Pursuant to Rule 424(b)(7)
Registration File No. 333-152548

Sirius XM Radio Inc.
COMMON STOCK

This prospectus supplement relates to the resale from time to time by selling stockholders of shares of our common stock that we may issue to them upon the exchange of XM Satellite Radio Inc.'s 7% Exchangeable Senior Subordinated Notes due 2014, which we refer to as the "notes".

This prospectus supplement, which supplements the prospectus dated July 25, 2008, as supplemented by the prospectus supplement dated October 28, 2008, the prospectus supplement dated January 7, 2009, the prospectus supplement dated April 7, 2009, the prospectus supplement dated December 11, 2009 and the prospectus supplement dated March 18, 2010, contains information about certain selling stockholders.

Neither the Securities and Exchange Commission nor any state securities commission have approved or disapproved these securities, or determined if this prospectus supplement or the accompanying prospectus is truthful or complete. Any representation to the contrary is a criminal offense.

August 19, 2010.

SELLING STOCKHOLDERS

XM Satellite Radio Inc. (XM Inc.) originally issued the notes to the initial purchasers in transactions exempt from the registration requirements of the Securities Act. The initial purchasers resold the notes to persons reasonably believed by the initial purchasers to be qualified institutional buyers within the meaning of Rule 144A under the Securities Act in transactions exempt from registration under the Securities Act. The selling stockholders, including their transferees, pledgees or donees or their successors, may from time to time offer and sell the shares of our common stock delivered upon the exchange of the notes under this prospectus supplement pursuant to existing registration rights conferred by the registration rights agreement dated as of August 1, 2008 among us, XM Inc. and the initial purchasers. Our registration of the shares of common stock issuable upon exchange of the notes does not necessarily mean that the selling stockholders will sell all or any of the shares of common stock.

The table of selling stockholders appearing under the caption Selling Stockholders beginning on page S-8 of the prospectus supplement dated October 28, 2008, and the table of selling stockholders appearing under the caption Selling Stockholders in prospectus supplement no. 1, prospectus supplement no. 2, prospectus supplement no. 3 and prospectus supplement no. 4 is hereby

supplemented by adding the information regarding certain selling stockholders set forth in the table entitled Additional Selling Stockholders below; and

amended by replacing the information regarding certain selling stockholders identified in the table entitled Revised Information Regarding Selling Stockholders below with the information set forth in such table.

The following tables set forth certain information as of August 13, 2010 concerning the shares of common stock that may be offered from time to time by each selling stockholder identified below pursuant to this prospectus supplement. The information is based on information provided by or on behalf of the selling stockholders.

Because the selling stockholders may offer all or some portion of the common stock, no estimate can be given as to the amount of the shares of common stock that will be held by the selling stockholders upon termination of any sales. Information about the selling stockholders may change over time. In particular, the selling stockholders identified below may have sold, transferred or otherwise disposed of all or a portion of their notes or common stock since the date on which they provided to us information regarding their notes or common stock. Any changed or new information given to us by the selling stockholders will be set forth in supplements to this prospectus supplement or amendments to the registration statement of which this prospectus supplement is a part, if and when necessary.

Except as set forth in the tables, none of the selling stockholders identified below nor any of their affiliates, officers, directors or principal equity holders (5% or more) has held any position or office or has had any other material relationship with us or XM Inc. (or our or XM Inc. s predecessors or affiliates) during the past three years.

(1) Information concerning other selling stockholders will be set forth in additional supplements to the prospectus supplement from time to time, if required.

(2) Assumes exchange of all

of the selling
stockholder's
notes at an
exchange rate of
533.3333 shares
of our common
stock per \$1,000
principal amount
of the notes.

This exchange
rate is subject to
certain
adjustments. As
a result, the
number of shares
of common
stock issuable
upon exchange
of the notes may
increase or
decrease in the
future. Under the
terms of the
indenture
governing the
notes, fractional
shares will not
be issued upon
exchange of the
notes. Cash will
be paid instead
of fractional
shares, if any.

- (3) Calculated based
on
Rule 13d-3(d)(i)
of the Exchange
Act, using
3,888,667,924

July 30, 2010
(including
202,399,983
shares of

In calculating this amount for each stockholder, we treated as outstanding the number of shares of common stock issuable upon exchange of that stockholder's notes, but we did not assume exchange of any other stockholder's notes. The beneficial ownership in this column assumes that the selling stockholder sells all of the shares offered by this prospectus supplement issuable upon the exchange of the notes that are beneficially owned by the selling stockholder as of the date of this prospectus supplement, and that any other shares of common stock owned by the selling stockholder as of the date of this prospectus supplement will continue to be

beneficially
owned by the
selling
stockholder.
