PROXY STATEMENT

**FOR MAJESCO ENTERTAINMENT COMPANY
2010 ANNUAL MEETING OF STOCKHOLDERS TO BE HELD ON APRIL 12, 2010**

GENERAL INFORMATION ABOUT THE ANNUAL MEETING

Why Did You Send Me This Proxy Statement?

We sent you this proxy statement in connection with the solicitation by the Board of Directors of Majesco Entertainment Company, a Delaware corporation, of proxies, in the accompanying form, to be used at the Annual Meeting of Stockholders to be held at 9:30 a.m. (local time) on April 12, 2010, at Majesco's offices, located at 160 Raritan Center Parkway, Suite 1, Edison, New Jersey 08837, and any adjournments thereof. This proxy statement along with the accompanying Notice of Annual Meeting of Stockholders summarizes the purposes of the meeting and the information you need to know to vote at the Annual Meeting.

Important Notice Regarding the Availability of Proxy Materials for the Shareholder Meeting to Be Held on April 12, 2010: The proxy statement and annual report to security holders are available at <http://www.amstock.com/ProxyServices/ViewMaterial.asp?CoNumber=13856>

This proxy statement, the accompanying proxy and, though not part of this proxy statement, our 2009 Annual Report, which includes our financial statements for the fiscal year ended October 31, 2009, are being mailed on or about March 1, 2010 to all stockholders entitled to notice of and to vote at the meeting. You can also find a copy of our 2009 Annual Report on Form 10-K on the Internet through the Security and Exchange Commission's electronic data system called EDGAR at www.sec.gov or through the Investor Relations section of our website at www.majescoentertainment.com.

Who Can Vote?

Only stockholders who owned Majesco common stock at the close of business on February 24, 2010, are entitled to vote at the Annual Meeting. On that record date, there were 38,666,550 shares of Majesco common stock outstanding and entitled to vote. Majesco common stock is our only class of voting stock.

You do not need to attend the meeting to vote your shares. Shares represented by valid proxies, received in time for the meeting and not revoked prior to the meeting, will be voted at the meeting. A stockholder may revoke a proxy before the proxy is voted by delivering to our Secretary a signed statement of revocation or a duly executed proxy card bearing a later date. Any stockholder who has executed a proxy card but attends the meeting in person may revoke the proxy and vote at the meeting.

How Many Votes Do I Have?

Each share of Majesco common stock that you own entitles you to one vote.

How Do I Vote?

Whether you plan to attend the Annual Meeting or not, we urge you to vote by proxy. Voting by proxy will not affect your right to attend the Annual Meeting. If your shares are registered directly in

Table of Contents

your name through our stock transfer agent, American Stock Transfer & Trust Company, or you have stock certificates, you may vote:

By mail. Complete and mail the enclosed proxy card in the enclosed postage prepaid envelope. Your proxy will be voted in accordance with your instructions. If you sign the proxy card but do not specify how you want your shares voted, they will be voted as recommended by our Board of Directors.

In person at the meeting. If you attend the meeting, you may deliver your completed proxy card in person or you may vote by completing a ballot, which will be available at the meeting.

If your shares are held in street name (held in the name of a bank, broker or other nominee), you must provide the bank, broker or other nominee with instructions on how to vote your shares and can do so as follows:

By Internet or by telephone. Follow the instructions you receive from your broker to vote by Internet or telephone.

By mail. You will receive instructions from your broker or other nominee explaining how to vote your shares.

In person at the meeting. Contact the broker or other nominee who holds your shares to obtain a broker's proxy card and bring it with you to the meeting. You will not be able to attend the Annual Meeting unless you have a proxy card from your broker.

How Does The Board Of Directors Recommend That I Vote On The Proposals?

The Board of Directors recommends that you vote as follows:

FOR the election of our Board of Directors nominees for Class II directors set forth on the proxy card included in this proxy statement; and

FOR ratification of the selection of Amper, Politziner & Mattia, LLP as our independent public accountant for our fiscal year ending October 31, 2010.

If any other matter is presented, the proxy card provides that your shares will be voted by the proxy holder listed on the proxy card in accordance with his or her best judgment. At the time this proxy statement was printed, we knew of no matters that needed to be acted on at the Annual Meeting, other than those discussed in this proxy statement.

May I Revoke My Proxy?

If you give us your proxy, you may revoke it at any time before the Annual Meeting. You may revoke your proxy in any one of the following ways:

signing a new proxy card and submitting it as instructed above;

if your shares are held in street name, re-voting by Internet or by telephone as instructed above only your latest Internet or telephone vote will be counted;

if your shares are registered in your name, notifying Majesco's Secretary in writing before the Annual Meeting that you have revoked your proxy; or

attending the Annual Meeting in person and voting in person. Attending the Annual Meeting in person will not in and of itself revoke a previously submitted proxy unless you specifically request it.

What If I Receive More Than One Proxy Card?

You may receive more than one proxy card or voting instruction form if you hold shares of our common stock in more than one account, which may be in registered form or held in street name.

Table of Contents

Please vote in the manner described under **How Do I Vote?** on the proxy card for each account to ensure that all of your shares are voted.

Will My Shares Be Voted If I Do Not Return My Proxy Card?

If your shares are registered in your name or if you have stock certificates, they will not be voted if you do not return your proxy card by mail or vote at the Annual Meeting as described above under **How Do I Vote?** If your shares are held in street name and you do not provide voting instructions to the bank, broker or other nominee that holds your shares as described above under **How Do I Vote?**, the bank, broker or other nominee has the authority, even if it does not receive instructions from you, to vote your unvoted shares for Proposal 2, the ratification of our independent public accountant but does not have authority to vote your unvoted shares for Proposal 1, the election of nominees to the Board of Directors. We encourage you to provide voting instructions. This ensures your shares will be voted at the Annual Meeting in the manner you desire. If your broker cannot vote your shares on a particular matter because it has not received instructions from you and does not have discretionary voting authority on that matter or because your broker chooses not to vote on a matter for which it does have discretionary voting authority, this is referred to as a broker non-vote.

What Vote is Required to Approve Each Proposal and How are Votes Counted?

Proposal 1: Elect Class II Directors

The nominees for director who receive the most votes (also known as a plurality) will be elected. You may vote either FOR all of the nominees, WITHHOLD your vote from all of the nominees or WITHHOLD your vote from any one of the nominees. Votes that are withheld will not be included in the vote tally for the election of directors. Brokerage firms do not have authority to vote customers' unvoted shares held by the firms in street name for the election of directors. As a result, any shares not voted by a beneficial owner will be treated as a broker non-vote. Such broker non-votes will have no effect on the results of this vote.

Proposal 2: Ratify Our Selection of Amper, Politziner & Mattia, LLP as our Independent Public Accountant for 2010

The affirmative vote of a majority of the shares cast affirmatively or negatively for this proposal is required to ratify the selection of our independent public accountant. Abstentions will have no effect on the results of this vote. Brokerage firms have authority to vote customers' unvoted shares held by the firms in street name on this proposal. If a broker does not exercise this authority, such broker non-votes will have no effect on the results of this vote. We are not required to obtain the approval of our stockholders to select our independent accountant. However, if our stockholders do not ratify the selection of Amper, Politziner & Mattia, LLP as our independent public accountant for the fiscal year ending October 31, 2010, the Audit Committee of our Board of Directors will reconsider its selection.

What Constitutes a Quorum for the Annual Meeting?

The presence, in person or by proxy, of the holders of a majority of the outstanding shares of our common stock entitled to vote at the meeting is necessary to constitute a quorum at the Annual

Table of Contents

Meeting. Votes of stockholders of record who are present at the Annual Meeting in person or by proxy, abstentions, and broker non-votes are counted for purposes of determining whether a quorum exists.

Householding of Annual Disclosure Documents

In December 2000, the Securities and Exchange Commission, or SEC, adopted a rule concerning the delivery of annual disclosure documents. The rule allows us or brokers holding our shares on your behalf to send a single set of our annual report and proxy statement to any household at which two or more of our stockholders reside, if either we or the brokers believe that the stockholders are members of the same family. This practice, referred to as householding, benefits both stockholders and us. It reduces the volume of duplicate information received by you and helps to reduce our expenses. The rule applies to our annual reports, proxy statements and information statements. Once stockholders receive notice from their brokers or from us that communications to their addresses will be householded, the practice will continue until stockholders are otherwise notified or until they revoke their consent to the practice. Each stockholder will continue to receive a separate proxy card or voting instruction card.

Those stockholders who either (i) do not wish to participate in householding and would like to receive their own sets of our annual disclosure documents in future years, or (ii) who share an address with another one of our stockholders and who would like to receive only a single set of our annual disclosure documents should follow the instructions described below:

Stockholders whose shares are registered in their own name should contact our transfer agent, American Stock Transfer & Trust Company, and inform them of their request by calling them at 1-800-937-5449 or writing them at 59 Maiden Lane, Plaza Level, New York, New York 10038.

Stockholders whose shares are held by a broker or other nominee should contact such broker or other nominee directly and inform them of their request. Stockholders should be sure to include their name, the name of their brokerage firm and their account number.

Committees of the Board of Directors and Meetings

Meeting Attendance. The Board of Directors has a policy that directors make all reasonable efforts to attend our Company's annual stockholder meetings. Laurence Aronson, Allan Grafman, Louis Lipschitz, Keith McCurdy and Stephen Wilson attended last year's annual stockholders' meeting. In fiscal 2009, there were a total of ten meetings of the Board of Directors; the various committees of the Board met a total of 18 times. No director attended fewer than 75% of the total number of meetings of the Board and of committees of the Board on which he served during fiscal year 2009. The independent members of the Board also met regularly in executive session.

Audit Committee. The Board of Directors has a standing Audit Committee, consisting of Messrs. Louis Lipschitz (Chair), Allan Grafman, Laurence Aronson, and Stephen Wilson. Our Audit Committee held eight meetings during fiscal year 2009. The Audit Committee acts under a written charter, which more specifically sets forth its responsibilities and duties, as well as requirements for the Committee's composition and meetings. The charter of the Audit Committee can be found on our website at www.majescoentertainment.com.

The Board of Directors has determined that each member of the audit committee is independent, as that term is defined by applicable Securities and Exchange Commission rules. In addition, the Board of Directors has determined that each member of the audit committee is independent, as that term is defined by the rules of the Nasdaq Stock Market.

The Board has determined that Messrs. Allan Grafman, Louis Lipschitz and Stephen Wilson are financial experts serving on its Audit Committee, and are independent, as the SEC has defined that term in Item 407 of Regulation S-K. Please see the biographical information for these individuals contained in the section above entitled, "The Board of Directors."

Nominating and Governance Committee. The Board of Directors has a standing Nominating and Governance Committee. The Nominating and Governance Committee consists of Messrs. Stephen Wilson (Chair), Laurence Aronson, Allan Grafman, and Louis Lipschitz. The Committee may employ a variety of methods for identifying and evaluating nominees for director. All members of the Committee qualify as independent as defined by the rules of the

Nasdaq Stock Market. The Nominating and Governance Committee held four meetings during fiscal year 2009. The Nominating

Table of Contents

and Governance Committee acts under a written charter, which more specifically sets forth its responsibilities and duties, as well as requirements for its composition and meetings. The charter of the Nominating and Governance Committee can be found on our website at www.majescoentertainment.com.

The Committee regularly assesses the size of the Board, the need for particular expertise on the Board, the upcoming election cycle of the Board and whether any vacancies on the Board are expected due to retirement or otherwise. Candidates may be evaluated at regular or special meetings of the Committee, and may be considered at any point during the year.

As reflected in the charter of the Nominating and Governance Committee, factors considered by the Committee in the selection of director nominees are those it may deem appropriate, including judgment, character, high ethics and standards, integrity, skills, diversity, independence, experience with businesses and organizations of a comparable size to the Company, the interplay of the candidate's experience with the experience of other Board of Directors members and the extent to which the candidate would be a desirable addition to the Board of Directors or any of its committees. In addition, in considering nominees for director, the Nominating and Governance Committee will review the qualifications of available candidates that are brought to the attention of the Committee by any member of the Board of Directors, stockholders and management or identified by the Committee through the use of search firms or otherwise.

The Nominating and Governance Committee does not set specific, minimum qualifications that nominees must meet in order for the Committee to recommend them to the Board of Directors, but rather believes that each nominee should be evaluated based on his or her individual merits, taking into account the needs of the Company and the composition of the Board of Directors. Members of the Nominating and Governance Committee discuss and evaluate possible candidates in detail prior to recommending them to the Board of Directors.

If a stockholder wishes to propose a candidate for consideration as a nominee by the Nominating and Governance Committee, it should follow the procedures described in this section and in the Company's Nominating and Corporate Governance Committee Charter. The Nominating and Governance Committee will consider candidates recommended by stockholders, when the nominations are properly submitted. The policy adopted by the Nominating and Governance Committee provides that nominees recommended by stockholders are given appropriate consideration and will be evaluated in the same manner as other nominees. Following verification of the stockholder status of persons proposing candidates, the Committee makes an initial analysis of the qualifications of any candidate recommended by stockholders or others pursuant to the criteria summarized above to determine whether the candidate is qualified for service on the Company's Board before deciding to undertake a complete evaluation of the candidate. If any materials are provided by a stockholder or professional search firm in connection with the nomination of a director candidate, such materials are forwarded to the Committee as part of its review. Other than the verification of compliance with procedures and stockholder status, and the initial analysis performed by the Committee, a potential candidate nominated by a stockholder is treated like any other potential candidate during the review process by the Committee.

Compensation Committee; Compensation Committee Interlocks and Insider Participation. The Compensation Committee of the Board of Directors is composed entirely of directors who are not our current or former employees, each of whom meets the applicable definition of "independent" as defined by the rules of the Nasdaq Stock Market. None of the members of the Compensation Committee during fiscal 2009 (i) had any relationships requiring disclosure by the Company under the SEC's rules requiring disclosure of related party transactions, and (ii) was an executive officer of a company of which an executive officer of the Company is a director. The current members of our Compensation Committee are Messrs. Laurence Aronson (Chair), Allan Grafman, Louis Lipschitz, Keith McCurdy and Stephen Wilson. Our committee has no interlocks with other companies. Our

Table of Contents

Compensation Committee held four meetings during fiscal year 2009. The charter of the Compensation Committee can be found on our website at www.majescoentertainment.com.

The Committee is responsible for establishing and administering our executive compensation policies. The role of the Compensation Committee is to (i) formulate, evaluate and approve compensation of the Company's directors, executive officers and key employees; (ii) oversee all compensation programs involving the use of the Company's stock; and (iii) produce, if required under the securities laws, a report on executive compensation for inclusion in the Company's proxy statement for its annual meeting of stockholders. The duties and responsibilities of the Compensation Committee under its charter include:

Annually reviewing and making recommendations to the Board with respect to compensation of directors, executive officers of the Company and key employees;

Annually reviewing and approving corporate goals and objectives relevant to Chief Executive Officer compensation, evaluating the Chief Executive Officer's performance in light of those goals and objectives, and recommending to the Board the Chief Executive Officer's compensation levels based on this evaluation;

Reviewing competitive practices and trends to determine the adequacy of the executive compensation program;

Approving and overseeing compensation programs for executive officers involving the use of the Company's stock;

Approving and administering cash incentives and deferred compensation plans for executives (including any modification to such plans) and oversight of performance objectives and funding for executive incentive plans;

Annually evaluating the performance of the Compensation Committee; and

Making regular reports to the Board concerning the activities of the Compensation Committee.

When appropriate, the Compensation Committee may, in carrying out its responsibilities, form and delegate authority to subcommittees. The Chief Executive Officer plays a role in determining the compensation of our other executive officers by evaluating the performance of those executive officers. The Chief Executive Officer's evaluations are then reviewed by the Compensation Committee. This process leads to a recommendation for any changes in salary, bonus terms and equity awards, if any, based on performance, which recommendations are then reviewed and approved by the Compensation Committee.

From time to time the Compensation Committee has retained an independent compensation consulting firm, James F. Reda & Associates, LLC, to assist the Committee in determining appropriate short-term and long-term incentive awards for key executives. Other services have included a review of the Company's Amended and Restated Employee, Director and Consultant Incentive Plan (Incentive Plan), valuation of employee and director equity grants, valuation of warrants, and advisement on RiskMetrics policy guidelines.

The Compensation Committee retains the consulting firm directly, although in carrying out assignments, the consulting firm also interacts with Company management when necessary and appropriate in order to obtain compensation and performance data for the executives and the Company. In addition, the consultant may, in its discretion, seek input and feedback from management regarding its consulting work product prior to presentation to the Compensation Committee in order to confirm alignment with the Company's business strategy and/or identify data

questions or other similar issues.

The Compensation Committee has the authority to retain, terminate and set the terms of the Company's relationship with any outside advisors who assist the Committee in carrying out its responsibilities.

Narrative Disclosure to Summary Compensation Table*Incentive Bonus Program*

On April 1, 2009, the Compensation Committee of our Board of Directors finalized and approved the terms of an incentive bonus plan for our 2009 fiscal year. Pursuant to the plan, each of our executive officers was eligible to receive an incentive bonus based upon a targeted percentage of his base salary. The percentage of base salary that each executive officer would receive if the Company achieved all of the objectives included in the plan was 100% for the Chief Executive Officer and 50% for each other executive officer.

The 2009 incentive bonus program was comprised of two components, a funding component and an allocation component. The funding component is the basis on which the dollar amount of the bonus pool to be allocated among all participants was calculated and was based on the achievement by the Company of financial and operational goals (the *Goals*). The allocation component is the basis on which the actual bonus amount was to be paid to each participant.

If the Company met all of the financial and operational goals set forth below, the bonus pool for executive officers would be \$635,000 (the *Bonus Target*).

The financial goal (the *Financial Goal*) accounted for 75% of the *Bonus Target*, and was determined by a measure of net income.

Table of Contents

The four operational goals each accounted for 6.25% of the Bonus Target, and were as follows (the Operational Goals):

Successful implementation of a plan to convert the business in the United Kingdom to a direct sales model;

Successful completion by Majesco Studios Santa Monica of certain video game products;

Release of a certain number of products in fiscal 2009; and

Confirmation of a certain number and type of product for the 2010 product pipeline to be measured in October 2009.

In January 2010, our Compensation Committee awarded bonuses of 12.5% of their targeted bonus amounts to each of our executive officers based upon the achievement of two of the four Operational Goals.

Restricted Stock Grants

On August 3, 2009, our Compensation Committee made restricted stock grants to our executive officers. The shares of restricted stock vest in equal installments over a three-year period beginning on the first anniversary of the grant date.

Employment Agreements

We currently have employment agreements with Jesse Sutton, our Chief Executive Officer, John Gross, our Executive Vice President and Chief Financial Officer, and Gui Karyo, our Executive Vice President, Operations.

Mr. Sutton's employment agreement, entered into in January 2009, provides for an annual base salary of \$363,000 and a discretionary bonus of up to 100% of his base salary.

Mr. Gross' employment agreement, entered into in 2005, provided for an annual base salary of \$250,000 and a discretionary bonus of up to 50% of his base salary. Under the agreement, Mr. Gross also received an automobile allowance of \$1,495 per month and reimbursement of certain travel related expenses. In fiscal 2008, the amount of the automobile allowance was made part of Mr. Gross' salary, thereby increasing his salary to \$267,462. Effective January 1, 2008, he received a 10% increase in his salary to \$294,000.

Mr. Karyo's employment agreement, entered into in January 2007, provides for an annual base salary of \$250,000 and a discretionary bonus of up to 50% of his base salary.

continued contributions towards his health care and dental benefits on the same basis as immediately prior to the date of termination for 12 months or, if earlier, until he is eligible for similar benefits from another

All nominees identified below are expected to serve if elected, and each of them has consented to being named in this proxy statement and to serve if elected. **RATIFICATION OF APPOINTMENT
OF INDEPENDENT PUBLIC ACCOUNTANT**

(Notice Item 2)

The Audit Committee has appointed Amper, Politziner & Mattia, LLP (Amper), independent public accountant, to audit our financial statements for the fiscal year ending October 31, 2010. The Board proposes that the stockholders ratify this appointment. We expect that representatives of Amper will be present at the meeting, will be able to make a statement if they so desire, and will be available to respond to appropriate questions.

As previously disclosed, on April 30, 2009, we dismissed McGladrey & Pullen, LLP (M&P) as the Company s independent registered public accounting firm, who were our independent public accountant for the fiscal year ended October 31, 2008. On May 5, 2009, Amper was engaged as our new independent registered accounting firm and audited our financial statements for the fiscal year ending on October 31, 2009. The decision to engage Amper was approved by the Audit Committee of our Board of Directors.

During the period that M&P served as our independent public accountant, we did not consult with Amper on (i) the application of accounting principles to a specified transaction, either completed or proposed, or the type of audit opinion that may be rendered on our financial statements, and Amper did not provide either a written report or oral advice to us that they concluded was an important factor considered by us in reaching a decision as to any accounting, auditing, or financial reporting issue; or (ii) any of the matters set forth in Item 304(a)(2)(i) or (ii) of Regulation S-K.

None of M&P s reports on the Company s consolidated financial statements for the fiscal years ended October 31, 2008 or 2007, contained an adverse opinion or disclaimer of opinion, and were not qualified or modified as to uncertainty, audit scope or accounting principles. During the two most recent fiscal years and the subsequent interim period preceding M&P s dismissal, the Company had no disagreements with M&P on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, which disagreements, if not resolved to the satisfaction of M&P, would have caused M&P to make reference to the subject matter of the disagreements in connection with its reports on the Company s financial statements during such periods. None of the events described in Item 304(a)(1)(iv) of Regulation S-K occurred during the two most recent fiscal years and any subsequent interim periods preceding the dismissal of M&P.

The following table sets forth the fees billed by our independent public accountants for each of our last two fiscal years for the categories of services indicated.

Audit Committee Pre-Approval Policy

We understand the need for Amper to maintain objectivity and independence in its audit of our financial statements. To minimize relationships that could appear to impair the objectivity of Amper, our Audit Committee has restricted the non-audit services that Amper may provide to us primarily to tax services.

The Audit Committee also has adopted policies and procedures for pre-approving all non-audit work performed by Amper.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE TO APPROVE THE RATIFICATION OF THE APPOINTMENT OF AMPER, POLITZINER & MATTIA, LLP AS INDEPENDENT PUBLIC ACCOUNTANT, AND PROXIES SOLICITED BY THE BOARD WILL BE VOTED IN FAVOR THEREOF UNLESS A STOCKHOLDER HAS INDICATED OTHERWISE ON THE PROXY.
