RISK FACTORS

Investing in our Listed Shares involves risks. Before making an investment decision, you should read and carefully consider the risk factors described in our annual, quarterly and current reports filed with the SEC, which are incorporated by reference into this Prospectus, as well as other information we include or incorporate by reference in this Prospectus. Additional risks and uncertainties not currently known to us, or that we currently deem to be immaterial, also may affect our business, financial condition and/or future operating results.

W. P. CAREY & CO. LLC

We are a provider of long-term net lease financing for companies worldwide. We invest primarily in commercial properties that are each triple-net leased to single corporate tenants, domestically and internationally, and earn revenue as the advisor to publicly owned, non-traded real estate investment trusts (CPA® REITs) sponsored by us that invest in similar properties. We are currently the advisor to the following CPA® REITs: Corporate Property Associates 14 Incorporated (CPA:14), Corporate Property Associates 15 Incorporated (CPA:15), Corporate Property Associates 16 Global Incorporated (CPA:16 Global) and Corporate Property Associates 17 Global Incorporated (CPA:17 Global), and were the advisor to Corporate Property Associates 12 Incorporated (CPA:12) until its merger with CPA:14 in 2006 (the CPA:12/14 Merger).

Our real estate investment portfolio, as well as those of the CPA® REITs we advise, consists primarily of single-tenant commercial real property. Generally, we place primary emphasis on the creditworthiness of the tenant, but we also fully evaluate the underlying real estate. Our leases generally are full recourse obligations of the tenant or its affiliates and place the economic burden of ownership largely on the tenant by requiring it to pay the costs of maintenance, insurance, taxes, structural repairs and other operating expenses (referred to as triple-net leases).

Most of our properties either were acquired as a result of our consolidation in 1998 with nine affiliated Corporate Property Associates limited partnerships and their successors or were subsequently acquired from certain CPA® REITs in connection with the provision of liquidity to shareholders of those REITs, as further described below.

Because our advisory agreements with the existing CPA® REITs require that we use our best efforts to present to them a continuing and suitable program of investment opportunities that meet their investment criteria, we generally provide investment opportunities to these funds first and earn revenues from transaction and asset management services performed on their behalf. Our principal focus on our owned real estate portfolio in recent years has therefore been on enhancing the value of our existing properties.

Under advisory agreements that we have with each of the CPA® REITs, we perform services and earn asset management revenue related to the day-to-day management of the CPA® REITs and provide transaction-related services and earn structuring revenue in connection with structuring and negotiating real estate and real estate-related investments and mortgage financing on their behalf. In addition, we provide further services and earn revenue when each CPA® REIT is liquidated. We are also reimbursed for certain costs incurred in providing services, including broker-dealer commissions paid on behalf of the CPA® REITs, marketing costs and the cost of personnel provided for the administration of the CPA® REITs. As a result of electing to receive certain payments for services in shares, we also hold ownership interests in the CPA® REITs.

We were formed as a limited liability company under the laws of Delaware on July 15, 1996. We commenced operations on January 1, 1998 by combining the limited partnership interests of nine CPA® partnerships, at which time we listed on the New York Stock Exchange (NYSE) under the symbol WPC. As a limited liability company, we are not subject to federal income taxation as long as we satisfy certain requirements relating to our operations and pass through any tax liabilities or benefits to our shareholders; however, certain of our subsidiaries engaged in investment management operations are subject to federal, state and local income taxes and certain subsidiaries may be subject to foreign taxes.

In October 2007, we completed a restructuring whereby we transferred our real estate assets from a wholly owned subsidiary into a newly formed, wholly owned REIT subsidiary (Carey REIT II). Carey REIT II elected to be treated as a REIT under sections 856 through 860 of the Internal Revenue Code of 1986, as amended (the Code), with the filing of its 2007 return.

Our principal executive offices are located at 50 Rockefeller Plaza, New York, NY 10020 and our telephone number is (212) 492-1100. As of December 31, 2008, we employed 154 individuals through our wholly-owned subsidiaries.

DESCRIPTION OF THE PLAN

The following questions and answers defined the terms and conditions of the Plan.

Purpose of the Plan

The primary purpose of the Plan is to provide current holders of shares with an economical and convenient method of increasing their investment in us by investing cash dividends in additional shares and/or by investing optional cash payments in shares at the current market value without payment of any brokerage commission or service charge. If you do not participate in the Plan, you will receive cash dividends, as declared and paid in the usual manner.

The Plan was originally adopted by our Board of Directors on February 11, 2001 and became effective on February 11, 2001. The Plan was amended by our Board of Directors on March 3, 2009 effective as of March 19, 2009.

Our Dividend Reinvestment and Share Purchase Plan is described in the following questions and answers:

Dividend Reinvestment. Participants may purchase additional shares, if desired, by automatically reinvesting all or a portion of their cash dividends in shares through the Plan.

Table of Contents

Participants may also request that any or all of the shares they hold in the Plan be sold by the plan administrator.

2. Who will handle the administration of the Plan?

We have designated Mellon Bank, N.A. as the plan administrator to administer the Plan and act as agent for the participants. Mellon Bank N.A. has designated its affiliate, Mellon Shareholder Services, to perform certain services for the Plan. These companies will purchase and hold shares for participants keep records and statements and perform other duties required by the Plan.

You may change or withdraw from the Plan with respect to all or a portion of the shares held in your account in the Plan at any time. If the request to withdraw is received prior to a dividend record date, the request will be processed on the day following receipt of the request by the plan administrator.

If the request to withdraw is received by the plan administrator on or after a dividend record date, but before the payment date, the plan administrator, in its sole discretion, may either pay such dividend in cash or reinvest it in shares for your account. The request for withdrawal will then be processed as promptly as possible following such dividend payment date. All dividends subsequent to the effective date of the withdrawal will be paid in cash unless you re-enroll in the Plan, which you may do at any time.

To gain access, use the 12-digit Investor Identification Number (IID), which can be found in a bolded box on your check stub, statement or advice to establish your PIN. 10. If I am enrolled in the full or partial dividend reinvestment Plan, when will the investment be made?

The investment date for shares acquired through the Plan will be the date or dates of actual investment, but no later than 30 days following the dividend payment date.

When open market purchases are made by the plan administrator, such purchases may be made on any securities exchange where the shares are traded, in the over-the-counter market or by negotiated transactions, and may be subject to such terms with respect to price, delivery and other matters as agreed to by the plan administrator. Shares will be allocated and credited to participants' accounts on the appropriate investment date. No interest will be paid on cash dividends pending reinvestment under the terms of the Plan.

11. At what price will the shares be purchased?

Shares purchased with reinvested dividends will be purchased for the Plan at the market price.

Table of Contents

Market Price means the weighted average of the actual prices paid, computed to four decimal places, for all of the shares purchased by the plan administrator with all participants reinvested dividends and optional cash payments for the related month.

The price of the shares will be determined by the weighted average price of all shares purchased for the entire Plan on the investment date. Neither we nor any participant shall have any authorization or power to direct the time or price at which shares will be purchased or the selection of the broker or dealer through or from whom purchases are to be made by the plan administrator. However, when open market purchases are made by the plan administrator, the plan administrator shall use its best efforts to purchase the shares at the lowest possible price.

12. How will I be assured that my dividends are fully reinvested?

Your account in the Plan will be credited with the number of shares, including fractional shares computed to four decimal places, equal to the total amount to be invested for you divided by the applicable weighted average market price.

13. What is the source of the shares being purchased under the Plan?

Shares purchased through the Plan will be purchased on the open market.

Share Purchase Program

14. I am currently a shareholder. How do I make an additional investment in your shares?

The Plan allows for optional cash purchases to be made on a monthly basis. You may purchase a minimum of \$500 and a maximum of \$25,000 by including a check or money order payable to Mellon Bank/W. P. Carey & Co. LLC DRP with the authorization form and sending them directly to the plan administrator. You can also authorize an individual automatic deduction from your bank account through Investor ServiceDirect (see question #8 above for more details). If you wish to make regular monthly purchases, you may authorize automatic monthly deductions from your bank account.

15. I am not currently a shareholder. Can I participate in the Share Purchase Program?

No. To participate in the Share Purchase Program, you must be one of our existing shareholders.

16. Am I able to make more than one investment?

Yes. The Plan allows you to make investments on a monthly basis. Each optional cash payment must be accompanied by an authorization form. Each month, the plan administrator will apply any optional cash payment received from you no later than the optional cash payment due date to the purchase of additional shares for the account of the participant on the following investment date. The optional cash payment due date is one business day prior to the investment date.

17. When will the shares be purchased for my account?

Optional cash purchases will be made on the 20th day of each month or the business day immediately preceding the 20th day of the month if the 20th day of the month is not a business day.

18. How will the price be determined for my investment?

The price of the shares will be determined by the weighted average market price of all shares purchased for the entire Plan on the investment date. Neither we nor any participant shall have any authorization or power to direct

Table of Contents

the time or price at which shares will be purchased or the selection of the broker or dealer through or from whom purchases are to be made by the plan administrator. However, the plan administrator shall use its best efforts to purchase the shares at the lowest possible price.

19. If I change my mind, can I cancel my investment?

Your optional cash payments will be returned to you as soon as practicable after the plan administrator receives such a request from you. Your investment may be cancelled only by written request (to the attention of Mellon Investor Services). Your request must be received at least two business days prior to the investment date with respect to which the optional cash payments you delivered to the plan administrator are scheduled to be invested. In the case of requests received less than two business days prior to such date, the plan administrator, in its sole discretion, may either return or invest such cash payments.

20. Will there be interest paid on funds pending investment?

No. Interest will not be paid on funds held in your plan accounts. Since no interest is paid on cash held by the plan administrator, it normally will be in your best interest to defer optional cash payments until shortly before the optional cash payment due date.

21. When the shares are purchased, where are they held?

Normally, shares purchased for you will be held in book-entry form.

No certificates will be issued to you for shares in the Plan unless you submit a request to the plan administrator. At any time, you may request the plan administrator to send a certificate for some or all of the whole shares credited to your account. This request should be mailed to the plan administrator. There is no fee for this service. Any remaining whole shares and any fractions of shares will remain credited to your plan account. We will not issue certificates for fractional shares under any circumstances.

22. How may I receive a certificate for my shares?

You may obtain a certificate by:

Using the tear-off section of the investment statement you will receive shortly after each investment date and requesting a certificate for a specified number of whole shares;

Contacting Mellon at 888-200-8690;

Sending a written notice specifying the number of shares you are requesting to be issued in certificate form; or

Accessing your account via the internet at www.melloninvestor.com and authorizing the certificate issuance.

23. How will I know how many shares I own?

The plan administrator will provide you with a current activity statement reflecting the exact number of shares purchased shortly after an investment has been made.

You are able to view real-time account information through Mellon's Investor ServiceDirect web-site at www.melloninvestor.com. You can simply log in with your IID and a self-established PIN.

Table of Contents

In addition, you will receive copies of other communications sent to shareholders, including our annual report to shareholders, the notice of annual meeting and proxy statement in connection with our annual meeting of shareholders and Internal Revenue Service information necessary for the completion of your tax return.

24. I currently hold a certificate for shares. May I place my shares into safekeeping in my existing account?

You may also elect to deposit with the plan administrator certificates for your other shares registered in your name for safekeeping under the Plan without charge. Certificates forwarded to the plan administrator by registered mail will be automatically covered by a blanket bond up to the first \$100,000 of value. Safekeeping provides a convenient way to keep track of shares. Only shares held in safekeeping may be sold through the Plan.

25. How do I withdraw from the Plan?

If you wish to withdraw from the Plan with respect to all or a portion of the shares held in your account in the Plan, you must notify the plan administrator in writing or by marking and returning the tear-off section of the plan activity statement you will receive from the plan administrator following each purchase of additional shares by telephone, or through Investor ServiceDirect. Upon your withdrawal from the Plan or termination of the Plan by us, certificates for the appropriate number of whole shares credited to your account under the Plan will be issued free of charge. A cash payment will be made for any fraction of a share.

Upon withdrawal from the Plan, you may also request in writing that the plan administrator sell all or part of the shares credited to your account in the Plan. The plan administrator will sell the shares as requested within 10 business days after processing the request for withdrawal. You will receive the proceeds of the sale, less a nominal fee per transaction paid to the plan administrator, any brokerage fees or commissions and any applicable stock transfer taxes, generally within five business days of the sale. See Addendum A: Dividend Reinvestment and Stock Purchase Plan Fees and General Information for a description of applicable fees.

26. I do not wish to withdraw from the Plan, but would like to sell some of my shares. Can I do this through the Plan?

You may sell shares at any time by contacting the plan administrator. The plan administrator will record sales orders on the date of receipt, and process them, where practicable, on the next business day. The plan administrator will send by check the proceeds from the sale of the shares (excluding a nominal fee, brokerage commissions and other costs). See Addendum A: Dividend Reinvestment and Stock Purchase Plan Fees and General Information for a description of applicable fees.

If you sell or transfer all of your shares other than the shares you hold in the Plan, you will still remain in the Plan with respect to any held plan shares and will continue to earn dividends unless you notify the plan administrator to terminate participation by giving the plan administrator a withdrawal notice prior to the next relevant dividend record date.

27. Will interest be paid on funds received prior to or during the pricing period?

No interest will be paid by us or the plan administrator on optional cash payments held pending investment.

Other Important Information

28. What are your responsibilities and those of the plan administrator under the program?

We and the plan administrator will not be liable in administering the Plan for any act done in good faith or required by applicable law or for any good faith omission to act including, without limitation:

any claim or liability arising out of failure to terminate a participant's account upon his or her death; or

with respect to the price at which shares are purchased and/or the times when such purchases are made or with respect to any fluctuation in the market value before or after purchase or sale of shares.

Notwithstanding the foregoing, nothing contained in the Plan limits our liability with respect to alleged violations of federal securities laws. We and the plan administrator shall be entitled to rely on completed forms and the proof of due authority to participate in the Plan, without further responsibility of investigation or inquiry.

Any questions of interpretation arising under the Plan will be determined by us and any such determination will be final. We may adopt rules and regulations to facilitate the administration of the Plan. The terms and conditions of the Plan and its operation will be governed by the laws of the State of Delaware.

29. What are the responsibilities of the participant under the Plan?

Shares purchased through the Plan are subject to escheat to the state in which the participant resides in the event that such shares are deemed, under such state's laws, to have been abandoned by the participant. Therefore, you should notify the plan administrator promptly in writing of any change of address. Account statements and other communications to participants will be addressed to them at the last address of record provided by participants to the plan administrator.

You will have no right to draw checks or drafts against your plan account or to instruct the plan administrator with respect to any shares or cash held by the plan administrator except as expressly provided herein.

30. How do I vote my shares acquired through any part of the Plan?

You will receive a proxy card covering both directly held shares and shares held in the Plan. If a proxy is returned properly signed and marked for voting, all of the shares covered by the proxy will be voted as marked. If you beneficially own shares that are registered in a name other than your own (for example, in the name of a bank, broker or other nominee), you will receive a proxy covering plan shares through your bank, broker or other nominee. If your proxy is returned properly signed but no voting instructions are given, all of your shares will be voted in accordance with recommendations of our Board of Directors, unless applicable laws require otherwise. If your proxy is not returned, or if it is returned unexecuted or improperly executed, shares registered in your name may be voted only by your in person.

31. What are the tax consequences related to the plan?

We are not in a position to advise you on the tax consequences of your participation in the plan. As a general rule, participants in the plan will have the same federal income tax obligations as participants who do not participate in the plan, and reinvested dividends must be included in gross income.

Whether you participate in the plan or not, we will provide you with a year-end statement (form K-1) to be used in preparing your tax returns as applicable under IRS guidelines. *You should consult with your own tax advisor for advice applicable to your particular situation.*

Item 17. Undertakings

The undersigned registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act;

(ii) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in the volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than 20 percent change in the maximum aggregate offering price set forth in the Calculation of Registration Fee table in the effective registration statement; and

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement; *provided, however*, that paragraphs (1)(i), (1)(ii) and (1)(iii) shall not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the Commission by the registrant pursuant to Section 13 or 15(d) of the Exchange Act that are incorporated by reference in this registration statement, or is contained in a form of prospectus filed pursuant to Rule 424(b) that is part of this registration statement.

(2) That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered that remain unsold at the termination of the offering.

The undersigned registrant hereby undertakes that, for purposes of determining any liability under the Securities Act, each filing of WPC's annual report, pursuant to Section 13(a) or Section 15(d) of the Exchange Act (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Exchange Act) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.

Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the SEC such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or

controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.
