CUSIP No. 984249300

ITEM 4. Purpose of Transaction.

On April 29, 2011, the Issuer entered into a support agreement (the Support Agreement) with certain lenders, including the Cyrus Funds, holding claims in outstanding borrowings, deferred interest and fees and letters of credit (Credit Agreement Claims) under the Issuer's credit agreement, dated as of August 17, 2007 (as amended, the Credit Agreement), among the Issuer, certain of its subsidiaries, JPMorgan Chase Bank, National Association, as agent, and the other lenders that are parties thereto pursuant to which such participating lenders (including the Cyrus Funds) agreed, among other things, to support the restructuring of the Issuer (the Restructuring) by tendering their Credit Agreement Claims in the Exchange Offer (as defined below).

Pursuant to the Support Agreement, the Restructuring consisted, in part, of an exchange offer (the Exchange Offer), whereby the Cyrus Funds, as part of the lenders under the Credit Agreement, would receive (i) the Series B Convertible Preferred Stock, par value \$1.00 (the Preferred Stock), (ii) the 10% Series A Convertible Senior Secured Notes due 2015 (the Series A Notes) and (iii) rights to acquire for cash 10% Series B Convertible Senior Secured Notes due 2015 (the Series B Notes), none of which are registered under Section 12 of the Securities Exchange Act of 1934, as amended (the Exchange Act). Also as part of the Support Agreement, certain unaffiliated lenders and participants (as defined in the Credit Agreement), including certain of the Cyrus Funds, were part of a steering committee that participating in nominating six of the nine members for the Issuer's new board of directors. The Support Agreement terminated upon consummation of the Exchange offer on July 22, 2011, at which time the Cyrus Funds exercised their rights to acquire the Series B Notes using internally generated funds.

As part of the Reorganization, a shareholder meeting approving a charter amendment merger occurred on September 16, 2011, whereby a wholly-owned subsidiary of the Issuer merged into the Issuer and the certificate of incorporation of the Issuer was amended and restated to increase the number of shares of Common Stock authorized. As a result of the merger being approved and becoming effective, (i) the Preferred Stock automatically converted into shares of Common Stock, (ii) the Series A Notes became convertible at a fixed price into shares of the Common Stock two years from the date of issuance and (iii) the Series B Notes became immediately convertible at a fixed price into shares of the Common Stock, with such notes convertible based as if the Series B Notes were held until maturity and all interest were paid in kind.

The above summary of the material terms of the Support Agreement is qualified in its entirety by reference to the text of the Support Agreement, a copy of which is attached hereto as Exhibit 99.3.

The Reporting Persons acquired the Common Stock, the Series A Notes and the Series B Notes for investment purposes.

The Reporting Persons continuously assess the Issuer's business, financial condition, results of operations and prospects, general economic conditions, other developments and additional investment opportunities. The Reporting Persons intend to sell shares of Common Stock, the Series A Notes and the Series B Notes in privately negotiated transactions, in the open market or otherwise. However, the timing and amount of such sales will depend upon a variety of factors, including, without limitation, current and anticipated future trading prices, the financial condition, results of operations and prospects of the Issuer, alternative investment opportunities, general economic, financial market and industry conditions and other factors that the Reporting Persons may deem material to their investment decision. Notwithstanding the foregoing, the Reporting Persons may decide not to make sales or may seek to acquire additional shares of Common Stock, Series A Notes or Series B Notes in privately negotiated transactions, in the open market or otherwise depending on general economic and/or market conditions.

Except as set forth herein, the Reporting Persons do not have present plans or proposals at this time that relate to or would result in any of the transactions described in subparagraphs (a) through (j) of Item 4 of Schedule 13D. The information set forth in Item 6 of this Schedule 13D is hereby incorporated herein by reference.

CUSIP No. 984249300

ITEM 6. Contracts, Arrangements, Understandings or Relationships With Respect to Securities of the Issuer.

On July 22, 2011, the Issuer and its guarantor subsidiaries entered into three registration rights agreements (the Registration Rights Agreements) with several of its significant holders of its Series A Notes, Series B Notes and Preferred Stock, which included the Cyrus Funds. Pursuant to the Registration Rights Agreements, the Issuer has agreed to prepare and file with the SEC a registration statement covering the resale of such Series A Notes and Series B Notes, as applicable, and the shares of its Common Stock such securities are convertible into, as well as the shares of its Common Stock underlying the Preferred Stock, on or prior to the filing deadline. The filing deadline for each of the initial registration statements is the fifth business day following the date of the consummation of the charter amendment merger, which occurred on September 16, 2011. The Issuer must use its commercially reasonable efforts to cause each such registration statement to be declared effective by the SEC as soon as practicable, but no later than the effectiveness deadline. The effectiveness deadline for each initial registration statement is sixty (60) days after the filing deadline; subject to certain exceptions.

In the case of the registration statement for the Series A Notes and the registration statement for the Series B Notes, if (i) such registration statement is not filed with the SEC on or prior to its filing deadline, (ii) such registration statement is not declared effective on or prior to its effectiveness deadline, or (iii) after such registration statement has been declared effective, the Issuer fails to keep the registration statement effective or the prospectus forming a part of such registration statement is not usable for more than an aggregate of 30 trading days (which need not be consecutive) (other than during a grace period) or (iv) a grace period exceeds the length of an allowable grace period (each of the events described in clauses (i) through (iv), an event) then, in each case, the Issuer will be required to pay as partial liquidated damages to such holders of Series A Notes or Series B Notes (which includes the Cyrus Funds), as applicable, an amount equal to 0.25% of the aggregate principal amount of such holders Series A Notes or Series B Notes, as applicable, for the first 30 days from the date of the event until the event is cured (which rate will be increased by an additional 0.25% per annum for each subsequent 30-day period that liquidated damages continue to accrue, provided that the rate at which such liquidated damages accrue may in no event exceed 2.00% per annum). All liquidated damages will be paid on the same day that interest is payable on the Series A Notes or Series B Notes, as applicable, and will be paid-in-kind in Series A Notes or Series B Notes, as applicable.

The above summary of the material terms of the Registration Rights Agreement is qualified in its entirety by reference to the text of the Registration Rights Agreements, copies of which are attached hereto as Exhibit 99.4.

On the consummation of the Exchange Offer, which occurred on July 22, 2011, the obligations of the Reporting Persons and the Cyrus Funds under the Support Agreement, terminated. As a result, the Reporting Persons, the Cyrus Funds and other lenders party to the Support Agreement (the Other Lenders) may no longer be deemed to be a group pursuant to Section 13(d)(3) of the Exchange Act. The Reporting Persons never expressly affirmed membership in any group with any of the Other Lenders, and disclaimed beneficial ownership of any Common Stock held by such lenders. Neither the filing of this Schedule 13D nor any of its contents shall be deemed to constitute an admission that the Reporting Persons or any of their respective affiliates were the beneficial owners of any Common Stock beneficially owned by any of the Other Lenders for purposes of Section 13(d) of the Exchange Act, the rules promulgated thereunder or for any other purpose.

Exhibit 99.4: Three Form of Registration Rights Agreements, dated _____, 2011, by and among (i) the Issuer, the guarantors named therein and the holders of the Issuer's 10% Series A Convertible Senior Secured Notes due 2015 named therein, (ii) the Issuer, the guarantors named therein and the holders of the Issuer's 10% Series B Convertible Senior Secured Notes due 2015 named therein, and (iii) the Issuer and the holders of the Issuer's Series B Convertible Preferred Stock named therein.
