-

Item 1.01 ENTRY INTO A MATERIAL DEFINITIVE AGREEMENT

Item 2.03 CREATION OF A DIRECT FINANCIAL OBLIGATION

On January 19, 2010, Streamline Health, Inc., a wholly owned subsidiary of Streamline Health Solutions, Inc. (the Registrant), entered into a Term Lease Master Agreement with IBM Credit, LLC (Lessor). Pursuant to the terms of this Master Agreement, the Registrant, its subsidiaries or affiliates (Lessee) may enter into a lease or financing transaction such that the Lessee may acquire equipment, including software program licenses, maintenance, services, and other one-time charges, financed by Lessor. The financing terms for specific equipment and financed items to be acquired are to be contained in a Term Lease Supplement signed by both Lessor and Lessee.

On January 19, 2010, Streamline Health, Inc. entered into a Term Lease Supplement with Lessor providing for the acquisition of IBM hardware that constitutes mass storage equipment, and the related software programming and maintenance services. The total amount financed aggregates approximately \$411,000. The lease term is 24 months, with interest of 13.68% per annum, for a total amount to become due under the lease of approximately \$461,000. Rent is payable quarterly in advance. Delinquent payments incur a late fee of 2% of the unpaid amount until paid. Upon a default under the lease that is not timely cured, all amounts due under the lease shall become immediately due and payable and Lessor has the right, among other things, to terminate the lease and take possession of the equipment. Lessee has an option to purchase the equipment at the end of the lease term for a nominal amount.

The complete terms of the lease are set forth in the Term Lease Master Agreement and Term Lease Supplement entered into by Streamline Health, Inc. and Lessor attached as Exhibits 10.1 and 10.2, respectively.
