the Committee and set forth in the agreement referred to in Section 4(F), or an amendment thereto.

SECTION 5

Restricted Listed Shares Awards

(A) Nature of Restricted Listed Share Award. A Restricted Listed Share Award is an Award entitling the recipient to acquire, at no cost or for a purchase price determined by the Committee, Listed Shares subject to such restrictions and conditions as the Committee may determine at the time of grant. Conditions may be based on continuing service and/or achievement of pre-established performance goals and objectives.

(B) Acceptance of Award. A participant who is granted a Restricted Listed Share Award which requires the making of a payment to the Company shall have no rights with respect to such Award unless the participant shall have accepted the Award within 60 days (or such shorter date as the Committee may specify) following the award date by making payment to the Company, if required, by certified or bank check or other instrument or form of payment acceptable to the Committee in an amount equal to the specified purchase price, if any, of the Listed Shares, covered by the Award and by executing and delivering to the Company a written instrument that sets forth the terms and conditions of the Restricted Listed Shares in such form as the Committee shall determine.

(C) Rights as a Shareholder. Upon complying with Section 5(B), a participant shall have all the rights of a shareholder with respect to the Restricted Listed Shares including voting and dividend rights, subject to transferability restrictions and Company repurchase or forfeiture rights described in this Section 5 and subject to such other conditions contained in the written instrument evidencing the Restricted Listed Share Award. Unless the Committee shall otherwise determine, certificates evidencing shares of Restricted Listed Shares shall remain in the possession of the Company until such shares are vested as provided in Section 5(e) below.

(D) Restrictions. Restricted Listed Shares may not be sold, assigned, transferred, pledged or otherwise encumbered or disposed of until the restrictions thereon lapse pursuant to the provisions of Section 5(e).

(E) Vesting of Restricted Listed Shares. The Restricted Listed Shares issued under this Plan shall vest ratably over the three-year period with the restrictions relating to such shares lapsing with respect to one-third of the Restricted Listed Shares in each grant on each of the first, second and third anniversary of the date of grant. Subsequent to such date or dates, the Listed Shares on which all restrictions have lapsed shall no longer be Restricted Listed Shares and shall be deemed vested .

(F) Waiver, Deferral and Reinvestment of Dividends. The written instrument evidencing the Restricted Listed Share Award may require or permit the immediate payment, waiver, deferral or investment of dividends paid on the Restricted Listed Shares.

SECTION 6

Adjustment and Substitution of Listed Shares

If a dividend or other distribution shall be declared upon the Listed Shares payable in Listed Shares, the number of Listed Shares then subject to any outstanding Listed Share Options, the number of Listed Shares to be subject to any Listed Share Option thereafter granted and the number of Listed Shares which may be issued under the Plan but are not then subject to outstanding Listed Share Options shall be adjusted by adding thereto the number of Listed Shares which would have been distributable thereon if such Listed Shares had been outstanding on the date fixed for determining the shareholders entitled to receive such dividend or distribution.

If the outstanding Listed Shares shall be changed into or exchangeable for a different number or kind of Listed Shares or other securities of the Company or another Company, whether through reorganization, reclassification, recapitalization, stock split-up, combination of Listed Shares, merger or consolidation, then there shall be substituted for each share of the Listed Shares subject to any then outstanding Listed Share Option, for each Listed Share which would otherwise be subject to any Listed Share Option thereafter granted for each share of the Listed Shares which may be issued under the Plan but which is not then subject to any outstanding Listed Share Option and for each Restricted Share, the number and kind of Listed Shares or other securities into which each outstanding share Listed Share shall be so changed or for which each such share shall be exchangeable.

In case of any adjustment or substitution as provided for in this Section 6, the aggregate option price for all Listed Shares subject to each then outstanding Listed Share Option prior to such adjustment or substitution shall be the aggregate option price for all Listed Shares of stock or other securities (including any fraction) to which such Listed Shares shall have been adjusted or which shall have been substituted for such Listed Shares. Any new option price per share shall be carried to at least three decimal places with the last decimal place rounded upwards to the nearest whole number.

No adjustment or substitution provided for in this Section 6 shall require the Company to issue or sell a fraction of a share or other security. Accordingly, all fractional Listed Shares or other securities which result from any such adjustment or substitution shall be eliminated and not carried forward to any subsequent adjustment or substitution.

SECTION 7

Additional Rights in Certain Events

(A) Definitions.

For purposes of this Section 7, the term "Change of Control" shall mean the occurrence of any one of the following events:

- (i) any person, as such term is used in Sections 13(d) and 14(d) of the Act (other than the Company, any of its Subsidiaries, any trustee, fiduciary or other person or entity holding securities under any employee benefit plan of the Company or any of its Subsidiaries), together with all affiliates and associates (as such terms are defined in Rule 12b-2 under the Act) of such person, shall become the beneficial owner (as such term is defined in Rule 13d-3 under the Act), directly or indirectly, of securities of the Company representing 25% or more of either (A) the combined voting power of the Company's then outstanding securities having the right to vote in an election of the Company's Board of Eligible Directors ("Voting Securities") or (B) the then outstanding shares of Listed Shares of the Company (in either such case other than as a result of acquisition of securities directly from the Company); or
- (ii) persons (as defined in subsection (i) above) who, as of the date of the closing of the first day of trading of the Listed Shares on the New York Stock Exchange, constitute the Company's Board of Eligible Directors (the "Incumbent Eligible Directors") cease for any reason, including without limitation, as a result of a tender offer, proxy contest, merger or similar transaction, to constitute at least a majority of the Board, provided that any person becoming a Eligible Director of the Company subsequent to the Closing of the Company's initial public offering whose election or nomination for election was approved by a vote of at least a majority of the Incumbent Eligible Directors shall, for purposes of this Plan, be considered an Incumbent Eligible Director; or
- (iii) the Listed Shareholders of the Company shall approve (A) any consolidation or merger of the Company or any Subsidiary where the Listed Shareholders of the Company, immediately prior to the consolidation or merger, would

not, immediately after the consolidation or merger, beneficially own (as such term is defined in Rule 13d-3 under the Act), directly or indirectly, shares representing in the aggregate 50% or more of the voting equity of the entity issuing cash or securities in the consolidation or merger (or of its ultimate parent entity, if any), (B) any sale, lease, exchange or other transfer (in one transaction or a series of transactions contemplated or arranged by any party as a single plan) of all or substantially all of the assets of the Company or (C) any plan or proposal for the liquidation or dissolution of the Company;

Notwithstanding the foregoing, a Change of Control shall not be deemed to have occurred for purposes of the foregoing clause (i) solely as the result of an acquisition of securities by the Company which, by reducing the number of shares of Listed Shares outstanding, increases (x) the proportionate number of Listed Shares beneficially owned by any person to 25% or more of the Listed Shares then outstanding or (y) the proportionate voting power represented by the Listed Shares beneficially owned by any person to 25% or more of the combined voting power of all then outstanding voting Securities; provided, however, that if any person referred to in clause (x) or (y) of this sentence shall thereafter become the beneficial owner of any additional Listed Shares or other Voting Securities (other than pursuant to a Listed Shares split, Listed Shares dividend, or similar transaction), then a Change of Control shall be deemed to have occurred for purposes of the foregoing clause (i).

(B) Acceleration of the Exercise Date of Listed Share Options

Notwithstanding any other provision contained in the Plan, in case Change of Control occurs, all outstanding Listed Share Options shall become immediately and fully exercisable, whether or not otherwise exercisable by their terms and any restrictions on Restricted Listed Shares shall lapse immediately.

SECTION 8

Effect of the Plan on the Rights of Company and Shareholders

Nothing in the Plan, in any Listed Share Option or Restricted Listed Share granted under the Plan, or in any Listed Share Option agreement shall confer any right to any person to continue as a Director of the Company or interfere in any way with the rights of the shareholders of the Company or the Board to elect and remove Directors.

SECTION 9

Amendment and Termination

The right to amend the Plan at any time and from time to time and the right to terminate the Plan at any time are hereby specifically reserved to the Board; provided always that no such termination shall terminate any outstanding Listed Share Options or Restricted Listed Shares granted under the Plan; and provided further that no amendment of the Plan shall (a) be made without shareholder approval if shareholder approval of the amendment is at the time required for Listed Share Options or Restricted Listed Shares under the Plan to qualify for the exemption from Section 16(b) of the 1934 Act provided by Rule 16b-3 or by the rules of the National Market System or any stock exchange on which the Listed Shares may then be listed, or otherwise amend the Plan in any manner that would cause Listed Share Options or Restricted Listed Shares under the Plan not to qualify for the exemption provided by Rule 16b-3. No amendment or termination of the Plan shall, without the written consent of the holder of a Listed Share Option or Restricted Listed Shares theretofore awarded under the Plan, adversely affect the rights of such holder with respect thereto.

Notwithstanding anything contained in the preceding paragraph or any other provision of the Plan or any Listed Share Option agreement, the Board shall have the power to amend the Plan in any manner deemed necessary or advisable for Listed Share Options or Restricted Listed Shares granted under the Plan to qualify for the exemption provided by Rule 16b-3 (or any successor rule relating to exemption from Section 16(b) of the 1934 Act), and any such amendment shall, to the extent deemed necessary or advisable by the Board, be applicable to any outstanding Listed Share Options theretofore or Restricted Listed Shares granted under the Plan notwithstanding any contrary provisions contained in any Listed Share Option agreement. In the event of any such amendment to the Plan, the holder of any Listed Share Option outstanding under the Plan shall, upon request of the Committee and as a condition to the exercisability of such option, execute a conforming amendment in the form prescribed by the Committee to the Listed

Share Option agreement referred to in Section 4(G) within such reasonable time as the Committee shall specify in such request.

SECTION 10

Effective Date and Duration of Plan

The effective date of this Amended and Restated Plan shall be October 4, 2007, provided that the Amended and Restated Plan is approved prior to that date by the affirmative vote of the holders of at least a majority of the Listed Shares represented in person or by proxy and entitled to vote at a duly-called and convened meeting of such holders. No Listed Share Option or Restricted Listed Share may be granted under Section 3 of the Plan subsequent to October 3, 2017.

SECTION 11
