Item 1.01 Entry into a Material Definitive Agreement.

On April 11, 2011, Primo Water Corporation (the Company) and its wholly-owned subsidiary, Primo Products, LLC, completed the acquisition of certain assets and intellectual property of Omnifrio Beverage Company, LLC (Omnifrio), including its technology related to single-serve cold carbonated beverage appliances and consumable flavor cups, or S-cups, and Cylinders used with the appliances to make a variety of cold beverages (the Omnifrio Single-Serve Beverage Business). The closing of the acquisition of the Omnifrio Single-Serve Beverage Business is described in greater detail in Item 8.01 below. In connection with such closing, the Company and Omnifrio entered into a Registration Rights Agreement dated April 11, 2011 (the Registration Rights Agreement) pursuant to which the Company agreed, subject to certain exceptions, to prepare and file a registration statement to register the shares of its common stock issued to Omnifrio as payment of a portion of the purchase price for the Omnifrio Single-Serve Beverage Business. Such registration statement is required to be effective no later than October 9, 2011. The description of the Registration Rights Agreement is qualified in its entirety by the contents of the Registration Rights Agreement, which is filed as Exhibit 10.1 to this Current Report on Form 8-K, and is incorporated herein by reference.

Item 2.03 Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.

In connection with the Company's acquisition of the Omnifrio Single-Serve Beverage Business, the Company entered into a First Amendment and Consent to Credit Agreement (the First Amendment) relating to the Credit Agreement originally dated November 10, 2010 (the Credit Agreement) among the Company, the other borrowers identified therein, the lenders party thereto, and Wells Fargo Bank, National Association, as administrative agent. The Credit Agreement provides for the Company's \$40.0 million senior revolving credit facility (the Senior Credit Facility). Pursuant to the First Amendment, the lenders consented to the Company's acquisition of the Omnifrio Single-Serve Beverage Business, and the parties agreed to amend certain financial covenants in the Credit Agreement. The maximum total leverage ratio under the Senior Credit Facility was amended to be: (a) 3.50 to 1.00 for the period beginning April 1, 2011 and ending June 30, 2011; (b) 2.75 to 1.00 for the period beginning July 1, 2011 and ending September 30, 2011; and (c) 2.50 to 1.00 for the period beginning October 1, 2011 and continuing to the termination of the Credit Agreement. The minimum earnings before interest, taxes, depreciation and amortization (EBITDA) threshold was amended to be (x) \$7.5 million for the twelve month period ended March 31, 2011 and (y) \$9.0 million for the twelve month period ended June 30, 2011.

The foregoing description of the First Amendment is not complete and is qualified in its entirety by reference to the First Amendment, which is filed as Exhibit 10.2 to this Current Report on Form 8-K, and is incorporated herein by reference.

Item 3.02 Unregistered Sales of Equity Securities.

As described in Item 8.01 below, on April 11, 2011, the Company issued 501,080 shares (the Omnifrio Shares) of common stock to Omnifrio as payment of a portion of the purchase price for the Omnifrio Single-Serve Beverage Business. The Omnifrio Shares are subject to lock-up agreements pursuant to which Omnifrio has agreed, subject to certain exceptions, not to offer, sell, contract to sell, pledge, grant any option to purchase, make any short sale or otherwise dispose of any shares of common stock, or any securities convertible into, exchangeable for or that represent the right to receive shares of common stock for a period continuing through May 3, 2011 (subject to extension in certain circumstances) without the prior written consent of Stifel, Nicolaus & Company, Incorporated. Additionally, 256,651 of the Omnifrio Shares are subject to additional lock-up restrictions that will expire April 11, 2013.

The issuance of the Omnifrio Shares was made in reliance upon the exemption from registration provided by Section 4(2) of the Securities Act of 1933, as amended, and Rule 506 of Regulation D promulgated thereunder. Omnifrio is an accredited investor as defined in Regulation D. In addition, the Company received customary private placement representations in the Omnifrio Purchase Agreement, including representations to the effect that the Omnifrio Shares were acquired for investment and not with a view to or in connection with an unlawful distribution thereof and that Omnifrio received sufficient information about the Company or had access to such information in order to evaluate an investment in the Omnifrio Shares. No underwriters were involved in connection with the issuance of the Omnifrio Shares and no underwriting discounts or commissions were payable.
