PROXY STATEMENT  
April 13, 2004

INTRODUCTION

This Proxy Statement is furnished in connection with the solicitation by the Board of Directors (the "Board of Directors" or the "Board") of Golden Telecom, Inc. (the "Company" or "Golden Telecom") of proxies to be voted at the annual meeting of shareholders of the Company to be held in the Midnattsol Meeting

## Edgar Filing: GOLDEN TELECOM INC - Form DEF 14A

Room, Telenor Expo, Snaroyveien 30, 1331 Fornebu, Norway on May 20, 2004 beginning at 12:30 p.m. local time (the "Annual Meeting"). Enclosed with this Proxy Statement is a Notice of the Annual Meeting of Shareholders, together with a Proxy Card for your signature if you are unable to attend. Shareholders of record who execute Proxy Cards may revoke them at any time before they are voted. Any Proxy Card may be revoked by the person giving it any time before it is voted by delivering to the Corporate Secretary of the Company at the principal executive offices of the Company at the Representative Offices of Golden TeleServices, Inc., 1 Kozhevnikhesky Proezd, 2nd Floor, Moscow, Russia 115114, on or before the business day prior to the Annual Meeting or at the Annual Meeting itself, a subsequent written notice of revocation or a subsequent Proxy Card relating to the same shares or by attending the meeting and voting in person. The approximate date on which this Proxy Statement and the accompanying Proxy Card will be sent to the Company's shareholders is April 13, 2004.

### PROXIES AND VOTING PROCEDURES

Shares of the Company's common stock, par value \$0.01 per share ("Common Stock"), represented by properly executed Proxy Cards received prior to or at the meeting, unless such Proxy Cards have been revoked, will be voted in accordance with the instructions indicated on the Proxy Card.

Shareholders of record (the "Shareholders") on April 6, 2004 (the "Record Date") are entitled to vote at the Annual Meeting. On April 6, 2004, the Company had outstanding approximately 36,231,156 shares of Common Stock, with each share representing one vote.

If you return your signed Proxy Card to the Company before the Annual Meeting, Golden Telecom will vote your shares as you direct. You can specify on your Proxy Card whether your shares should be voted for all, some or none of the nominees for director. You can also specify whether you approve, disapprove, or abstain from the proposal to ratify the selection of our auditors. The proposals will be presented at the Annual Meeting by management.

IF YOU RETURN THE PROXY CARD TO US AND DO NOT SPECIFY ON YOUR PROXY CARD HOW YOU WANT TO VOTE YOUR SHARES, WE WILL VOTE THEM "FOR" THE ELECTION OF ALL NOMINEES FOR DIRECTOR AS SET FORTH UNDER "ELECTION OF DIRECTORS" BELOW; AND "FOR" THE PROPOSAL TO RATIFY THE SELECTION OF OUR AUDITORS.

The affirmative vote of the holders of a plurality of the votes cast by shareholders will elect candidates for director (Item No. 1 on your Proxy Card). The affirmative vote of the holders of at least a majority of the shares of Common Stock present in person or represented by proxy at the meeting and entitled to vote is required to ratify the Board of Directors' appointment of Ernst & Young (CIS) Limited ("Ernst & Young") as the Company's independent auditors for 2004 (Item No. 2 on your Proxy Card). The required quorum is a majority of the outstanding shares of voting stock of Golden Telecom. Golden Telecom intends to count abstentions both for purposes of determining presence or absence of a quorum and in the total number of shares represented and voting with respect to a proposal. Accordingly, abstentions will have the same effect as a vote against Item 2.

The nominees for director receiving the highest number of affirmative votes will be elected. Unless authority to vote is withheld or another contrary instruction is indicated, properly executed Proxy Cards received by Golden Telecom prior to or at the Annual Meeting will be voted FOR the election of the nominees listed on the following pages. Should any of the nominees be unavailable to serve at the time the election occurs, the proxyholders named in the Proxy Card will vote for substitute nominees at their discretion.

Edgar Filing: GOLDEN TELECOM INC - Form DEF 14A

Broker non-votes occur when nominees have voted on some of the matters to be acted on at a meeting, but fail to vote on certain other matters because they are not permitted to vote on such matters in the absence of instructions from the beneficial owners of shares. Broker non-votes, if any, with respect to a proposal will not be counted for purposes of determining the presence or absence of a quorum, and will not be counted as shares represented and voting with respect to that proposal. A broker non-vote will have no effect on the outcome of the election of directors.

AUDIT COMMITTEE. Current copies of the Audit Committee charter and Company's Conduct Guidelines, which apply to all of the Company's employees and directors and its subsidiaries and both of which comply with the Sarbanes-Oxley Act and the NASDAQ National Market corporate governance standards, are available at [www.goldentelcom.com](http://www.goldentelcom.com). If the Company amends any provision of its Conduct Guidelines that is required under the Nasdaq National Market corporate governance standards or the Sarbanes-Oxley Act of 2002, or if a waiver of such provision is granted to a director or an executive officer, the notice of such amendment, other than technical, administrative, and other non-substantive amendments, or waiver will be posted on the Company's website at [www.goldentelcom.com](http://www.goldentelcom.com). While the Board or the Audit Committee may consider a waiver for an executive officer or director, the Company does not expect to grant such waivers.

The Chairman of the Audit Committee is Mr. Herman. In 2003, the other members were Mr. Dunster and Mr. Calvey.

## Edgar Filing: GOLDEN TELECOM INC - Form DEF 14A

the Company to comply with the

10

Nasdaq's Marketplace Rules. One such rule requires the Company to certify that it has and will continue to have an audit committee comprised of at least three members, each of whom is independent, as defined by the Marketplace Rules and Rule 10A-3 of the Securities Exchange Act of 1934. The Company believes that it complies with this requirement.

The Board of Directors has determined that the Audit Committee members are financially literate under the current listing standards of the Nasdaq National Market and able to devote sufficient time to serving on the Audit Committee. The Board has also determined that Mr. Michael Calvey, who currently is the Managing Partner of Baring Vostok Capital Partners Limited, is the Audit Committee financial expert as defined in Item 401 of Regulation S-K under the Securities Exchange Act of 1934. The Board made a qualitative assessment of Mr. Calvey's level of knowledge and experience based on a number of factors, including his formal education and experience as Managing Partner of Baring Vostok Capital Partners Limited and on audit committees of other publicly traded companies.

COMPENSATION COMMITTEE. During the fiscal year ended December 31, 2003, the Compensation Committee of the Board of Directors held three meetings and acted through unanimous written consent in lieu of meeting once. The primary purposes of the Nominating and Corporate Governance Committee are to insure that the Board is appropriately constituted to meet its fiduciary obligations to the Company's shareholders and to the Company and to insure that the corporate governance practices of the Company are appropriate and effective in enabling the Board to fulfill its responsibilities independent of management and with a view to the best interests of the Company and its shareholders generally. ### ITEM NO. 2 ON YOUR PROXY CARD: RATIFICATION OF APPOINTMENT OF AUDITORS

Golden Telecom's Audit Committee has voted to appoint Ernst & Young as independent auditors to examine the consolidated financial statements of Golden Telecom, Inc. and subsidiaries for the year ending December 31, 2004, and you are asked to ratify that appointment

at the Annual Meeting. In keeping with good corporate governance practice, the Audit Committee will periodically assess the suitability of its incumbent independent auditors taking into account all relevant facts and circumstances, including the possible consideration of the qualifications of other accounting firms.

Ernst & Young's report on the Company's consolidated financial statements as of December 31, 2003 and 2002 and for each of the two fiscal years in the period ended December 31, 2003 did not contain any adverse opinion or disclaimer of opinion and were not qualified or modified as to uncertainty, audit scope, or accounting principles. During the fiscal years ended December 31, 2002 and 2003 and thereafter through the filing date of the Company's 2003 annual report on Form 10-K, there were no disagreements between the Company and Ernst & Young on any matter of accounting principles or practices, financial statements disclosures, or auditing scope or procedures, which, if not resolved to the satisfaction of Ernst & Young, would have caused Ernst & Young to make reference to the matter in their report. None of the "reportable events" described in Item 304 (a)(1)(v) of Regulation S-K of the Securities Exchange Act of 1934 have occurred during the fiscal years ended December 31, 2002 and 2003 or through the filing date of the Company's 2003 annual report on Form 10-K.

AUDIT FEES. For professional services rendered for the audit of the Company's 2003 and 2002 financial statements and the review of the financial statements included in the Company's 2003 and 2002 Forms 10-Q, Ernst & Young billed the Company a total of \$542,000 in 2003 and \$469,000 in 2002. These amounts also include statutory audits of certain subsidiaries.

AUDIT-RELATED FEES. For professional audit-related services rendered, Ernst & Young billed the Company a total of \$250,000 in 2003 and \$65,000 in 2002. Audit-related services generally include due diligence on potential acquisitions. The amount also include reviews of documents filed with the SEC and accounting consultations.

TAX FEES. Ernst & Young's fees for the years 2003 and 2002 for tax consulting and expatriate tax services were \$78,000 and \$290,000, respectively.

ALL OTHER FEES. None.

The Company's Audit Committee pre-approved all of the services described above that were provided after the pre-approval requirements under the Sarbanes-Oxley Act became effective on May 6, 2003.

The Audit Committee considered whether the non-audit services rendered by Ernst & Young were compatible with maintaining Ernst & Young's independence as auditors of the Company's financial statements and determined that they were.

During 2003, the Company adopted policies and procedures governing pre-approval of services to be provided by the Company's independent auditors consisting of the following key components:

- The Audit Committee is directly responsible for the appointment, compensation, retention, and oversight of the Company's independent auditors.
- The Audit Committee is responsible for the pre-approval of all audit, audit-related, tax and non-audit services. Pre-approval may be, but in the past has not been, delegated to one or more members of the Audit Committee. The details of any services approved

under this delegation must be reported to the full Audit Committee at its next regular meeting.

- Pre-approval of certain recurring audit, audit-related and tax services may be accomplished through pre-approval of a detailed budget or an updated forecast for such services.
- The Company's independent auditors are prohibited from providing certain non-audit services. Any other permissible non-audit service engagement must be specifically approved in advance by the Audit Committee.
- Generally, the Audit Committee will not engage the Company's independent auditors for services other than audit, audit-related, and tax services.
- The Company provides regular reporting to the Audit Committee regarding all audit, audit-related, tax and non-audit services provided by the Company's independent auditors.

The Company's policy governing the provision of non-audit services by the Company's independent auditors is more restrictive than is required by the regulations implementing the Sarbanes-Oxley Act of 2002.

It is not expected that representatives of Ernst & Young will be present at the Annual Meeting.

The Audit Committee of the Board of Directors has selected Ernst & Young, independent public accountants, to audit the consolidated financial statements of the Company for the fiscal year ending December 31, 2004 and recommends that the shareholders ratify such selection.

The ratification of the appointment of Ernst & Young is not required by law or by the By-laws of the Company. The Board of Directors is nevertheless submitting it to the shareholders to ascertain their views. If the shareholders do not ratify the appointment, the selection of other independent public accountants will be considered by the Board of Directors. If Ernst & Young shall decline to accept or become incapable of accepting its appointment, or if its appointment is otherwise discontinued, the Board of Directors will appoint other independent public accountants.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE "FOR" RATIFICATION OF THE APPOINTMENT OF AUDITORS (ITEM NO. 2 ON YOUR PROXY CARD)

REPORT OF THE AUDIT COMMITTEE. The Audit Committee of the Board, which is composed of independent Directors and has the principal responsibilities described on page 10 of this proxy statement, has furnished the following report:

The Audit Committee has reviewed and discussed the Company's audited consolidated financial statements with management. The Audit Committee has also discussed with the Company's independent auditors the matters required to be discussed by Statements on Auditing Standards No. 61 (SAS 61 - Communication with Audit Committees), as amended, relating to the auditors' judgment about the quality of the Company's accounting principles, judgments and estimates, as applied in its financial reporting.

Edgar Filing: GOLDEN TELECOM INC - Form DEF 14A

The Audit Committee has received written disclosures and the letter from the independent auditors required by Independence Standards Board No. 1 (Independence

Discussions with Audit Committees) that relates to the auditors' independence from the Company and subsidiaries, and has discussed with the independent auditors their independence.

The Audit Committee met with management periodically during fiscal 2003 to consider the adequacy of the Company's internal controls and discussed these matters with the Company's independent auditors and with appropriate Company financial personnel. The Audit Committee also discussed with senior management and the independent auditors the Company's disclosure controls and procedures and the certifications by the Company's Chief Executive Officer and Chief Financial Officer, which are required by the SEC for certain of the Company's filings with the SEC. The Audit Committee met privately with the independent auditors, the internal auditor and other members of management, each of whom has unrestricted access to the Audit Committee.

Based on the reviews and discussions referred to above, the Audit Committee recommended to the Board that the audited financial statements be included in the Company's Annual Report on Form 10-K for the year ended December 31, 2003, for filing with the SEC.

key employee incentive and retention policy, Golden Telecom established the Golden Telecom Incentive Bonus Program, whereby Golden Telecom issues stock options to a trust in numbers corresponding to the level of financial incentive Golden Telecom wishes to award its eligible employees. REPORT OF THE COMPENSATION COMMITTEE ON EXECUTIVE COMPENSATION

OVERVIEW. The role of the Compensation Committee is to oversee and direct the development of executive compensation policies and programs that are consistent with, explicitly linked to, and supportive of the strategic objectives of growing the Company's businesses in order to maximize shareholder value. The

## Edgar Filing: GOLDEN TELECOM INC - Form DEF 14A

Committee's specific responsibilities consist of determining the appropriate levels of compensation, including salaries, quarterly or annual incentives, long-term incentives and employee benefits for members of the Company's senior management, including executive officers. The Committee believes that a strong link should exist between executive compensation and the financial results of the Company's operations. The Committee seeks to realize this goal by developing incentive compensation programs that provide competitive compensation and reflect Company performance.

20

COMPENSATION PHILOSOPHY. The three fundamental principles to which the Committee adheres in discharging its responsibilities are as follows. First, most annual and long-term incentive compensation for the Company's executive officers should be at risk, with actual compensation levels correlating with the Company's performance in certain key areas determined by the Committee. Second, incentive compensation of the Company's executive officers should focus more heavily on long-term rather than short-term accomplishments and results. Third, the overall executive compensation program should be competitive, equitable and structured so as to ensure the Company's ability to attract, retain, motivate and reward the executives and senior management who are essential to the Company's continuing success in the difficult markets in which the Company operates. Total compensation, rather than distinct compensation elements, is the focus of the Company's goal to provide competitive compensation opportunities.

COMPENSATION ELEMENTS. The Company's compensation program for executives and senior management consists of four principal elements, each of which is vitally important in meeting the Company's need to attract, retain, motivate and reward highly-qualified executives and senior management in the markets where the Company operates. The four principal elements are described below and include base salaries, periodic performance incentives, long-term incentives and benefits.

BASE SALARIES. Base salaries for executive officers and senior management are generally set at levels that reflect the competitive marketplace for companies that are of comparable size and complexity and that would be considered competitors of the Company in attracting and retaining qualified executives. The salaries of the executive officers are reviewed and approved by the Compensation Committee based on its assessment of each executive's experience and performance and a comparison of salaries of peers in other companies.

PERIODIC PERFORMANCE INCENTIVES. Incentive awards are made on a quarterly or annual basis to executive officers and senior management on the basis of Company and business unit performance relative to budget in such areas as revenue, net income, and EBITDA, which is a common performance measure in the telecommunications industry and means earnings before interest, tax, depreciation and amortization. The Company adopted a revised executive officer and senior management executive bonus program in 2001, whereby an additional criterion, personal performance objectives, was added and executives and senior management are eligible for an annual incentive payment based on the fulfillment of these personal objectives. The bonus program was revised in 2003 such that all bonus components will be paid annually. The Company intends to continue providing incentives in concert with other compensation elements in order to maintain a competitive total compensation program for its executive officers. The Committee reviews and approves all performance measures and goals established under the annual and long-term incentive plans.

LONG-TERM INCENTIVES. At the time leading up to the Company's initial public offering in 1999, the Company relied on stock options as the principal means of providing long-term incentive compensation. Stock options were granted to executive officers and senior management under the 1999 Equity Participation

## Edgar Filing: GOLDEN TELECOM INC - Form DEF 14A

Plan. The Committee discontinued the policy of periodic option grants and is in the process of developing a long term incentive bonus plan. It is expected that senior level executives and top management will be eligible for participation in the long term incentive bonus plan, which the Company intends to implement in 2004.

BENEFITS. Benefits offered to executive officers serve a different purpose than do other elements of the total compensation program. In general, they act as a safety net against problems that can

21

arise from illness, disability or death. Benefits offered to executive officers are basically those offered to other employees of the Company.

GOLDEN TELECOM, INC. 401(k) PLAN. The Company offers a 401(k) retirement savings plan (the "401(k) Plan") to its employees. The 401(k) Plan is a defined contribution retirement benefit, the prototype of which has been submitted by the Company's 401(k) Plan administrators to the Internal Revenue Service for favorable tax treatment under Section 401 of the Internal Revenue Service Code. All employees of Golden Telecom, subject to certain regulatory qualifications, who are U.S. citizens and at least 21 years of age and have completed the minimum service requirement are eligible to participate in the 401(k) Plan. The 401(k) Plan participants are able to defer pre-tax income by contributing to the plan up to the maximum amount permitted by law. After-tax contributions are also permitted under the 401(k) Plan. Golden Telecom matches 50% of each participant's pre-tax contribution to the 401(k) Plan, up to 5% of the participant's total compensation. In addition, Golden Telecom may, in its sole discretion and in a nondiscriminatory manner, contribute additional amounts as profit sharing to each participant's account. The Company did not contribute additional amounts as profit sharing for the year 2003. The amounts deposited into each participant's account will be invested among various investment options according to the instructions of the participant. Each participant's pre-tax and after-tax contributions will be immediately vested and non-forfeitable. The Company's matching contribution and profit sharing allocations to each participant's account will not vest until the participant has completed three years of service with Golden Telecom at which time the matching contribution and profit sharing allocations become 100% vested.

EVALUATION PROCEDURES. In determining matters regarding executive officer compensation (other than the Chief Executive Officer), the Committee, with the Chairman of the Board and Chief Executive Officer, reviews the performance of key executives including the executive officers, the respective areas of authority and responsibility of the various executive officers, and the contribution of each to the efforts of the Company in meeting its financial and strategic goals. The Committee has confirmed that the compensation paid in 2003 to the named executive officers is consistent with the Company's compensation philosophy and objectives.

COMPENSATION OF THE CHIEF EXECUTIVE OFFICER. On November 6, 2001 Mr. Alexander Vinogradov was appointed as President and Chief Executive Officer of the Company and entered into an employment agreement with Golden TeleServices, Inc. During 2003, Mr. Vinogradov's base salary was set at \$290,000 and he was eligible for periodic bonuses throughout the year targeted, in the aggregate, to be 50% of his base salary. During 2003, Mr. Vinogradov received \$290,000 as his base salary and \$149,400 in bonus payments. In evaluating Mr. Vinogradov's compensation, the Committee compared the Company's compensation practices and levels to those of other companies involved in similar businesses, including but not limited to, the companies included in the indices indicated in the Performance Graph. Based on this review, the Committee determined Mr. Vinogradov's compensation to be appropriate.

Edgar Filing: GOLDEN TELECOM INC - Form DEF 14A

DEDUCTIBILITY OF CERTAIN EXECUTIVE COMPENSATION. Beginning in 1994, the Omnibus Reconciliation Act of 1993 limits to \$1 million the amount that may be deducted by a publicly-held company for compensation paid to each of its named executive officers in a taxable year, unless the compensation in excess of \$1 million is "qualified performance-based compensation." The Committee and the Company design short-term and long-term compensation plans to qualify for the exemption from the deduction limitations of Section 162(m) of the Internal Revenue Code and to be consistent with providing appropriate compensation to executives. Shareholder approval of incentive compensation plans and various provisions thereunder covering the executive officers has been sought and obtained and will be sought in the future to continue to qualify

22

performance-based compensation for the exemption. Although it is the Company's intent to qualify compensation for the exemption from the deduction limitations, the Company's compensation practices have been, and will continue to be, designed to serve the best interests of the shareholders regardless of whether specific compensation qualifies for the exemption.

### CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

SHAREHOLDERS AND STANDSTILL AGREEMENTS. On December 1, 2003, subsidiaries of the Company completed the purchase of OAO Comincom from Nye Telenor East Invest. As a result of the transaction, Telenor acquired 19.5% of the Company's then issued and outstanding shares. Also as a result of the transaction, the Company and certain major shareholders of the Company entered into a shareholders agreement and a standstill agreement. The shareholders agreement and standstill agreement,

## Edgar Filing: GOLDEN TELECOM INC - Form DEF 14A

which came into effect on December 1, 2003, were entered into by the Company, Alfa, Telenor, Rostelecom, Capital, Cavendish and First NIS. An Independent Committee of the Board of Directors authorized both agreements and granted its approval of the acquisition pursuant to Section 203(a)(1) of the Delaware General Corporate Law.

The shareholders agreement provides that the parties to the agreement will vote their shareholding such that the nominees to the Board designated by the parties pursuant to the agreement will be elected to the Golden Telecom Board of Directors. The following table shows each of the nominees for director and which shareholder designated them for nomination.

24

Shareholder -----	Nominees -----
Alfa	Mr. Petr Aven Mr. Andrey Kosogov Mr. Alexander Vinogradov
Telenor	Mr. Kjell Morten Johnsen Mr. Jan Edvard Thygesen
Rostelecom	Mr. Vladimir Androsik Mr. Michael North
Capital	Mr. Ashley Dunster
Cavendish/First NIS	Mr. Michael Calvey

Pursuant to the shareholders agreement, the directors select the final nomination for director. The Board selected Mr. David Herman.

If the shareholdings of any party to the standstill agreement reach, exceed or fall below certain thresholds then the right to designate directors to the Company's Board of that particular shareholder shall be adjusted. Accordingly, such shareholder has the right to designate one director for each 10% of the Company's outstanding stock owned up to 30% after which point the number of directors such shareholder may designate is capped at three, except that if a shareholder owns more than 40% of the Company's outstanding stock, that shareholder may also appoint, in addition to the three directors mentioned above, an independent director who shall be an audit committee financial expert and qualified and willing to serve on the Audit Committee. The shareholders agreement terminates on the earlier of (i) the date on which all parties to the agreement agree in writing and (ii) the date on which any person owns more than 50% of the Company's issued and outstanding shares.

Generally, the standstill agreement provides that Alfa may not acquire over 49.99%, Telenor may not acquire over 40.00% and Rostelecom may not acquire over 35.00% of the Company's outstanding stock on a fully diluted basis. Similar "standstill" provisions are applicable to Capital and Barings whereby neither of these entities' shareholdings may exceed 20% of the Company's outstanding stock. The standstill agreement expires on the earlier of (i) the date on which all parties to the agreement agree in writing, (ii) June 1, 2005, (iii) the date on which any person owns more than 50% of the Company's issued and outstanding shares, or (iv) the date on which the Company files for bankruptcy.

AGREEMENTS WITH AFFILIATES OF ALFA, TELENOR, AND WITH ROSTELECOM. In the past, companies affiliated with Alfa Telecom Limited have provided investment banking and corporate finance services to the Company. We expect that this relationship will continue. In particular, the Company incurred approximately \$0.3 million in consulting costs with an affiliate of Alfa in relation to the acquisition of OOO Sibchallenge Telecom in 2003. In addition, the Company incurred approximately \$0.1 million in consulting costs with an affiliate of Alfa related to a potential acquisition that was subsequently withdrawn from the market. The Company has also entered into a consulting services agreement with Alfa Bank. This consulting services agreement became effective on April 1, 2003 and will terminate on December 31, 2004, unless terminated earlier pursuant to the agreement. The agreement provides for compensation for services, the total amount of which shall not exceed \$1 million for the provision of services from April 1, 2003 to December 31, 2003 and an amount which shall not exceed \$1 million for the provision of services from January 1, 2004 to December 31, 2004. In September 2002, several Russian subsidiaries of the Company entered into a one year agreement with OOO Alfa Insurance, an affiliate of Alfa, to provide the Company's Russian employees with medical and dental insurance

25

services. The amount payable under this agreement is approximately \$0.3 million per year. In December 2003, the Company entered into a one year agreement with OOO Alfa Insurance to provide the Company with property and equipment liability insurance. The amount payable under this agreement is approximately \$0.2 million per year. OAO Alfa Insurance provides medical insurance to employees of some of the Company's wholly owned subsidiaries and payments to OAO Alfa Insurance for medical insurance were approximately \$0.3 million. We have also entered into commercial arrangements in the ordinary course of business with affiliates of Alfa, Telenor, and with Rostelecom. In the regular course of business, we enter into infrastructure, settlement and other operational contracts with Rostelecom. In 2003, payments to Rostelecom under such contracts were approximately \$16.9 million. We believe that our arrangements with these companies have been conducted on commercially reasonable terms.

REGISTRATION RIGHTS AGREEMENTS. Golden Telecom entered into a registration rights agreement with Alfa, Telenor, Rostelecom, Capital and Cavendish and First NIS on August 19, 2003 which became effective on the closing of the Comincom transaction on December 1, 2003. The agreement provides that upon the written request of any of Alfa, Telenor, or Rostelecom, the Company will use all reasonable efforts to register under the applicable federal and state securities laws the resale of any of the shares of the Company's Common Stock owned by Alfa, Telenor or Rostelecom, respectively. Each of Alfa, Telenor, and Rostelecom may make such requests twice. The agreement also provides that upon the written request of either Capital or Barings, the Company will use all reasonable efforts to register under the applicable federal and state securities laws the resale of any of the shares of the Company's Common Stock owned by Capital or Barings, respectively. Each of Capital or Barings may make such request once. Alfa, Telenor, Rostelecom, Capital and Barings each have the right to include their respective shares of the Company's Common stock in future registrations initiated by the Company on its own behalf or on behalf of other shareholders. This right is subject to certain limitations as to whether and to what extent each of Alfa, Telenor, Rostelecom, Capital and Barings may include their shares in any such registration. The Company has agreed to pay any registration expenses. The registration rights agreement contains customary indemnification and contribution provisions between the Company, Alfa, Telenor, Rostelecom, Capital, Cavendish and First NIS.

### VOTING PROCEDURES (FOR BENEFICIAL SHAREHOLDERS)

You are a beneficial shareholder if a brokerage firm, bank, trustee or other agent (the "nominee") holds your stock. This form of ownership is often called ownership in "street name" since your name does not appear anywhere on our records.

28

Q.: HOW DO I VOTE?

A.: You must vote in the manner described by the nominee in the materials delivered by the nominee with this Proxy Statement. Detailed instructions are also included in this Proxy Statement.

Q.: HOW DO I CHANGE MY VOTE?

A.: To change your vote, follow the nominee's instructions on revoking or changing your Proxy Card.

### GENERAL VOTING QUESTIONS

Q.: HOW MANY VOTES ARE NEEDED FOR A PROPOSAL TO PASS?

A.: The vote of the holders of a plurality of the votes cast by shareholders will elect candidates for director (Item No. 1 on your Proxy Card). The vote of the holders of at least a majority of the shares of Common Stock present in person or represented by proxy at the meeting and entitled to vote is required to ratify the Board of Directors' appointment of Ernst & Young as the Company's independent public accountants for 2004 (Item No. 2 on your Proxy Card).

Q.: WHAT SHARES ARE REFLECTED ON MY PROXY CARD?

A.: The Proxy Card we delivered to you reflects all shares owned by you at the close of business on the record day. If you hold shares "in street name" you will receive a voting instruction card from your nominee.

Q.: IF I PLAN TO ATTEND THE MEETING SHOULD I STILL VOTE BY PROXY CARD?

## Edgar Filing: GOLDEN TELECOM INC - Form DEF 14A

A.: Yes. Casting your vote in advance does not affect your right to attend the meeting. Written ballots will be available at the Annual Meeting for shareholders of record. If you send in your Proxy Card and also attend the meeting, you do not need to vote again at the meeting unless you want to change your vote. Beneficial owners who wish to attend the meeting and vote in person must request a proxy from the nominee and bring that proxy to the meeting.
