-

**Item 1.01 Entry into a Material Definitive Agreement.**

On May 31, 2011, Camden Property Trust, a Texas real estate investment trust (the Company), entered into an underwriting agreement (the Underwriting Agreement) with Deutsche Bank Securities Inc., J.P. Morgan Securities LLC and Merrill Lynch, Pierce, Fenner & Smith Incorporated, for themselves and Representatives of the several Underwriters named therein (the Underwriters), pursuant to which the Company agreed to issue and sell to the Underwriters \$250,000,000 aggregate principal amount of its 4.625% Notes due 2021 (the 2021 Notes) and \$250,000,000 aggregate principal amount of its 4.875% Notes due 2023 (the 2023 Notes and, together with the 2021 Notes, the Notes), which issuance and sale closed on June 3, 2011. A copy of the Underwriting Agreement is filed as Exhibit 1.1 hereto and incorporated by reference herein.

The offering of the Notes is described in the Company's Prospectus Supplement dated May 31, 2011 to the Company's Prospectus dated May 20, 2009. The Notes were issued pursuant to the Company's existing shelf registration statement.

The 2021 Notes bear interest at 4.625% and the 2023 Notes bear interest at 4.875%, in each case from June 3, 2011, with interest payable each June 15 and December 15 beginning December 15, 2011. The 2021 Notes will mature on June 15, 2021 and the 2023 Notes will mature on June 15, 2023. The Notes of each series are redeemable at any time at the option of the Company, in whole or in part, at a redemption price equal to the principal amount and accrued interest of the Notes being redeemed, plus a make-whole premium. If, however, the Company redeems Notes of either series 90 days or fewer prior to their maturity date, the redemption price will equal 100% of the principal amount of the Notes to be redeemed plus accrued and unpaid interest on the amount being redeemed to the redemption date.

Each series of the Notes was priced at a discount such that the 2021 Notes were offered to the public at 99.404% of their face amount and the 2023 Notes were offered to the public at 98.878% of their face amount. The Notes were issued under an Indenture between the Company and U.S. Bank National Association, as successor to SunTrust Bank, as trustee (the Trustee), as amended by the First Supplemental Indenture dated as of May 4, 2007 between the Company and the Trustee and the Second Supplemental Indenture dated June 3, 2011 between the Company and the Trustee. A copy of the Second Supplemental Indenture is filed as Exhibit 4.3 hereto and incorporated by reference herein.

After deducting underwriting discounts and other offering expenses, the net proceeds from the sale of the Notes was approximately \$492.2 million. The Company intends to use these net proceeds, together with cash on hand, for the repayment of an outstanding \$500 million term loan. Affiliates of some of the Underwriters are lenders under the term loan and, upon application of the net proceeds of the sale of the Notes, will receive their proportionate shares of the amount of the term loan repaid. In addition, in the ordinary course of their respective businesses, the Underwriters and their affiliates have engaged, and may in the future engage, in commercial banking and/or investment banking transactions with the Company and its affiliates for which they have received, and will in the future receive, customary fees.

**Item 9.01. Financial Statements and Exhibits.**
