This Amendment No. 14 amends and supplements the Solicitation/Recommendation Statement on Schedule 14D-9 filed with the Securities and Exchange Commission on August 23, 2010 (as amended or supplemented, the Statement) by Potash Corporation of Saskatchewan Inc., a corporation organized under the laws of Canada (PotashCorp or the Company). The Statement relates to the offer (the BHP Offer) by BHP Billiton Development 2 (Canada) Limited (BHP), a corporation organized under the laws of Canada and a wholly owned indirect subsidiary of BHP Billiton Plc, to purchase all of the issued and outstanding common shares, no par value (the Common Shares), of PotashCorp, together with the associated common stock purchase rights.

**Item 8. Additional Information**

Item 8 of the Statement is hereby amended and supplemented by adding the following information:

On October 6, 2010, named plaintiffs who certified that they owned a total of 100 Common Shares filed a purported class action complaint in the United States District Court for the Northern District of Illinois, on behalf of themselves and all other shareholders of the Company against the Company and each of its directors. The complaint alleges that the Company defendants violated Sections 14(d)(4) and 14(e) of the Securities Exchange Act of 1934. Among other things, the complaint alleges that this Statement omits or misrepresents material information about the Company's Shareholder Rights Plan, the analysis of the BHP Offer, strategic alternatives and the analysis of the Company's financial advisors. The complaint also alleges that the Company defendants violated Section 241 of the Canada Business Corporations Act in connection with their consideration of the BHP Offer and the adoption of the Shareholder Rights Plan. The complaint seeks declaratory and injunctive relief, including an order declaring the Shareholder Rights Plan invalid and of no force and effect. The Company believes the plaintiffs' allegations lack merit and intend to contest them vigorously.
