2. The registrant's Quarterly Report on Form 10-Q for the quarterly period ended April 2, 2010, filed with the Commission on May 6, 2010.
3. The description of the registrant's Common Stock which is contained in the Form 10: General Form for Registration of Securities pursuant to Section 12(b) or (g) of the 1934 Act filed with the Commission on July 7, 1992 (1934 Act File No. 0-20388).

In addition, all reports and documents filed by the registrant under Section 13(a), 13(c), 14 or 15(d) of the Exchange Act after the date of this registration statement and prior to the filing of a post-effective amendment which indicates that all securities being offered have been sold or which deregisters all securities then remaining unsold, shall be deemed to be incorporated by reference in and to be part of this registration statement from the filing date of each such document.

**Item 4. Description of Securities**

Not Applicable.

**Item 5. Interests of Named Experts and Counsel**

Not Applicable.

**Item 6. Indemnification of Directors and Officers**

Article VII of the registrant's Certificate of Incorporation provides for the elimination of personal monetary liabilities of directors of the Company for breaches of their fiduciary duties as directors, except that, as provided by Section 102(b)(7) of the General Corporation Law of Delaware (the "DGCL"), such personal monetary liability of a director may not be eliminated with regard to any breach of the duty of loyalty, failing to act in good faith, intentional misconduct or knowing violation of law, payment of an unlawful dividend, approval of an illegal stock repurchase, or obtainment of an improper personal benefit.

**Table of Contents**

Such a provision has no effect on the availability of equitable remedies, such as an injunction or rescission, for breach of fiduciary duty.

Article VIII of the registrant's Certificate of Incorporation provides for indemnification of directors and officers of the Company to the extent permitted by the DGCL. Section 145 of the DGCL provides for indemnification of directors and officers from and against expenses (including attorney's fees), judgments, fines and amounts paid in settlement reasonably incurred by them in connection with any civil, criminal, administrative or investigative claim or proceeding (including civil actions brought as derivative actions by or in the right of the Company but only to the extent of expenses reasonably incurred in defending or settling such action) in which they may become involved by reason of being a director or officer of the Company if the director or officer acted in good faith and in a manner which he reasonably believed to be in or not opposed to the best interest of the Company and, in addition, in criminal actions, if he had no reasonable cause to believe his conduct to be unlawful. If, in an action brought by or in the right of the Company, the director or officer is adjudged to be liable for negligence or misconduct in the performance of his duty, he will only be entitled to such indemnity as the court finds to be proper. Persons who are successful in defense of any claim against them are entitled to indemnification as of right against expense actually and reasonably incurred in connection therewith. In all other cases, indemnification shall be made (unless otherwise ordered by a court) only if the board of directors, acting by a majority vote of a quorum of disinterested directors, independent legal counsel or holders of a majority of the shares entitled to vote determines that the applicable standard of conduct has been met. Section 145 also provides such indemnity for directors and officers of a corporation who, at the request of the corporation, act as directors, officers, employees or agents of other corporations, partnerships or other enterprises.

Article VII of the registrant's Bylaws requires the Company to indemnify any director or officer to the fullest extent permitted by the DGCL and the registrant's Certificate of Incorporation.

The Company also maintains insurance for officers and directors against certain liabilities, including liabilities under the Securities Act. The effect of this insurance is to indemnify any officer or director of the Company against expenses, including, without limitation, attorneys' fees, judgments, fines and amounts paid in settlement, incurred by an officer or director upon a determination that such person acted in good faith. The premiums for such insurance are paid by the Company.

Under a separate employment agreement with the Company, Gordon Hunter, Chairman of the Board, President and Chief Executive Officer of the Company, is indemnified against all liabilities relating to his position as an officer or director of the Company, to the fullest extent permitted under applicable law.

**Item 9. Undertakings**

(a) RULE 415 OFFERING.

The undersigned registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act of 1933;

(ii) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than 20 percent change in the maximum aggregate offering price set forth in the

Calculation of Registration Fee table in the effective registration statement;

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement;

**Table of Contents**

*provided, however*, that paragraphs (a)(1)(i) and (a)(1)(ii) do not apply if the registration statement is on Form S-8 and the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the Commission by the Registrant pursuant to Section 13 or 15(d) of the Exchange Act that are incorporated by reference in the registration statement.

(2) That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(4) That, for the purpose of determining liability under the Securities Act of 1933 to any purchaser, each prospectus filed pursuant to Rule 424(b) as part of a registration statement relating to an offering, other than registration statements relying on Rule 430B or other than prospectuses filed in reliance on Rule 430A, shall be deemed to be part of and included in the registration statement as of the date it is first used after effectiveness. *Provided, however*, that no statement made in a registration statement or prospectus that is part of the registration statement or made in a document incorporated or deemed incorporated by reference into the registration statement or prospectus that is part of the registration statement will, as to a purchaser with a time of contract of sale prior to such first use, supersede or modify any statement that was made in the registration statement or prospectus that was part of the registration statement or made in any such document immediately prior to such date of first use.

(5) That, for the purpose of determining liability of the registrant under the Securities Act of 1933 to any purchaser in the initial distribution of the securities: the undersigned registrant undertakes that in a primary offering of securities of the undersigned registrant pursuant to this registration statement, regardless of the underwriting method used to sell the securities to the purchaser, if the securities are offered or sold to such purchaser by means of any of the following communications, the undersigned registrant will be a seller to the purchaser and will be considered to offer or sell such securities to such purchaser:

(i) any preliminary prospectus or prospectus of the registrant relating to the offering required to be filed pursuant to Rule 424;

(ii) any free writing prospectus relating to the offering prepared by or on behalf of the registrant or used or referred to by the undersigned registrant;

(iii) the portion of any other free writing prospectus relating to the offering containing material information about the undersigned registrant or its securities provided by or on behalf of the undersigned registrant; and

(iv) any other communication that is an offer in the offering made by the undersigned registrant to the purchaser.

(b) The undersigned registrant hereby undertakes that, for purposes of determining any liability under the Securities Act of 1933, each filing of the registrant's annual report pursuant to section 13(a) or section 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of an employee benefit plan's annual report pursuant to section 15(d) of the Securities Exchange Act of 1934) that is incorporated

**Table of Contents**

by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(c) Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers, and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Securities Act of 1933 and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act of 1933 and will be governed by the final adjudication of such issue.
