To holders of Ordinary Shares of 25p each in the capital of the Company

Edgar Filing: AMVESCAP PLC/LONDON/ - Form 6-K

DEAR SHAREHOLDER,
Annual General Meeting

I am writing to invite you to join us at this year's Annual General Meeting of the Company to be held at 11:30 am on Wednesday April 30, 2003 on the 7th Floor of our new corporate headquarters at 30, Finsbury Square, London EC2A 1AG, and to explain the proposals which shareholders are invited to approve at the Annual General Meeting. The formal Notice of Meeting and resolutions to be proposed are set out on pages 6 to 7 of this document.

Directors' Power to Allot Shares

There will be proposed as Resolution 6 a continuance of the directors' authority to allot the present unissued share capital of the Company (up to a maximum of 255,541,564 ordinary shares) comprising approximately 32 per cent of the Company's issued ordinary share capital on March 14, 2003. Resolution 7 will be proposed as a Special Resolution to renew the directors' authority to allot equity securities for cash otherwise than strictly pro-rata to existing shareholders in the case of a rights issue and also otherwise than to existing shareholders up to a maximum of 39,722,900 ordinary shares being approximately 5 percent of the issued ordinary share capital on

March 14, 2003. The authorities conferred by the Resolutions 6 and 7 will lapse on April 29, 2008.

Although the directors have no present intention of utilizing these authorities they would take into account the best interests of shareholders generally in reviewing any future circumstances which would result in the issuance of shares.

Power to Purchase Shares

At the Annual General Meeting a Special Resolution (No.8) will be proposed to enable the Company to purchase in the market up to a maximum of 79,445,800 ordinary shares for cancellation (approximately 10.0 percent of the issued share capital) at a minimum price of 25p per share and a maximum price per share of not more than 5 percent above the average of the middle market quotation for an ordinary share as derived from the London Stock Exchange Daily Official List for the five business days immediately prior to the date of such purchase.

If approved, the directors will use the authority, which will be conferred by the Resolution, with discretion, and with a view to enhancing shareholder value. Purchases will only be made in the light of market conditions prevailing at the time and where the Directors consider this will result in an increase in earnings per share and will be in the best interests of shareholders generally. Any purchases made by the Company will be announced by no later than 8:30 am on the business day following the transaction.

There are a total of 120,514,618 ordinary shares over which options to subscribe for equity shares outstanding as at March 14, 2003, (being the latest practicable date prior to publication of the enclosed Notice of Annual General Meeting) have been granted under the AMVESCAP Executive No 3 Share Option and AMVESCAP 2000 Share Option Plans, representing 15.17 per cent of the issued share capital at that date. Such options would represent 16.83 per cent of the issued share capital of the Company if the full authority to buy back shares given by Resolution 7 of the Annual General Meeting of April 26, 2002 had been used, and 16.85per cent of the issued share capital of the Company if the full authority being sought pursuant to Resolution 7 in the Notice of Annual General Meeting of April 30, 2003 is used.

Amendments to Articles of Association

Edgar Filing: AMVESCAP PLC/LONDON/ - Form 6-K

There will be proposed as Resolution 9 the adoption of new Articles of Association, in order to bring them in line with current best practice and, in particular, the Uncertified Securities Regulations 2001 and the Combined Code on Corporate Governance. Details of the four principal Board Committees including the Nomination and Board Governance Committee which is responsible for, inter alia, examining board governance and effectiveness, are described in the AMVESCAP 2002 annual report. Resolution 9 will be proposed as a special resolution.

Re-Election of Directors

The directors retiring by rotation are The Hon. Michael D. Benson, Mr Michael J Cemo and Mr Gary T Crum. Special notice has also been given in respect of a resolution to propose for re-election Mr. Stephen K. West, who is over the age of 70 years. Mr. Michael Cemo and Mr. Gary Crum will not be seeking re-election to the board and will retire with effect from the conclusion of the Annual General Meeting. The Hon.
