**CAMDEN PROPERTY TRUST ANNOUNCES PRELIMINARY RESULTS OF  
ELECTION REGARDING MERGER**

Houston, TX, February 23, 2005 Camden Property Trust (NYSE: CPT) today announced the preliminary results of elections made by Summit stockholders as to the form of merger consideration to be received in the pending merger of Camden and Summit. Camden has been informed that as of February 23, 2005, there were 31,567,372 shares of Summit common stock and 35,229 restricted shares outstanding. Of these shares (which include 9,833,107 tendered pursuant to guaranteed delivery):

18,882,432 of the shares, or 59.7%, elected to receive shares, and 11,215,417 of the shares, or 35.5%, elected to receive cash; and

1,504,752 of the shares, or 4.8%, did not make a valid election.

Based on preliminary election results and the number of shares of Summit common and restricted stock outstanding on February 23, 2005, and applying the reallocation provisions set forth in the merger agreement, the merger consideration to be received would be as follows:

stockholders making an election to receive cash would receive \$31.20 per Summit share;

stockholders making an election to receive Camden shares would receive .62395 of a Camden share and \$2.09 per Summit share; and

non-electing stockholders would receive \$31.20 with respect to all of the Summit shares they own.

The actual merger consideration will be computed using the formula in the merger agreement and will be based on, among other things, the actual number of shares of Summit common stock outstanding at the effective time of the merger and the results of the election process. A press release announcing the final merger consideration will be issued after the final merger consideration is determined.
