### **Item 1.01 Entry into a Material Definitive Agreement**

On November 10, 2009, Service Corporation International ( SCI ) issued a press release that it had completed the public offering of \$150,000,000 aggregate principal amount of its 8.00% Senior Notes due 2021 (the Notes ). In connection with the offering, SCI entered into an Underwriting Agreement with JP Morgan Securities Inc., as representative of the underwriters named therein, dated November 5, 2009 (the Underwriting Agreement ).

SCI registered the sale of the Notes with the Securities and Exchange Commission (the SEC ) pursuant to an automatic shelf Registration Statement on Form S-3 (Registration No. 333-162894) filed on November 5, 2009 (the Registration Statement ). SCI will use the net proceeds from the offering of approximately \$143.3 million, together with available cash, to fund SCI 's acquisition of Keystone North America Inc. Pending consummation of the Keystone acquisition, the net proceeds from the Offering will be held in an escrow account. In the event that the acquisition is not consummated on or prior to June 30, 2010, SCI will be required to redeem the notes using the escrowed net proceeds of the offering plus an amount of escrowed cash or treasury securities such that the escrowed funds are sufficient to fund the redemption, at a redemption price equal to 101% of the principal amount, plus accrued and unpaid interest to, but not including, the date of redemption. The notes may also be redeemed at SCI 's option, in whole, but not in part, at any time prior to June 30, 2010, if, in SCI 's sole judgment, the acquisition will not be consummated by that date.

The terms of the Notes are governed by the Indenture dated as of February 1, 1993 (the Original Indenture ), between SCI and The Bank of New York Mellon Trust Company, N.A., as successor trustee to The Bank of New York (the Trustee ), as supplemented by the Eighth Supplemental Indenture, dated as of November 10, 2009 (the Eighth Supplemental Indenture ); the Original Indenture, as amended and supplemented by the Eighth Supplemental Indenture, the Indenture ).

The Notes will mature on November 15, 2021, and interest is payable on the Notes on each May 15 and November 15, commencing on May 15, 2010. The record date is May 1 and November 1. SCI may redeem some or all of the Notes at any time at the make-whole redemption prices specified in the Indenture. If SCI experiences a change of control, as described in the Indenture, each holder of a Note will have the right to require SCI to repurchase the Note at 101% of the principal amount thereof, plus accrued and unpaid interest, if any, to the date of such repurchase.

The Notes will be SCI 's general unsecured obligations and will rank equal in right of payment with all of SCI 's other unsubordinated indebtedness and senior in right of payment to any of SCI 's future subordinated indebtedness. The Notes will be effectively subordinated to all of SCI 's existing and future secured indebtedness to the extent of the collateral securing such indebtedness and to all indebtedness and other obligations of SCI 's subsidiaries, whether secured or not secured, including subsidiary guarantees of obligations under SCI 's amended and restated senior credit facility.

Under the Indenture, SCI has agreed to certain restrictions on its ability to create or incur liens and to enter into certain sale/leaseback transactions. These covenants are subject to important exceptions and qualifications.

The Indenture contains customary events of default. If an event of default under the Indenture occurs and is continuing, the Trustee or the holders of at least 25% in principal amount of the outstanding Notes may declare the unpaid principal of, the optional redemption premium, if any, and accrued and unpaid interest, if any, on the Notes to be due and payable.

Other material terms of the Notes, the Original Indenture and the Eighth Supplemental Indenture are described in the prospectus supplement, dated November 5, 2009, as filed by SCI with the SEC on November 6, 2009. The foregoing descriptions of the Underwriting Agreement, Original Indenture, the Eighth Supplemental Indenture and the Notes are qualified in their entirety by reference to such Underwriting Agreement, Original Indenture and Eighth Supplemental Indenture (including the form of Note attached thereto), copies of which are filed herewith as Exhibits 1.1, 4.1 and 4.2, respectively, and are incorporated herein by reference.
